35 living adjustment increase for the period  
36 commencing on April 1, 2022 and ending  
37 March 31, 2023, the commissioner shall not

23 foster care block grant allocation,

3 Notwithstanding any other provision of law,

5 reimbursing a social services district and  
6 a district shall not seek state reimburse-  
7 ment for any portion of any state disal-

9 social services district, or any federal  
10 disallowance attributable to final federal  
11 agency decisions or to settlement made, on

18 funds in the case record; provided, howev-  
19 er, if the office determines that any  
20 federal disallowance for services provided  
21 between January 1, 1999 and May 31, 1999  
22 results solely from the late enactment of  
23 the state legislation implementing the  
24 federal adoption and safe families act,  
25 the state shall be solely responsible for  
26 the full amount of the disallowance or

29 prospectively and retroactively regardless  
30 of whether such sanctions or disallowances  
31 are for services provided or claims made  
32 prior to or after April 1, 2022.

33 Notwithstanding any other provision of law,  
34 any federal disallowance resulting from a  
35 federal title IV-E eligibility review or  
36 audit that uses extrapolated statistic  
37 techniques shall be passed along by the  
38 state to any and all social services  
39 districts that the office of children and

1 that meet all of the title IV-E eligibil-  
2 ity criteria; and fully implement the  
3 social services payment system on or  
4 before April 1, 2005 for all direct and  
5 voluntary agency foster care services.

6 Notwithstanding any law to the contrary, the  
7 office of children and family services  
8 shall impose on social services districts  
9 any federal disallowance issued against  
10 the state as a result of a federal title  
11 IV-E secondary eligibility review regard-  
12 less of the date the children may have  
13 entered foster care, the date the eligi-  
14 bility or payment errors occurred, or the  
15 filing date of any federal claims for  
16 reimbursement; provided, however, that the  
17 state shall be responsible for the disal-  
18 lowed costs and expenditures related to  
19 the placement of children in a facility  
20 operated by the office of children and  
21 family services, which shall be determined  
22 in the same manner as the disallowed costs  
23 and expenditures for social services  
24 districts other than the city of New York.  
25 In order to reimburse the federal govern-  
26 ment for the full amount of any disallow-  
27 ance imposed on the state by the federal  
28 administration for children and families  
29 within the timeframes necessary to avoid  
30 any potential interest payments on such  
31 amount, the office of children and family  
32 services is authorized to immediately  
33 offset funds otherwise due to each  
34 district for a pro rata share of the total  
35 disallowed costs based on the percentage  
36 of applicable federal title IV-E claims  
37 made by that district for the relevant  
38 time period as compared to the total  
39 applicable statewide title IV-E claims.  
40 The amount of the offset against each  
41 district will be adjusted, if necessary,  
42 upon completion of the disallowance allo-  
43 cation process. The final allocation of  
44 the amount of any federal disallowance  
45 resulting from a title IV-E secondary  
46 eligibility review shall be allocated  
47 among the districts so that each district  
48 shall be responsible for the amount  
49 attributable to each of the district's  
50 children or cases that are determined by  
51 the federal review to be unallowable. Each

1 district shall also be responsible for a  
2 portion of the federal extrapolated disal-  
3 lowance amount based on the relative error  
4 rate for the district. The city of New  
5 York's error rate will be based on the  
6 federal sample and federal statistics. For  
7 all social services districts other than  
8 the city of New York, the error rate will  
9 be based on a review conducted by the  
10 district of a sample of children and/or  
11 cases determined by the office of children  
12 and family services and a re-review of a  
13 sub-sample by the office of those children  
14 and/or cases determined by the office. The  
15 office of children and family services  
16 will determine what is reasonable in  
17 establishing the size of the sample and  
18 sub-sample for each district. The office  
19 of children and family services shall  
20 notify each social services district of  
21 the sample of children and/or cases from  
22 the federal audit period that the social  
23 services district must review. Any child  
24 or case from the social services district  
25 that was included in the federal sample  
26 will automatically be included in the  
27 social services district's review sample  
28 and the determination made at the federal  
29 review regarding that child or case will  
30 govern for the purposes of the social  
31 services district's review. The social  
32 services district must complete and submit  
33 the results of its review to the office of  
34 children and family services within 60  
35 days of receipt of the sample. The error  
36 rate for the district will be based on the  
37 findings of the district's review and the  
38 office of children and family services'  
39 re-review. If a social services district  
40 does not complete its review within 60  
41 days of receiving the sample from the  
42 office of children and family services,  
43 the office of children and family services  
44 shall assign an error rate to the social  
45 services district based on the relative  
46 percentage of the district's applicable  
47 title IV-E claims for the relevant period  
48 as compared to applicable statewide title  
49 IV-E claims for that period and other

