30 graph, where any additional member contributions required by paragraph
31 one of this subdivision are not paid by deductions from a participant's
32 compensation pursuant to paragraph two of this subdivision:

33 (A) that participant shall be charged with a contribution deficiency
34 consisting of such unpaid amounts, together with interest thereon,
35 compounded annually; and

36 (B) such interest on each amount of undeducted contributions shall
37 accrue from the end of the payroll period for which such amount would
38 have been deducted from compensation if he or she had been a participant
39 at the beginning of that payroll period and such deductions had been
40 required for such payroll period until such amount is paid to the
41 retirement system; and

42 (C) (1) interest on each such amount included in such participant's
43 contribution deficiency pursuant to this subparagraph shall be calcu-
44 lated as if such additional member contributions never had been paid by
45 such participant, and such interest shall accrue from the end of the
46 payroll period to which an amount of such additional member contribution
47 is attributable, compounded annually, until such amount is paid to the
48 retirement system;

49 (2) the rate of interest to be applied to each such amount during the
50 period for which interest accrues on that amount shall be equal to the
51 rate or rates of interest required by law to be used during that same
52 period to credit interest on the accumulated deductions of retirement
53 system members.

54 (ii) Except as provided in subparagraph (iii) of this paragraph, no
55 interest shall be due on any unpaid additional contributions which are

1 not attributable to the period prior to the first full payroll period
2 referred to in paragraph two of this subdivision.

3 (iii) Should any person who, pursuant to paragraph seven of this
4 subdivision, has withdrawn any additional member contributions and any
5 interest paid thereon, again become a participant in the twenty-two year
6 improved benefit retirement program pursuant to paragraph five of subdivi-
7 vision b of this section, an appropriate amount shall be included in
8 such participant's contribution deficiency, including interest thereon
9 as calculated pursuant to subparagraph (ii) of this paragraph, for any
10 credited service with respect to which such person received a refund of
11 additional member contributions, including any amount of an unpaid loan
12 balance deemed to have been returned to such person pursuant to para-
13 graph seven of this subdivision, as if such additional member contrib-
14 utions never had been paid.

15 4. The board of trustees of the retirement system may, consistent with
16 the provisions of this subdivision, promulgate regulations for the
17 payment of the additional member contributions required by this subdivi-
18 sion, and any interest thereon, by a participant in the twenty-two year
19 improved benefit retirement program, including the deduction of such
20 contributions, and any interest thereon, from his or her compensation.

21 5. Where a participant who is otherwise eligible for service retire-
22 ment pursuant to subdivision c of this section did not, prior to the
23 effective date of retirement, pay the entire amount of a contribution
24 deficiency chargeable to him or her pursuant to paragraph three of this
25 subdivision, or repay the entire amount of a loan of his or her addi-
26 tional member contributions pursuant to paragraph eight of this subdivi-
27 sion, including accrued interest on such loan, that participant, never-
28 theless, shall be eligible to retire pursuant to subdivision c of this
29 section, provided, however, that where such participant is not entitled
30 to a refund of additional member contributions pursuant to paragraph
31 seven of this subdivision, such participant's service retirement benefit
32 calculated pursuant to the applicable provisions of subdivision c of
33 this section shall be reduced by a life annuity, calculated in accord-
34 ance with the method set forth in subdivision i of section six hundred
35 thirteen-b of this chapter, which is actuarially equivalent to:

36 (i) the amount of any unpaid contribution deficiency chargeable to
37 such member pursuant to paragraph three of this subdivision; plus

38 (ii) the amount of any unpaid balance of a loan of his or her addi-
39 tional member contributions pursuant to paragraph eight of this subdivi-
40 sion, including accrued interest on such loan.

