7 other aspects pertinent to each item of appropriation shall be as last

9 For the purpose of complying with the state finance law, the year,
10 chapter and section of the last act reappropriating a former original
11 appropriation or any part thereof is, unless otherwise indicated, chap-
12 ter 53, section 1, of the laws of 2020 and, for the department of
13 health, chapter 50, section 3, of the laws of 2020.

14 d) No moneys appropriated by this chapter shall be available for
15 payment until a certificate of approval has been issued by the director
16 of the budget, who shall file such certificate with the department of
17 audit and control, the chairperson of the senate finance committee and
18 the chairperson of the assembly ways and means committee.

19 e) Notwithstanding any provision of law to the contrary, prior to the
20 expenditure of any funds received by the Federal government in response
21 to the COVID-19 public health emergency pursuant to the authority grant-
22 ed in any appropriation set forth herein, the director of the budget may
23 require that the agency or public authority making such expenditures
24 submit an allocation plan to the director of the budget for approval.
25 Approved allocation plans shall be provided to the president pro tempore
26 of the senate and the speaker of the assembly within 30 days of
27 approval. Such allocation plan must comport with any minimum Federal
28 requirements for the expenditure of such funds.

29 f) Notwithstanding any provision of law to the contrary, for purposes
30 of any appropriation made by this chapter which authorizes spending in
31 an amount net of refunds, rebates, reimbursements, credits, repayments,
32 and/or disallowances, "refunds" shall mean funds received to the state
33 resulting from the overpayment of monies, "rebates" shall mean funds
34 received to the state resulting from a return of a full or partial
35 amount previously paid, as for goods or services, serving as a
36 reduction, discount or rebate to the original payment amount,
37 "reimbursements" shall mean funds received to the state as repayment in
38 an equivalent amount for goods or services, including but not limited to
39 personal service costs, incurred by the state in the first instance

42 available to the state that reduce the amount owed to a third party,
43 including but not limited to billing errors, rebates, and prior overpay-
44 ments, "repayment" shall mean the return of monies as pay back for
45 expenses incurred, and "disallowance" shall mean monies made available
46 to the state that were not allowed or accepted officially by the
47 intended recipient, based on a determination the payment is not accepta-

49 such refunds, rebates, reimbursements, credits, repayments, and/or
50 disallowances, he or she shall credit the refunded, rebated, reimbursed,

54 g) Notwithstanding any other provision of law to the contrary, if the

56 ing the rent regulation program in accordance with subdivision (c) of

1 section 8 of chapter 576 of the laws of 1974, as amended, for a city
2 having a population of one million or more, the director of the budget
3 may direct any other state agency or agencies making payments to such
4 city, or any department, agency, or instrumentality thereof, to perma-
5 nently reduce the amount of any other payment or payments owed to such
6 city or any department, agency, or instrumentality thereof pursuant to
7 any appropriation set forth in this chapter. Provided however, that such
8 reduction shall be in an amount equal to the costs incurred by the state
9 or agency thereof in accordance with subdivision (c) of section 8 of
10 chapter 576 of the laws of 1974 and provided further that such direction
11 shall be made in writing by the director of the budget. If the director
12 of the budget makes such direction pursuant to the authority set forth
13 herein, the impacted city shall not make the payments required by subdivi-
14 sion (c) of section 8 of chapter 576 of the laws of 1974, as amended,
15 and the division of housing and community renewal shall notify such city
16 in writing of what payment or payments will be reduced and the amount of
17 such reduction. To the extent a city of one million or more or any
18 department, agency, or instrumentality thereof is entitled to any cash
19 disbursement authorized by any appropriation contained in this chapter,
20 such entitlement shall be reduced commensurate with reductions in
21 payments made in accordance with this part.

22 h) Notwithstanding any provision of law to the contrary, upon enact-
23 ment of this chapter of the laws of 2021 containing the aid to locali-
24 ties budget bill for the state fiscal year 2021-2022, all appropriations
25 and reappropriations contained in chapter 53 of the laws of 2020, which
26 would otherwise lapse by operation of law on March 31, 2022 are hereby
27 repealed.

28 i) Notwithstanding any provision contained herein or any other law to
29 the contrary, the budget director may withhold up to 50 percent of funds
30 appropriated herein, including amounts that are to be paid on specific
31 dates prescribed in law or regulation, from any local government entity
32 which has a police agency operating with police officers as defined
33 under 1.20 of the criminal procedure law who, by April 1, 2021, fails to
34 submit to the budget director the certification required by Executive
35 Order 203 issued on June 12, 2020 and titled "New York State Police
36 Reform and Reinvention Collaborative". The Director of the Budget shall
37 discontinue and reverse any withholds made pursuant to this provision
38 upon receipt of the certification required by Executive Order 203. To
39 the extent the State is obligated to make payment to any local govern-
40 ment entity which has a police agency operating with police officers as
41 defined under 1.20 of the criminal procedure law pursuant to any appro-
42 priation contained herein, such obligation shall be reduced commensurate
43 with the amount of payments withheld for the amount of time such
44 payments are withheld by the director of the budget pursuant to this
45 provision.

46 j) The appropriations contained in this chapter shall be available for
47 the fiscal year beginning on April 1, 2021 except as otherwise noted.

4 state reimbursement to each social

11 Notwithstanding any other provision of

16 Notwithstanding any other provision of law,

16 social services payment system on or
17 before April 1, 2005 for all direct and
18 voluntary agency foster care services.

19 Notwithstanding any law to the contrary, the
20 office of children and family services
21 shall impose on social services districts
22 any federal disallowance issued against
23 the state as a result of a federal title
24 IV-E secondary eligibility review regard-
25 less of the date the children may have
26 entered foster care, the date the eligi-
27 bility or payment errors occurred, or the
28 filing date of any federal claims for
29 reimbursement; provided, however, that the
30 state shall be responsible for the disal-

39 ment for the full amount of any disallow-
40 ance imposed on the state by the federal
41 administration for children and families
42 within the timeframes necessary to avoid
43 any potential interest payments on such
44 amount, the office of children and family

