The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Short title. This act shall be known and may be cited as 1 Section 1. 2 the "Fossil Fuel Subsidy Elimination Act".

- § 2. Subdivisions 17, 18, 21, and 22 of section 352 of the economic development law, as amended by section 1 of part K of chapter 59 of the laws of 2017, subdivision 18 as separately amended by section 1 of part ZZ of chapter 59 of the laws of 2017, are amended to read as follows:
- "Qualified investment" means an investment in tangible property (including a building or a structural component of a building) owned by a business enterprise which:
- (a) is depreciable pursuant to section one hundred sixty-seven of the 10 11 internal revenue code;
 - (b) has a useful life of four years or more;
 - (c) is acquired by purchase as defined in section one hundred seventy-nine (d) of the internal revenue code;
 - (d) does not directly produce, transmit, distribute, transport, or store fossil fuels or directly utilize fossil fuels for the production of on-site energy, including thermal energy, for any purpose. For the purposes of this article, fossil fuel shall have the same definition as in section 1-103 of the energy law;
 - (e) has a situs in this state; and
 - [(e)] (f) is placed in service in the state on or after the date the certificate of eligibility is issued to the business enterprise.
- 18. "Regionally significant project" means (a) a manufacturer creating at least ten net new jobs in the state and making significant capital investment in the state; (b) a business creating at least ten net new jobs in agriculture in the state and making significant capital invest-27 ment in the state, (c) a financial services firm, distribution center, 28 or back office operation creating at least one hundred net new jobs in the state and making significant capital investment in the state, (d) a 30 scientific research and development firm creating at least ten net new jobs in the state, and making significant capital investment in the 32 state, (e) a life sciences company creating at least twenty net new jobs in the state and making significant capital investment in the state or (f) an entertainment company creating or obtaining at least two hundred net new jobs in the state and making significant capital investment in the state. Other businesses creating one hundred fifty or more net new jobs in the state and making significant capital investment in the state may be considered eligible as a regionally significant project by the 38 39 commissioner as well. A regionally significant project shall not be 40 engaged in the production, transmission, distribution, transportation, storage, sale, purchase, or delivery of fossil fuels. The commissioner 41 42 shall promulgate regulations pursuant to section three hundred fifty-six 43 of this article to determine what additional criteria a business must 44 meet to be eligible as a regionally significant project, including, but 45 not limited to, whether a business exports a substantial portion of its products or services outside of the state or outside of a metropolitan statistical area or county within the state.
- 21. "Research and development expenditures" mean the expenses of the business enterprise that are qualified research expenses under the 49 federal research and development credit under section forty-one of the internal revenue code and are attributable to activities conducted in 52 the state. If the federal research and development credit has expired, 53 then the research and development expenditures shall be calculated as if

the federal research and development credit structure and definition in effect in federal tax year two thousand nine were still in effect. Research and development expenditures does not include any expenses for tangible personal property that directly produces, transmits, distrib-5 utes, transports, or stores fossil fuels or directly utilizes fossil fuels for the production of on-site energy, including thermal energy, 7 for any purpose.

- 22. "Scientific research and development" means conducting research and experimental development in the physical, engineering, and life sciences, including but not limited to agriculture, electronics, environmental, biology, botany, biotechnology, computers, chemistry, food, fisheries, forests, geology, health, mathematics, medicine, oceanography, pharmacy, physics, veterinary, and other allied subjects. For the purposes of this article, scientific research and development does not include medical or veterinary laboratory testing facilities, or any research that contributes to the production, transmission, distribution, transportation, storage, sale, purchase, or delivery of fossil fuels.
- § 3. Subdivision 7 of section 355 of the economic development law, as added by section 4 of part G of chapter 61 of the laws of 2011, is amended to read as follows:
- 7. For availability of special excelsior jobs program rates governing the provision of [gas or] electric service, see subdivision twelve-d of section sixty-six of the public service law. Such special excelsior jobs program rates may remain available to participants as defined in this article for a period of up to ten years commencing in the first taxable 26 year that the participant receives a certificate of tax credit, or the first taxable year listed on its preliminary schedule of benefits, whichever is later. Provided however, if a participant is removed from the excelsior jobs program pursuant to this article, the excelsior jobs program rates may be denied.
- 31 § 4. Subdivision 12-d of section 66 of the public service law, 32 added by section 8 of part G of chapter 61 of the laws of 2011, is 33 amended to read as follows:
 - 12-d. Notwithstanding any other provision of law, upon application of gas or an electric corporation, the commission shall authorize such corporation to charge a special excelsior jobs program rate equal to the incremental cost of providing electric service to participants in the excelsior jobs program as defined in article seventeen of the economic development law.
- § 5. Subdivision 2 of section 433 of the economic development law, 40 41 added by section 1 of part A of chapter 68 of the laws of 2013, is 42 amended to read as follows:
- 43 2. The following types of businesses are prohibited from participating 44 in the START-UP NY program.
 - (a) retail and wholesale businesses;
 - (b) restaurants;
 - (c) real estate brokers;
 - (d) law firms;
 - (e) medical or dental practices;
- 50 (f) real estate management companies;
 - (g) hospitality;
 - (h) finance and financial services;
 - (i) businesses providing personal services;
- 54 (j) businesses providing business administrative or support services, 55 unless such business has received permission from the commissioner to apply to participate in the START-UP NY program upon demonstration that