51 and family services may consider in order

1 to allocate 100 percent of the federal

5 total amount of the district's applicable  
6 title IV-E claims including associated  
7 administrative expenses. The resulting  
8 dollar amounts for all of the social  
9 services districts will be summed to  
10 derive the total amount of title IV-E  
11 claims deemed to be in error statewide. To  
12 establish a disallowance percentage for

20 extrapolated disallowance calculated by  
21 the federal review to determine the amount  
22 of the extrapolated disallowance for which  
23 the district is responsible. Each district  
24 will be credited for the amount already  
25 disallowed for any individual children or  
26 cases found to be in error during the  
27 federal review. The exclusive appeal  
28 rights for the review of the amount of the  
29 federal disallowance assigned to each  
30 social services district shall be pursuant  
31 to article 78 of the civil practice law

33 such action all of the social services  
34 districts shall be joined as necessary

39 frames shall have no right to appeal and  
40 shall not be a necessary party to any  
41 action brought by another social services  
42 district.

16 Local Assistance Account - 10000

17 The appropriation made by chapter 53, section 1, of the laws of 2021, is  
18 hereby amended and reappropriated to read:

19 Notwithstanding any inconsistent provision of law, the amount appro-  
20 priated herein, shall be available under a foster care block grant  
21 for state reimbursement of eligible social services district expend-  
22 itures for the provision and administration of foster care services  
23 including care, maintenance, supervision, and tuition; for super-  
24 vision of foster children placed in federally funded job corps  
25 programs; for care, maintenance, supervision, and tuition for adju-  
26 dicated juvenile delinquents placed in residential programs operated  
27 by authorized agencies and in out-of-state residential programs; for  
28 the provision and administration of the kinship guardian assistance  
29 program including kinship guardianship assistance payments and  
30 payments for non-recurring guardianship expenses and eligible  
31 expenditures associated with local compliance with the federal Fami-  
32 ly First Prevention Services Act (P.L. 115-123); except that,  
33 reimbursement from the amount appropriated herein shall not be  
34 available for tuition expenditures for foster children, including  
35 persons in need of supervision and adjudicated juvenile delinquents,  
36 made by a social services district located within a city having a  
37 population of one million or more.

38 Notwithstanding any other provision of law, a portion of the funds are  
39 available to reimburse social services districts for the change in  
40 the maximum state aid rates established by the office of children  
41 and family services for the 2021-22 rate year pursuant to section  
42 398-a of the social services law and sections 4003 and 4405 of the  
43 education law to reflect the continuation of the cost of living  
44 adjustments that became effective April 1, 2008 for payments made to  
45 foster parents and for salary and fringe benefit costs and other  
46 critical nonpersonal services costs for foster care programs as  
47 determined by the office. Social services districts must adjust the

1 amount of payments made for care provided by congregate care and  
2 foster boarding home programs and to foster parents to reflect the  
3 cost of living adjustments in the manner specified by the office.  
4 Each authorized agency operating a congregate care or foster board-  
5 ing home program in New York state for which the office sets a maxi-  
6 mum state aid rate pursuant to section 398-a of the social services  
7 law or section 4003 or 4405 of the education law shall submit, at  
8 the time and in a manner to be determined by the office, a written  
9 certification, attesting that the funds received for the continua-  
10 tion of the cost of living adjustment to the maximum state aid rate  
11 that became effective April 1, 2008 for that program will be or were  
12 used solely in accordance with the requirements of the cost of  
13 living adjustment established by the office.

