The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subparagraph (ii) of paragraph (a) of subdivision 10 of
2 section 230 of the public health law, as amended by chapter 558 of the
3 laws of 1994, is amended to read as follows:

4 (ii) If the investigation of cases referred to an investigation

8 societies, and by New York state medical associations dedicated to the

14 gation. A medical expert shall not be consulted if such medical expert
15 is under investigation, has an administrative warning, or is on
16 probation, and such medical expert shall be dismissed from consulting
17 duties if such medical expert becomes the subject of an investigation,
18 receives an administrative warning, or is put on probation during such
19 experts term of consultation. Any information obtained by medical

2 health law, as amended by chapter 866 of the laws of 1980, is amended to
3 read as follows:

7 received regardless of the source. The results of the investigation and
8 an objective summary statement produced by the investigator along with a
9 recommendation shall be referred to the director of the office of
10 professional medical conduct. If the director of the office of profes-

14 days thereafter. If it is determined by the director that the complaint
15 involves a question of professional expertise then such director may
16 seek, and if so shall obtain, the concurrence of at least two members of
17 a panel of three members of the state board for professional medical
18 conduct.

19 § 3. Section 230 of the public health law is amended by adding a new

25 conduct or activity with such patient's treating physician.

26 (b) The board shall institute semi-annual training or in-service work-
27 shops on sexual misconduct and sexual harassment for the office of
28 professional medical conduct staff, including investigators, medical
29 experts, the division of legal affairs, and the board. The board shall
30 provide comprehensive orientation and training on sexual misconduct and
31 sexual harassment issues utilizing expert speakers, physicians, repre-
32 sentatives from the office of the attorney general, crisis intervention

44 ities regarding protection of the patients from sexual misconduct who
45 are receiving care in such hospitals, and shall treat such patients in
46 accordance with the provisions of such statement.

47 3. Said statement of rights and responsibilities regarding protection
48 from sexual misconduct shall include, but not be limited to the follow-
49 ing:

50 a. Every patient shall have the right to request the presence of a
51 family member or third-party chaperone during a physical examination.

52 b. Every patient shall have the right to receive a written statement

3 personal representative at the time of appointment. Such statement shall
4 be provided in a document in addition to, and separate from, any other
5 statement of rights and responsibilities required pursuant to the
6 provisions of this chapter. Upon acknowledgment of the statement by the
7 patient, an acceptance or declination of the presence of a chaperone
8 shall be noted in such patient's chart.

9 § 5. Section 6530 of the education law is amended by adding a new
10 subdivision 51 to read as follows:

24 an initial request for licensure by an applicant pursuant to section
25 sixty-five hundred twenty-four of this article. If such query returns
26 any instance of professional misconduct by the applicant, the board
27 shall consider both the severity of the misconduct alone and in relation
28 to the probability of such misconduct recurring upon licensure when
29 determining whether an application for licensure shall be denied or
30 whether to grant the applicant a hearing regarding such instance of
31 professional misconduct.

37 1983, as amended, when upon such date the provisions of section two of
38 this act shall take effect. Effective immediately, the addition, amend-