1 applicable statewide title IV-E claims.
2 The amount of the offset against each
3 district will be adjusted, if necessary,
4 upon completion of the disallowance allo-
5 cation process. The final allocation of
6 the amount of any federal disallowance
7 resulting from a title IV-E secondary
8 eligibility review shall be allocated
9 among the districts so that each district
10 shall be responsible for the amount
11 attributable to each of the district's
12 children or cases that are determined by
13 the federal review to be unallowable. Each
14 district shall also be responsible for a
15 portion of the federal extrapolated disal-
16 lowance amount based on the relative error
17 rate for the district. The city of New
18 York's error rate will be based on the
19 federal sample and federal statistics. For
20 all social services districts other than
21 the city of New York, the error rate will
22 be based on a review conducted by the
23 district of a sample of children and/or
24 cases determined by the office of children
25 and family services and a re-review of a
26 sub-sample by the office of those children
27 and/or cases determined by the office. The
28 office of children and family services
29 will determine what is reasonable in
30 establishing the size of the sample and
31 sub-sample for each district. The office
32 of children and family services shall
33 notify each social services district of
34 the sample of children and/or cases from
35 the federal audit period that the social
36 services district must review. Any child
37 or case from the social services district
38 that was included in the federal sample
39 will automatically be included in the
40 social services district's review sample
41 and the determination made at the federal
42 review regarding that child or case will
43 govern for the purposes of the social
44 services district's review. The social
45 services district must complete and submit
46 the results of its review to the office of
47 children and family services within 60
48 days of receipt of the sample. The error
49 rate for the district will be based on the
50 findings of the district's review and the
51 office of children and family services'

1 re-review. If a social services district
2 does not complete its review within 60
3 days of receiving the sample from the
4 office of children and family services,
5 the office of children and family services
6 shall assign an error rate to the social
7 services district based on the relative
8 percentage of the district's applicable
9 title IV-E claims for the relevant period
10 as compared to applicable statewide title
11 IV-E claims for that period and other
12 circumstances that the office of children
13 and family services may consider in order
14 to allocate 100 percent of the federal
15 disallowance. The office of children and
16 family services shall apply each social
17 services district's error rate to the
18 total amount of the district's applicable
19 title IV-E claims including associated
20 administrative expenses. The resulting
21 dollar amounts for all of the social
22 services districts will be summed to
23 derive the total amount of title IV-E
24 claims deemed to be in error statewide. To
25 establish a disallowance percentage for
26 each social services district, the amount
27 of the district's title IV-E claims deemed
28 to be in error will be divided by the
29 amount of statewide title IV-E claims
30 deemed to be in error. The resulting
31 disallowance percentage for each district
32 will be applied to the entire title IV-E
33 extrapolated disallowance calculated by
34 the federal review to determine the amount
35 of the extrapolated disallowance for which
36 the district is responsible. Each district
37 will be credited for the amount already
38 disallowed for any individual children or
39 cases found to be in error during the
40 federal review. The exclusive appeal
41 rights for the review of the amount of the
42 federal disallowance assigned to each
43 social services district shall be pursuant
44 to article 78 of the civil practice law
45 and rules; provided, however, that in any
46 such action all of the social services
47 districts shall be joined as necessary
48 parties and the venue of any such action
49 shall be in Rensselaer county. Any social

3 By chapter 53, section 1, of the laws of 2020:

4 Notwithstanding any inconsistent provision of law, the amount appro-
5 priated herein, shall be available under a foster care block grant
6 for state reimbursement of eligible social services district expend-
7 itures for the provision and administration of foster care services
8 including care, maintenance, supervision, and tuition; for super-
9 vision of foster children placed in federally funded job corps
10 programs; for care, maintenance, supervision, and tuition for adju-
11 dicated juvenile delinquents placed in residential programs operated
12 by authorized agencies and in out-of-state residential programs; and
13 for the provision and administration of the kinship guardian assist-
14 ance program including kinship guardianship assistance payments and
15 payments for non-recurring guardianship expenses; except that,
16 reimbursement from the amount appropriated herein shall not be
17 available for tuition expenditures for foster children, including
18 persons in need of supervision and adjudicated juvenile delinquents,
19 made by a social services district located within a city having a
20 population of one million or more.

21 Notwithstanding any other provision of law, a portion of the funds are
22 available to reimburse social services districts for the change in
23 the maximum state aid rates established by the office of children
24 and family services for the 2020-21 rate year pursuant to section
25 398-a of the social services law and sections 4003 and 4405 of the
26 education law to reflect the continuation of the cost of living
27 adjustments that became effective April 1, 2008 for payments made to
28 foster parents and for salary and fringe benefit costs and other
29 critical nonpersonal services costs for foster care programs as
30 determined by the office. Social services districts must adjust the
31 amount of payments made for care provided by congregate care and
32 foster boarding home programs and to foster parents to reflect the
33 cost of living adjustments in the manner specified by the office.
34 Each authorized agency operating a congregate care or foster board-
35 ing home program in New York state for which the office sets a maxi-
36 mum state aid rate pursuant to section 398-a of the social services
37 law or section 4003 or 4405 of the education law shall submit, at
38 the time and in a manner to be determined by the office, a written
39 certification, attesting that the funds received for the continua-
40 tion of the cost of living adjustment to the maximum state aid rate
41 that became effective April 1, 2008 for that program will be or were
42 used solely in accordance with the requirements of the cost of
43 living adjustment established by the office.

44 Notwithstanding any inconsistent provision of law, for the period
45 commencing on April 1, 2020 and ending March 31, 2021 the commis-
46 sioner shall not apply any cost of living adjustment for the purpose
47 of establishing rates of payments, contracts or any other form of
48 reimbursement.

49 Within the amounts appropriated herein, state reimbursement to each
50 social services district for services identified herein that are

otherwise reimbursable by the state from April 1, 2020 through March 31, 2021 shall be limited to a district allocation, hereinafter referred to as the district's block grant allocation. Notwithstanding any other provision of law, such block grant allocation shall be based, in part, on each district's claims for such costs, adjusted by the applicable cost allocation methodology and net of any retroactive payments for the 12 month period ending June 30, 2019 that are submitted on or before January 2, 2020 and, in part, on such other factors as determined by the office of children and family services and approved by the director of the budget. Any portion of a social services district's allocation from funds appropriated herein not claimed by such district during the state fiscal year may be used by such district for expenditures on preventive services provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 62 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal reimbursement during that state fiscal year may not be claimed against that district's block grant apportionment for the next state fiscal year.