14 Notwithstanding any inconsistent provision of law except a chapter of  
15 the laws of 2021 authorizing a 1 percent cost of living adjustment  
16 increase, but including section 1 of part C of chapter 57 of the  
17 laws of 2006, as amended by section 1 of part I of chapter 60 of the  
18 laws of 2014, for the period commencing on April 1, 2021 and ending  
19 March 31, 2022 the director shall not apply any other cost of living  
20 adjustment for the purpose of establishing rates of payments,  
21 contracts or any other form of reimbursement.

22 Within the amounts appropriated herein, state reimbursement to each  
23 social services district for services identified herein that are  
24 otherwise reimbursable by the state from April 1, 2021 through March  
25 31, 2022 shall be limited to a district allocation, hereinafter  
26 referred to as the district's block grant allocation. Notwithstand-  
27 ing any other provision of law, such block grant allocation shall be  
28 based, in part, on each district's claims for such costs, adjusted  
29 by the applicable cost allocation methodology and net of any retro-  
30 active payments for the 12 month period ending June 30, 2020 that  
31 are submitted on or before January 2, 2021 and, in part, on such  
32 other factors as determined by the office of children and family  
33 services and approved by the director of the budget. Any portion of  
34 a social services district's allocation from funds appropriated  
35 herein not claimed by such district during the state fiscal year may  
36 be used by such district for expenditures on preventive services  
37 provided pursuant to section 409-a of the social services law, inde-  
38 pendent living services and aftercare services provided pursuant to  
39 regulations of the department of family assistance, claimed by such  
40 district during the next state fiscal year up to the amount remain-  
41 ing from the district's foster care block grant allocation, provided  
42 however, that any claims for such services during the next state  
43 fiscal year in excess of such amount shall be subject to 62 percent  
44 state reimbursement exclusive of any federal funds made available  
45 for such purposes, in accordance with directives of the department  
46 of family assistance and subject to the approval of the director of  
47 the budget. Any claims submitted by a social services district for  
48 reimbursement for a particular state fiscal year for which the  
49 social services district does not receive state or federal  
50 reimbursement during that state fiscal year may not be claimed

1 against that district's block grant apportionment for the next state  
2 fiscal year.

3 The office of children and family services, with the approval of the  
4 director of the budget, may reduce a district's block grant allo-  
5 cation by the state share decrease related to federal retroactive  
6 reimbursement for such foster care services identified herein. The  
7 office, with the approval of the director of the budget, may reduce  
8 a district's block grant allocation by the state share of disallow-  
9 ances or sanctions taken against the district pursuant to the social  
10 services law or federal law.

11 Notwithstanding any other provision of law, the state shall not be  
12 responsible for reimbursing a social services district and a  
13 district shall not seek state reimbursement for any portion of any  
14 state disallowance or sanction taken against the social services  
15 district, or any federal disallowance attributable to final federal  
16 agency decisions or to settlement made, on or after July 1, 1995,  
17 when such disallowance or sanction results from the failure of the  
18 social services district to comply with federal or state require-  
19 ments, including, but not limited to, failure to document eligibil-  
20 ity for federal or state funds in the case record; provided, howev-  
21 er, if the office determines that any federal disallowance for  
22 services provided between January 1, 1999 and May 31, 1999 results  
23 solely from the late enactment of the state legislation implementing  
24 the federal adoption and safe families act, the state shall be sole-  
25 ly responsible for the full amount of the disallowance or sanction;  
26 provided, further, however, this provision shall be deemed to apply  
27 both prospectively and retroactively regardless of whether such  
28 sanctions or disallowances are for services provided or claims made  
29 prior to or after April 1, 2021.