41 6. Subject to the provisions of paragraph five of this subdivision,
42 where a participant has not paid in full any contribution deficiency
43 chargeable to him or her pursuant to paragraph three of this subdivi-
44 sion, and a benefit, other than a refund of a member's accumulated
45 deductions or a refund of additional member contributions pursuant to
46 paragraph seven of this subdivision, becomes payable by the retirement
47 system to the participant or to his or her designated beneficiary or
48 estate, the actuarial equivalent of any such unpaid amount shall be
49 deducted from the benefit otherwise payable.

50 7. (i) All additional member contributions required by this subdivi-
51 sion, and any interest thereon, which are received by the retirement
52 system shall be paid into its contingent reserve fund and shall be the
53 property of the retirement system. Such additional member contributions,
54 and any interest thereon, shall not for any purpose be deemed to be
55 member contributions or accumulated deductions of a member of the
56 retirement system under section 13-125 or section 13-162 of the adminis-

1 trative code while he or she is a participant in the twenty-two year
2 improved benefit retirement program or otherwise.

3 (ii) Should a participant in the twenty-two year improved benefit
4 retirement program, who has rendered less than fifteen years of credited
5 service cease to hold a position as an EMT member for any reason whatso-
6 ever, his or her accumulated additional member contributions made pursu-
7 ant to this subdivision, together with any interest thereon paid to the
8 retirement system, which remain credited to such participant's account
9 may be withdrawn by him or her pursuant to procedures promulgated in
10 regulations of the board of trustees of the retirement system, together
11 with interest thereon at the rate of interest required by law to be used
12 to credit interest on the accumulated deductions of retirement system
13 members compounded annually.

14 (iii) Notwithstanding any other provision of law to the contrary, (A)
15 no person shall be permitted to withdraw from the retirement system any
16 additional member contributions paid pursuant to this subdivision or any
17 interest paid thereon, except pursuant to and in accordance with the
18 preceding subparagraphs of this paragraph; and (B) no person, while he
19 or she is a participant in the twenty-two year improved benefit retire-
20 ment program, shall be permitted to withdraw any such additional member
21 contributions or any interest paid thereon pursuant to any of the
22 preceding subparagraphs of this paragraph or otherwise.

23 8. A participant in the twenty-two year improved benefit retirement
24 program shall be permitted to borrow from his or her additional member
25 contributions, including any interest paid thereon, which are credited
26 to the additional contributions account established for such participant
27 in the contingent reserve fund of the retirement system. The borrowing
28 from such additional member contributions pursuant to this paragraph
29 shall be governed by the same rights, privileges, obligations and proce-
30 dures set forth in section six hundred thirteen-b of this chapter which
31 govern the borrowing by members subject to article fifteen of this chap-
32 ter of member contributions made pursuant to section six hundred thir-
33 teen of this chapter. The board of trustees of the retirement system
34 may, consistent with the provisions of this subdivision, promulgate
35 regulations governing the borrowing of such additional member contrib-
36 utions.

37 9. Wherever a person has an unpaid balance of a loan of his or her
38 additional member contributions pursuant to paragraph eight of this
39 subdivision at the time he or she becomes entitled to a refund of his or
40 her additional member contributions pursuant to subparagraph (ii) of
41 paragraph seven of this subdivision, the amount of such unpaid loan
42 balance, including accrued interest, shall be deemed to have been
43 returned to such member, and the refund of such additional contributions
44 shall be the net amount of such contributions, together with interest
45 thereon in accordance with the provisions of such subparagraph.

46 10. Notwithstanding any other provision of law to the contrary, the
47 provisions of section one hundred thirty-eight-b of this chapter shall
48 not be applicable to the additional member contributions which are
49 required by this subdivision.

50 11. Notwithstanding any other provision of law to the contrary, the
51 additional member contributions which are required by this subdivision
52 shall not be reduced under any program for increased-take-home-pay.

53 e. The provisions of this section shall not be construed to provide
54 benefits to any participant in the twenty-two year improved benefit
55 retirement program which are greater than those which would be received
56 by a similarly situated member who is entitled to benefits under the

1 provisions of section 13-157.5 of the administrative code, but who is
2 not governed by the provisions of this article.