The office of children and family services, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share decrease related to federal retroactive reimbursement for such foster care services identified herein. The office, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share of disallowances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disallowance or sanction taken against the social services district, or any federal disallowance attributable to final federal agency decisions or to settlement made, on or after July 1, 1995, when such disallowance or sanction results from the failure of the social services district to comply with federal or state requirements, including, but not limited to, failure to document eligibility for federal or state funds in the case record; provided, however, if the office determines that any federal disallowance for services provided between January 1, 1999 and May 31, 1999 results solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be sole-

ly responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2020.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated disallowance amount based on the relative error rate for the district. The city of New York's error rate will be based on the

OFFICE OF CHILDREN AND FAMILY SERVICES

1 federal sample and federal statistics. For all social services
2 districts other than the city of New York, the error rate will be
3 based on a review conducted by the district of a sample of children
4 and/or cases determined by the office of children and family
5 services and a re-review of a sub-sample by the office of those
6 children and/or cases determined by the office. The office of chil-
7 dren and family services will determine what is reasonable in estab-
8 lishing the size of the sample and sub-sample for each district. The
9 office of children and family services shall notify each social
10 services district of the sample of children and/or cases from the
11 federal audit period that the social services district must review.
12 Any child or case from the social services district that was
13 included in the federal sample will automatically be included in the
14 social services district's review sample and the determination made
15 at the federal review regarding that child or case will govern for
16 the purposes of the social services district's review. The social
17 services district must complete and submit the results of its review
18 to the office of children and family services within 60 days of
19 receipt of the sample. The error rate for the district will be based
20 on the findings of the district's review and the office of children
21 and family services' re-review. If a social services district does
22 not complete its review within 60 days of receiving the sample from
23 the office of children and family services, the office of children
24 and family services shall assign an error rate to the social
25 services district based on the relative percentage of the district's
26 applicable title IV-E claims for the relevant period as compared to
27 applicable statewide title IV-E claims for that period and other
28 circumstances that the office of children and family services may
29 consider in order to allocate 100 percent of the federal disallow-
30 ance. The office of children and family services shall apply each
31 social services district's error rate to the total amount of the
32 district's applicable title IV-E claims including associated admin-
33 istrative expenses. The resulting dollar amounts for all of the
34 social services districts will be summed to derive the total amount
35 of title IV-E claims deemed to be in error statewide. To establish a
36 disallowance percentage for each social services district, the
37 amount of the district's title IV-E claims deemed to be in error
38 will be divided by the amount of statewide title IV-E claims deemed
39 to be in error. The resulting disallowance percentage for each
40 district will be applied to the entire title IV-E extrapolated
41 disallowance calculated by the federal review to determine the
42 amount of the extrapolated disallowance for which the district is
43 responsible. Each district will be credited for the amount already
44 disallowed for any individual children or cases found to be in error
45 during the federal review. The exclusive appeal rights for the
46 review of the amount of the federal disallowance assigned to each
47 social services district shall be pursuant to article 78 of the
48 civil practice law and rules; provided, however, that in any such
49 action all of the social services districts shall be joined as
50 necessary parties and the venue of any such action shall be in Rens-
51 selaer county. Any social services district that fails to complete

2 appeal and shall not be a necessary party to any action brought by
3 another social services district.

2 section 1, of the laws of 2020:

3 For eligible services and expenses of youth development programs as
4 determined by the office of children and family services. Notwith-
5 standing any other provision of law to the contrary, a youth devel-
6 opment program shall mean a program designed to provide community-
7 level services to promote positive youth development but shall not
8 include approved runaway programs or transitional independent living
9 support programs as such terms are defined in section 532-a of the
10 executive law. Each county or a city with a population of one
11 million or more, which shall be known as a municipality, operating a
12 youth development program approved by the office of children and
13 family services shall be eligible for one hundred percent state
14 reimbursement of its qualified expenditures, subject to the amount
15 available under this appropriation and exclusive of any federal
16 funds made available therefor, not to exceed the municipality's
17 distribution of state aid for youth development programs. The amount
18 appropriated herein for youth development programs shall be distrib-
19 uted by the office of children and family services to eligible muni-
20 cipalities that have a comprehensive plan that has been developed in
21 consultation with the applicable municipal youth bureau and approved
22 by the office of children and family services. The distribution of
23 the amount appropriated herein to eligible municipalities by the
24 office of children and family services shall be based on factors as
25 determined by the office and subject to the approval of the director
26 of budget; such factors shall include the number of youth under the
27 age of twenty-one residing in the municipality as shown by the last
28 published federal census certified in the same manner as provided by
29 section 54 of the state finance law and may include, but not be
30 limited to, the percentage of youth living in poverty within the
31 municipality or such other factors as provided for in the regu-
32 lations of the office of children and family services. Up to fifteen
33 percent of the youth development funds that a municipality would
34 allocate to an approved local youth bureau pursuant to an approved
35 comprehensive plan may be used for administrative functions
36 performed by such local youth bureau. Notwithstanding any provision
37 of law to the contrary, an approved local youth bureau that is not
38 providing, operating, administering or monitoring youth development
39 programs shall not receive funding under this appropriation. The
40 office shall not reimburse any claims for youth development programs
41 unless they are submitted within twelve months of the calendar quar-
42 ter in which the expenditure was made. The office may require that
43 such claims be submitted to the office electronically in the manner
44 and format required by the office. A municipality may enter into
45 contracts to effectuate its youth development program as approved by
46 the office of children and family services. No expenditures shall be
47 made from this appropriation for youth development programs until a
48 plan has been approved by the director of the budget and a certif-
49 icate of approval allocating these funds has been issued by the

1 disaster, including a governmental decla-

3 The director of the budget, in consultation
4 with the commissioner of health, shall
5 assess on a quarterly basis known and
6 projected medicaid expenditures by category
7 of service and by geographic region, as
8 determined by the commissioner of health,
9 incurred both prior to and subsequent to
10 such assessment for each such period, and
11 if the director of the budget determines
12 that such expenditures are expected to
13 cause medicaid spending for such period to
14 exceed the aggregate limit specified here-
15 in for such period, the state medicaid
16 director, in consultation with the direc-
17 tor of the budget and the commissioner of
18 health, shall develop a medicaid savings
19 allocation adjustment to limit such spend-
20 ing to the aggregate limit specified here-
21 in for such period.
22 Such medicaid savings allocation adjustment
23 shall be designed, to reduce the expendi-
24 tures authorized by the appropriations
25 herein in compliance with the following
26 guidelines: (1) reductions shall be made
27 in compliance with applicable federal law,
28 including the provisions of the Patient
29 Protection and Affordable Care Act, Public
30 Law No. 111-148, and the Health Care and
31 Education Reconciliation Act of 2010,

43 authority, to implement the provisions of
44 the medicaid savings allocation adjustment
45 that meets the other criteria set forth
46 herein; (3) reductions shall be made in a
47 manner that maximizes federal financial
48 participation, to the extent practicable,
49 including any federal financial partic-
50 ipation that is available or is reasonably
51 expected to become available, in the
52 discretion of the commissioner, under the

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2021-22

1 Affordable Care Act; (4) reductions shall
2 be made uniformly among categories of
3 services and geographic regions of the
4 state, to the extent practicable, and
5 shall be made uniformly within a category
6 of service, to the extent practicable,
7 except where the commissioner determines
8 that there are sufficient grounds for
9 non-uniformity, including but not limited
10 to: the extent to which specific categories
11 of services contributed to department
12 of health medicaid state funds spending in
13 excess of the limits specified herein; the
14 need to maintain safety net services in
15 underserved communities; or the potential
16 benefits of pursuing innovative payment
17 models contemplated by the Affordable Care
18 Act, in which case such grounds shall be
19 set forth in the medicaid savings allocation
20 adjustment; and (5) reductions
21 shall be made in a manner that does not
22 unnecessarily create administrative
23 burdens to medicaid applicants and recipients
24 or providers.

