2 localities, or so much thereof as shall be sufficient to accomplish the
3 purposes designated by the appropriations, are hereby appropriated and
4 authorized to be paid as hereinafter provided, to the respective public
5 officers and for the several purposes specified.
6 b) Where applicable, appropriations made by this chapter for expendi-
7 tures from federal grants for aid to localities may be allocated for
8 spending from federal grants for any grant period beginning, during, or
9 prior to, the state fiscal year beginning on April 1, 2022 except as
10 otherwise noted.
11 c) The several amounts named herein, or so much thereof as shall be
12 sufficient to accomplish the purpose designated, being the undisbursed
13 and/or unexpended balances of the prior year's appropriations, are here-
14 by reappropriated from the same funds and made available for the same
15 purposes as the prior year's appropriations, unless herein amended, for
16 the fiscal year beginning April 1, 2022. Certain reappropriations in

1 change is clearly indicated by the use of brackets [-] for deletions and
2 underscores for additions, the purposes, amounts, funding source and all
3 other aspects pertinent to each item of appropriation shall be as last
4 appropriated.

5 For the purpose of complying with the state finance law, the year,
6 chapter and section of the last act reappropriating a former original
7 appropriation or any part thereof is, unless otherwise indicated, chap-
8 ter 53, section 1, of the laws of 2021.

9 d) No moneys appropriated by this chapter shall be available for
10 payment until a certificate of approval has been issued by the director
11 of the budget, who shall file such certificate with the department of
12 audit and control, the chairperson of the senate finance committee and
13 the chairperson of the assembly ways and means committee.

14 e) Notwithstanding any provision of law to the contrary, for purposes
15 of any appropriation made by this chapter which authorizes spending in
16 an amount net of refunds, rebates, reimbursements, credits, repayments,
17 and/or disallowances, "refunds" shall mean funds received to the state
18 resulting from the overpayment of monies, "rebates" shall mean funds
19 received to the state resulting from a return of a full or partial
20 amount previously paid, as for goods or services, serving as a
21 reduction, discount or rebate to the original payment amount,
22 "reimbursements" shall mean funds received to the state as repayment in
23 an equivalent amount for goods or services, including but not limited to
24 personal service costs, incurred by the state in the first instance
25 being provided to a third party for their benefit and partially or in
26 full financed by such third party, "credit" shall mean monies made
27 available to the state that reduce the amount owed to a third party,
28 including but not limited to billing errors, rebates, and prior overpay-
29 ments, "repayment" shall mean the return of monies as pay back for
30 expenses incurred, and "disallowance" shall mean monies made available
31 to the state that were not allowed or accepted officially by the
32 intended recipient, based on a determination the payment is not accepta-
33 ble and/or valid. When the office of the state comptroller receives any
34 such refunds, rebates, reimbursements, credits, repayments, and/or
35 disallowances, he or she shall credit the refunded, rebated, reimbursed,
36 credited, repaid, and disallowed amount back to the original appropri-
37 ation and reduce expenditures in the year which such credit is received
38 regardless of the timing of the initial expenditure.

39 f) Notwithstanding any other provision of law to the contrary, if the
40 state or any agency thereof incurs any costs associated with administer-
41 ing the rent regulation program in accordance with subdivision (c) of
42 section 8 of chapter 576 of the laws of 1974, as amended, for a city
43 having a population of one million or more, the director of the budget
44 may direct any other state agency or agencies making payments to such
45 city, or any department, agency, or instrumentality thereof, to perma-
46 nently reduce the amount of any other payment or payments owed to such
47 city or any department, agency, or instrumentality thereof pursuant to
48 any appropriation set forth in this chapter. Provided however, that such
49 reduction shall be in an amount equal to the costs incurred by the state
50 or agency thereof in accordance with subdivision (c) of section 8 of
51 chapter 576 of the laws of 1974 and provided further that such direction
52 shall be made in writing by the director of the budget. If the director
53 of the budget makes such direction pursuant to the authority set forth
54 herein, the impacted city shall not make the payments required by subdivi-
55 sion (c) of section 8 of chapter 576 of the laws of 1974, as amended,
56 and the division of housing and community renewal shall notify such city

1 in writing of what payment or payments will be reduced and the amount of
2 such reduction. To the extent a city of one million or more or any
3 department, agency, or instrumentality thereof is entitled to any cash
4 disbursement authorized by any appropriation contained in this chapter,
5 such entitlement shall be reduced commensurate with reductions in
6 payments made in accordance with this part.

7 g) Notwithstanding any provision of law to the contrary, upon enact-
8 ment of this chapter of the laws of 2022 containing the aid to locali-
9 ties budget bill for the state fiscal year 2022-2023, all appropriations
10 and reappropriations contained in chapter 53 of the laws of 2021, which
11 would otherwise lapse by operation of law on March 31, 2023 are hereby
12 repealed.

13 h) The appropriations contained in this chapter shall be available for

COVID-19 public health emergency. Provided that each school district eligible for an apportionment pursuant to subdivision 4 of section 3602 of education law shall be eligible to receive an allocation equal to the amount set forth for such school district as "COVID-19 SUPPL. STIMULUS" in the school aid electronic data file produced by the commissioner pursuant to subdivision 21 of section 305 of the education law, provided that a schedule of such amount shall be approved by the director of the budget. Provided further that such funds shall be deemed grants in aid and the state comptroller shall prescribe that any monies received by school districts from such funds shall be recorded and reported as special aid funds of the district. Funds appropriated herein shall be subject to all applicable reporting and accountability requirements contained in such act. Notwithstanding section 40 of the state finance law or any provision of law to the contrary, this appropriation shall remain in full force and effect to the maximum extent allowed by law (23335) 4,069,958,000 (re. \$3,707,869,000)

For support of elementary and secondary education from the elementary and secondary school emergency relief fund, as funded by the American rescue plan act of 2021 (P.L. 117-2) providing support for elementary and/or secondary education in response to the COVID-19 public health emergency.

Notwithstanding any provision of law to the contrary, funds not otherwise allocated to local educational agencies pursuant to section 2001(d)(1) of the American rescue plan act of 2021 shall be allocated as follows, pursuant to a plan developed by the commissioner of education and approved by the director of the budget:

(i) \$629,214,659 for learning loss grants to eligible school districts to implement (1) evidence-based activities to address learning loss, such as summer learning or summer enrichment, extended day, comprehensive after-school programs, or extended school year programs; (2) evidence-based summer enrichment programs; and (3) evidence-based comprehensive after-school programs; provided that such activities shall respond to students' academic, social, and emotional needs and address the disproportionate impact of the coronavirus on the student subgroups described in section 1111(b)(2)(B)(xi) of the elementary and secondary education act of 1965, students experiencing homelessness, and children and youth in foster care.

