IN ASSEMBLY -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read once and referred to the Committee on Ways and Means -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.
- 11 b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD12554-02-1

1 c) The several amounts specified in this chapter as capital projects -
2 reappropriations, or so much thereof as shall be sufficient to accom-
3 plish the purpose of the appropriations, as appropriated by comprehen-
4 sive construction programs (hereinafter referred to by the abbreviation
5 CCP), purposes, and projects, being the undisbursed and/or unexpended
6 balances of the prior year's appropriations, are reappropriated and
7 unless otherwise amended or repealed in part or total in this chapter
8 shall continue to be available for the same purposes as the prior appro-
9 priations or as otherwise amended for the fiscal year beginning April 1,
10 2021.

11 The capital projects reappropriations contained in this chapter may be
12 amended by repealing the items set forth in brackets and by adding ther-
13 eto the underscored material. Certain reappropriations in this chapter
14 are shown using abbreviated text, with three leader dots (an ellipsis)
15 followed by three spaces (...) used to indicate where existing law
16 that is being continued is not shown. However, unless a change is clear-
17 ly indicated by the use of brackets [-] for deletions and underscores
18 for additions, the purpose, amounts, funding source and all other
19 aspects pertinent to each item of appropriation shall be as last appro-
20 priated.

21 For the purpose of complying with section 25 of the state finance law,
22 the year, chapter and section of the last act reappropriating a former
23 original appropriation or any part thereof is, unless otherwise indi-
24 cated, chapter 54, section 1, of the laws of 2020.

25 d) No moneys appropriated by this chapter shall be available for
26 payment until a certificate of approval has been issued by the director
27 of the budget, who shall file such certificate with the department of
28 audit and control, the chairperson of the senate finance committee and
29 the chairperson of the assembly ways and means committee.

30 e) Notwithstanding any provision of law to the contrary, prior to the
31 expenditure of any funds received by the Federal government in response
32 to the COVID-19 public health emergency pursuant to the authority grant-
33 ed in any appropriation set forth herein, the director of the budget may
34 require that the agency or public authority making such expenditures
35 submit an allocation plan to the director of the budget for approval.
36 Approved allocation plans shall be provided to the president pro tempore
37 of the senate and the speaker of the assembly within 30 days of
38 approval. Such allocation plan must comport with any minimum Federal
39 requirements for the expenditure of such funds.

40 f) Notwithstanding any provision contained herein or any other law to
41 the contrary, the budget director may withhold all or some of the
42 amounts appropriated herein, including amounts that are to be paid on
43 specific dates prescribed in law or regulation, from any local govern-
44 ment entity which has a police agency operating with police officers as
45 defined under section 1.20 of the criminal procedure law who, by April
46 1, 2021, fails to submit to the budget director the certification
47 required by Executive Order 203 issued on June 12, 2020 and titled "New
48 York State Police Reform and Reinvention Collaborative". The Director of
49 the Budget shall discontinue any withholds made pursuant to this
50 provision upon receipt of the certification required by Executive Order
51 203. To the extent the State is obligated to make payment to any local
52 government entity which has a police agency operating with police offi-
53 cers as defined under section 1.20 of the criminal procedure law pursu-
54 ant to any appropriation contained herein, such obligation shall be
55 reduced commensurate with the amount of payments withheld for the amount

1 of time such payments are withheld by the director of the budget pursu-
2 ant to this provision.
3 g) The appropriations contained in this chapter shall be available for
4 the fiscal year beginning on April 1, 2021 except as otherwise noted.

4 By chapter 54, section 1, of the laws of 2018, as amended by chapter
5 314, section 1, of the laws of 2019:

6 For payments and grants to support health care facility transformation
7 statewide. Notwithstanding section 163 of the state finance law or
8 any other provision of law to the contrary, this appropriation may
9 be used to fund payments and or grants, including up to \$5,000,000
10 to regional perinatal care centers or other health providers to
11 establish telehealth applications, made by the commissioner of
12 health in his or her sole discretion, without a competitive bid or
13 request for proposal process, to eligible applicants as determined
14 by the commissioner of health for the purposes that strengthen and
15 protect continued access to health care services in communities
16 including but not limited to children's residential treatment facil-
17 ities. Such purposes may include debt retirement and capital
18 projects or non-capital projects that facilitate health care trans-
19 formation activities including, merger, consolidation, acquisition
20 or other activities intended to: create financially sustainable
21 systems of care; preserve or expand essential health care services;
22 modernize obsolete facility physical plants and infrastructure;
23 foster participation in alternative payment arrangements, including
24 but not limited to contracts with managed care plans and accountable
25 care organizations; increase the quality of resident care or experi-
26 ence in residential health care facilities; or improve health infor-
27 mation technology infrastructure, including telehealth, to strength-
28 en the acute, post-acute care, primary care, and longterm care
29 continuum. Grants shall not be available to support general operat-
30 ing expenses.

