(6) Claim of credit. A taxpayer shall not be allowed to claim this credit to the extent the basis of the calculation of this credit has been claimed for another tax credit under this chapter.

§ 4. The labor law is amended by adding a new section 25-d to read as follows:

§ 25-d. Power to administer the small business tax credit for disabled persons tax credit program. Such requirements may include the types of industries that the employers are engaged in.

(e) If, after reviewing the application submitted by an employer, the commissioner determines that such employer is eligible to participate in the small business tax credit for disabled persons tax credit program, the commissioner shall issue the employer a preliminary certificate of

1 eligibility that establishes the employer as a qualified employer. The  
2 certificate of eligibility shall specify the maximum amount of small