1 the business would create no fewer than one hundred net new jobs in the 2 tax-free NY area;

(k) accounting firms;

- (1) businesses providing utilities; [and]
- (m) businesses engaged in the generation or distribution of electricity, the distribution of natural gas, or the production of steam associated with the generation of electricity; and
- 8 <u>(n) businesses engaged in the production, transmission, distribution,</u>
 9 <u>transportation, or storage of fossil fuels as defined in section 1-103</u>
 10 <u>of the energy law</u>.
 - § 6. Subparagraph (i) of paragraph (b) of subdivision 1 of section 210-B of the tax law, as amended by section 2 of part P of chapter 59 of the laws of 2017, is amended to read as follows:
- A credit shall be allowed under this subdivision with respect to 14 15 tangible personal property and other tangible property, including build-16 ings and structural components of buildings, which are: depreciable 17 pursuant to section one hundred sixty-seven of the internal revenue code, have a useful life of four years or more, are acquired by purchase 18 as defined in section one hundred seventy-nine (d) of the internal 19 revenue code, have a situs in this state and are (A) principally used by 20 21 taxpayer in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing, (B) industrial 23 waste treatment facilities or air pollution control facilities, used in 24 25 the taxpayer's trade or business, (C) research and development property, or (D) principally used in the ordinary course of the taxpayer's trade 26 27 or business as a broker or dealer in connection with the purchase or 28 sale (which shall include but not be limited to the issuance, entering 29 into, assumption, offset, assignment, termination, or transfer) of stocks, bonds or other securities as defined in section four hundred 30 31 seventy-five (c)(2) of the Internal Revenue Code, or of commodities as 32 defined in section four hundred seventy-five (e) of the Internal Revenue 33 Code, (E) principally used in the ordinary course of the taxpayer's 34 trade or business of providing investment advisory services for a regu-35 lated investment company as defined in section eight hundred fifty-one 36 of the Internal Revenue Code, or lending, loan arrangement or loan orig-37 ination services to customers in connection with the purchase or sale 38 (which shall include but not be limited to the issuance, entering into, 39 assumption, offset, assignment, termination, or transfer) of securities 40 as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, (F) principally used in the ordinary course of the taxpay-41 42 er's business as an exchange registered as a national securities 43 exchange within the meaning of sections 3(a)(1) and 6(a) of the Securities Exchange Act of 1934 or a board of trade as defined in subparagraph 44 45 one of paragraph (a) of section fourteen hundred ten of the not-for-pro-46 fit corporation law or as an entity that is wholly owned by one or more 47 such national securities exchanges or boards of trade and that provides 48 automation or technical services thereto, or (G) principally used as a qualified film production facility including qualified film production 49 50 facilities having a situs in an empire zone designated as such pursuant 51 to article eighteen-B of the general municipal law, where the taxpayer 52 is providing three or more services to any qualified film production 53 company using the facility, including such services as a studio lighting grid, lighting and grip equipment, multi-line phone service, broadband information technology access, industrial scale electrical capacity, 56 food services, security services, and heating, ventilation and air