31 The commissioner and the president of the dormitory authority of the
32 state of New York shall enter into an agreement, subject to the
33 approval of the director of the budget, and subject to section
34 1680-r of the public authorities law, for the purposes of awarding,

- 1 (f) The extent to which the proposed project furthers the development
2 of primary care and other outpatient services;
3 (g) The extent to which the proposed project benefits medicaid enrol-
4 lees and uninsured individuals;
5 (h) The extent to which the applicant has engaged the community
6 affected by the proposed project and the manner in which community
7 engagement has shaped such project; and
8 (i) The extent to which the proposed project addresses potential risk
9 to patient safety and welfare.

10 Notwithstanding any inconsistent provision of law to the contrary, and
11 upon approval of the director of the budget, the commissioner may
12 award up to \$300,000,000 of the funds made available pursuant to
13 this appropriation for unfunded project applications submitted in
14 response to the request for applications number 17648 issued by the
15 department on January 8, 2018 pursuant to section 2825-e of the
16 public health law.

17 Authorized amounts to be awarded pursuant to applications submitted in
18 response to the request for application number 17648 shall be
19 awarded no later than September 1, 2019.

20 The department shall provide a report on a quarterly basis to the
21 chairs of the senate finance, assembly ways and means, and senate
22 health and assembly health committees, until such time as the
23 department determines that the projects that receive funding pursu-
24 ant to this appropriation are substantially complete. Such reports
25 shall be submitted no later than sixty days after the close of the
26 quarter, and shall include, for each award, the name of the appli-
27 cant, a description of the project or purpose, the amount of the
28 award, disbursement date, and status of achievement of process and
29 performance metrics and milestones pursuant to subdivision 6 of
30 section 2825-f of the public health law.

31 Within amounts appropriated herein, a minimum of \$45,000,000 shall be
32 made available for grant awards to residential health care facili-
33 ties, up to \$20,000,000 may be made available for grant awards made
34 pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-l
35 of the social services law, pursuant to criteria to be determined by
36 the commissioner and a minimum of \$60,000,000 shall be made avail-
37 able for grant awards to community-based health care providers which
38 shall be defined as a diagnostic and treatment center licensed or
39 granted an operating certificate under article 28 of the public
40 health law, a mental health clinic licensed or granted an operating
41 certificate under article 31 of the mental hygiene law, a substance
42 use disorder treatment clinic licensed or granted an operating
43 certificate under article 32 of the mental hygiene law, a primary
44 care provider, a home care provider certified or licensed pursuant
45 to article 36 of the public health law, a facility granted an oper-
46 ating certificate under article 16 of the mental hygiene law or
47 hospices licensed or granted an operating certificate pursuant to
48 article 40 of the public health law.

49 The dormitory authority may issue bonds for such purposes up to the
50 amount appropriated herein. No expenditures may be made from this
51 appropriation to a facility until a facility specific plan has been
52 submitted to the department of health and has been approved by the

4 54, section 1, of the laws of 2018:

5 For payments and grants to support health care facility transformation
6 statewide for capital, non-operational works. Notwithstanding
7 section 163 of the state finance law or any other provision of law
8 to the contrary, this appropriation may be used to fund payments and
9 or grants made by the commissioner of health in his or her sole
10 discretion, without a competitive bid or request for proposal proc-
11 ess, to eligible applicants as determined by the commissioner of
12 health for purposes in support of essential health care services.
13 Such purposes may include debt retirement and capital projects or
14 non-capital projects that facilitate health care transformation,
15 including mergers, consolidation, acquisition or other corporate
16 restructuring activities intended to create a financially sustaina-
17 ble system of care that promotes a patient-centered model of health
18 care delivery or preserves or expands essential health care
19 services. Grants shall not be available to support general operating
20 expenses.