Provided that, notwithstanding any provision of law to the contrary, for the 2021-22 school year, eligible school districts shall receive learning loss grants in aid equal to the positive difference, if any, of the base ARPA allocation less 90 percent of the funds from the elementary and secondary school emergency relief fund made available to school districts pursuant to the American rescue plan act of 2021, but not less than \$700,000, and not more than \$10,000,000 or 10 percent of the total expenditures from the district's general fund for the 2020-21 school year, whichever is less. School districts where the base ARPA allocation is less than or equal to 90 percent of the funds from the elementary and secondary school emergency relief fund made available to school districts pursuant to the American rescue plan act of 2021 shall not be eligible for these grants. Such grant funds shall remain available for

(1) The "base ARPA allocation" shall be equal to the product of the adjusted per pupil amount multiplied by public school district enrollment for the base year as computed pursuant to paragraph n of subdivision 1 of section 3602 of education law.

The "adjusted per pupil amount" shall be equal to the product of (a) \$4,550.26 multiplied by (b) the regional cost index calculated in 2018, reflecting an analysis of labor market costs based on median salaries in professional occupations that require similar credentials to those of positions in the education field, but not including those occupations in the education field, multiplied by (c) the modified EN index, and multiplied by (d) the learning loss wealth factor.

(2) The "learning loss wealth factor" shall be equal to the positive difference, if any, of 0.75 less the product of 0.5 multiplied by the combined wealth ratio computed pursuant to subparagraph 1 of paragraph c of subdivision 3 of section 3602 of education law.

(3) The "modified EN index" shall be equal to the modified EN percent divided by the statewide average modified EN percent, provided that for the 2021-22 school year, the statewide average modified EN percent shall be equal to 0.5565.

(4) The "modified EN percent" shall be equal to the modified EN count divided by public school district enrollment for the base year computed pursuant to paragraph n of subdivision 1 of section 3602 of education law.

(5) The "modified EN count" shall equal the sum of (a) the product of 0.5 multiplied by the English language learner count computed pursuant to paragraph o of subdivision 1 of section 3602 of education law, plus (b) the sparsity count computed pursuant to paragraph r of subdivision 1 of section 3602 of education law, plus (c) the product of 0.65 multiplied by the 3-year average small area income and poverty estimate rate computed pursuant to paragraph mm of subdivision 1 of section 3602 of education law and multiplied further by public school district enrollment for the base year as computed pursuant to paragraph n of subdivision 1 of section 3602 of education law, plus (d) the product of 0.65 multiplied by the 3-year average economically disadvantaged rate defined pursuant to paragraph ll of subdivision 1 of section 3602 of education law and multiplied further by public school district enrollment for the base year as computed pursuant to paragraph n of subdivision 1 of section 3602 of education law.

Provided further that districts receiving learning loss grants shall use (a) 14.286 percent of such grants for implementation of evidence-based summer enrichment programs; (b) 14.286 percent for implementation of evidence-based comprehensive after-school programs; and (c) the remaining funds for activities to address learning loss by supporting the implementation of evidence-based interventions, such as summer learning or summer enrichment, extended day, comprehensive afterschool programs, or extended school year programs. School districts shall ensure that such interventions

31 such preliminary slot count is greater than or equal to 10 but less
32 than 20, the expansion slots shall be 20; for all other eligible
33 districts, the expansion slots shall equal the preliminary slot
34 count.

35 (2) For the 2021-22 school year, school districts shall be eligible
36 for a grant amount if (1) the combined wealth ratio computed pursu-

39 at when dividing (i) the sum of (a) full day and half day 4-year-old
40 prekindergarten pupils served in the 2019-20 school year served
41 pursuant to section 3602-e of education law plus (b) students served
42 in full-day prekindergarten programs funded by grants pursuant to
43 section 3602-ee of education law in the 2019-20 school year by (ii)

31 district. Provided that funds appropriated herein shall only be
32 awarded to school districts which meet the requirements of section
33 3602-ee of the education law.

34 Provided that grants awarded pursuant to this request for proposal
35 process shall be equal to \$7,000 per pupil for students served by
36 teachers without a certificate valid for service in early childhood

3 adjust the amount of payments made for
4 care provided by congregate care and
5 foster boarding home programs and to
6 foster parents to reflect the cost of
7 living adjustments in the manner specified
8 by the office. Each authorized agency
9 operating a congregate care or foster

11 for which the office sets a maximum state
12 aid rate pursuant to section 398-a of the

20 became effective April 1, 2008 for that
21 program will be or were used solely in
22 accordance with the requirements of the
23 cost of living adjustment established by
24 the office.

25 Notwithstanding any inconsistent provision
26 of law except a chapter of the laws of
27 2022 authorizing a 5.4 percent cost of
28 living adjustment increase for the period
29 commencing on April 1, 2022 and ending
30 March 31, 2023, the commissioner shall not
31 apply any other cost of living adjustment

35 Within the amounts appropriated herein,
36 state reimbursement to each social

determined by the office of children and family services and approved by the director of the budget. Any portion of a social services district's allocation from funds appropriated herein not claimed by such district during the state fiscal year may be used by such district for expenditures on preventive services provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 62 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal reimbursement during that state fiscal year may not be claimed against that district's block grant apportionment for the next state fiscal year.

The office of children and family services, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share decrease related to federal retroactive reimbursement for such foster care services identified herein. The office, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share of disallowances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disal-

lowance or sanction taken against the social services district, or any federal disallowance attributable to final federal agency decisions or to settlement made, on or after July 1, 1995, when such disallowance or sanction results from the failure of the social services district to comply with federal or state requirements, including, but not limited to, failure to document eligibility for federal or state funds in the case record; provided, however, if the office determines that any federal disallowance for services provided between January 1, 1999 and May 31, 1999 results solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2022.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services

1 shall impose on social services districts
2 any federal disallowance issued against
3 the state as a result of a federal title
4 IV-E secondary eligibility review regard-
5 less of the date the children may have
6 entered foster care, the date the eligi-
7 bility or payment errors occurred, or the
8 filing date of any federal claims for
9 reimbursement; provided, however, that the
10 state shall be responsible for the disal-
11 lowed costs and expenditures related to
12 the placement of children in a facility
13 operated by the office of children and
14 family services, which shall be determined
15 in the same manner as the disallowed costs
16 and expenditures for social services
17 districts other than the city of New York.
18 In order to reimburse the federal govern-
19 ment for the full amount of any disallow-
20 ance imposed on the state by the federal
21 administration for children and families
22 within the timeframes necessary to avoid
23 any potential interest payments on such
24 amount, the office of children and family
25 services is authorized to immediately
26 offset funds otherwise due to each
27 district for a pro rata share of the total
28 disallowed costs based on the percentage
29 of applicable federal title IV-E claims
30 made by that district for the relevant
31 time period as compared to the total
32 applicable statewide title IV-E claims.
33 The amount of the offset against each
34 district will be adjusted, if necessary,
35 upon completion of the disallowance allo-
36 cation process. The final allocation of
37 the amount of any federal disallowance
38 resulting from a title IV-E secondary
39 eligibility review shall be allocated
40 among the districts so that each district
41 shall be responsible for the amount
42 attributable to each of the district's
43 children or cases that are determined by
44 the federal review to be unallowable. Each
45 district shall also be responsible for a
46 portion of the federal extrapolated disal-
47 lowance amount based on the relative error
48 rate for the district. The city of New
49 York's error rate will be based on the
50 federal sample and federal statistics. For
51 all social services districts other than