conditioning. For purposes of clauses (D), (E) and (F) of this subparagraph, property purchased by a taxpayer affiliated with a regulated broker, dealer, registered investment advisor, national securities exchange or board of trade, is allowed a credit under this subdivision 5 if the property is used by its affiliated regulated broker, registered investment advisor, national securities exchange or board of 7 trade in accordance with this subdivision. For purposes of determining if the property is principally used in qualifying uses, the uses by the 9 taxpayer described in clauses (D) and (E) of this subparagraph may be 10 aggregated. In addition, the uses by the taxpayer, its affiliated regu-11 lated broker, dealer and registered investment advisor under either 12 both of those clauses may be aggregated. Provided, however, a taxpayer shall not be allowed the credit provided by clauses (D), (E) and (F) of 13 14 subparagraph unless the property is first placed in service before 15 October first, two thousand fifteen and (i) eighty percent or more of employees performing the administrative and support functions 16 17 resulting from or related to the qualifying uses of such equipment are located in this state or (ii) the average number of employees that 18 perform the administrative and support functions resulting from or 19 20 related to the qualifying uses of such equipment and are located in this 21 state during the taxable year for which the credit is claimed is equal 22 to or greater than ninety-five percent of the average number of employ-23 that perform these functions and are located in this state during the thirty-six months immediately preceding the year for which the cred-24 25 it is claimed, or (iii) the number of employees located in this state during the taxable year for which the credit is claimed is equal to or 26 27 greater than ninety percent of the number of employees located in this 28 state on December thirty-first, nineteen hundred ninety-eight or, if the 29 taxpayer was not a calendar year taxpayer in nineteen hundred ninety-30 eight, the last day of its first taxable year ending after December 31 thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes 32 subject to tax in this state after the taxable year beginning in nine-33 teen hundred ninety-eight, then the taxpayer is not required to satisfy 34 the employment test provided in the preceding sentence of this subparagraph for its first taxable year. For purposes of clause (iii) of this 35 36 subparagraph the employment test will be based on the number of employ-37 located in this state on the last day of the first taxable year the taxpayer is subject to tax in this state. If the uses of the property 39 must be aggregated to determine whether the property is principally used 40 in qualifying uses, then either each affiliate using the property must satisfy this employment test or this employment test must be satisfied 41 42 through the aggregation of the employees of the taxpayer, its affiliated 43 regulated broker, dealer, and registered investment adviser using the property. For purposes of clause (A) of this subparagraph, tangible 45 personal property and other tangible property shall not include property principally used by the taxpayer in the production or distribution of 47 electricity, natural gas after extraction from wells, steam, or water 48 delivered through pipes and mains. For purposes of this subdivision, tangible personal property and other tangible property does not include 49 50 property that directly produces, transmits, distributes, transports, or stores fossil fuels as defined in section 1-103 of the energy law, or 51 52 directly utilizes fossil fuels for the production of on-site energy, 53 including thermal energy, for any purpose.

§ 7. Subdivision (m) of section 301-a of the tax law, as added by section 20 of part K of chapter 61 of the laws of 2011, is amended to read as follows:

 (m) Special rate adjustment for certain vessels. Notwithstanding any provision of this section to the contrary, the use of non-highway diesel motor fuel in the engine of a vessel to propel such vessel shall be subject to tax at the motor fuel and highway diesel motor fuel rate provided for in this section, and shall be subject to the provisions of section three hundred one-j of this article, including the adjustment set forth in paragraph [four] three of subdivision (a) of such section three hundred one-j. A credit or refund shall be available to the extent tax paid on gallonage used to propel any such vessel exceeds the amount of tax due based on the tax rate set forth herein. Provided, however, that the commissioner shall require such documentary proof to qualify for any credit or reimbursement provided hereunder as the commissioner deems appropriate.

- § 8. Paragraph 3 of subdivision (f) and paragraph 4 of subdivision (g) of section 301-a of the tax law are REPEALED.
- § 9. Subdivisions (a) and (d) of section 301-b of the tax law, subdivision (a) as added by chapter 190 of the laws of 1990, paragraph 5 of subdivision (a) as amended by section 3 of part E of chapter 59 of the laws of 2012, paragraphs 6, 7 and 8 of subdivision (a) as added by section 4 of part W-1 of chapter 109 of the laws of 2006, and subdivision (d) as amended by section 21 of part K of chapter 61 of the laws of 2011, are amended to read as follows:
- (a) Products. (1) [Kerosene sold or used by a petroleum business which is registered under article twelve-A of this chapter as a distributor of diesel motor fuel so long as (i) such product has not been blended or mixed with any other product constituting diesel motor fuel or motor fuel or a residual petroleum product and (ii) such product is not used by the petroleum business as fuel to operate a motor vehicle or sold by such petroleum business to a consumer for use as fuel to operate a motor vehicle.
- (2) Kero-jet fuel (i) sold by a petroleum business which is registered under article twelve-A of this chapter as a distributor of diesel motor fuel to a consumer for use exclusively as jet aircraft fuel or to a petroleum business registered under such article twelve-A as a "distributor of kero-jet fuel only" where such fixed base operator is engaged solely in making or offering to make retail sales not in bulk of kero-jet fuel directly into the fuel tank of an airplane for the purpose of operating such airplane, (ii) used by a petroleum business, registered under article twelve-A of this chapter as a distributor of diesel motor fuel, exclusively as jet aircraft fuel, or (iii) sold at retail not in bulk by a petroleum business registered under article twelve-A of this chapter as a "distributor of kero-jet fuel only" where such fuel is delivered directly into the fuel tank of a jet airplane for use in the operation of such airplane.
- (3) Aviation gasoline, meeting the specifications set forth in American Standard Testing Material Specification D910 or Military Specification MIL-G-5572, which is imported or caused to be imported into this state by a petroleum business which is registered under article twelve-A of this chapter as a distributor of motor fuel or produced, refined, manufactured or compounded in this state by such a petroleum business.
- [(4) Residual petroleum product sold by a petroleum business registered under this article as a residual petroleum product business if such product is sold by such petroleum business to a consumer for use exclusively as bunker fuel for vessels or if such product is used by such petroleum business exclusively as bunker fuel in its own vessels.
 - (5) Liquefied petroleum gases, such as butane, ethane or propane.