21 The commissioner and the president of the dormitory authority of the
22 state of New York shall enter into an agreement, subject to the
23 approval of the director of the budget, and subject to section
24 1680-r of the public authorities law, for the purposes of awarding,
25 distributing, and administering the funds made available pursuant to
26 this appropriation.

27 In determining awards for eligible applicants under this appropri-
28 ation, the commissioner of health shall consider stakeholder, commu-
29 nity, and legislative input pursuant to subdivision 4-a of section
30 2825-e of the public health law criteria including, but not limited
31 to:

32 (a) the extent to which the proposed project will contribute to the
33 integration of health care services or the long term sustainability
34 of the applicant or preservation of essential health services in the
35 community or communities served by the applicant;

36 (b) The extent to which the proposed project or purpose is aligned
37 with delivery system reform incentive payment ("DSRIP") program
38 goals and objectives;

39 (c) Consideration of geographic distribution of funds;

40 (d) The relationship between the proposed project and identified
41 community need;

42 (e) The extent to which the applicant has access to alternative
43 financing;

44 (f) The extent that the proposed project furthers the development of
45 primary care and other outpatient services;

46 (g) The extent to which the proposed project benefits medicaid enrol-
47 lees and uninsured individuals;

48 (h) The extent to which the applicant has engaged the community
49 affected by the proposed capital project and the manner in which
50 community engagement has shaped such capital project; and

(i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner of health may award up to \$300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 1607010255 issued by the department on July 20, 2016 pursuant to section 2825-d of the public health law.

The department shall provide a report on a quarterly basis to the chairs of the senate finance, assembly ways and means, and senate health and assembly health committees. Such reports shall be submitted no later than 60 days after the close of the quarter, and shall include, for each award, the name of the applicant, a description of the project or purpose, the amount of the award, disbursement date, and status of achievement of process and performance metrics and milestones pursuant to subdivision 5 of section 2825-e of the public health law.

Within amounts appropriated herein, the director of the budget is authorized to make a determination to fund up to \$200,000,000 for grant awards which are not eligible to be funded with the proceeds of bonds issued pursuant to section 1680-r of the public authorities law.

Within amounts appropriated herein, \$50,000,000 shall be made available for grant awards to Montefiore medical center, and a minimum of \$75,000,000 shall be made available for grant awards to community-based health care providers which shall be defined as a diagnostic and treatment center licensed or granted an operating certificate under article 28 of the public health law, a mental health clinic licensed or granted an operating certificate under article 31 of the mental hygiene law, an alcohol and substance abuse treatment clinic licensed or granted an operating certificate under article 32 of the mental hygiene law, a primary care provider, or a home care provider certified or licensed pursuant to article 36 of public health law.

The dormitory authority may issue bonds for such purposes up to the amount appropriated herein. 3 of an overall transformation plan intended to create a financially
4 sustainable system of care that promotes a patient-centered model of
5 health care delivery aimed at improving the overall health and well-
6 being of a community. Eligible applicants shall be those deemed by
7 the commissioner to be a provider that fulfills or will fulfill a
8 health care need for acute inpatient, outpatient, primary, home care
9 or residential health care services in a community. The commissioner
10 and the president of the dormitory authority of the state of New
11 York shall enter into an agreement, subject to the approval of the
12 director of the budget, and subject to section 1680-r of the public
13 authorities law, for the purposes of awarding, distributing, and
14 administering the funds made available pursuant to this appropri-
15 ation. In determining awards for eligible applicants under this
16 appropriation, the commissioner of health and the president of the
17 authority shall consider criteria including, but not limited to:

- 18 (a) the extent to which the proposed capital project will contribute
19 to the integration of health care services and long term sustaina-
20 bility of the applicant or preservation of essential health services
21 in the community or communities served by the applicant;
- 22 (b) the extent to which the proposed project or purpose is aligned
23 with delivery system reform incentive payment ("DSRIP") program
24 goals and objectives;
- 25 (c) consideration of geographic distribution of funds;
- 26 (d) the relationship between the proposed capital project and identi-
27 fied community need;
- 28 (e) the extent to which the applicant has access to alternative
29 financing;
- 30 (f) the extent that the proposed capital project furthers the develop-
31 ment of primary care and other outpatient services;
- 32 (g) the extent to which the proposed capital project benefits medicaid
33 enrollees and uninsured individuals;
- 34 (h) the extent to which the applicant has engaged the community
35 affected by the proposed capital project and the manner in which
36 community engagement has shaped such capital project; and
- 37 (i) the extent to which the proposed capital project addresses poten-
38 tial risk to patient safety and welfare.