DEPARTMENT OF FAMILY ASSISTANCE
OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES 2022-23

1 the city of New York, the error rate will
2 be based on a review conducted by the
3 district of a sample of children and/or
4 cases determined by the office of children
5 and family services and a re-review of a
6 sub-sample by the office of those children
7 and/or cases determined by the office. The
8 office of children and family services
9 will determine what is reasonable in
10 establishing the size of the sample and
11 sub-sample for each district. The office
12 of children and family services shall
13 notify each social services district of
14 the sample of children and/or cases from
15 the federal audit period that the social
16 services district must review. Any child
17 or case from the social services district
18 that was included in the federal sample
19 will automatically be included in the
20 social services district's review sample
21 and the determination made at the federal
22 review regarding that child or case will
23 govern for the purposes of the social
24 services district's review. The social
25 services district must complete and submit
26 the results of its review to the office of
27 children and family services within 60
28 days of receipt of the sample. The error
29 rate for the district will be based on the
30 findings of the district's review and the
31 office of children and family services'
32 re-review. If a social services district
33 does not complete its review within 60
34 days of receiving the sample from the
35 office of children and family services,
36 the office of children and family services
37 shall assign an error rate to the social
38 services district based on the relative
39 percentage of the district's applicable
40 title IV-E claims for the relevant period
41 as compared to applicable statewide title
42 IV-E claims for that period and other
43 circumstances that the office of children
44 and family services may consider in order
45 to allocate 100 percent of the federal
46 disallowance. The office of children and
47 family services shall apply each social
48 services district's error rate to the
49 total amount of the district's applicable
50 title IV-E claims including associated
51 administrative expenses. The resulting

1 dollar amounts for all of the social
2 services districts will be summed to
3 derive the total amount of title IV-E
4 claims deemed to be in error statewide. To
5 establish a disallowance percentage for
6 each social services district, the amount
7 of the district's title IV-E claims deemed
8 to be in error will be divided by the
9 amount of statewide title IV-E claims
10 deemed to be in error. The resulting
11 disallowance percentage for each district
12 will be applied to the entire title IV-E
13 extrapolated disallowance calculated by
14 the federal review to determine the amount
15 of the extrapolated disallowance for which
16 the district is responsible. Each district
17 will be credited for the amount already
18 disallowed for any individual children or
19 cases found to be in error during the
20 federal review. The exclusive appeal
21 rights for the review of the amount of the
22 federal disallowance assigned to each
23 social services district shall be pursuant
24 to article 78 of the civil practice law
25 and rules; provided, however, that in any
26 such action all of the social services
27 districts shall be joined as necessary
28 parties and the venue of any such action
29 shall be in Rensselaer county. Any social
30 services district that fails to complete
31 its sample review in the required time
32 frames shall have no right to appeal and
33 shall not be a necessary party to any
34 action brought by another social services
35 district.

37 establish and continue title IV-E eligibility for all title IV-E
38 eligible children within the required time frames; claim title IV-E
39 funding only for cases that meet all of the title IV-E eligibility
40 criteria; and fully implement the social services payment system on
41 or before April 1, 2005 for all direct and voluntary agency foster
42 care services.

43 Notwithstanding any law to the contrary, the office of children and
44 family services shall impose on social services districts any federal
45 disallowance issued against the state as a result of a federal
46 title IV-E secondary eligibility review regardless of the date the
47 children may have entered foster care, the date the eligibility or
48 payment errors occurred, or the filing date of any federal claims
49 for reimbursement; provided, however, that the state shall be
50 responsible for the disallowed costs and expenditures related to the

dren and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated disallowance amount based on the relative error rate for the district. The city of New York's error rate will be based on the federal sample and federal statistics. For all social services districts other than the city of New York, the error rate will be based on a review conducted by the district of a sample of children and/or cases determined by the office of children and family services and a re-review of a sub-sample by the office of those children and/or cases determined by the office. The office of children and family services will determine what is reasonable in establishing the size of the sample and sub-sample for each district. The office of children and family services shall notify each social services district of the sample of children and/or cases from the federal audit period that the social services district must review. Any child or case from the social services district that was included in the federal sample will automatically be included in the social services district's review sample and the determination made at the federal review regarding that child or case will govern for the purposes of the social services district's review. The social services district must complete and submit the results of its review to the office of children and family services within 60 days of receipt of the sample. The error rate for the district will be based on the findings of the district's review and the office of children and family services' re-review. If a social services district does not complete its review within 60 days of receiving the sample from the office of children and family services, the office of children and family services shall assign an error rate to the social services district based on the relative percentage of the district's applicable title IV-E claims for the relevant period as compared to applicable statewide title IV-E claims for that period and other circumstances that the office of children and family services may consider in order to allocate 100 percent of the federal disallow-

1 ance. The office of children and family services shall apply each
2 social services district's error rate to the total amount of the
3 district's applicable title IV-E claims including associated admin-
4 istrative expenses. The resulting dollar amounts for all of the
5 social services districts will be summed to derive the total amount
6 of title IV-E claims deemed to be in error statewide. To establish a
7 disallowance percentage for each social services district, the
8 amount of the district's title IV-E claims deemed to be in error
9 will be divided by the amount of statewide title IV-E claims deemed
10 to be in error. The resulting disallowance percentage for each
11 district will be applied to the entire title IV-E extrapolated
12 disallowance calculated by the federal review to determine the
13 amount of the extrapolated disallowance for which the district is
14 responsible. Each district will be credited for the amount already
15 disallowed for any individual children or cases found to be in error
16 during the federal review. The exclusive appeal rights for the
17 review of the amount of the federal disallowance assigned to each
18 social services district shall be pursuant to article 78 of the
19 civil practice law and rules; provided, however, that in any such
20 action all of the social services districts shall be joined as
21 necessary parties and the venue of any such action shall be in Rens-

25 another social services district.

By chapter 53, section 1, of the laws of 2020:

Notwithstanding any inconsistent provision of law, the amount appropriated herein, shall be available under a foster care block grant for state reimbursement of eligible social services district expenditures for the provision and administration of foster care services including care, maintenance, supervision, and tuition; for supervision of foster children placed in federally funded job corps programs; for care, maintenance, supervision, and tuition for adjudicated juvenile delinquents placed in residential programs operated by authorized agencies and in out-of-state residential programs; and for the provision and administration of the kinship guardian assistance program including kinship guardianship assistance payments and payments for non-recurring guardianship expenses; except that, reimbursement from the amount appropriated herein shall not be available for tuition expenditures for foster children, including persons in need of supervision and adjudicated juvenile delinquents, made by a social services district located within a city having a population of one million or more.