3 § 5. Paragraph 3 of subdivision b of section 604-e of the retirement
4 and social security law, as added by chapter 577 of the laws of 2000, is
5 amended to read as follows:

6 3. Each EMT member, other than an EMT member subject to paragraph one
7 or two of this subdivision, who [~~becomes~~] became subject to the
8 provisions of this article on or after the starting date of the twenty-

10 ty-two year retirement program provided for in section six hundred
11 four-j of this article shall [~~become~~] continue to be a participant in
12 the twenty-five year retirement program [~~on the date he or she becomes~~
13 ~~such an EMT member~~], unless such person elects to become a member of the
14 twenty-two year retirement program in accordance with the conditions and
15 terms of such section six hundred four-j. Provided, however, a person
16 subject to this paragraph, and who has exceeded age twenty-five upon
17 employment as an EMT member, shall be exempt from participation in the
18 improved twenty-five year retirement program if such person elects not
19 to participate by filing a duly executed form with the retirement system
20 within one hundred eighty days of becoming an EMT member.

21 § 6. The retirement and social security law is amended by adding a new
22 section 604-j to read as follows:

25 shall cease to be a member of the twenty-five year retirement program
26 provided for in section six hundred four-e of this article, as added by
27 chapter five hundred seventy-seven of the laws of two thousand.

28 3. Any election to be a participant in the twenty-two year retirement

4 (iii) who files with the retirement system of which he or she is a
5 member an application for service retirement setting forth at what time,
6 not less than thirty days subsequent to the execution and filing there-

10 retired pursuant to the provisions of this section affording early
11 service retirement.

12 2. Notwithstanding any other provision of law to the contrary, and

23 an EMT member to the date of retirement but not to exceed more than five
24 years of additional service as an EMT member.

25 d. Vesting. 1. A participant in the twenty-two year retirement
26 program:

27 (i) who discontinues service as such a participant, other than by
28 death or retirement; and

29 (ii) in the case of a participant who is not a New York city revised
30 plan member, who prior to such discontinuance, completed five but less
31 than twenty-two years of allowable service as an EMT member, and in the
32 case of a New York city revised plan member, who prior to such discon-

34 service as an EMT member; and

35 (iii) who, subject to the provisions of paragraph seven of subdivision
36 e of this section, has paid, prior to such discontinuance, all addi-
37 tional member contributions and interest, if any, required by subdivi-
38 sion e of this section; and

39 (iv) who does not withdraw in whole or in part his or her accumulated
40 member contributions pursuant to section six hundred thirteen of this

43 such section six hundred thirteen;

44 shall be entitled to receive a deferred vested benefit as provided in
45 this subdivision.

46 2. (i) Upon such discontinuance under the conditions and in compliance
47 with the provisions of paragraph one of this subdivision, such deferred

53 who is a New York city revised plan member, such vested benefit shall
54 become payable at age sixty-three.

55 3. Subject to the provisions of paragraph seven of subdivision e of
56 this section, such deferred vested benefit shall be a retirement allow-

10 of his or compensation earned from (i) all allowable service, as a
11 participant in the twenty-two year retirement program, rendered on or
12 after the starting date of the twenty-two year retirement program, and
13 (ii) all allowable service after such person ceases to be a participant,
14 but before he or she again becomes a participant pursuant to paragraph
15 six of subdivision b of this section. The additional contributions
16 required by this section shall be in lieu of additional member contrib-
17 utions required by subdivision d of section six hundred four-c of this
18 chapter as added by chapter ninety-six of the laws of nineteen hundred
19 ninety-five, and shall be in lieu of additional member contributions
20 required by subdivision e of section six hundred four-e of this chapter
21 as added by chapter five hundred seventy-seven of the laws of two thou-
22 sand, and no member making additional contributions pursuant to this
23 section shall be required to make contributions pursuant to such subdivi-
24 sion d of section six hundred four-c of this article or such subdivi-
25 sion e of section six hundred four-e of this article.