39 Disbursement of awards made pursuant to this appropriation shall be
40 conditioned on the awardee achieving certain process and performance
41 metrics and milestones as determined in the sole discretion of the
42 commissioner. Such metrics and milestones shall be structured to
43 ensure that the health care transformation and provider sustainabil-
44 ity goals of the project are achieved, and such metrics and mile-
45 stones shall be included in grant disbursement agreements or other
46 contractual documents as required by the commissioner.

47 The department shall provide a report on a quarterly basis to the
48 chairs of the senate finance, assembly ways and means, senate health
49 and assembly health committees. Such reports shall be submitted no
50 later than sixty days after the close of the quarter, and shall

Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than \$344,000,000 for the period April 1, 2016, through and past March 31, 2017, and not more than an additional \$246,000,000 for the period April 1, 2017 through and past March 31, 2018 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process. Notwithstanding any provisions of law to the contrary, the commissioner of a state agency or authority holding an empire state supportive housing initiative contract, shall be authorized, subject to the approval of the director of the budget, to continue contracts which were executed on or before March 31, 2021 with entities providing supportive housing services, without any additional requirements that such contracts be subject to competitive bidding, a request for proposal process or other administrative procedures.
2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.
3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.
4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.
5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$150,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.
6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$146,000,000 shall be made available for the purpose of substantial

1 or moderate rehabilitation of site-specific multi-family rental
2 housing currently under a regulatory agreement or extended use
3 agreement with the division of housing and community renewal or
4 another state, federal or local housing agency.

5 7. When combined with other funds made available in the 2016-17 and
6 2017-18 state fiscal year housing program (ccp), up to a total of
7 \$75,000,000 shall be made available for the purpose of providing
8 capital subsidies to preserve and improve Mitchell-Lama properties
9 in the state.

10 8. When combined with other funds made available in the 2016-17 and
11 2017-18 state fiscal year housing program (ccp), up to a total of
12 \$125,000,000 shall be made available for the purpose of substantial
13 or moderate rehabilitation and/or the demolition and replacement
14 through new construction of site-specific multi-family rental hous-
15 ing currently owned by public housing authorities outside of New
16 York city. The distribution of any funds which the division of hous-
17 ing and community renewal or other appropriate state agencies or
18 authorities authorizes to be used as part of a federal housing
19 program, shall require the division of housing and community renewal
20 to monitor and ensure that any affected public housing tenants are
21 properly informed regarding participation in the federal housing
22 program and that appropriate documents related to participation in
23 such federal housing program are made publicly available and are
24 posted on each applicable housing authority's website in a timely
25 manner to properly inform such public housing authority tenants.
26 The residents of public housing that receives and uses such funds to
27 participate in such federal program shall be provided a uniform
28 lease agreement that provides, at a minimum, terms and conditions
29 consistent with those found in the public housing lease they had
30 prior to the public housing having received any such funds. Public
31 housing authorities that receive and use such funds shall be
32 required to: provide resident education, which shall include compre-
33 hensive information about any anticipated changes to the public
34 housing; provide language assistance to residents with limited
35 English proficiency; recognize the right of residents to form a
36 resident organization; require resident participation funding
37 commensurate to the funding that was being allocated to residents
38 already; develop a set of procedures for resident grievances and
39 lease termination proceedings that apply to residents following the
40 use of such funds, which shall be consistent with any existing
41 procedures, can provide stronger resident protections, and conform
42 with any other applicable federal rules and/or regulations. In cases
43 when there is a property manager other than the public housing
44 authority that receives these funds, then such property manager
45 shall be required to take actions including, but not limited to,
46 providing clear and accessible information to residents before,
47 during, and after becoming the property manager; provide language
48 assistance to residents with limited English proficiency; and recog-
49 nize a legitimate resident organization as the residents' represen-
50 tative, invite such resident organization to all resident engage-
51 ments, and meet regularly with the resident organization to discuss
52 emerging property-wide issues.