25 The commissioner shall seek the input of the
26 legislature, as well as organizations
27 representing health care providers,
28 consumers, businesses, workers, health
29 insurers, and others with relevant expertise,
30 in developing such medicaid savings
31 allocation adjustment, to the extent that
32 all or part of such adjustment, in the
33 discretion of the commissioner, is likely
34 to have a material impact on the overall
35 medicaid program, particular categories of
36 service or particular geographic regions
37 of the state.

38 (a) The commissioner shall post the medicaid
39 savings allocation adjustment on the
40 department of health's website and shall
41 provide written copies of such adjustment
42 to the chairs of the senate finance and
43 the assembly ways and means committees at
44 least 30 days before the date on which
45 implementation is expected to begin.

46 (b) The commissioner may revise the medicaid
47 savings allocation adjustment subsequent
48 to the provisions of notice and prior to
49 implementation but needs to provide a new
50 notice pursuant to subparagraph (i) of
51 this paragraph only if the commissioner
52 determines, in his or her discretion, that

1 such revisions materially alter the
2 adjustment.

3 Notwithstanding the provisions of paragraphs
4 (a) and (b) of this subdivision, the
5 commissioner need not seek the input
6 described in paragraph (a) of this subdivi-
7 sion or provide notice pursuant to para-
8 graph (b) of this subdivision if, in the
9 discretion of the commissioner, expedited
10 development and implementation of a medi-
11 caid savings allocation adjustment is
12 necessary due to a public health emergen-
13 cy.

14 For purposes of this section, a public
15 health emergency is defined as: (i) a
16 disaster, natural or otherwise, that
17 significantly increases the immediate need
18 for health care personnel in an area of
19 the state; (ii) an event or condition that
20 creates a widespread risk of exposure to a
21 serious communicable disease, or the
22 potential for such widespread risk of
23 exposure; or (iii) any other event or
24 condition determined by the commissioner
25 to constitute an imminent threat to public
26 health.

27 Nothing in this paragraph shall be deemed to
28 prevent all or part of such medicaid
29 savings allocation adjustment from taking
30 effect retroactively to the extent permit-
31 ted by the federal centers for medicare
32 and medicaid services.

33 In accordance with the medicaid savings
34 allocation adjustment, the commissioner of
35 the department of health shall reduce
36 department of health state funds medicaid

43 provision of law that sets a specific
44 amount or methodology for any such
45 payments or rates of payment; modifying
46 medicaid program benefits; seeking all
47 necessary federal approvals, including,
48 but not limited to waivers, waiver amend-
49 ments; and suspending time frames for
50 notice, approval or certification of rate
51 requirements, notwithstanding any
52 provision of law, rule or regulation to

5 The department of health shall prepare a
6 quarterly report that sets forth: (a)
7 known and projected department of health
8 medicaid expenditures as described in
9 subdivision (1) of this section, and
10 factors that could result in medicaid
11 disbursements for the relevant state
12 fiscal year to exceed the projected
13 department of health state funds disburse-
14 ments in the enacted budget financial plan
15 pursuant to subdivision 3 of section 23 of
16 the state finance law, including spending
17 increases or decreases due to: enrollment
18 fluctuations, rate changes, utilization
19 changes, MRT investments, and shift of
20 beneficiaries to managed care; and vari-
21 ations in offline medicaid payments; and
22 (b) the actions taken to implement any
23 medicaid savings allocation adjustment
24 implemented pursuant to subdivision (4) of
25 this section, including information
26 concerning the impact of such actions on
27 each category of service and each
28 geographic region of the state. Each such
29 quarterly report shall be provided to the
30 chairs of the senate finance and the
31 assembly ways and means committees and

1 Notwithstanding section 40 of the state
2 finance law or any other law to the
3 contrary, all medical assistance appropri-
4 ations made from this account shall remain
5 in full force and effect in accordance, in
6 the aggregate, with the following sched-
7 ule: not more than 48 percent for the
8 period April 1, 2021 to March 31, 2022;
9 and the remaining amount for the period
10 April 1, 2022 to March 31, 2023.

11 Notwithstanding section 40 of the state
12 finance law or any provision of law to the
13 contrary, subject to federal approval,
14 department of health state funds medicaid
15 spending, excluding payments for medical
16 services provided at state facilities
17 operated by the office of mental health,
18 the office for people with developmental
19 disabilities and the office of addiction
20 services and supports and further exclud-
21 ing any payments which are not appropri-

23 the aggregate, for the period April 1,
24 2021 through March 31, 2022, shall not
25 exceed \$23,531,327,000 except as provided
26 below and state share medicaid spending,
27 in the aggregate, for the period April 1,
28 2022 through March 31, 2023, shall not

31 medicaid spending for the period April 1,
32 2021 through March 31, 2023 exceed
33 \$49,118,443,000. Provided, however, such
34 aggregate limits may be adjusted by the
35 director of the budget to account for any
36 changes in the New York state federal
37 medical assistance percentage amount
38 established pursuant to the federal social
39 security act, increases in provider reven-
40 ues, reductions in local social services
41 district payments for medical assistance

43 and beginning April 1, 2012 the opera-
44 tional costs of the New York state medical
45 indemnity fund, pursuant to chapter 59 of
46 the laws of 2011, and state costs or
47 savings from the essential plan program.
48 Such projections may be adjusted by the

1 disaster, including a governmental decla-
2 ration of emergency.
3 The director of the budget, in consultation
4 with the commissioner of health, shall
5 assess on a quarterly basis known and
6 projected medicaid expenditures by cate-
7 gory of service and by geographic region, as
8 defined by the commissioner, incurred both
9 prior to and subsequent to such assessment
10 for each such period, and if the director
11 of the budget determines that such expend-
12 itures are expected to cause medicaid
13 spending for such period to exceed the
14 aggregate limit specified herein for such
15 period, the state medicaid director, in
16 consultation with the director of the
17 budget and the commissioner of health,
18 shall develop a medicaid savings allo-
19 cation adjustment to limit such spending
20 to the aggregate limit specified herein
21 for such period.
22 Such medicaid savings allocation adjustment
23 shall be designed, to reduce the expendi-
24 tures authorized by the appropriations
25 herein in compliance with the following
26 guidelines: (1) reductions shall be made
27 in compliance with applicable federal law,
28 including the provisions of the Patient
29 Protection and Affordable Care Act, Public
30 Law No. 111-148, and the Health Care and
31 Education Reconciliation Act of 2010,
32 Public Law No. 111-152 (collectively
33 "Affordable Care Act") and any subsequent
34 amendments thereto or regulations promul-
35 gated thereunder; (2) reductions shall be
36 made in a manner that complies with the
37 state medicaid plan approved by the feder-
38 al centers for medicare and medicaid
39 services, provided, however, that the
40 commissioner of health is authorized to
41 submit any state plan amendment or seek