26 2. A participant in the twenty-two year retirement program shall
27 contribute additional member contributions until the later of (i) the
28 first anniversary of the starting date of the twenty-two year retirement
29 program, or (ii) the date on which he or she completes thirty years of
30 credited service as an EMT member.

31 3. Commencing with the first full payroll period after each person
32 becomes a participant in the twenty-two year retirement program, addi-
33 tional member contributions at the rate specified in paragraph one of
34 this subdivision shall be deducted, subject to the applicable provisions
35 of subdivision d of section six hundred thirteen of this article, from
36 the compensation of such participant on each and every payroll of such
37 participant for each and every payroll period for which he or she is
38 such a participant.

39 4. (i) Each participant in the twenty-two year retirement program
40 shall be charged with a contribution deficiency consisting of the total
41 amounts of additional member contributions such person is required to
42 make pursuant to paragraphs one and two of this subdivision which are
43 not deducted from his or her compensation pursuant to paragraph three of
44 this subdivision, if any, together with interest thereon, compounded
45 annually, and computed in accordance with the provisions of subpara-
46 graphs (ii) and (iii) of this paragraph.

47 (ii)(A) The interest required to be paid on each such amount specified
48 in subparagraph (i) of this paragraph shall accrue from the end of the
49 payroll period for which such amount would have been deducted from
50 compensation if he or she had been a participant at the beginning of
51 that payroll period and such deduction had been required for such
52 payroll period, until such amount is paid to the retirement system.

53 (B) The rate of interest to be applied to each such amount during the
54 period for which interest accrues on that amount shall be equal to the
55 rate or rates of interest required by law to be used during that same

1 period to credit interest on the accumulated deductions of retirement
2 system members.

3 (iii) Except as otherwise provided in paragraph five of this subdivi-
4 sion, no interest shall be due on any unpaid additional member contrib-
5 utions which are not attributable to a period prior to the first full
6 payroll period referred to in paragraph three of this subdivision.

7 5. (i) Should any person who, pursuant to subparagraph (ii) of para-
8 graph ten of this subdivision, has received a refund of his or her addi-
9 tional member contributions including any interest paid on such contrib-
10 utions, again become a participant in the twenty-two year retirement
11 program pursuant to paragraph six of subdivision b of this section, an
12 appropriate amount shall be included in such participant's contribution
13 deficiency, including interest thereon as calculated pursuant to subpar-
14 agraph (ii) of this paragraph, for any credited service for which such
15 person received a refund of such additional member contributions,
16 including any amount of an unpaid loan balance deemed to have been
17 returned to such person pursuant to paragraph twelve of this subdivi-
18 sion, as if such additional member contributions never had been paid.

19 (ii) (A) Interest on a participant's additional member contributions
20 included in such participant's contribution deficiency pursuant to
21 subparagraph (i) of this paragraph shall be calculated as if such addi-
22 tional member contributions had never been paid by such participant, and
23 such interest shall accrue from the end of the payroll period to which
24 an amount of such additional member contributions is attributable, until
25 such amount is paid to the retirement system.

26 (B) The rate of interest to be applied to such amount during the peri-
27 od for which interest accrues on that amount shall be five percent per
28 annum, compounded annually.

29 6. Where a participant who is otherwise eligible for service retire-
30 ment pursuant to subdivision c of this section did not, prior to the
31 effective date of retirement, pay the entire amount of a contribution
32 deficiency chargeable to him or her pursuant to paragraphs four and five
33 of this subdivision, or repay the entire amount of a loan of his or her
34 additional member contributions pursuant to paragraph eleven of this
35 subdivision, including accrued interest on such loan, that participant,
36 nevertheless, shall be eligible to retire pursuant to subdivision c of
37 this section, provided, however, that such participant's service retire-
38 ment benefit calculated pursuant to paragraph two of such subdivision c
39 shall be reduced by a life annuity, calculated in accordance with the
40 method set forth in subdivision i of section six hundred thirteen-b of
41 this article, which is actuarially equivalent to:

42 (i) the amount of any unpaid contribution deficiency chargeable to
43 such member pursuant to paragraphs four and five of this subdivision;
44 plus

45 (ii) the amount of any unpaid balance of a loan of his or her addi-
46 tional member contributions pursuant to paragraph eleven of this subdivi-
47 vision, including accrued interest on such loan.