Notwithstanding any other provision of law, a portion of the funds are available to reimburse social services districts for the change in the maximum state aid rates established by the office of children and family services for the 2020-21 rate year pursuant to section 398-a of the social services law and sections 4003 and 4405 of the education law to reflect the continuation of the cost of living adjustments that became effective April 1, 2008 for payments made to foster parents and for salary and fringe benefit costs and other critical nonpersonal services costs for foster care programs as determined by the office. Social services districts must adjust the amount of payments made for care provided by congregate care and foster boarding home programs and to foster parents to reflect the cost of living adjustments in the manner specified by the office. Each authorized agency operating a congregate care or foster boarding home program in New York state for which the office sets a maximum state aid rate pursuant to section 398-a of the social services law or section 4003 or 4405 of the education law shall submit, at the time and in a manner to be determined by the office, a written certification, attesting that the funds received for the continuation of the cost of living adjustment to the maximum state aid rate that became effective April 1, 2008 for that program will be or were used solely in accordance with the requirements of the cost of living adjustment established by the office.

Notwithstanding any inconsistent provision of law, for the period commencing on April 1, 2020 and ending March 31, 2021 the commissioner shall not apply any cost of living adjustment for the purpose of establishing rates of payments, contracts or any other form of reimbursement.

1 Within the amounts appropriated herein, state reimbursement to each
2 social services district for services identified herein that are
3 otherwise reimbursable by the state from April 1, 2020 through March
4 31, 2021 shall be limited to a district allocation, hereinafter
5 referred to as the district's block grant allocation. Notwithstand-
6 ing any other provision of law, such block grant allocation shall be
7 based, in part, on each district's claims for such costs, adjusted
8 by the applicable cost allocation methodology and net of any retro-
9 active payments for the 12 month period ending June 30, 2019 that
10 are submitted on or before January 2, 2020 and, in part, on such
11 other factors as determined by the office of children and family
12 services and approved by the director of the budget. Any portion of
13 a social services district's allocation from funds appropriated
14 herein not claimed by such district during the state fiscal year may
15 be used by such district for expenditures on preventive services
16 provided pursuant to section 409-a of the social services law, inde-
17 pendent living services and aftercare services provided pursuant to
18 regulations of the department of family assistance, claimed by such
19 district during the next state fiscal year up to the amount remain-
20 ing from the district's foster care block grant allocation, provided
21 however, that any claims for such services during the next state
22 fiscal year in excess of such amount shall be subject to 62 percent
23 state reimbursement exclusive of any federal funds made available
24 for such purposes, in accordance with directives of the department
25 of family assistance and subject to the approval of the director of
26 the budget. Any claims submitted by a social services district for
27 reimbursement for a particular state fiscal year for which the
28 social services district does not receive state or federal
29 reimbursement during that state fiscal year may not be claimed
30 against that district's block grant apportionment for the next state
31 fiscal year.

32 The office of children and family services, with the approval of the
33 director of the budget, may reduce a district's block grant allo-
34 cation by the state share decrease related to federal retroactive
35 reimbursement for such foster care services identified herein. The
36 office, with the approval of the director of the budget, may reduce
37 a district's block grant allocation by the state share of disallow-
38 ances or sanctions taken against the district pursuant to the social
39 services law or federal law.

40 Notwithstanding any other provision of law, the state shall not be
41 responsible for reimbursing a social services district and a
42 district shall not seek state reimbursement for any portion of any
43 state disallowance or sanction taken against the social services
44 district, or any federal disallowance attributable to final federal
45 agency decisions or to settlement made, on or after July 1, 1995,
46 when such disallowance or sanction results from the failure of the
47 social services district to comply with federal or state require-
48 ments, including, but not limited to, failure to document eligibil-
49 ity for federal or state funds in the case record; provided, howev-
50 er, if the office determines that any federal disallowance for
51 services provided between January 1, 1999 and May 31, 1999 results

solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2020.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated

1 disallowance amount based on the relative error rate for the
2 district. The city of New York's error rate will be based on the
3 federal sample and federal statistics. For all social services
4 districts other than the city of New York, the error rate will be
5 based on a review conducted by the district of a sample of children
6 and/or cases determined by the office of children and family
7 services and a re-review of a sub-sample by the office of those
8 children and/or cases determined by the office. The office of chil-
9 dren and family services will determine what is reasonable in estab-
10 lishing the size of the sample and sub-sample for each district.
11 The office of children and family services shall notify each social
12 services district of the sample of children and/or cases from the
13 federal audit period that the social services district must review.
14 Any child or case from the social services district that was
15 included in the federal sample will automatically be included in the
16 social services district's review sample and the determination made
17 at the federal review regarding that child or case will govern for
18 the purposes of the social services district's review. The social
19 services district must complete and submit the results of its review
20 to the office of children and family services within 60 days of
21 receipt of the sample. The error rate for the district will be based
22 on the findings of the district's review and the office of children
23 and family services' re-review. If a social services district does
24 not complete its review within 60 days of receiving the sample from
25 the office of children and family services, the office of children
26 and family services shall assign an error rate to the social
27 services district based on the relative percentage of the district's
28 applicable title IV-E claims for the relevant period as compared to
29 applicable statewide title IV-E claims for that period and other
30 circumstances that the office of children and family services may
31 consider in order to allocate 100 percent of the federal disallow-
32 ance. The office of children and family services shall apply each
33 social services district's error rate to the total amount of the
34 district's applicable title IV-E claims including associated admin-
35 istrative expenses. The resulting dollar amounts for all of the
36 social services districts will be summed to derive the total amount
37 of title IV-E claims deemed to be in error statewide. To establish a
38 disallowance percentage for each social services district, the
39 amount of the district's title IV-E claims deemed to be in error
40 will be divided by the amount of statewide title IV-E claims deemed
41 to be in error. The resulting disallowance percentage for each
42 district will be applied to the entire title IV-E extrapolated
43 disallowance calculated by the federal review to determine the
44 amount of the extrapolated disallowance for which the district is
45 responsible. Each district will be credited for the amount already
46 disallowed for any individual children or cases found to be in error
47 during the federal review. The exclusive appeal rights for the
48 review of the amount of the federal disallowance assigned to each
49 social services district shall be pursuant to article 78 of the
50 civil practice law and rules; provided, however, that in any such
51 action all of the social services districts shall be joined as

13 district plans approved by the office of temporary and disability
14 assistance and the director of the budget, provided, however, that
15 in social services districts with a population over five million no
16 shelter supplements other than those to prevent eviction shall be
17 reimbursed unless such social services district has agreed to offset
18 claims for other eligible public assistance expenditures in an
19 amount commensurate with the cost of any such supplement, and

2 health, shall develop a medicaid savings
3 allocation adjustment to limit such spend-

6 Such medicaid savings allocation adjustment
7 shall be designed, to reduce the expendi-
8 tures authorized by the appropriations
9 herein in compliance with the following
10 guidelines: (1) reductions shall be made
11 in compliance with applicable federal law,
12 including the provisions of the Patient
13 Protection and Affordable Care Act, Public
14 Law No. 111-148, and the Health Care and
15 Education Reconciliation Act of 2010,
16 Public Law No. 111-152 (collectively
17 "Affordable Care Act") and any subsequent
18 amendments thereto or regulations promul-
19 gated thereunder; (2) reductions shall be
20 made in a manner that complies with the
21 state medicaid plan approved by the feder-

23 services, provided, however, that the
24 commissioner of health is authorized to
25 submit any state plan amendment or seek

28 the medicaid savings allocation adjustment
29 that meets the other criteria set forth
30 herein; (3) reductions shall be made in a
31 manner that maximizes federal financial
32 participation, to the extent practicable,
33 including any federal financial partic-

35 expected to become available, in the
36 discretion of the commissioner, under the

38 be made uniformly among categories of
39 services and geographic regions of the
40 state, to the extent practicable, and
41 shall be made uniformly within a category
42 of service, to the extent practicable,
43 except where the commissioner determines
44 that there are sufficient grounds for
45 non-uniformity, including but not limited
46 to: the extent to which specific catego-

models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such adjustment to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the adjustment.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as: (i) a disaster, natural or otherwise, that

5 serious communicable disease, or the
6 potential for such widespread risk of
7 exposure; or (iii) any other event or
8 condition determined by the commissioner
9 to constitute an imminent threat to public
10 health.