30 Notwithstanding any other provision of law, any federal disallowance  
31 resulting from a federal title IV-E eligibility review or audit that  
32 uses extrapolated statistic techniques shall be passed along by the  
33 state to any and all social services districts that the office of  
34 children and family services has determined have not complied with  
35 the title IV-E eligibility requirements or have not taken the neces-  
36 sary actions to ensure compliance with such requirements including,  
37 but not limited to, failing to: assess and fully document all the  
38 criteria and have readily available all the necessary documents to  
39 establish and continue title IV-E eligibility for all title IV-E  
40 eligible children within the required time frames; claim title IV-E  
41 funding only for cases that meet all of the title IV-E eligibility  
42 criteria; and fully implement the social services payment system on  
43 or before April 1, 2005 for all direct and voluntary agency foster  
44 care services.

45 Notwithstanding any law to the contrary, the office of children and  
46 family services shall impose on social services districts any federal  
47 disallowance issued against the state as a result of a federal  
48 title IV-E secondary eligibility review regardless of the date the  
49 children may have entered foster care, the date the eligibility or  
50 payment errors occurred, or the filing date of any federal claims  
51 for reimbursement; provided, however, that the state shall be

1 responsible for the disallowed costs and expenditures related to the  
2 placement of children in a facility operated by the office of chil-  
3 dren and family services, which shall be determined in the same  
4 manner as the disallowed costs and expenditures for social services  
5 districts other than the city of New York. In order to reimburse the  
6 federal government for the full amount of any disallowance imposed  
7 on the state by the federal administration for children and families  
8 within the timeframes necessary to avoid any potential interest  
9 payments on such amount, the office of children and family services  
10 is authorized to immediately offset funds otherwise due to each  
11 district for a pro rata share of the total disallowed costs based on  
12 the percentage of applicable federal title IV-E claims made by that  
13 district for the relevant time period as compared to the total  
14 applicable statewide title IV-E claims. The amount of the offset  
15 against each district will be adjusted, if necessary, upon  
16 completion of the disallowance allocation process. The final allo-  
17 cation of the amount of any federal disallowance resulting from a  
18 title IV-E secondary eligibility review shall be allocated among the  
19 districts so that each district shall be responsible for the amount  
20 attributable to each of the district's children or cases that are  
21 determined by the federal review to be unallowable. Each district  
22 shall also be responsible for a portion of the federal extrapolated  
23 disallowance amount based on the relative error rate for the  
24 district. The city of New York's error rate will be based on the  
25 federal sample and federal statistics. For all social services  
26 districts other than the city of New York, the error rate will be  
27 based on a review conducted by the district of a sample of children  
28 and/or cases determined by the office of children and family  
29 services and a re-review of a sub-sample by the office of those  
30 children and/or cases determined by the office. The office of chil-  
31 dren and family services will determine what is reasonable in estab-  
32 lishing the size of the sample and sub-sample for each district. The  
33 office of children and family services shall notify each social  
34 services district of the sample of children and/or cases from the  
35 federal audit period that the social services district must review.  
36 Any child or case from the social services district that was  
37 included in the federal sample will automatically be included in the  
38 social services district's review sample and the determination made  
39 at the federal review regarding that child or case will govern for  
40 the purposes of the social services district's review. The social  
41 services district must complete and submit the results of its review  
42 to the office of children and family services within 60 days of  
43 receipt of the sample. The error rate for the district will be based  
44 on the findings of the district's review and the office of children  
45 and family services' re-review. If a social services district does  
46 not complete its review within 60 days of receiving the sample from  
47 the office of children and family services, the office of children  
48 and family services shall assign an error rate to the social  
49 services district based on the relative percentage of the district's  
50 applicable title IV-E claims for the relevant period as compared to  
51 applicable statewide title IV-E claims for that period and other