43 authority, to implement the provisions of
44 the medicaid savings allocation adjustment
45 that meets the other criteria set forth
46 herein; (3) reductions shall be made in a
47 manner that maximizes federal financial
48 participation, to the extent practicable,
49 including any federal financial partic-
50 ipation that is available or is reasonably
51 expected to become available, in the
52 discretion of the commissioner, under the

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2021-22

1 Affordable Care Act; (4) reductions shall
2 be made uniformly among categories of
3 services and geographic regions of the
4 state, to the extent practicable, and
5 shall be made uniformly within a category
6 of service, to the extent practicable,
7 except where the commissioner determines
8 that there are sufficient grounds for
9 non-uniformity, including but not limited
10 to: the extent to which specific categories
11 of services contributed to department
12 of health medicaid state funds spending in
13 excess of the limits specified herein; the
14 need to maintain safety net services in
15 underserved communities; or the potential
16 benefits of pursuing innovative payment
17 models contemplated by the Affordable Care
18 Act, in which case such grounds shall be
19 set forth in the medicaid savings allocation
20 adjustment; and (5) reductions
21 shall be made in a manner that does not
22 unnecessarily create administrative
23 burdens to medicaid applicants and recipients
24 or providers.

25 The commissioner shall seek the input of the
26 legislature, as well as organizations
27 representing health care providers,
28 consumers, businesses, workers, health
29 insurers, and others with relevant expertise,
30 in developing such medicaid savings
31 allocation adjustment, to the extent that
32 all or part of such adjustment, in the
33 discretion of the commissioner, is likely
34 to have a material impact on the overall
35 medicaid program, particular categories of
36 service or particular geographic regions
37 of the state.

38 (a) The commissioner shall post the medicaid
39 savings allocation adjustment on the
40 department of health's website and shall
41 provide written copies of such adjustment
42 to the chairs of the senate finance and
43 the assembly ways and means committees at
44 least 30 days before the date on which
45 implementation is expected to begin.

46 (b) The commissioner may revise the medicaid
47 savings allocation adjustment subsequent
48 to the provisions of notice and prior to
49 implementation but needs to provide a new
50 notice pursuant to subparagraph (i) of
51 this paragraph only if the commissioner
52 determines, in his or her discretion, that

DEPARTMENT OF HEALTH

1 such revisions materially alter the
2 adjustment.

3 Notwithstanding the provisions of paragraphs
4 (a) and (b) of this subdivision, the
5 commissioner need not seek the input
6 described in paragraph (a) of this subdivi-
7 sion or provide notice pursuant to para-
8 graph (b) of this subdivision if, in the
9 discretion of the commissioner, expedited
10 development and implementation of a medi-
11 caid savings allocation adjustment is
12 necessary due to a public health emergen-
13 cy.

14 For purposes of this section, a public
15 health emergency is defined as: (i) a
16 disaster, natural or otherwise, that
17 significantly increases the immediate need
18 for health care personnel in an area of
19 the state; (ii) an event or condition that
20 creates a widespread risk of exposure to a
21 serious communicable disease, or the
22 potential for such widespread risk of
23 exposure; or (iii) any other event or
24 condition determined by the commissioner
25 to constitute an imminent threat to public
26 health.

27 Nothing in this paragraph shall be deemed to
28 prevent all or part of such medicaid
29 savings allocation adjustment from taking
30 effect retroactively to the extent permit-
31 ted by the federal centers for medicare
32 and medicaid services.

33 In accordance with the medicaid savings
34 allocation adjustment, the commissioner of
35 the department of health shall reduce
36 department of health state funds medicaid
37 spending by the amount of the projected
38 overspending through, actions including,
39 but not limited to modifying or suspending
40 reimbursement methods, including but not
41 limited to all fees, premium levels and
42 rates of payment, notwithstanding any
43 provision of law that sets a specific
44 amount or methodology for any such
45 payments or rates of payment; modifying or
46 discontinuing medicaid program benefits;
47 seeking all necessary federal approvals,
48 including, but not limited to waivers,
49 waiver amendments; and suspending time
50 frames for notice, approval or certif-
51 ication of rate requirements, notwith-
52 standing any provision of law, rule or

1 regulation to the contrary, including but
2 not limited to sections 2807 and 3614 of
3 the public health law, section 18 of chap-
4 ter 2 of the laws of 1988, and 18 NYCRR
5 505.14(h).

6 The department of health shall prepare a
7 quarterly report that sets forth: (a)
8 known and projected department of health
9 medicaid expenditures as described in
10 subdivision (1) of this section, and
11 factors that could result in medicaid
12 disbursements for the relevant state
13 fiscal year to exceed the projected
14 department of health state funds disburse-
15 ments in the enacted budget financial plan
16 pursuant to subdivision 3 of section 23 of
17 the state finance law, including spending
18 increases or decreases due to: enrollment
19 fluctuations, rate changes, utilization
20 changes, MRT investments, and shift of
21 beneficiaries to managed care; and vari-
22 ations in offline medicaid payments; and
23 (b) the actions taken to implement any
24 medicaid savings allocation adjustment
25 implemented pursuant to subdivision (4) of
26 this section, including information
27 concerning the impact of such actions on
28 each category of service and each
29 geographic region of the state. Each such
30 quarterly report shall be provided to the
31 chairs of the senate finance and the
32 assembly ways and means committees and
33 shall be posted on the department of
34 health's website in a timely manner.

35 The money hereby appropriated is to be

12 below and state share medicaid spending,
13 in the aggregate, for the period April 1,
14 2022 through March 31, 2023, shall not
15 exceed \$25,587,116,000, but in no event
16 shall department of health state funds
17 medicaid spending for the period April 1,
18 2021 through March 31, 2023 exceed
19 \$49,118,443,000 provided, however, such
20 aggregate limits may be adjusted by the
21 director of the budget to account for any
22 changes in the New York state federal
23 medical assistance percentage amount
24 established pursuant to the federal social
25 security act, increases in provider reven-
26 ues, reductions in local social services
27 district payments for medical assistance
28 administration, minimum wage increases and
29 beginning April 1, 2012 the operational
30 costs of the New York state medical indem-
31 nity fund, pursuant to chapter 59 of the
32 laws of 2011, and state costs or savings
33 from the essential plan. Such projections
34 may be adjusted by the director of the
35 budget to account for increased or expe-

37 medicaid expenditures as a result of a
38 natural or other type of disaster, includ-

41 The director of the budget, in consultation
42 with the commissioner of health, shall
43 assess on a quarterly basis known and
44 projected medicaid expenditures by catego-

46 determined by the commissioner of health,
47 incurred both prior to and subsequent to
48 such assessment for each such period, and
49 if the director of the budget determines
50 that such expenditures are expected to

1 in for such period, the state medicaid
2 director, in consultation with the direc-
3 tor of the budget and the commissioner of
4 health, shall develop a medicaid savings
5 allocation adjustment to limit such spend-
6 ing to the aggregate limit specified here-
7 in for such period.