11 Nothing in this paragraph shall be deemed to
12 prevent all or part of such medicaid
13 savings allocation adjustment from taking
14 effect retroactively to the extent permit-
15 ted by the federal centers for medicare
16 and medicaid services.

17 In accordance with the medicaid savings

47 The director of the budget, in consultation

1 prior to and subsequent to such assessment
2 for each such period, and if the director
3 of the budget determines that such expend-
4 itures are expected to cause medicaid
5 spending for such period to exceed the
6 aggregate limit specified herein for such
7 period, the state medicaid director, in
8 consultation with the director of the
9 budget and the commissioner of health,
10 shall develop a medicaid savings allo-
11 cation adjustment to limit such spending
12 to the aggregate limit specified herein
13 for such period.

14 Such medicaid savings allocation adjustment
15 shall be designed, to reduce the expendi-
16 tures authorized by the appropriations
17 herein in compliance with the following
18 guidelines: (1) reductions shall be made
19 in compliance with applicable federal law,
20 including the provisions of the Patient
21 Protection and Affordable Care Act, Public
22 Law No. 111-148, and the Health Care and
23 Education Reconciliation Act of 2010,
24 Public Law No. 111-152 (collectively
25 "Affordable Care Act") and any subsequent
26 amendments thereto or regulations promul-
27 gated thereunder; (2) reductions shall be
28 made in a manner that complies with the
29 state medicaid plan approved by the feder-
30 al centers for medicare and medicaid
31 services, provided, however, that the
32 commissioner of health is authorized to
33 submit any state plan amendment or seek

35 authority, to implement the provisions of
36 the medicaid savings allocation adjustment
37 that meets the other criteria set forth

39 manner that maximizes federal financial
40 participation, to the extent practicable,
41 including any federal financial partic-
42 ipation that is available or is reasonably
43 expected to become available, in the
44 discretion of the commissioner, under the
45 Affordable Care Act; (4) reductions shall
46 be made uniformly among categories of
47 services and geographic regions of the
48 state, to the extent practicable, and
49 shall be made uniformly within a category
50 of service, to the extent practicable,
51 except where the commissioner determines
52 that there are sufficient grounds for

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2022-23

1 non-uniformity, including but not limited
2 to: the extent to which specific categories of services contributed to department
3 of health medicaid state funds spending in
4 excess of the limits specified herein; the
5 need to maintain safety net services in
6 underserved communities; or the potential
7 benefits of pursuing innovative payment
8 models contemplated by the Affordable Care
9 Act, in which case such grounds shall be
10 set forth in the medicaid savings allocation adjustment; and (5) reductions
11 shall be made in a manner that does not
12 unnecessarily create administrative
13 burdens to medicaid applicants and recipients or providers.
14

15 The commissioner shall seek the input of the
16 legislature, as well as organizations
17 representing health care providers,
18 consumers, businesses, workers, health
19 insurers, and others with relevant expertise, in developing such medicaid savings
20 allocation adjustment, to the extent that
21 all or part of such adjustment, in the
22 discretion of the commissioner, is likely
23 to have a material impact on the overall
24 medicaid program, particular categories of
25 service or particular geographic regions
26 of the state.
27

28 (a) The commissioner shall post the medicaid
29 savings allocation adjustment on the
30 department of health's website and shall
31 provide written copies of such adjustment
32 to the chairs of the senate finance and
33 the assembly ways and means committees at
34 least 30 days before the date on which
35 implementation is expected to begin.
36

37 (b) The commissioner may revise the medicaid
38 savings allocation adjustment subsequent
39 to the provisions of notice and prior to
40 implementation but needs to provide a new
41 notice pursuant to subparagraph (i) of
42 this paragraph only if the commissioner
43 determines, in his or her discretion, that
44 such revisions materially alter the
45 adjustment.
46

47 Notwithstanding the provisions of paragraphs
48 (a) and (b) of this subdivision, the
49 commissioner need not seek the input
50 described in paragraph (a) of this subdivision or provide notice pursuant to paragraph
51 (b) of this subdivision if, in the
52

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2022-23

1 discretion of the commissioner, expedited
2 development and implementation of a medi-
3 caid savings allocation adjustment is
4 necessary due to a public health emergen-
5 cy.

6 For purposes of this section, a public
7 health emergency is defined as: (i) a
8 disaster, natural or otherwise, that
9 significantly increases the immediate need
10 for health care personnel in an area of
11 the state; (ii) an event or condition that
12 creates a widespread risk of exposure to a
13 serious communicable disease, or the
14 potential for such widespread risk of
15 exposure; or (iii) any other event or
16 condition determined by the commissioner
17 to constitute an imminent threat to public
18 health.

19 Nothing in this paragraph shall be deemed to
20 prevent all or part of such medicaid
21 savings allocation adjustment from taking
22 effect retroactively to the extent permit-
23 ted by the federal centers for medicare
24 and medicaid services.

25 In accordance with the medicaid savings
26 allocation adjustment, the commissioner of
27 the department of health shall reduce
28 department of health state funds medicaid
29 spending by the amount of the projected
30 overspending through, actions including,
31 but not limited to modifying or suspending
32 reimbursement methods, including but not
33 limited to all fees, premium levels and
34 rates of payment, notwithstanding any
35 provision of law that sets a specific
36 amount or methodology for any such
37 payments or rates of payment; modifying or
38 discontinuing medicaid program benefits;
39 seeking all necessary federal approvals,
40 including, but not limited to waivers,
41 waiver amendments; and suspending time
42 frames for notice, approval or certif-
43 ication of rate requirements, notwith-
44 standing any provision of law, rule or
45 regulation to the contrary, including but
46 not limited to sections 2807 and 3614 of
47 the public health law, section 18 of chap-
48 ter 2 of the laws of 1988, and 18 NYCRR

8 pursuant to subdivision 3 of section 23 of
9 the state finance law, including spending
10 increases or decreases due to: enrollment
11 fluctuations, rate changes, utilization
12 changes, MRT investments, and shift of
13 beneficiaries to managed care; and vari-
14 ations in offline medicaid payments; and
15 (b) the actions taken to implement any
16 medicaid savings allocation adjustment
17 implemented pursuant to subdivision (4) of
18 this section, including information
19 concerning the impact of such actions on
20 each category of service and each
21 geographic region of the state. Each such
22 quarterly report shall be provided to the