8 The residents of public housing that receives and uses such funds to
9 participate in such federal program shall be provided a uniform
10 lease agreement that provides, at a minimum, terms and conditions
11 consistent with those found in the public housing lease they had
12 prior to the public housing having received any such funds. Public
13 housing authorities that receive and use such funds shall be
14 required to: provide resident education, which shall include compre-
15 hensive information about any anticipated changes to the public
16 housing; provide language assistance to residents with limited
17 English proficiency; recognize the right of residents to form a
18 resident organization; require resident participation funding
19 commensurate to the funding that was being allocated to residents
20 already; develop a set of procedures for resident grievances and
21 lease termination proceedings that apply to residents following the
22 use of such funds, which shall be consistent with any existing
23 procedures, can provide stronger resident protections, and conform
24 with any other applicable federal rules and/or regulations. In cases
25 when there is a property manager other than the public housing
26 authority that receives these funds, then such property manager
27 shall be required to take actions including, but not limited to,
28 providing clear and accessible information to residents before,

10 projects including local transportation
11 planning studies. Notwithstanding any
12 inconsistent provisions of law, the state
13 share of such projects shall be 50 percent
14 of the non-federal share, but in no event
15 shall the state share exceed 10 percent of
16 project costs.

17 Notwithstanding any other provision of law,
18 the commissioner of transportation shall
19 make available directly to the City of New
20 York (City) an amount commensurate with
21 the state share of (i) federal funds
22 previously awarded to the City and reallo-
23 cated to the metropolitan transportation

28 metropolitan transportation authority
29 (MTA) and credited to the City by the MTA
30 for capital expenses.

31 The state share of such reimbursement shall
32 be 50 percent of the non-federal share of
33 the federally authorized level of finan-
34 cial assistance transferred to the MTA,
35 but in no event shall the state share
36 exceed 10 percent of project costs. Prior
37 to requesting reimbursement for projects
38 progressed by the MTA on behalf of the
39 City, the City shall certify to the
40 commissioner of transportation that each
41 eligible project progressed under this
42 provision is federally eligible and that
43 the match amount requested does not exceed
44 the state share of the federally author-
45 ized level of financial assistance. In
46 addition, the City must provide an appli-
47 cation to the commissioner of transporta-
48 tion certifying that the work to be funded
49 under the project has been performed and
50 that the City has reimbursed the MTA for
51 100 percent of the match amount for the

certifies that such obligations or spending can be accommodated within the State's multi-year financial plan without adversely affecting the funding available for (a) capital projects currently authorized that are deemed essential to the health and safety of the public, or (b) essential governmental services (17MA2121) (54265) 39,700,000

For capital grants to municipalities under the consolidated local street and highway improvement program:

The sum of \$379,300,000 to counties, cities, towns and villages for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be \$125,540,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be \$253,760,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 86.579 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 86.579 percent of the funding level to be deemed distributed to each municipality under this subdivision shall be reduced in equal proportion.

The sum of \$58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be \$19,460,000. The amount

1 distributed pursuant to section 16-a of
2 chapter 329 of the laws of 1991 shall be
3 deemed to be \$39,337,000. Notwithstanding
4 the provisions of any general or special
5 law, the amounts deemed distributed in
6 accordance with section 16 of chapter 329
7 of the laws of 1991 shall be adjusted so
8 that such amounts will not be less than
9 13.421 percent of the "funding level" as
10 defined in subdivision 5 of section 10-c
11 of the highway law for each such munici-
12 pality. In order to achieve the objectives
13 of section 16 of chapter 329 of the laws
14 of 1991, to the extent necessary, the
15 amounts in excess of 13.421 percent of the
16 funding level to be deemed distributed to
17 each municipality under this paragraph
18 shall be reduced in equal proportion. To
19 the extent that the total of remaining
20 payment allocations calculated herein
21 varies from \$58,797,000, the payment
22 amounts to each locality shall be adjusted
23 by a uniform percentage so that the total
24 payments equal \$58,797,000.

25 Payments shall be made on the fifteenth day
26 of June, September, December and March.

By chapter 54, section 1, of the laws of 1993, as transferred by chapter 54, section 1, of the laws of 2017:

For payment of the costs, including the payment of liabilities incurred prior to April 1, 1993, for the preparation of designs, plans, specifications, estimates and studies, for the construction, reconstruction, and improvement of airport or aviation capital projects, including infrastructure improvements at Stewart and Republic airports, for the costs of real property acquisition, contract engineering services provided by private firms, and other expenses related thereto.

The commissioner of transportation shall secure and use any federal funds which are or may become available for the purposes of this appropriation. Any such funds shall be used to reduce the state's share of project costs for which federal funds become available.

