STATE OF NEW YORK

7427--A

Cal. No. 1274

2021-2022 Regular Sessions

IN SENATE

October 8, 2021

Introduced by Sen. MAYER -- read twice and ordered printed, and when printed to be committed to the Committee on Rules -- recommitted to the Committee on Transportation in accordance with Senate Rule 6, sec. 8 -- reported favorably from said committee, ordered to first and second report, ordered to a third reading, amended and ordered reprinted, retaining its place in the order of third reading

AN ACT to amend the public authorities law, in relation to the metropolitan commuter transportation authority establishing and implementing a land and vegetation management policy

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- Section 1. Section 1266 of the public authorities law is amended by adding a new subdivision 20 to read as follows:
- 2 adding a new subdivision 20 to read as follows:
 3 20. Notwithstanding any other provisions of law or the terms of any
 4 contract, the authority, in consultation with the Long Island Rail Road
- 5 <u>and the Metro-North Commuter Railroad Company, shall establish and</u> 6 <u>implement a responsible land and vegetation management policy to outline</u>
- 7 policies and goals for the management of land under the control of such
- 8 <u>commuter rail companies. The purpose of such policy is to detail commu-</u>
 9 <u>ter rail management practices with respect to land use and vegetation</u>
- 10 management actions, and coordination and communication regarding such
- 11 actions with local governments and neighborhoods near commuter rail
- 12 properties in furtherance of the safety and efficiency of commuter rail
- 13 operations. Such policy shall:
- 14 <u>(a) include quidelines for communication with local governments and</u> 15 property owners near commuter rail properties or properties that would
- 16 be affected by changes in land use and vegetation management;
- 17 (b) be consistent with safety and efficiency requirements of the
- 18 commuter rail lines;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

(c) provide quidance that such actions consider the impact on neighboring properties and communities and include a goal of minimizing negative impacts where possible;

- (d) provide that vegetation removal and management policies should consider the impact on neighboring properties consistent with the operational responsibilities of the commuter rail lines;
- 7 (e) provide for meaningful prior written notice, when reasonably practicable, of any significant vegetation management activity or other 8 9 significant land or infrastructure modification to impacted stakeholders 10 in the communities affected by such activities, including but not limit-11 ed to (1) the community board or elected representatives representing 12 all municipalities encompassing land subject to such activities, (2) county and state elected representatives representing districts encom-13 14 passing land subject to such activities or contiguous to a district that 15 contains areas affected by such activities, (3) the executive of the county in which such activity occurs, (4) any neighborhood association 16 17 or similar organization representing a neighborhood subject to such activities or adjacent to such activities, and (5) persons residing or 18 owning property adjacent to the sites of such activities; and 19
- 20 (f) require consideration of any impact on flooding as a result of any 21 vegetation or land management activities taken pursuant to the policy.
- § 2. This act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date. 26