8 Such medicaid savings allocation adjustment
9 shall be designed, to reduce the expendi-
10 tures authorized by the appropriations
11 herein in compliance with the following
12 guidelines: (1) reductions shall be made
13 in compliance with applicable federal law,
14 including the provisions of the Patient
15 Protection and Affordable Care Act, Public
16 Law No. 111-148, and the Health Care and
17 Education Reconciliation Act of 2010,
18 Public Law No. 111-152 (collectively
19 "Affordable Care Act") and any subsequent
20 amendments thereto or regulations promul-
21 gated thereunder; (2) reductions shall be
22 made in a manner that complies with the
23 state medicaid plan approved by the feder-
24 al centers for medicare and medicaid
25 services, provided, however, that the
26 commissioner of health is authorized to
27 submit any state plan amendment or seek
28 other federal approval, including waiver
29 authority, to implement the provisions of
30 the medicaid savings allocation adjustment
31 that meets the other criteria set forth
32 herein; (3) reductions shall be made in a
33 manner that maximizes federal financial
34 participation, to the extent practicable,
35 including any federal financial partic-
36 ipation that is available or is reasonably
37 expected to become available, in the
38 discretion of the commissioner, under the
39 Affordable Care Act; (4) reductions shall
40 be made uniformly among categories of
41 services and geographic regions of the
42 state, to the extent practicable, and
43 shall be made uniformly within a category
44 of service, to the extent practicable,
45 except where the commissioner determines
46 that there are sufficient grounds for
47 non-uniformity, including but not limited
48 to: the extent to which specific catego-
49 ries of services contributed to department
50 of health medicaid state funds spending in
51 excess of the limits specified herein; the
52 need to maintain safety net services in

underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as: (i) a

DEPARTMENT OF HEALTH

1 disaster, natural or otherwise, that
2 significantly increases the immediate need
3 for health care personnel in an area of
4 the state; (ii) an event or condition that
5 creates a widespread risk of exposure to a
6 serious communicable disease, or the
7 potential for such widespread risk of
8 exposure; or (iii) any other event or
9 condition determined by the commissioner
10 to constitute an imminent threat to public
11 health.

12 Nothing in this paragraph shall be deemed to
13 prevent all or part of such medicaid
14 savings allocation adjustment from taking
15 effect retroactively to the extent permit-
16 ted by the federal centers for medicare
17 and medicaid services.

18 In accordance with the medicaid savings
19 allocation adjustment, the commissioner of
20 the department of health shall reduce
21 department of health state funds medicaid
22 spending by the amount of the projected
23 overspending through, actions including,
24 but not limited to modifying or suspending
25 reimbursement methods, including but not
26 limited to all fees, premium levels and
27 rates of payment, notwithstanding any
28 provision of law that sets a specific
29 amount or methodology for any such
30 payments or rates of payment; modifying
31 medicaid program benefits; seeking all
32 necessary federal approvals, including,
33 but not limited to waivers, waiver amend-
34 ments; and suspending time frames for
35 notice, approval or certification of rate
36 requirements, notwithstanding any
37 provision of law, rule or regulation to
38 the contrary, including but not limited to
39 sections 2807 and 3614 of the public
40 health law, section 18 of chapter 2 of the
41 laws of 1988, and 18 NYCRR 505.14(h).

42 The department of health shall prepare a
43 quarterly report that sets forth: (a)
44 known and projected department of health
45 medicaid expenditures as described in
46 subdivision (1) of this section, and
47 factors that could result in medicaid
48 disbursements for the relevant state
49 fiscal year to exceed the projected

51 ments in the enacted budget financial plan
52 pursuant to subdivision 3 of section 23 of

2 increases or decreases due to: enrollment
3 fluctuations, rate changes, utilization
4 changes, MRT investments, and shift of
5 beneficiaries to managed care; and vari-

7 (b) the actions taken to implement any
8 medicaid savings allocation adjustment
9 implemented pursuant to subdivision (4) of
10 this section, including information
11 concerning the impact of such actions on
12 each category of service and each
13 geographic region of the state. Each such
14 quarterly report shall be provided to the
15 chairs of the senate finance and the
16 assembly ways and means committees and
17 shall be posted on the department of
18 health's website in a timely manner.

19 For the purpose of making payments, the
20 money hereby appropriated is available for
21 payment of aid heretofore accrued or here-
22 after accrued, to providers of medical
23 care pursuant to section 367-b of the
24 social services law, and for payment of
25 state aid to municipalities and the feder-
26 al government where payment systems

28 operational, to reimburse such providers
29 for costs attributable to the provision of
30 care to patients eligible for medical
31 assistance. Notwithstanding any inconsis-
32 tent provision of law, the moneys hereby
33 appropriated may be increased or decreased
34 by interchange or transfer with any appro-
35 priation of the department of health with
36 the approval of the director of the budg-
37 et, who shall file such approval with the
38 department of audit and control and copies
39 thereof with the chairman of the senate
40 finance committee and the chairman of the
41 assembly ways and means committee.

42 Notwithstanding any provision of law to the
43 contrary, the director of the budget, in
44 consultation with the commissioner of
45 health, may use a payment reduction plan
46 to make across-the-board reductions to the
47 department of health state funds medicaid

49 year 2021-2022 and \$373,000,000 in state

13 of the state.

14 (a) The commissioner shall post the medicaid
15 savings allocation adjustment on the

41 For purposes of this section, a public

33 The department of health shall prepare a
34 quarterly report that sets forth: (a)
35 known and projected department of health
36 medicaid expenditures as described in
37 subdivision (1) of this section, and
38 factors that could result in medicaid
39 disbursements for the relevant state
40 fiscal year to exceed the projected

22 the state's financial plan. Reductions
23 shall be made in a manner that complies
24 with the state medicaid plan approved by
25 the federal centers for medicare and medi-

27 commissioner of health is authorized to
28 submit any state plan amendment or seek

11 made in compliance with applicable federal law, including the
12 provisions of the Patient Protection and Affordable Care Act, Public
13 Law No. 111-148, and the Health Care and Education Reconciliation

26 to become available, in the discretion of the commissioner, under
27 the Affordable Care Act; (4) reductions shall be made uniformly
28 among categories of services and geographic regions of the state, to
29 the extent practicable, and shall be made uniformly within a category
30 of service, to the extent practicable, except where the commis-
31 sioner determines that there are sufficient grounds for non-uniform-
32 ity, including but not limited to: the extent to which specific
33 categories of services contributed to department of health medicaid
34 state funds spending in excess of the limits specified herein; the
35 need to maintain safety net services in underserved communities; or
36 the potential benefits of pursuing innovative payment models contem-
37 plated by the Affordable Care Act, in which case such grounds shall
38 be set forth in the medicaid savings allocation adjustment; and (5)
39 reductions shall be made in a manner that does not unnecessarily
40 create administrative burdens to medicaid applicants and recipients
41 or providers.