The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget (17229314) (53234) 10,840,000 (re. \$1,245,000)

By chapter 54, section 1, of the laws of 1992, as transferred by chapter 54, section 1, of the laws of 2017:

For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the cost of projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property and liabilities incurred prior to April 1, 1992, in accordance with the schedule set forth below.

The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below, other than state owned airports, has received federal approval and the federally authorized level of financial assistance (17239214) (54293) 12,300,000 (re. \$14,000)

14 By chapter 55, section 1, of the laws of 2006, as amended by chapter 54,
15 section 1, of the laws of 2018:

16 For state aid to municipal corporations for the preparation of
17 designs, plans, specifications and estimates, for the acquisition,
18 construction, reconstruction, and improvement of mass transportation
19 capital projects including the acquisition of real property, for
20 other mass transportation projects including local transportation
21 planning studies. Notwithstanding any inconsistent provisions of
22 law, the state share of such projects shall be 50 percent of the
23 nonfederal share, but in no event shall the state share exceed 10
24 percent of project costs.

25 Notwithstanding any other provision of law, the commissioner of trans-
26 portation shall make available directly to the City of New York
27 (City) an amount commensurate with the state share of (i) federal
28 funds previously awarded to the City and reallocated to the metro-
29 politan transportation authority (MTA), and (ii) the federally
30 authorized level of financial assistance transferred by resolution
31 of the metropolitan planning organization (MPO) to the metropolitan
32 transportation authority (MTA) and credited to the City by the MTA
33 for capital expenses.

34 The state share of such reimbursement shall be 50 percent of the
35 nonfederal share of the federally authorized level of financial
36 assistance transferred to the MTA, but in no event shall the state
37 share exceed 10 percent of project costs. Prior to requesting
38 reimbursement for projects progressed by the MTA on behalf of the
39 City, the City shall certify to the commissioner of transportation
40 that each eligible project progressed under this provision is feder-
41 ally eligible and that the match amount requested does not exceed
42 the state share of the federally authorized level of financial
43 assistance. In addition, the City must provide an application to the
44 commissioner of transportation certifying that the work to be funded
45 under the project has been performed and that the City has reim-
46 bursed the MTA for 100 percent of the match amount for the project.
47 Upon such application, the commissioner of transportation shall
48 review and approve eligible activities for reimbursement.

49 Prior to requesting approval of a certificate of approval of avail-
50 ability for the moneys hereby appropriated, the commissioner of
51 transportation shall certify that each omnibus project progressed

26 level of financial assistance transferred to the MTA, but in no
27 event shall the state share exceed 10 percent of project costs.
28 Prior to requesting reimbursement for projects progressed by the MTA
29 on behalf of the City, the City shall certify to the commissioner of
30 transportation that each eligible project progressed under this
31 provision is federally eligible and that the match amount requested
32 does not exceed the state share of the federally authorized level of
33 financial assistance. In addition, the City must provide an applica-
34 tion to the commissioner of transportation certifying that the work
35 to be funded under the project has been performed and that the City
36 has reimbursed the MTA for 100 percent of the match amount for the
37 project. Upon such application, the commissioner of transportation
38 shall review and approve eligible activities for reimbursement.

39 Prior to requesting approval of a certificate of approval of avail-

 Industrial Access Purpose

By chapter 55, section 1, of the laws of 2004, as amended by chapter 55, section 1, of the laws of 2010:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 2004. For the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed \$1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial

chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. The department of transportation shall provide such information to the municipalities as may be necessary to maintain the federal tax exempt status of any bonds, notes, or other obligations issued by such municipalities to provide for the non-federal share of the cost of projects pursuant to chapter 330 of the laws of 1991 or section 80-b of the highway law. Provided, however, that no obligations against, or spending from this appropriation shall be authorized unless the director of the division of the budget certifies that such obligations or spending can be accommodated within the State's multi-year financial plan without adversely affecting the funding available for (a) capital projects currently authorized that are deemed essential to the health and safety of the public, or (b) essential governmental services (17MA2021) (54265) ... 39,700,000 (re. \$39,700,000) For capital grants to municipalities under the consolidated local street and highway improvement program:

The sum of \$379,300,000 to counties, cities, towns and villages for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be \$125,540,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be \$253,760,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 86.579 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 86.579 percent of the funding level to be deemed distributed to each municipality under this subdivision shall be reduced in equal proportion.