(6) [2] E85 imported or caused to be imported into this state or produced, refined, manufactured or compounded in this state by a petroleum business registered under article twelve-A of this chapter, as a distributor of motor fuel, and then sold by such petroleum business and delivered to a filling station and placed in a storage tank of such filling station for such E85 to be dispensed directly into a motor vehicle for use in the operation of such vehicle.

 $\left[\frac{(7)}{1}\right]$ (i) Partial B20 exemption. B20 imported or caused to be imported into this state or produced, refined, manufactured or compounded in this state by a petroleum business registered under article twelve-A of this chapter, as a distributor of diesel motor fuel, and then sold by such petroleum business.

(ii) Calculation of partial exemption. The amount of the partial exemption under this paragraph shall be determined by multiplying the quantity of B20 times twenty percent of the applicable taxes otherwise imposed by this article on such fuel.

§ 11. The opening paragraph and subdivisions (a) and (b) of section 301-c of the tax law, the opening paragraph as amended by section 5 of part W-1 of chapter 109 of the laws of 2006, subdivision (a) as amended by section 23 of part K of chapter 61 of the laws of 2011, and subdivi-(b) as amended by chapter 330 of the laws of 1991, are amended to read as follows:

A subsequent purchaser shall be eligible for reimbursement of tax with respect to the following gallonage, subsequently sold by such purchaser in accordance with subdivision (a), (b), (e), (h), $\left(\frac{(j)}{(j)}, \frac{(k)}{(n)}\right)$ or (e) (i), (k) or (1) of this section or used by such purchaser in accordance with subdivision (c), (d), (f), (g)[$\frac{(i)}{(i)}$, (1)] or [$\frac{(m)}{(i)}$] of this section, which gallonage has been included in the measure of the tax imposed by this article on a petroleum business:

(a) [Non-highway Diesel motor fuel used for heating purposes. Total residential heating reimbursement. Non-highway Diesel motor fuel purchased in this state and sold by such purchaser to a consumer for use exclusively for residential heating purposes but only where (i) such non-highway diesel motor fuel is delivered into a storage tank which is not equipped with a hose or other apparatus by which such non-highway Diesel motor fuel can be dispensed into the fuel tank of a motor vehicle and such storage tank is attached to the heating unit burning such nonhighway Diesel motor fuel, (ii) the tax imposed pursuant to this article has been paid with respect to such non-highway diesel motor fuel and the entire amount of such tax has been absorbed by such purchaser, and (iii) such purchaser possesses documentary proof satisfactory to the commissioner evidencing the absorption by it of the entire amount of the tax imposed pursuant to this article. Provided, however, that the commissioner is authorized, in the event that the commissioner determines that it would not threaten the integrity of the administration and enforcement of the tax imposed by this article, to provide a reimbursement with respect to a retail sale to a consumer for residential heating purposes less than ten gallons of non-highway diesel motor fuel provided such fuel is not dispensed into the tank of a motor vehicle.

[(2) Partial non-residential heating reimbursement. (A) Non-highway Diesel motor fuel purchased in this state and sold by such purchaser to a consumer for use exclusively for heating, other than for residential heating purposes, but only where (i) such non-highway diesel motor fuel is delivered into a storage tank which is not equipped with a hose or other apparatus by which such non-highway Diesel motor fuel can be dispensed into the fuel tank of a motor vehicle and such storage tank is attached to the heating unit burning such non-highway Diesel motor fuel, (ii) the tax imposed pursuant to this article has been paid with respect to such non-highway diesel motor fuel and the entire amount of such tax has been absorbed by such purchaser, and (iii) such purchaser possesses documentary proof satisfactory to the commissioner evidencing the absorption by it of the entire amount of the tax imposed pursuant to this article.

(B) Calculation of partial reimburgement. Notwithstanding any other provision of this article, the amount of the reimbursement under this paragraph shall be determined by multiplying the quantity of non-highway diesel motor fuel eligible for the reimburgement times the sum of the then current rate of the supplemental tax imposed by section three hundred one j of this article and forty-six percent of the then current rate of the tax imposed by section three hundred one-a of this article, with respect to the non-highway diesel motor fuel rate, as the case may 56 be.]