48 7. Where a participant who is otherwise eligible for a vested right to
49 a deferred benefit pursuant to subdivision d of this section did not,
50 prior to the date of discontinuance of service, pay the entire amount of
51 a contribution deficiency chargeable to him or her pursuant to para-
52 graphs four and five of this subdivision, or repay the entire amount of
53 a loan of his or her additional member contributions pursuant to para-
54 graph eleven of this subdivision, including accrued interest on such
55 loan, that participant, nevertheless, shall have a vested right to a
56 deferred benefit pursuant to subdivision d of this section provided,

1 however, that the deferred vested benefit calculated pursuant to para-
2 graph three of subdivision d of this section shall be reduced by a life
3 annuity, calculated in accordance with the method set forth in subdivi-
4 sion i of section six hundred thirteen-b of this article, which is actu-
5 arially equivalent to:

6 (i) the amount of any unpaid contribution chargeable to such member
7 pursuant to paragraphs four and five of this subdivision; plus

8 (ii) the amount of any unpaid balance of a loan of his or her addi-
9 tional member contributions pursuant to paragraph eleven of this subdivi-
10 vision, including accrued interest on such loan.

11 8. The head of a retirement system which includes participants in the
12 twenty-two year retirement program in its membership may, consistent
13 with the provisions of this subdivision, promulgate regulations for the
14 payment of such additional member contributions, and any interest there-
15 on, by such participants, including the deduction of such contributions,
16 and any interest thereon, from the participant's compensation.

17 9. Subject to the provisions of paragraphs six and seven of this
18 subdivision, where a participant has not paid in full any contribution
19 deficiency chargeable to him or her pursuant to paragraphs four and five
20 of this subdivision, and a benefit, other than a refund of member
21 contributions pursuant to section six hundred thirteen of this article
22 or a refund of additional member contributions pursuant to subparagraph
23 (ii) of paragraph ten of this subdivision, becomes payable under this
24 article to the participant or to his or her designated beneficiary or
25 estate, the actuarial equivalent of any such unpaid amount shall be
26 deducted from the benefit otherwise payable.

27 10. (i) Such additional member contributions, and any interest there-
28 on, shall be paid into the contingent reserve fund of the retirement
29 system of which the participant is a member and shall not for any
30 purpose be deemed to be member contributions or accumulated contrib-
31 utions of a member under section six hundred thirteen of this article or
32 otherwise while he or she is a participant in the twenty-two year
33 retirement program or otherwise.

34 (ii) Should a participant in the twenty-two year retirement program
35 who has rendered less than fifteen years of credited service cease to
36 hold a position as an EMT member for any reason whatsoever, his or her
37 accumulated additional member contributions made pursuant to this subdivi-
38 vision, together with any interest thereon paid to the retirement
39 system, may be withdrawn by him or her pursuant to procedures promulgat-
40 ed in regulations of the board of trustees of the retirement system,
41 together with interest thereon at the rate of five percent per annum,
42 compounded annually.

43 (iii) Notwithstanding any other provision of law to the contrary, (A)
44 no person shall be permitted to withdraw from the retirement system any
45 additional member contributions paid pursuant to this subdivision or any
46 interest paid thereon, except pursuant to and in accordance with the
47 preceding subparagraphs of this paragraph; and (B) no person, while he
48 or she is a participant in the twenty-two year retirement program, shall
49 be permitted to withdraw any such additional member contributions or any
50 interest paid thereon pursuant to any of the preceding subparagraphs of
51 this paragraph or otherwise.