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2022-23

1 Such medicaid savings allocation adjustment
2 shall be designed, to reduce the expendi-
3 tures authorized by the appropriations
4 herein in compliance with the following
5 guidelines: (1) reductions shall be made
6 in compliance with applicable federal law,
7 including the provisions of the Patient
8 Protection and Affordable Care Act, Public
9 Law No. 111-148, and the Health Care and
10 Education Reconciliation Act of 2010,
11 Public Law No. 111-152 (collectively
12 "Affordable Care Act") and any subsequent
13 amendments thereto or regulations promul-
14 gated thereunder; (2) reductions shall be
15 made in a manner that complies with the
16 state medicaid plan approved by the feder-
17 al centers for medicare and medicaid
18 services, provided, however, that the
19 commissioner of health is authorized to
20 submit any state plan amendment or seek
21 other federal approval, including waiver
22 authority, to implement the provisions of
23 the medicaid savings allocation adjustment
24 that meets the other criteria set forth
25 herein; (3) reductions shall be made in a
26 manner that maximizes federal financial
27 participation, to the extent practicable,
28 including any federal financial partic-
29 ipation that is available or is reasonably
30 expected to become available, in the
31 discretion of the commissioner, under the
32 Affordable Care Act; (4) reductions shall
33 be made uniformly among categories of
34 services and geographic regions of the
35 state, to the extent practicable, and
36 shall be made uniformly within a category
37 of service, to the extent practicable,
38 except where the commissioner determines
39 that there are sufficient grounds for
40 non-uniformity, including but not limited
41 to: the extent to which specific catego-
42 ries of services contributed to department
43 of health medicaid state funds spending in
44 excess of the limits specified herein; the
45 need to maintain safety net services in
46 underserved communities; or the potential
47 benefits of pursuing innovative payment
48 models contemplated by the Affordable Care

50 set forth in the medicaid savings allo-

3 ents or providers.

4 The commissioner shall seek the input of the
5 legislature, as well as organizations
6 representing health care providers,
7 consumers, businesses, workers, health
8 insurers, and others with relevant exper-

17 (a) The commissioner shall post the medicaid
18 savings allocation adjustment on the
19 department of health's website and shall

33 Notwithstanding the provisions of paragraphs
34 (a) and (b) of this subdivision, the
35 commissioner need not seek the input
36 described in paragraph (a) of this subdi-

10 and medicaid services.

11 In accordance with the medicaid savings
12 allocation adjustment, the commissioner of

DEPARTMENT OF HEALTH

AID TO LOCALITIES 2022-23

1 Such medicaid savings allocation adjustment
2 shall be designed, to reduce the expendi-
3 tures authorized by the appropriations
4 herein in compliance with the following
5 guidelines: (1) reductions shall be made
6 in compliance with applicable federal law,
7 including the provisions of the Patient
8 Protection and Affordable Care Act, Public
9 Law No. 111-148, and the Health Care and
10 Education Reconciliation Act of 2010,
11 Public Law No. 111-152 (collectively
12 "Affordable Care Act") and any subsequent
13 amendments thereto or regulations promul-
14 gated thereunder; (2) reductions shall be
15 made in a manner that complies with the
16 state medicaid plan approved by the feder-
17 al centers for medicare and medicaid
18 services, provided, however, that the
19 commissioner of health is authorized to
20 submit any state plan amendment or seek
21 other federal approval, including waiver
22 authority, to implement the provisions of
23 the medicaid savings allocation adjustment
24 that meets the other criteria set forth
25 herein; (3) reductions shall be made in a
26 manner that maximizes federal financial

30 expected to become available, in the
31 discretion of the commissioner, under the
32 Affordable Care Act; (4) reductions shall
33 be made uniformly among categories of
34 services and geographic regions of the
35 state, to the extent practicable, and
36 shall be made uniformly within a category
37 of service, to the extent practicable,
38 except where the commissioner determines
39 that there are sufficient grounds for
40 non-uniformity, including but not limited
41 to: the extent to which specific catego-
42 ries of services contributed to department
43 of health medicaid state funds spending in
44 excess of the limits specified herein; the
45 need to maintain safety net services in
46 underserved communities; or the potential
47 benefits of pursuing innovative payment
48 models contemplated by the Affordable Care
49 Act, in which case such grounds shall be
50 set forth in the medicaid savings allo-

2 burdens to medicaid applicants and recipi-
3 ents or providers.

4 The commissioner shall seek the input of the
5 legislature, as well as organizations
6 representing health care providers,
7 consumers, businesses, workers, health

30 this paragraph only if the commissioner
31 determines, in his or her discretion, that
32 such revisions materially alter the plan.

35 commissioner need not seek the input
36 described in paragraph (a) of this subdivi-
37 sion or provide notice pursuant to para-
38 graph (b) of this subdivision if, in the
39 discretion of the commissioner, expedited
40 development and implementation of a medi-
41 caid savings allocation adjustment is
42 necessary due to a public health emergen-
43 cy.

44 For purposes of this section, a public
45 health emergency is defined as: (i) a
46 disaster, natural or otherwise, that
47 significantly increases the immediate need
48 for health care personnel in an area of
49 the state; (ii) an event or condition that

1 exposure; or (iii) any other event or
2 condition determined by the commissioner
3 to constitute an imminent threat to public
4 health.

6 prevent all or part of such medicaid
7 savings allocation adjustment from taking
8 effect retroactively to the extent permit-
9 ted by the federal centers for medicare
10 and medicaid services.

11 In accordance with the medicaid savings
12 allocation adjustment, the commissioner of
13 the department of health shall reduce

36 quarterly report that sets forth: (a)

2 [~~\$49,118,443,000~~] \$49,468,214,000 provided, however, such aggregate
3 limits may be adjusted by the director of the budget to account for
4 any changes in the New York state federal medical assistance
5 percentage amount established pursuant to the federal social securi-

7 services district payments for medical assistance administration,
8 minimum wage increases, and beginning April 1, 2012 the operational
9 costs of the New York state medical indemnity fund, pursuant to
10 chapter 59 of the laws of 2011, and state costs or savings from the
11 essential plan program. Such projections may be adjusted by the
12 director of the budget to account for increased or expedited depart-
13 ment of health state funds medicaid expenditures as a result of a
14 natural or other type of disaster, including a governmental declara-
15 tion of emergency.

16 The director of the budget, in consultation with the commissioner of
17 health, shall assess on a quarterly basis known and projected medi-
18 caid expenditures by category of service and by geographic region,
19 as determined by the commissioner of health, incurred both prior to
20 and subsequent to such assessment for each such period, and if the
21 director of the budget determines that such expenditures are
22 expected to cause medicaid spending for such period to exceed the
23 aggregate limit specified herein for such period, the state medicaid
24 director, in consultation with the director of the budget and the
25 commissioner of health, shall develop a medicaid savings allocation
26 adjustment to limit such spending to the aggregate limit specified
27 herein for such period.