(b) Sales to [New York state and] the federal government. Motor fuel and diesel motor fuel purchased in this state and sold by such purchaser in this state to an organization described in paragraph [ene er] two of subdivision (a) of section eleven hundred sixteen of this chapter where 5 such motor fuel or diesel motor fuel is for such organization's own use or consumption, (ii) the tax imposed pursuant to this article has 7 been paid with respect to such motor fuel or diesel motor fuel and the entire amount of such tax has been absorbed by such purchaser and, (iii) 9 such purchaser possesses documentary proof satisfactory to the commis-10 sioner of taxation and finance evidencing the absorption by it of the 11 entire amount of the tax imposed pursuant to this article. Provided, 12 however, that the commissioner [of taxation and finance] shall require such documentary proof to qualify for any reimbursement of tax provided 13 14 this section as the commissioner deems appropriate, including the 15 expansion of any certification required pursuant to section two hundred 16 eighty-five-a or two hundred eighty-five-b of this chapter to cover the 17 taxes imposed pursuant to this article.

§ 11-a. The opening paragraph of section 301-c of the tax law, amended by chapter 468 of the laws of 2000, is amended to read as follows:

A subsequent purchaser shall be eligible for reimbursement of tax with respect to the following gallonage, subsequently sold by such purchaser in accordance with subdivision (a), (b), (e), (h)[$\frac{(i)}{(i)}$] or $\frac{(k)}{(i)}$ of this section or used by such purchaser in accordance with subdivision (c), (d), (f), (g)[$\frac{(i)}{(i)}$, (1)] or [$\frac{(m)}{(i)}$] of this section, which gallonage has been included in the measure of the tax imposed by this article on a petroleum business:

- § 12. Subdivisions (i), (j) and (l) of section 301-c of the tax law are REPEALED.
- 13. Subdivisions (k), (m), (n), (o) and (p) of section 301-c of the tax law are relettered subdivisions (i), (j), (k), (l) and (m).
 - § 14. Section 301-d of the tax law is REPEALED.
 - § 15. Subdivision (f) of section 301-e is REPEALED.
- § 16. Subdivision (a) of section 301-j of the tax law, as amended by chapter 309 of the laws of 1996, paragraphs 1, 2, 3 and 4 as amended by section 29 of part K of chapter 61 of the laws of 2011, is amended to read as follows:
- Imposition of tax. (1) In addition to the taxes imposed by sections three hundred one-a and three hundred one-e of this article, there is hereby imposed upon every petroleum business subject to tax imposed under section three hundred one-a of this article and every aviation fuel business subject to the aviation gasoline component of the tax imposed under section three hundred one-e of this article, a supplemental monthly tax for each or any part of a taxable month at a rate of six and eight-tenths cents per gallon with respect to the products included in each component of the taxes imposed by such section three hundred one-a and the aviation gasoline component of the tax imposed by such section three hundred one-e of this article.
- (2) [Provided, however, "commercial gallonage," as such term is defined in subdivision (k) of section three hundred of this article, shall be exempt from the measure of the tax imposed under this section.
- (3) Provided, further, "railroad diesel," as such term is defined in subdivision (1) of section three hundred of this article, shall be exempt from the measure of the tax imposed under this section.
- [44] (3) Provided, further, a separate per gallon rate shall apply 56 with respect to highway diesel motor fuel. Such rate shall be determined

by taking the adjusted rate per gallon of tax imposed under paragraph one of this subdivision as adjusted in accordance with paragraph [five] four of this subdivision and subtracting therefrom one and three-quarters cents. Commencing January first, two thousand twelve, and each January thereafter, the per gallon rate applicable to highway diesel motor fuel shall be the adjusted rate under paragraph one of this subdivision as adjusted in accordance with paragraph [five] four of this subdivision which commences on such date minus one and three-quarters cents. The resulting rate under this paragraph shall be expressed in hundredths of a cent.

[(5)] (4) Except as herein provided, the tax imposed under this section shall be calculated in the same respective manner as the taxes imposed by section three hundred one-a and section three hundred one-e of this article. Except [for section three hundred one-d and except] as otherwise provided in this section, all the provisions of this article applicable to the taxes imposed by sections three hundred one-a and three hundred one-e of this article, shall apply with respect to the supplemental tax imposed by this section to the same extent as if it were respectively imposed by such sections.