1 circumstances that the office of children and family services may  
2 consider in order to allocate 100 percent of the federal disallow-  
3 ance. The office of children and family services shall apply each  
4 social services district's error rate to the total amount of the  
5 district's applicable title IV-E claims including associated admin-  
6 istrative expenses. The resulting dollar amounts for all of the  
7 social services districts will be summed to derive the total amount  
8 of title IV-E claims deemed to be in error statewide. To establish a  
9 disallowance percentage for each social services district, the  
10 amount of the district's title IV-E claims deemed to be in error  
11 will be divided by the amount of statewide title IV-E claims deemed  
12 to be in error. The resulting disallowance percentage for each  
13 district will be applied to the entire title IV-E extrapolated  
14 disallowance calculated by the federal review to determine the  
15 amount of the extrapolated disallowance for which the district is  
16 responsible. Each district will be credited for the amount already  
17 disallowed for any individual children or cases found to be in error  
18 during the federal review. The exclusive appeal rights for the  
19 review of the amount of the federal disallowance assigned to each  
20 social services district shall be pursuant to article 78 of the  
21 civil practice law and rules; provided, however, that in any such  
22 action all of the social services districts shall be joined as  
23 necessary parties and the venue of any such action shall be in Rens-  
24 selaer county. Any social services district that fails to complete  
25 its sample review in the required time frames shall have no right to  
26 appeal and shall not be a necessary party to any action brought by  
27 another social services district.

28 The money hereby appropriated is to be available for payment of state  
29 aid heretofore accrued or hereafter to accrue to municipalities.  
30 Subject to the approval of the director of the budget, such funds  
31 shall be available to the office net of disallowances, refunds,  
32 reimbursements, and credits.

33 Notwithstanding any inconsistent provision of law, the amount herein  
34 appropriated may be transferred to any other appropriation within  
35 the office of children and family services and/or the office of  
36 temporary and disability assistance and/or suballocated to the  
37 office of temporary and disability assistance for the purpose of  
38 paying local social services districts' costs of the above program  
39 and may be increased or decreased by interchange with any other  
40 appropriation or with any other item or items within the amounts  
41 appropriated within the office of children and family services  
42 general fund - local assistance account with the approval of the

8 provided by the commissioner of health of each local social services

10 social services law.

11 Notwithstanding the provisions of any other law to the contrary, the  
12 office of children and family services may, on behalf of social  
13 services districts, make payments to foster boarding homes paid  
14 directly by social services districts by direct deposit or debit  
15 card. Local social services districts shall reimburse the office for  
16 the costs of administering such direct deposit or debit card  
17 payments.

18 Notwithstanding any inconsistent provision of the social services law  
19 or the state finance law, the office of children and family services  
20 shall, on a quarterly basis, request that the office of temporary  
21 and disability assistance reimburse the office of children and fami-

27 ation, may be reduced up to such amounts due and owing to the state  
28 under section 529 of the executive law (13997) .....  
29 383,526,000 ..... (re. \$214,138,000)

30 Notwithstanding any inconsistent provision of law, the amount appro-  
31 priated herein shall be made available to reimburse 62 percent of  
32 eligible social services district expenditures that are claimed by  
33 March 31, 2022 for child welfare services which shall include and be  
34 limited to preventive services provided pursuant to section 409-a of

39 than adoption subsidies provided pursuant to title 9 of article 6 of  
40 the social services law and regulations of the department of family

The money hereby appropriated is to be available for payment of state aid heretofore accrued or hereafter to accrue to municipalities. Subject to the approval of the director of the budget, such funds shall be available to the office net of disallowances, refunds, reimbursements, and credits; provided, however, that notwithstanding any other provision of law, for a district to receive reimbursement for such services, the amount of funds that the district expends on such services from its flexible fund for family services allocation and any flexible fund for family services funds transferred at the district's request to the title XX social services block grant must, to the extent that families are eligible therefore, be equal to or greater than the district's portion of the \$382,322,341 statewide child welfare threshold amount, which shall be established pursuant to a formula developed by the office of temporary and disability assistance and the office of children and family services and approved by the director of the budget.

measures that demonstrate quality of services provided and program effectiveness to the office in a form and manner and at such times as required by the office (14017) ... 2,450,000 ... (re. \$2,450,000)

By chapter 53, section 1, of the laws of 2020:

Notwithstanding any inconsistent provision of law, the amount appropriated herein, shall be available under a foster care block grant for state reimbursement of eligible social services district expenditures for the provision and administration of foster care services including care, maintenance, supervision, and tuition; for supervision of foster children placed in federally funded job corps programs; for care, maintenance, supervision, and tuition for adjudicated juvenile delinquents placed in residential programs operated by authorized agencies and in out-of-state residential programs; and for the provision and administration of the kinship guardian assistance program including kinship guardianship assistance payments and payments for non-recurring guardianship expenses; except that, reimbursement from the amount appropriated herein shall not be available for tuition expenditures for foster children, including persons in need of supervision and adjudicated juvenile delinquents, made by a social services district located within a city having a population of one million or more.

