## IN SENATE

May 20, 2021

---

Introduced by Sen. PALUMBO -- read twice and ordered printed, and when printed to be committed to the Committee on Local Government

AN ACT authorizing the town of East Hampton, county of Suffolk, upon the dissolution of the East Hampton wastewater disposal district, to use any remaining funds of the district for the purposes of paying all or a portion of the cost of one or more town-wide capital projects

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1     Section 1. Notwithstanding paragraph (d) of subdivision 12 of section  
2     198 of the town law to the contrary, a resolution of the Town Board for  
3     the dissolution of the East Hampton wastewater disposal district ("the  
4     district") shall be subject to permissive referendum and the proceeds  
5     from the dissolution of the district may be used for the purposes of  
6     paying all or a portion of the cost of one or more town-wide capital  
7     projects; provided however any such authorizations shall be the subject  
8     of a public hearing held in the manner provided in subdivision 12 of  
9     section 198 of the town law. If the town board shall decide, after such  
10    hearing and upon the evidence given thereat, that it is in the public  
11    interest to dissolve the district and upon dissolution to deposit any  
12    remaining funds in one or more capital reserve funds in accordance with  
13    the general municipal law and use such funds for the purposes of paying  
14    all or a portion of the cost of one or more town-wide capital projects,  
15    the town board may adopt a resolution, subject to permissive referendum,  
16    to authorize such deposit. The town board shall file a copy of said  
17    resolutions in the office of the county clerk and the state department  
18    of audit and control at Albany, New York.  
19    § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