§ 17. Subparagraph (A) of paragraph 2 of subsection (a) of section 606 of the tax law, as amended by section 3 of part P of chapter 59 of the laws of 2017, is amended to read as follows:

22 23 A credit shall be allowed under this subsection with respect to 24 tangible personal property and other tangible property, including build-25 ings and structural components of buildings, which are: depreciable pursuant to section one hundred sixty-seven of the internal revenue 26 27 code, have a useful life of four years or more, are acquired by purchase 28 as defined in section one hundred seventy-nine (d) of the internal 29 revenue code, have a situs in this state and are (i) principally used by 30 the taxpayer in the production of goods by manufacturing, processing, 31 assembling, refining, mining, extracting, farming, agriculture, horti-32 culture, floriculture, viticulture or commercial fishing, (ii) industrial waste treatment facilities or air pollution control facilities, 33 used in the taxpayer's trade or business, (iii) research and development 34 35 property, (iv) principally used in the ordinary course of the taxpayer's 36 trade or business as a broker or dealer in connection with the purchase 37 or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of 39 stocks, bonds or other securities as defined in section four hundred 40 seventy-five (c)(2) of the Internal Revenue Code, or of commodities as defined in section 475(e) of the Internal Revenue Code, (v) principally 41 42 used in the ordinary course of the taxpayer's trade or business of 43 providing investment advisory services for a regulated investment company as defined in section eight hundred fifty-one of the Internal Revenue 45 Code, or lending, loan arrangement or loan origination services to 46 customers in connection with the purchase or sale (which shall include 47 but not be limited to the issuance, entering into, assumption, offset, 48 assignment, termination, or transfer) of securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, 49 or (vi) principally used as a qualified film production facility includ-50 51 ing qualified film production facilities having a situs in an empire 52 zone designated as such pursuant to article eighteen-B of the general 53 municipal law, where the taxpayer is providing three or more services to any qualified film production company using the facility, including such 55 services as a studio lighting grid, lighting and grip equipment, multi-56 line phone service, broadband information technology access, industrial

scale electrical capacity, food services, security services, and heating, ventilation and air conditioning. For purposes of clauses (iv) and (v) of this subparagraph, property purchased by a taxpayer affiliated with a regulated broker, dealer, or registered investment adviser is 4 5 allowed a credit under this subsection if the property is used by its affiliated regulated broker, dealer or registered investment adviser in 7 accordance with this subsection. For purposes of determining if the property is principally used in qualifying uses, the uses by the taxpay-9 described in clauses (iv) and (v) of this subparagraph may be aggre-10 gated. In addition, the uses by the taxpayer, its affiliated regulated 11 broker, dealer and registered investment adviser under either or both of 12 those clauses may be aggregated. Provided, however, a taxpayer shall not allowed the credit provided by clauses (iv) and (v) of this subpara-13 graph unless (I) eighty percent or more of the employees performing the 14 15 administrative and support functions resulting from or related to the qualifying uses of such equipment are located in this state, or (II) the 16 17 average number of employees that perform the administrative and support functions resulting from or related to the qualifying uses of such 18 equipment and are located in this state during the taxable year for 19 20 which the credit is claimed is equal to or greater than ninety-five 21 percent of the average number of employees that perform these functions and are located in this state during the thirty-six months immediately preceding the year for which the credit is claimed, or (III) the number 23 of employees located in this state during the taxable year for which the 24 credit is claimed is equal to or greater than ninety percent of the 25 26 number of employees located in this state on December thirty-first, 27 nineteen hundred ninety-eight or, if the taxpayer was not a calendar 28 year taxpayer in nineteen hundred ninety-eight, the last day of its first taxable year ending after December thirty-first, nineteen hundred 29 30 ninety-eight. If the taxpayer becomes subject to tax in this state after 31 the taxable year beginning in nineteen hundred ninety-eight, then the 32 taxpayer is not required to satisfy the employment test provided in the 33 preceding sentence of this subparagraph for its first taxable year. 34 the purposes of clause (III) of this subparagraph the employment test 35 will be based on the number of employees located in this state on the 36 last day of the first taxable year the taxpayer is subject to tax in 37 this state. If the uses of the property must be aggregated to determine whether the property is principally used in qualifying uses, then either 39 each affiliate using the property must satisfy this employment test or 40 this employment test must be satisfied through the aggregation of the employees of the taxpayer, its affiliated regulated broker, dealer, and 41 42 registered investment adviser using the property. For purposes of clause 43 (i) of this subparagraph, tangible personal property and other tangible property shall not include property principally used by the taxpayer in 45 the production or distribution of electricity, natural gas after 46 extraction from wells, steam, or water delivered through pipes and 47 mains. For purposes of this subsection, tangible personal property and 48 other tangible property does not include property that directly produc-49 es, transmits, distributes, transports, or stores fossil fuels as defined in section 1-103 of the energy law, or directly utilizes fossil 50 fuels for the production of on-site energy, including thermal energy, 51 52 for any purpose. 53

§ 18. Paragraph 3 of subdivision (b) of section 21 of the tax law, as amended by chapter 420 of the laws of 2006, clause (i) of subparagraph (B) as amended by section 22 of part BB of chapter 56 of the laws of 2015, is amended to read as follows:

