§ 401. Military connected youth. 1. Facilitating the timely enrollment of military connected youth and ensuring they are not placed at a disadvantage due to difficulty in the transfer of education records from a previous public school, including a public school in another state;

2. Facilitating the student placement process so military connected youth are not disadvantaged by variations in attendance requirements, scheduling, lesson sequencing, grading, course content, and assessment;

3. Facilitating the qualification and eligibility for enrollment, educational programs, and participation in extracurricular activities by military connected youth;

4. Facilitating the on-time graduation of military connected youth;