52 11. A participant in the twenty-two year retirement program shall be
53 permitted to borrow from his or her additional member contributions,
54 including any interest paid thereon, which are credited to the addi-

56 contingent reserve fund of the retirement system. The borrowing from

1 such additional member contributions pursuant to this paragraph shall be
2 governed by the rights, privileges, obligations and procedures set forth
3 in section six hundred thirteen-b of this article which govern the
4 borrowing of member contributions made pursuant to section six hundred
5 thirteen of this article. The board of trustees of the retirement system
6 may, consistent with the provisions of this subdivision and the
7 provisions of section six hundred thirteen-b of this article as made
8 applicable to this subdivision, promulgate regulations governing the
9 borrowing of such additional member contributions.

10 12. Whenever a person has an unpaid balance of a loan or his or her
11 additional member contributions pursuant to paragraph eleven of this
12 subdivision at the time he or she becomes entitled to a refund of his or
13 her additional member contributions pursuant to subparagraph (ii) of
14 paragraph ten of this subdivision, the amount of such unpaid loan
15 balance, including accrued interest shall be deemed to have been
16 returned to such member, and the refund of such additional contributions
17 shall be the net amount of such contribution, together with interest
18 thereon in accordance with the provisions of such subparagraph (ii).

19 § 7. Paragraph 7 of subdivision d of section 613 of the retirement and
20 social security law, as amended by chapter 577 of the laws of 2000, is
21 amended to read as follows:

22 7. (i) The city of New York shall, in the case of an EMT member (as
23 defined in paragraph one of subdivision a of section six hundred four-e
24 of this article) who is a participant in the twenty-five year retirement
25 program (as defined in paragraph four of subdivision a of such section
26 six hundred four-e), and in the case of an EMT member (as defined in
27 paragraph one of subdivision a of section six hundred four-j of this
28 article) who is a participant in the twenty-two year retirement program
29 (as defined in paragraph four of subdivision a of such section six
30 hundred four-j), and who is not rendered ineligible for such pick ups by
31 another provision of law, pick up and pay to the retirement system of
32 which such participant is a member all additional member contributions
33 which otherwise would be required to be deducted from such member's
34 compensation pursuant to paragraphs one and two of subdivision e of
35 [~~such~~] section six hundred four-e of this article, or pursuant to para-
36 graphs one and two of subdivision e of section six hundred four-j of
37 this article, (not including any additional member contributions due for
38 any period prior to the first full payroll period referred to in such
39 paragraph three of such subdivision e), and shall effect such pick up on
40 each and every payroll of such participant for each and every payroll
41 period with respect to which such paragraph three would otherwise
42 require such deductions.

43 (ii) An amount equal to the amount of additional contributions picked
44 up pursuant to this paragraph shall be deducted by such employer from
45 the compensation of such member (as such compensation would be in the
46 absence of a pick up program applicable to him or her hereunder) and
47 shall not be paid to such member.

48 (iii) The additional member contributions picked up pursuant to this
49 paragraph for any such member shall be paid by such employer in lieu of
50 an equal amount of additional member contributions otherwise required to

52 of section six hundred four-e of this article, and shall be deemed to be
53 and treated as employer contributions pursuant to section 414(h) of the
54 Internal Revenue Code.

55 (iv) For the purpose of determining the retirement system rights,
56 benefits and privileges of any member whose additional member contrib-

1 utions are picked up pursuant to this paragraph, such picked up addi-
2 tional member contributions shall be deemed to be and treated as part of
3 such member's additional member contributions under the applicable
4 provisions of subdivision e of section six hundred four-e and subdivi-
5 sion e of section six hundred four-j of this article.