42 The commissioner shall seek the input of the legislature, as well as
43 organizations representing health care providers, consumers, busi-

7 his or her discretion, that such revisions materially alter the
8 adjustment.

9 Notwithstanding the provisions of paragraphs (a) and (b) of this
10 subdivision, the commissioner need not seek the input described in
11 paragraph (a) of this subdivision or provide notice pursuant to
12 paragraph (b) of this subdivision if, in the discretion of the

21 such widespread risk of exposure; or (iii) any other event or condi-
22 tion determined by the commissioner to constitute an imminent threat
23 to public health.

24 Nothing in this paragraph shall be deemed to prevent all or part of
25 such medicaid savings allocation adjustment from taking effect
26 retroactively to the extent permitted by the federal centers for
27 medicare and medicaid services.

28 In accordance with the medicaid savings allocation adjustment, the
29 commissioner of the department of health shall reduce department of

14 The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

22 (a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such adjustment to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

33 Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is necessary due to a public health emergency.

8 added by chapter 50, section 3, of the laws of 2020, is hereby
9 amended and reappropriated to read:

10 Notwithstanding section 40 of the state finance law or any other law

31 ~~[\$48,205,265,000]~~ \$47,138,099,000 provided, however, such aggregate

1 expenditures are expected to cause medicaid spending for such period
2 to exceed the aggregate limit specified herein for such period, the
3 state medicaid director, in consultation with the director of the
4 budget and the commissioner of health, shall develop a medicaid
5 savings allocation adjustment to limit such spending to the aggregate
6 limit specified herein for such period.

7 Such medicaid savings allocation adjustment shall be designed, to
8 reduce the expenditures authorized by the appropriations herein in
9 compliance with the following guidelines: (1) reductions shall be
10 made in compliance with applicable federal law, including the
11 provisions of the Patient Protection and Affordable Care Act, Public
12 Law No. 111-148, and the Health Care and Education Reconciliation
13 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
14 Act") and any subsequent amendments thereto or regulations promul-
15 gated thereunder; (2) reductions shall be made in a manner that
16 complies with the state medicaid plan approved by the federal
17 centers for medicare and medicaid services, provided, however, that
18 the commissioner of health is authorized to submit any state plan
19 amendment or seek other federal approval, including waiver authori-
20 ty, to implement the provisions of the medicaid savings allocation
21 adjustment that meets the other criteria set forth herein; (3)
22 reductions shall be made in a manner that maximizes federal finan-
23 cial participation, to the extent practicable, including any federal
24 financial participation that is available or is reasonably expected
25 to become available, in the discretion of the commissioner, under
26 the Affordable Care Act; (4) reductions shall be made uniformly
27 among categories of services and geographic regions of the state, to

29 of service, to the extent practicable, except where the commis-
30 sioner determines that there are sufficient grounds for non-uniform-
31 ity, including but not limited to: the extent to which specific
32 categories of services contributed to department of health medicaid
33 state funds spending in excess of the limits specified herein; the
34 need to maintain safety net services in underserved communities; or
35 the potential benefits of pursuing innovative payment models contem-
36 plated by the Affordable Care Act, in which case such grounds shall
37 be set forth in the medicaid savings allocation adjustment; and (5)
38 reductions shall be made in a manner that does not unnecessarily
39 create administrative burdens to medicaid applicants and recipients
40 or providers.

41 The commissioner shall seek the input of the legislature, as well as
42 organizations representing health care providers, consumers, busi-
43 nesses, workers, health insurers, and others with relevant exper-
44 tise, in developing such medicaid savings allocation adjustment, to
45 the extent that all or part of such adjustment, in the discretion of
46 the commissioner, is likely to have a material impact on the overall
47 medicaid program, particular categories of service or particular
48 geographic regions of the state.

49 (a) The commissioner shall post the medicaid savings allocation
50 adjustment on the department of health's website and shall provide

2 date on which implementation is expected to begin.

3 (b) The commissioner may revise the medicaid savings allocation
4 adjustment subsequent to the provisions of notice and prior to
5 implementation but needs to provide a new notice pursuant to subpar-
6 agraph (i) of this paragraph only if the commissioner determines, in
7 his or her discretion, that such revisions materially alter the
8 plan.

9 Notwithstanding the provisions of paragraphs (a) and (b) of this
10 subdivision, the commissioner need not seek the input described in
11 paragraph (a) of this subdivision or provide notice pursuant to
12 paragraph (b) of this subdivision if, in the discretion of the
13 commissioner, expedited development and implementation of a medicaid
14 savings allocation adjustment is necessary due to a public health
15 emergency.

16 For purposes of this section, a public health emergency is defined as:

17 (i) a disaster, natural or otherwise, that significantly increases
18 the immediate need for health care personnel in an area of the
19 state; (ii) an event or condition that creates a widespread risk of
20 exposure to a serious communicable disease, or the potential for
21 such widespread risk of exposure; or (iii) any other event or condi-
22 tion determined by the commissioner to constitute an imminent threat
23 to public health.

24 Nothing in this paragraph shall be deemed to prevent all or part of
25 such medicaid savings allocation adjustment from taking effect
26 retroactively to the extent permitted by the federal centers for
27 medicare and medicaid services.

28 In accordance with the medicaid savings allocation adjustment, the
29 commissioner of the department of health shall reduce department of
30 health state funds medicaid spending by the amount of the projected
31 overspending through, actions including, but not limited to modify-
32 ing or suspending reimbursement methods, including but not limited
33 to all fees, premium levels and rates of payment, notwithstanding
34 any provision of law that sets a specific amount or methodology for
35 any such payments or rates of payment; modifying medicaid program
36 benefits; seeking all necessary federal approvals, including, but
37 not limited to waivers, waiver amendments; and suspending time
38 frames for notice, approval or certification of rate requirements,
39 notwithstanding any provision of law, rule or regulation to the
40 contrary, including but not limited to sections 2807 and 3614 of the
41 public health law, section 18 of chapter 2 of the laws of 1988, and
42 18 NYCRR 505.14(h).