54

- (3) Qualified tangible property. "Qualified tangible property" is property described in either subparagraph (A) or (B) and subparagraph (C) of this paragraph which:
- (A) (i) is depreciable pursuant to section one hundred sixty-seven of the internal revenue code,
 - (ii) has a useful life of four years or more,
- (iii) has been acquired by purchase as defined in section one hundred seventy-nine (d) of the internal revenue code,
 - (iv) has a situs on a qualified site in this state, and
- (v) is principally used by the taxpayer for industrial, commercial, recreational or environmental conservation purposes (including the commercial development of residential housing); or
 - (B) (i) is, or when occupied becomes, part of a dwelling whose primary ownership structure is covered under either article nine-B of the real property law or meets the requirements of section 216 (b)(1) of the Internal Revenue Code or is part of an affordable housing project as defined in subdivision twenty-nine of section 27-1405 of the environmental conservation law, where units are sold as single family homes or multiple family dwellings;
- (ii) has been acquired by purchase (as defined in section one hundred seventy-nine (d) of the Internal Revenue Code);
 - (iii) has a situs on a qualified site in this state; and
- (iv) for purposes of this subparagraph only, and notwithstanding any other section of law to the contrary, property qualifying under this subparagraph shall be deemed to be qualified tangible property for the purposes of paragraph one of subdivision (d) of this section; and in addition, for the purposes of this subdivision only, property qualifying under this subparagraph shall be deemed to have been placed in service for the purposes of paragraph three of subdivision (a) of this section when a certificate of occupancy is issued for such property; and
- (C) does not directly produce, transmit, distribute, transport, or store fossil fuels as defined in section 1-103 of the energy law, or directly utilize fossil fuels for the production of on-site energy, including thermal energy, for any purpose.
- § 19. Subdivision 26 of section 210-B of the tax law is amended by adding a new paragraph (g) to read as follows:
- (g) For purposes of this subdivision, "qualified rehabilitation expenditures" does not include expenditures for property that directly produces, transmits, distributes, transports, or stores fossil fuels as defined in section 1-103 of the energy law, or directly utilizes fossil fuels for the production of on-site energy, including thermal energy, for any purpose.
- § 20. Subparagraphs (ix) and (x) of paragraph 3 and paragraph 5 of subdivision (c) of section 1105 of the tax law, subparagraph (ix) of paragraph 3 as added by chapter 395 of the laws of 1998, subparagraph (x) of paragraph 3 as added by section 1 of part FF of chapter 407 of the laws of 1999, and paragraph 5 as amended by chapter 321 of the laws of 2005, are amended to read as follows:
- (ix) [such services rendered with respect to tangible property used or consumed directly and predominantly in the production for sale of gas or eil by manufacturing, processing, generating, assembling, refining, mining, or extracting.
- 53 (**)] such services rendered with respect to property described in 54 paragraph twelve-a of subdivision (a) of section eleven hundred fifteen 55 of this article.

No gallonage shall qualify as "commercial gallonage" where such gallonage is eligible for the [(i) utility credit or reimburgement under such section three hundred one-d of this article, (ii) "manufacturing exemption" under paragraph three of subdivision (f) 40 of section three hundred one-a of this article, (iii) not-for-profit 41 42 organization exemption under subdivision (h) of section three hundred 43 one-b of this article[- or (iv) heating exemption provided for in paragraph two of subdivision (d) of section three hundred one-b of this 44 article or the heating reimbursement provided for in paragraph two of 45 46 subdivision (a) of section three hundred one-c of this article]. The 47 commissioner shall require such documentary proof to substantiate the classification of product as "commercial gallonage" as the commissioner deems appropriate.
 - § 29. Paragraph 1 of subdivision (f) of section 301-b of the tax law, as amended by section 21 of part K of chapter 61 of the laws of 2011, is amended to read as follows:
 - (1) Residual petroleum product and non-highway diesel motor fuel sold to an electric corporation, [as described in subdivision (a) of section three hundred one-d of this article, as defined in subdivision thirteen of section two of the public service law, subject to the supervision of

the department of public service, which is registered with the depart-2 ment as a petroleum business tax direct pay permittee, and used by such electric corporation to fuel generators for the purpose of manufacturing or producing electricity where such electric corporation provides a copy of a direct pay permit authorized and issued by the commissioner, to the petroleum business making such sale. If so registered, such corporation shall be a taxpayer under this article and (i) such electric corporation shall file a return monthly and pay the applicable tax under this arti-cle, after the application of allowable credits, on all such purchases directly to the commissioner, (ii) such electric corporation shall be subject to all of the provisions of this article relating to the respon-sibilities and liabilities of taxpayers under this article with respect to such residual petroleum product and non-highway diesel motor fuel.