The sum of \$58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be \$19,460,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be \$39,337,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 13.421 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 13.421 percent of the

The sum of \$58,797,000 to municipalities for reimbursement of eligible costs of local highway and bridge projects pursuant to sections 16 and 16-a of chapter 329 of the laws of 1991, as added by section 9 of chapter 330 of the laws of 1991, as amended. For the purposes of computing allocations to municipalities, the amount distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be \$19,460,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be \$39,337,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 13.421 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 13.421 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from \$58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal \$58,797,000.

 Program Improvement/Change Purpose

By chapter 54, section 1, of the laws of 2018:

The sum of \$10,000,000 is hereby appropriated for payments and grants, including up to \$200,000 in costs associated with program administration to eligible nonprofit arts and cultural organizations for the arts and cultural facilities improvement program. Such program shall provide for targeted investment for capital projects in such eligible arts or cultural facilities to improve the quality, efficiency, and accessibility of arts and cultural organizations that benefit New Yorkers. Provided that such investments may include, but are not limited to: renovations or expansions of space that is open to the public; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; technology and other equipment that will benefit the public; and accessibility renovations.

Up to \$5,000,000 in funding from this appropriation shall be made available through a competitive process to be determined exclusively by the New York state council on the arts. The determination of this competitive process and guidelines shall be limited to the New York state council on the arts in consultation with the dormitory authority of the state of New York. The guidelines for the program and competitive process shall ensure that such funding is made available for uses throughout the state and takes into account regional distribution, supports a range of grant awards including a minimum grant of \$50,000, consideration of a waiver of match requirements for organizations as deemed appropriate by the New York state council on the arts, and shall be subject to the approval of the director of the budget. Notwithstanding any inconsistent provision of law, the dormitory authority shall be authorized to administer this program and designated state agencies shall provide all necessary assistance.

Up to \$5,000,000 in funding from this appropriation shall be made available through a competitive process that shall include representatives from state agencies to be determined by the director of the budget and the guidelines for the program and competitive process shall also ensure that such funding is made available for uses throughout the state and takes into account regional distribution, and shall be subject to the approval of the director of the budget.

determined based on the number of people in each municipality, or a borough, who are living in poverty as determined by the U.S. Census Bureau's 2010-14 American Community Survey Five-year Estimate provided that each local anti-poverty task force shall be eligible to receive funding in the following amounts: municipalities with fewer than 5,000 individuals in poverty shall each be eligible to receive \$500,000; municipalities with between 5,000 and 10,000 individuals in poverty shall each be eligible to receive \$1,000,000; municipalities with between 10,000 and 40,000 individuals in poverty shall each be eligible to receive \$1,500,000; and municipalities, or a borough, with more than 40,000 individuals in poverty shall each be eligible to receive \$2,750,000. Funds appropriated herein shall be available to support the work of each anti-poverty task force and such work shall be divided into two phases. During the first phase, the mayor of the municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that has demonstrated successful performance working with community stakeholders and achieving objectives specified herein, to coordinate the local antipoverty task force. The not-for-profit organization serving as coordinator will assemble the antipoverty task force using the criteria outlined above. Provided further that, with guidance and oversight of the commissioner of the office of temporary and disability assistance, each local anti-poverty task force shall use data to identify high need issues and neighborhoods within the municipality, or in the case of the Bronx, the borough; identify problems that are common in neighborhoods throughout the municipality, or in the case of the Bronx, the borough; receive input from local residents; use data and resident input to select one or more focus areas related to either one or more issues or one or more neighborhoods; and develop a plan for how funding will be targeted toward the identified issues or neighborhoods. Such focus areas may include, but are not limited to childhood poverty and homelessness. Activities included in such plan may include, but are not limited to: providing public assistance recipients opportunities to participate in enhanced work activities that either provide recognized credentialing or enhanced career readiness or job training for better linkage to potential employment; assisting families in poverty through services provided to parents and children; and addressing chronic homelessness or housing insecurity. Such plan must include measurable objectives and a timeframe for completion and shall be submitted for approval to the commissioner of the office of temporary and disability assistance. Of the total amount made available to each anti-poverty task force, the lesser of \$300,000 or 20 percent of the total award may be used to carry out planning and administration, provided however, that the amount used for planning and administration may exceed such limitation if such amount is approved by the commissioner of the office of temporary and disability assistance as part of the plan required herein. Upon receiving approval from the commissioner of the office of temporary and disability assistance, each such anti-poverty task force shall commence