6 (v) With the exception of federal income tax treatment, the additional
7 member contributions picked up pursuant to subparagraph (i) of this
8 paragraph shall for all other purposes, including computation of retire-
9 ment benefits and contributions by employers and employees, be deemed
10 employee salary. Nothing contained in this subdivision shall be
11 construed as superseding the provisions of section four hundred thirty-
12 one of this chapter, or any similar provision of law which limits the
13 salary base for computing retirement benefits payable by a public
14 retirement system.

2 benefits and privileges of any member who is a participant in the twen-
3 ty-two year retirement program, as defined in paragraph two of subdivi-
4 sion a of section 13-157.5 of this chapter, the additional member

27 accrue in favor of the member and be payable to the retirement system at
28 the same rate, for the same time periods, in the same manner and under
29 the same circumstances as interest would be required to accrue in favor
30 of the member and be payable to the retirement system on such contrib-
31 utions if they were made by such member in the absence of a pick up
32 program applicable to such member under the provisions of this section.

33 § 12. Subdivision a of section 603 of the retirement and social secu-

32 (iii) The additional member contributions picked up pursuant to this
33 paragraph for any such member shall be paid by such employer in lieu of

54 public retirement system.

55 § 14. Nothing contained in sections seven and twelve of this act shall

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation would amend certain
provisions of the Retirement and Social Security Law (RSSL) and the
Administrative Code of the City of New York (ACCNY), add RSSL Sections
445-j and 604-j, and add ACCNY Section 13-157.5 to establish a 22-Year
Retirement Program for Emergency Medical Technicians (EMT 22-Year Plan)
for each tier.

Effective Date: Upon enactment.

BACKGROUND: Members whose duties are one of the following are eligible
to participate in the EMT 22-Year Plans:

- * Emergency Medical Technician,
- * Advanced Emergency Medical Technician,
- * Supervisor of employees whose duties are those of an emergency
medical technician, and
- * Supervisor of employees whose duties are those of an advanced emer-
gency medical technician.

For the purposes of this Fiscal Note, these members are collectively
referred to as "Emergency Medical Technicians" (EMTs).

Participation in an applicable EMT 22-Year Plan is optional for anyone
who is eligible to participate in such Plan on the date of enactment by
filing an election form within 180 days of enactment. Anyone who is a
member of the New York City Employees' Retirement System (NYCERS) on the
date of enactment and who subsequently becomes employed as an EMT has
180 days from the date of employment as an EMT to elect to join the
applicable EMT 22-Year Plan.

Any EMT who becomes a NYCERS member after the date of enactment is
mandated into the Tier 6 EMT 22-Year Plan.

IMPACT ON BENEFITS: Currently, EMTs generally participate in one of the existing NYCERS 25-Year Retirement Programs for EMTs. Since there are no Tier 1 EMT members and only one active Tier 2 EMT, the following summary of the EMT 22-Year Plan is limited to Tier 4 and Tier 6 members.

The proposed legislation, if enacted, would provide the following benefits to EMTs under the EMT 22-Year Plan:

- * Service retirement benefit:
 - o 50% of Final Average Salary (FAS) for the first 22 years of Allowable Service, plus
 - o 2% of FAS for each additional year of Allowable Service, or fraction thereof, exceeding 22 years up to a maximum of 27 years of such service.
- * Final Average Salary:
 - o Tier 4 - Three Year Average (FAS3).
 - o Tier 6 - Five Year Average (FAS5).
- * Vested benefit:
 - o Eligibility:
 - * Tier 4 - At least five, but less than 22, years of Allowable Service.
 - * Tier 6 - At least 10, but less than 22, years of Allowable Service.
 - o Payable at:
 - * Tier 4 - The date the member would have completed 22 years of Allowable Service.
 - * Tier 6 - Age 63.
 - o Amount:
 - * 2% of FAS for each year of Allowable Service.
 - * Allowable Service: All service as an EMT member and service while employed by the City of New York or by the New York City Health and Hospitals Corporation in the title of motor vehicle operator.
- * Other benefits: Members of the proposed EMT 22-Year Plans are entitled to the same disability and death benefits as other Tier 4 and Tier 6 members under the respective basic plans.

