IN ASSEMBLY

March 28, 2022

Introduced by M. of A. FORREST -- read once and referred to the Committee on Correction

AN ACT to amend the correction law, in relation to requiring gynecological services to be offered to incarcerated individuals

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The correction law is amended by adding a new section 140-a
2 to read as follows:

3 § 140-a. Provision for access to gynecological services. 1. All people
4 with cervixes confined to a state or local correctional facility shall
5 be provided annual access to gynecological services and visits with a
6 licensed gynecologist, at no cost. Such services and visits shall be
7 provided in accordance with standards developed in consultation with the
8 department of health and the American college of obstetricians and gynecologists.

9
10 2. Any person with a cervix confined to a state or local correctional
11 facility who wishes to decline the provision of such services set forth
12 in subdivision one of this section shall do so in writing. Each correc-
13 tional facility shall furnish a report to the commissioner each January
14 stating the percentage of eligible confined persons who received gynecological
15 services, the percentage who declined services, and copies of
16 all written documents evidencing declined services.

17 § 2. Subdivision 2 of section 140 of the correction law, as added by
18 chapter 516 of the laws of 1995, is amended to read as follows:

19 2. Subject to the regulations of the department of health, routine
20 medical, dental and mental health services and treatment is defined for
21 the purposes of this section to mean any routine diagnosis or treatment,
22 including without limitation the provision of gynecological services for
23 incarcerated individuals with cervixes, the administration of medica-
24 tions or nutrition, the extraction of bodily fluids for analysis, and
25 dental care performed with a local anesthetic. Routine mental health
26 treatment shall not include psychiatric administration of medication
27 unless it is part of an ongoing mental health plan or unless it is
28 otherwise authorized by law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