28 Such medicaid savings allocation adjustment shall be designed, to
29 reduce the expenditures authorized by the appropriations herein in
30 compliance with the following guidelines: (1) reductions shall be
31 made in compliance with applicable federal law, including the
32 provisions of the Patient Protection and Affordable Care Act, Public
33 Law No. 111-148, and the Health Care and Education Reconciliation
34 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
35 Act") and any subsequent amendments thereto or regulations promul-
36 gated thereunder; (2) reductions shall be made in a manner that
37 complies with the state medicaid plan approved by the federal
38 centers for medicare and medicaid services, provided, however, that
39 the commissioner of health is authorized to submit any state plan
40 amendment or seek other federal approval, including waiver authori-
41 ty, to implement the provisions of the medicaid savings allocation
42 adjustment that meets the other criteria set forth herein; (3)
43 reductions shall be made in a manner that maximizes federal finan-
44 cial participation, to the extent practicable, including any federal
45 financial participation that is available or is reasonably expected
46 to become available, in the discretion of the commissioner, under
47 the Affordable Care Act; (4) reductions shall be made uniformly
48 among categories of services and geographic regions of the state, to
49 the extent practicable, and shall be made uniformly within a cate-
50 gory of service, to the extent practicable, except where the commis-
51 sioner determines that there are sufficient grounds for non-uniform-
52 ity, including but not limited to: the extent to which specific

categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such adjustment to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the adjustment.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as:

(i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited

9 public health law, section 18 of chapter 2 of the laws of 1988, and
10 18 NYCRR 505.14(h).

11 The department of health shall prepare a quarterly report that sets
12 forth: (a) known and projected department of health medicaid expend-
13 itures as described in subdivision (1) of this section, and factors
14 that could result in medicaid disbursements for the relevant state
15 fiscal year to exceed the projected department of health state funds
16 disbursements in the enacted budget financial plan pursuant to
17 subdivision 3 of section 23 of the state finance law, including
18 spending increases or decreases due to: enrollment fluctuations,
19 rate changes, utilization changes, MRT investments, and shift of
20 beneficiaries to managed care; and variations in offline medicaid
21 payments; and (b) the actions taken to implement any medicaid
22 savings allocation adjustment implemented pursuant to subdivision
23 (4) of this section, including information concerning the impact of
24 such actions on each category of service and each geographic region
25 of the state. Each such quarterly report shall be provided to the

27 tees and shall be posted on the department of health's website in a
28 timely manner.

25 services district payments for medical assistance administration,
26 minimum wage increases, and beginning April 1, 2012 the operational

34 The director of the budget, in consultation with the commissioner of
35 health, shall assess on a quarterly basis known and projected medi-
36 caid expenditures by category of service and by geographic region,
37 as defined by the commissioner, incurred both prior to and subse-
38 quent to such assessment for each such period, and if the director
39 of the budget determines that such expenditures are expected to
40 cause medicaid spending for such period to exceed the aggregate
41 limit specified herein for such period, the state medicaid director,
42 in consultation with the director of the budget and the commissioner
43 of health, shall develop a medicaid savings allocation adjustment to
44 limit such spending to the aggregate limit specified herein for such

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such adjustment to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the adjustment.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid

13 retroactively to the extent permitted by the federal centers for
14 medicare and medicaid services.

15 In accordance with the medicaid savings allocation adjustment, the
16 commissioner of the department of health shall reduce department of

27 lation to the contrary, including but not limited to sections 2807
28 and 3614 of the public health law, section 18 of chapter 2 of the
29 laws of 1988, and 18 NYCRR 505.14(h).

30 The department of health shall prepare a quarterly report that sets
31 forth: (a) known and projected department of health medicaid expend-
32 itures as described in subdivision (1) of this section, and factors
33 that could result in medicaid disbursements for the relevant state
34 fiscal year to exceed the projected department of health state funds
35 disbursements in the enacted budget financial plan pursuant to
36 subdivision 3 of section 23 of the state finance law, including
37 spending increases or decreases due to: enrollment fluctuations,
38 rate changes, utilization changes, MRT investments, and shift of
39 beneficiaries to managed care; and variations in offline medicaid
40 payments; and (b) the actions taken to implement any medicaid
41 savings allocation adjustment implemented pursuant to subdivision
42 (4) of this section, including information concerning the impact of
43 such actions on each category of service and each geographic region
44 of the state. Each such quarterly report shall be provided to the
45 chairs of the senate finance and the assembly ways and means commit-
46 tees and shall be posted on the department of health's website in a
47 timely manner.

7 shall department of health state funds medicaid spending for the
8 period April 1, 2021 through ~~March 31~~ September 15, 2023 exceed
9 ~~[\$49,118,443,000]~~ \$49,468,214,000 provided, however, such aggregate
10 limits may be adjusted by the director of the budget to account for
11 any changes in the New York state federal medical assistance
12 percentage amount established pursuant to the federal social securi-
13 ty act, increases in provider revenues, reductions in local social
14 services district payments for medical assistance administration,
15 minimum wage increases and beginning April 1, 2012 the operational
16 costs of the New York state medical indemnity fund, pursuant to
17 chapter 59 of the laws of 2011, and state costs or savings from the
18 essential plan program. Such projections may be adjusted by the
19 director of the budget to account for increased or expedited depart-
20 ment of health state funds medicaid expenditures as a result of a
21 natural or other type of disaster, including a governmental declara-
22 tion of emergency.

23 The director of the budget, in consultation with the commissioner of
24 health, shall assess on a quarterly basis known and projected medi-
25 caid expenditures by category of service and by geographic region,
26 as determined by the commissioner of health, incurred both prior to
27 and subsequent to such assessment for each such period, and if the
28 director of the budget determines that such expenditures are
29 expected to cause medicaid spending for such period to exceed the
30 aggregate limit specified herein for such period, the state medicaid
31 director, in consultation with the director of the budget and the
32 commissioner of health, shall develop a medicaid savings allocation
33 adjustment to limit such spending to the aggregate limit specified
34 herein for such period.

35 Such medicaid savings allocation adjustment shall be designed, to
36 reduce the expenditures authorized by the appropriations herein in
37 compliance with the following guidelines: (1) reductions shall be
38 made in compliance with applicable federal law, including the
39 provisions of the Patient Protection and Affordable Care Act, Public
40 Law No. 111-148, and the Health Care and Education Reconciliation
41 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
42 Act") and any subsequent amendments thereto or regulations promul-
43 gated thereunder; (2) reductions shall be made in a manner that
44 complies with the state medicaid plan approved by the federal
45 centers for medicare and medicaid services, provided, however, that
46 the commissioner of health is authorized to submit any state plan
47 amendment or seek other federal approval, including waiver authori-
48 ty, to implement the provisions of the medicaid savings allocation
49 adjustment that meets the other criteria set forth herein; (3)

1 to become available, in the discretion of the commissioner, under
2 the Affordable Care Act; (4) reductions shall be made uniformly
3 among categories of services and geographic regions of the state, to
4 the extent practicable, and shall be made uniformly within a category
5 of service, to the extent practicable, except where the commissioner
6 determines that there are sufficient grounds for non-uniformity,
7 including but not limited to: the extent to which specific
8 categories of services contributed to department of health medicaid
9 state funds spending in excess of the limits specified herein; the
10 need to maintain safety net services in underserved communities; or
11 the potential benefits of pursuing innovative payment models contemplated
12 by the Affordable Care Act, in which case such grounds shall
13 be set forth in the medicaid savings allocation adjustment; and (5)
14 reductions shall be made in a manner that does not unnecessarily
15 create administrative burdens to medicaid applicants and recipients
16 or providers.