§ 30. Subdivision (y) of section 1511 of the tax law, as added by chapter 472 of the laws of 2010, is amended by adding a new paragraph 7 to read as follows:

(7) For purposes of this subsection, "qualified rehabilitation expenditures" does not include expenditures for property that directly produces, transmits, distributes, transports, or stores fossil fuels as defined in section 1-103 of the energy law, or directly utilizes fossil fuels for the production of on-site energy, including thermal energy, for any purpose.

- § 31. Paragraph (c) of subdivision 1 of section 3102-e of the public authorities law, as added by section 31 of part A of chapter 56 of the laws of 1998, is amended to read as follows:
- (c) "Qualified emerging technology company" shall mean a company located in New York state: (1) whose primary products or services are classified as emerging technologies and whose total annual product sales are ten million dollars or less; or (2) a company which has research and development activities in New York state and whose ratio of research and development funds to net sales equals or exceeds the average ratio for all surveyed companies classified as determined by the National Science Foundation in the most recent published results from its Survey of Industry Research and Development, or any comparable successor survey as determined by the department, and whose total annual product sales are ten million dollars or less. Qualified emerging technology company shall not include a company engaged in the production, transmission, distribution, transportation, or storage of fossil fuels as defined in section 1-103 of the energy law.

The definition of "research and development funds" shall be the same as that used by the National Science Foundation in the aforementioned survey.

- § 32. Subparagraph (vi) of paragraph (a) of subdivision 1 of section 210 of the tax law, as amended by section 1 of part D of chapter 59 of the laws of 2019, is amended to read as follows:
- (vi) for taxable years beginning on or after January first, two thou-sand fourteen, the amount prescribed by this paragraph for a taxpayer that is a qualified New York manufacturer, shall be computed at the rate zero percent of the taxpayer's business income base. The term "manufacturer" shall mean a taxpayer that during the taxable year is principally engaged in the production of goods by manufacturing, proc-essing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing. transportation, or storage of fossil fuels as defined in section 1-103 of the energy law shall not be qualifying activities for a manufacturer under this subparagraph. Moreover, in the case of a combined report, the combined group shall be considered a "manufacturer" for purposes of this 5 subparagraph only if the combined group during the taxable year is principally engaged in the activities set forth in this paragraph, or any 7 combination thereof. A taxpayer or, in the case of a combined report, a combined group shall be "principally engaged" in activities described above if, during the taxable year, more than fifty percent of the gross 9 10 receipts of the taxpayer or combined group, respectively, are derived 11 from receipts from the sale of goods produced by such activities. 12 computing a combined group's gross receipts, intercorporate receipts shall be eliminated. A "qualified New York manufacturer" is a manufac-13 14 turer that has property in New York that is described in clause (A) of 15 subparagraph (i) of paragraph (b) of subdivision one of section two 16 hundred ten-B of this article and either (I) the adjusted basis of such 17 property for New York state tax purposes at the close of the taxable year is at least one million dollars or (II) all of its real and 18 personal property is located in New York. A taxpayer or, in the case of 19 20 a combined report, a combined group, that does not satisfy the princi-21 pally engaged test may be a qualified New York manufacturer if the taxpayer or the combined group employs during the taxable year at least 23 two thousand five hundred employees in manufacturing in New York and the 24 taxpayer or the combined group has property in the state used in manu-25 facturing, the adjusted basis of which for New York state tax purposes 26 at the close of the taxable year is at least one hundred million 27 dollars.

- § 33. Subparagraph 2 of paragraph (b) of subdivision 1 of section 210 of the tax law, as amended by section 2 of part D of chapter 59 of the laws of 2019, is amended to read as follows:
- (2) For purposes of subparagraph one of this paragraph, the term "manufacturer" shall mean a taxpayer that during the taxable year is principally engaged in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing; provided, however, the production, transmission, distribution, transportation, or storage of fossil fuels as defined in section 1-103 of the energy law shall not be qualifying activities for a manufacturer under this subparagraph. Moreover, for purposes of computing the capital base in a combined report, the combined group shall be considered a "manufacturer" for purposes of this subparagraph only if the combined group during the taxable year is principally engaged in the activities set forth in this subparagraph, or any combination thereof. A taxpayer or, in the case of a combined report, a combined group shall be "principally engaged" in activities described above if, during the taxable year, more than fifty percent of the gross receipts of the taxpayer or combined group, respectively, are derived from receipts from the sale of goods produced by such activities. In computing a combined group's gross receipts, corporate receipts shall be eliminated. A "qualified New York manufacturer" is a manufacturer that has property in New York that is described in clause (A) of subparagraph (i) of paragraph (b) of subdivision one of section two hundred ten-B of this article and either (i) the adjusted basis of that property for New York state tax purposes at the close of the taxable year is at least one million dollars or (ii) all of its real and personal property is located in New York.