ADDITIONAL MEMBER CONTRIBUTIONS: Members of the EMT 22-Year Plans are required to make, in addition to the Tier 4 Basic Member Contributions (BMC) of 3%, which are generally paid for a period of 10 years, and the Tier 6 BMC ranging from 3% to 6% depending on defined salary levels, Additional Member Contributions (AMC) equal to 6.50% of compensation for all service as a Plan participant on and after the starting date of the Plan until the later of the one-year anniversary of the effective date of the Plan or 30 years of credited service. EMTs who participate in one of the existing NYCERS 25-Year Retirement Programs are currently required to make AMC of 6.25%.

FINANCIAL IMPACT - PRESENT VALUES: Based on the anticipated group of members joining the EMT 22-Year Plans and the actuarial assumptions and methods described herein, the enactment of this proposed legislation would increase the Present Value of Future Benefits (PVFB) by approximately \$157.7 million and decrease the Present Value of member contributions by approximately \$32.0 million. The net result is an increase in the Present Value of future employer contributions of approximately \$189.7 million.

Under the Entry Age Normal cost method used to determine the employer contributions to NYCERS, there would be an increase in the Unfunded Accrued Liability (UAL) of approximately \$106.3 million and an increase in the Present Value of future employer Normal Cost of \$83.4 million.

FINANCIAL IMPACT - ANNUAL EMPLOYER CONTRIBUTIONS: In accordance with Section 13-638.2(k-2) of the ACCNY, new UAL attributable to benefit changes are to be amortized as determined by the Actuary but are gener-

ally amortized over the remaining working lifetime of those impacted by the benefit changes. As of June 30, 2021, the remaining working lifetime of the EMTs assumed to join the EMT 22-Year Plans is approximately 13 years.

For the purposes of this Fiscal Note, the increase in UAL was amortized over a 13-year period (12 payments under the One-Year Lag Methodology (OYLM)) using level dollar payments. This payment plus the increase in the Normal Cost results in an increase in annual employer contributions of approximately \$24.3 million each year.

CONTRIBUTION TIMING: For the purposes of this Fiscal Note, it is assumed that the changes in the Present Value of future employer contributions and annual employer contributions would be reflected for the first time in the Preliminary June 30, 2022 actuarial valuation of NYCERS. In accordance with the OYLM used to determine employer contributions, the increase in employer contributions would first be reflected in Fiscal Year 2024.

CENSUS DATA: The estimates presented herein are based on the census data used in the Preliminary June 30, 2021 (Lag) actuarial valuation of NYCERS to determine the Preliminary Fiscal Year 2023 employer contributions.

The 3,872 NYCERS EMTs as of June 30, 2021 assumed to join the EMT 22-Year Plans had an average age of approximately 35.5 years, average service of approximately 8.5 years, and an average salary of approximately \$63,300.

ACTUARIAL ASSUMPTIONS AND METHODS: The changes in the Present Value of future employer contributions and annual employer contributions presented herein have been calculated based on the actuarial assumptions and methods in effect for the Preliminary June 30, 2021 (Lag) actuarial valuations used to determine the Preliminary Fiscal Year 2023 employer contributions of NYCERS.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, as well as certain demographic characteristics of NYCERS and other exogenous factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein. Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

Not measured in this Fiscal Note are the following:

- * The initial, additional administrative costs to implement the proposed legislation.

- * The impact of this proposed legislation on Other Postemployment Benefit (OPEB) costs.

STATEMENT OF ACTUARIAL OPINION: I, Michael J. Samet, am the Interim Chief Actuary for, and independent of, the New York City Retirement Systems and Pension Funds. I am a Fellow of the Society of Actuaries and a Member of the American Academy of Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of my knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2022-54 dated May 17, 2022 was prepared by the Interim Chief Actuary for the New York City

Employees' Retirement System. This estimate is intended for use only during the 2022 Legislative Session.