17 The commissioner shall seek the input of the legislature, as well as
18 organizations representing health care providers, consumers, businesses,
19 workers, health insurers, and others with relevant expertise, in developing
20 such medicaid savings allocation adjustment, to the extent that all or part
21 of such adjustment, in the discretion of the commissioner, is likely to
22 have a material impact on the overall medicaid program, particular
23 categories of service or particular geographic regions of the state.

25 (a) The commissioner shall post the medicaid savings allocation
26 adjustment on the department of health's website and shall provide
27 written copies of such plan to the chairs of the senate finance and

29 date on which implementation is expected to begin.

30 (b) The commissioner may revise the medicaid savings allocation
31 adjustment subsequent to the provisions of notice and prior to
32 implementation but needs to provide a new notice pursuant to subparagraph
33 (i) of this paragraph only if the commissioner determines, in his or her
34 discretion, that such revisions materially alter the plan.
35

36 Notwithstanding the provisions of paragraphs (a) and (b) of this
37 subdivision, the commissioner need not seek the input described in
38 paragraph (a) of this subdivision or provide notice pursuant to
39 paragraph (b) of this subdivision if, in the discretion of the
40 commissioner, expedited development and implementation of a medicaid
41 savings allocation adjustment is necessary due to a public health
42 emergency.

43 For purposes of this section, a public health emergency is defined as:

44 (i) a disaster, natural or otherwise, that significantly increases
45 the immediate need for health care personnel in an area of the
46 state; (ii) an event or condition that creates a widespread risk of
47 exposure to a serious communicable disease, or the potential for
48 such widespread risk of exposure; or (iii) any other event or condition
49 determined by the commissioner to constitute an imminent threat
50 to public health.

51 Nothing in this paragraph shall be deemed to prevent all or part of
52 such medicaid savings allocation adjustment from taking effect

29 savings allocation adjustment implemented pursuant to subdivision
30 (4) of this section, including information concerning the impact of
31 such actions on each category of service and each geographic region

16 The director of the budget, in consultation with the commissioner of

4 amount for the period April 1, 2022 to ~~[March 31]~~ September 15,
5 2023.

6 Notwithstanding section 40 of the state finance law or any provision

10 mental health, the office for people with developmental disabilities

19 period April 1, 2021 through ~~[March 31]~~ September 15, 2023 exceed
20 ~~[\$40,118,443,000]~~ \$49,468,214,000 provided, however, such aggregate
21 limits may be adjusted by the director of the budget to account for
22 any changes in the New York state federal medical assistance
23 percentage amount established pursuant to the federal social securi-
24 ty act, increases in provider revenues, reductions in local social
25 services district payments for medical assistance administration,
26 minimum wage increases and beginning April 1, 2012 the operational
27 costs of the New York state medical indemnity fund, pursuant to
28 chapter 59 of the laws of 2011, and state costs or savings from the
29 essential plan. Such projections may be adjusted by the director of
30 the budget to account for increased or expedited department of
31 health state funds medicaid expenditures as a result of a natural or
32 other type of disaster, including a governmental declaration of
33 emergency.

34 The director of the budget, in consultation with the commissioner of
35 health, shall assess on a quarterly basis known and projected medi-
36 caid expenditures by category of service and by geographic region,
37 as determined by the commissioner of health, incurred both prior to
38 and subsequent to such assessment for each such period, and if the
39 director of the budget determines that such expenditures are
40 expected to cause medicaid spending for such period to exceed the
41 aggregate limit specified herein for such period, the state medicaid
42 director, in consultation with the director of the budget and the
43 commissioner of health, shall develop a medicaid savings allocation
44 adjustment to limit such spending to the aggregate limit specified
45 herein for such period.

46 Such medicaid savings allocation adjustment shall be designed, to
47 reduce the expenditures authorized by the appropriations herein in
48 compliance with the following guidelines: (1) reductions shall be
49 made in compliance with applicable federal law, including the
50 provisions of the Patient Protection and Affordable Care Act, Public
51 Law No. 111-148, and the Health Care and Education Reconciliation
52 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care

Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation adjustment that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid

1 savings allocation adjustment is necessary due to a public health
2 emergency.

3 For purposes of this section, a public health emergency is defined as:

4 (i) a disaster, natural or otherwise, that significantly increases
5 the immediate need for health care personnel in an area of the
6 state; (ii) an event or condition that creates a widespread risk of
7 exposure to a serious communicable disease, or the potential for
8 such widespread risk of exposure; or (iii) any other event or condi-
9 tion determined by the commissioner to constitute an imminent threat
10 to public health.

11 Nothing in this paragraph shall be deemed to prevent all or part of
12 such medicaid savings allocation adjustment from taking effect
13 retroactively to the extent permitted by the federal centers for
14 medicare and medicaid services.

15 In accordance with the medicaid savings allocation adjustment, the
16 commissioner of the department of health shall reduce department of
17 health state funds medicaid spending by the amount of the projected
18 overspending through, actions including, but not limited to modify-
19 ing or suspending reimbursement methods, including but not limited
20 to all fees, premium levels and rates of payment, notwithstanding
21 any provision of law that sets a specific amount or methodology for
22 any such payments or rates of payment; modifying medicaid program
23 benefits; seeking all necessary federal approvals, including, but
24 not limited to waivers, waiver amendments; and suspending time
25 frames for notice, approval or certification of rate requirements,
26 notwithstanding any provision of law, rule or regulation to the
27 contrary, including but not limited to sections 2807 and 3614 of the
28 public health law, section 18 of chapter 2 of the laws of 1988, and
29 18 NYCRR 505.14(h).

30 The department of health shall prepare a quarterly report that sets
31 forth: (a) known and projected department of health medicaid expend-
32 itures as described in subdivision (1) of this section, and factors
33 that could result in medicaid disbursements for the relevant state
34 fiscal year to exceed the projected department of health state funds
35 disbursements in the enacted budget financial plan pursuant to
36 subdivision 3 of section 23 of the state finance law, including
37 spending increases or decreases due to: enrollment fluctuations,
38 rate changes, utilization changes, MRT investments, and shift of
39 beneficiaries to managed care; and variations in offline medicaid
40 payments; and (b) the actions taken to implement any medicaid
41 savings allocation adjustment implemented pursuant to subdivision
42 (4) of this section, including information concerning the impact of
43 such actions on each category of service and each geographic region
44 of the state. Each such quarterly report shall be provided to the
45 chairs of the senate finance and the assembly ways and means commit-
46 tees and shall be posted on the department of health's website in a
47 timely manner.