43 The department of health shall prepare a [~~monthly~~] ~~quarterly~~ report
44 that sets forth: (a) known and projected department of health medi-
45 caid expenditures as described in subdivision (1) of this section,
46 and factors that could result in medicaid disbursements for the
47 relevant state fiscal year to exceed the projected department of
48 health state funds disbursements in the enacted budget financial
49 plan pursuant to subdivision 3 of section 23 of the state finance
50 law, including spending increases or decreases due to: enrollment
51 fluctuations, rate changes, utilization changes, MRT investments,

6 shall be provided to the chairs of the senate finance and the assem-
7 bly ways and means committees and shall be posted on the department
8 of health's website in a timely manner.

9 Notwithstanding any provision of law to the contrary, the director of
10 the budget, in consultation with the commissioner of health, may use
11 a payment reduction plan to make across-the-board reductions to the
12 department of health state funds medicaid spending by \$373,000,000
13 for state fiscal year 2020-2021 and [~~\$175,000,000~~] \$373,000,000 in
14 state fiscal year 2021-2022 to limit such spending to the aggregate
15 limit specified herein, or reduce the aggregate limit specified

20 authorized to submit any state plan amendment or seek other federal
21 approval to implement the provisions of the medicaid payment
22 reduction adjustment.

24 ant to section 367-b of the social services law, and for payment of
25 state aid to municipalities where payment systems through fiscal
26 intermediaries are not operational, to reimburse such providers for

41 et, who shall file such approval with the department of audit and
42 control and copies thereof with the chairman of the senate finance
43 committee and the chairman of the assembly ways and means committee.

2 minimum wage increases and beginning April 1, 2012 the operational
3 costs of the New York state medical indemnity fund, pursuant to
4 chapter 59 of the laws of 2011, and state costs or savings from the

6 the budget to account for increased or expedited department of
7 health state funds medicaid expenditures as a result of a natural or
8 other type of disaster, including a governmental declaration of
9 emergency.

10 The director of the budget, in consultation with the commissioner of
11 health, shall assess on [~~monthly~~] a quarterly basis known and
12 projected medicaid expenditures by category of service and by
13 geographic region, as determined by the commissioner of health,
14 incurred both prior to and subsequent to such assessment for each
15 such period, and if the director of the budget determines that such
16 expenditures are expected to cause medicaid spending for such period
17 to exceed the aggregate limit specified herein for such period, the
18 state medicaid director, in consultation with the director of the
19 budget and the commissioner of health, shall develop a medicaid
20 savings allocation adjustment to limit such spending to the aggregate
21 limit specified herein for such period.

22 Such medicaid savings allocation adjustment shall be designed, to
23 reduce the expenditures authorized by the appropriations herein in
24 compliance with the following guidelines: (1) reductions shall be
25 made in compliance with applicable federal law, including the
26 provisions of the Patient Protection and Affordable Care Act, Public
27 Law No. 111-148, and the Health Care and Education Reconciliation
28 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
29 Act") and any subsequent amendments thereto or regulations promul-
30 gated thereunder; (2) reductions shall be made in a manner that
31 complies with the state medicaid plan approved by the federal
32 centers for medicare and medicaid services, provided, however, that
33 the commissioner of health is authorized to submit any state plan
34 amendment or seek other federal approval, including waiver authori-
35 ty, to implement the provisions of the medicaid savings allocation
36 adjustment that meets the other criteria set forth herein; (3)
37 reductions shall be made in a manner that maximizes federal finan-
38 cial participation, to the extent practicable, including any federal
39 financial participation that is available or is reasonably expected
40 to become available, in the discretion of the commissioner, under
41 the Affordable Care Act; (4) reductions shall be made uniformly
42 among categories of services and geographic regions of the state, to
43 the extent practicable, and shall be made uniformly within a category
44 of service, to the extent practicable, except where the commis-
45 sioner determines that there are sufficient grounds for non-uniform-
46 ity, including but not limited to: the extent to which specific
47 categories of services contributed to department of health medicaid
48 state funds spending in excess of the limits specified herein; the
49 need to maintain safety net services in underserved communities; or
50 the potential benefits of pursuing innovative payment models contem-
51 plated by the Affordable Care Act, in which case such grounds shall

1 reductions shall be made in a manner that does not unnecessarily
2 create administrative burdens to medicaid applicants and recipients
3 or providers.

4 The commissioner shall seek the input of the legislature, as well as
5 organizations representing health care providers, consumers, busi-
6 nesses, workers, health insurers, and others with relevant exper-
7 tise, in developing such medicaid savings allocation adjustment, to
8 the extent that all or part of such adjustment, in the discretion of
9 the commissioner, is likely to have a material impact on the overall
10 medicaid program, particular categories of service or particular
11 geographic regions of the state.

12 (a) The commissioner shall post the medicaid savings allocation
13 adjustment on the department of health's website and shall provide
14 written copies of such plan to the chairs of the senate finance and
15 the assembly ways and means committees at least 30 days before the
16 date on which implementation is expected to begin.

17 (b) The commissioner may revise the medicaid savings allocation
18 adjustment subsequent to the provisions of notice and prior to
19 implementation but needs to provide a new notice pursuant to subpar-
20 agraph (i) of this paragraph only if the commissioner determines, in
21 his or her discretion, that such revisions materially alter the
22 plan.

23 Notwithstanding the provisions of paragraphs (a) and (b) of this
24 subdivision, the commissioner need not seek the input described in
25 paragraph (a) of this subdivision or provide notice pursuant to
26 para- graph (b) of this subdivision if, in the discretion of the
27 commissioner, expedited development and implementation of a medicaid
28 savings allocation adjustment is necessary due to a public health
29 emergency.

30 For purposes of this section, a public health emergency is defined as:
31 (i) a disaster, natural or otherwise, that significantly increases
32 the immediate need for health care personnel in an area of the

34 exposure to a serious communicable disease, or the potential for
35 such widespread risk of exposure; or (iii) any other event or condi-
36 tion determined by the commissioner to constitute an imminent threat
37 to public health.

38 Nothing in this paragraph shall be deemed to prevent all or part of
39 such medicaid savings allocation adjustment from taking effect
40 retroactively to the extent permitted by the federal centers for
41 medicare and medicaid services.

42 In accordance with the medicaid savings allocation adjustment, the
43 commissioner of the department of health shall reduce department of
44 health state funds medicaid spending by the amount of the projected
45 overspending through, actions including, but not limited to modify-
46 ing or suspending reimbursement methods, including but not limited
47 to all fees, premium levels and rates of payment, notwithstanding
48 any provision of law that sets a specific amount or methodology for
49 any such payments or rates of payment; modifying medicaid program
50 benefits; seeking all necessary federal approvals, including, but
51 not limited to waivers, waiver amendments; and suspending time