Notwithstanding any other provision of law, a portion of the funds are available to reimburse social services districts for the change in the maximum state aid rates established by the office of children and family services for the 2020-21 rate year pursuant to section 398-a of the social services law and sections 4003 and 4405 of the education law to reflect the continuation of the cost of living adjustments that became effective April 1, 2008 for payments made to foster parents and for salary and fringe benefit costs and other critical nonpersonal services costs for foster care programs as determined by the office. Social services districts must adjust the amount of payments made for care provided by congregate care and foster boarding home programs and to foster parents to reflect the cost of living adjustments in the manner specified by the office. Each authorized agency operating a congregate care or foster boarding home program in New York state for which the office sets a maximum state aid rate pursuant to section 398-a of the social services law or section 4003 or 4405 of the education law shall submit, at the time and in a manner to be determined by the office, a written certification, attesting that the funds received for the continuation of the cost of living adjustment to the maximum state aid rate that became effective April 1, 2008 for that program will be or were used solely in accordance with the requirements of the cost of living adjustment established by the office.

Notwithstanding any inconsistent provision of law, for the period commencing on April 1, 2020 and ending March 31, 2021 the commissioner shall not apply any cost of living adjustment for the purpose of establishing rates of payments, contracts or any other form of reimbursement.

1 Within the amounts appropriated herein, state reimbursement to each  
2 social services district for services identified herein that are  
3 otherwise reimbursable by the state from April 1, 2020 through March  
4 31, 2021 shall be limited to a district allocation, hereinafter  
5 referred to as the district's block grant allocation. Notwithstand-  
6 ing any other provision of law, such block grant allocation shall be  
7 based, in part, on each district's claims for such costs, adjusted  
8 by the applicable cost allocation methodology and net of any retro-  
9 active payments for the 12 month period ending June 30, 2019 that  
10 are submitted on or before January 2, 2020 and, in part, on such  
11 other factors as determined by the office of children and family  
12 services and approved by the director of the budget. Any portion of  
13 a social services district's allocation from funds appropriated  
14 herein not claimed by such district during the state fiscal year may  
15 be used by such district for expenditures on preventive services  
16 provided pursuant to section 409-a of the social services law, inde-  
17 pendent living services and aftercare services provided pursuant to  
18 regulations of the department of family assistance, claimed by such  
19 district during the next state fiscal year up to the amount remain-  
20 ing from the district's foster care block grant allocation, provided  
21 however, that any claims for such services during the next state  
22 fiscal year in excess of such amount shall be subject to 62 percent  
23 state reimbursement exclusive of any federal funds made available  
24 for such purposes, in accordance with directives of the department  
25 of family assistance and subject to the approval of the director of  
26 the budget. Any claims submitted by a social services district for  
27 reimbursement for a particular state fiscal year for which the  
28 social services district does not receive state or federal  
29 reimbursement during that state fiscal year may not be claimed  
30 against that district's block grant apportionment for the next state  
31 fiscal year.

32 The office of children and family services, with the approval of the  
33 director of the budget, may reduce a district's block grant allo-  
34 cation by the state share decrease related to federal retroactive  
35 reimbursement for such foster care services identified herein. The  
36 office, with the approval of the director of the budget, may reduce  
37 a district's block grant allocation by the state share of disallow-  
38 ances or sanctions taken against the district pursuant to the social  
39 services law or federal law.

40 Notwithstanding any other provision of law, the state shall not be  
41 responsible for reimbursing a social services district and a  
42 district shall not seek state reimbursement for any portion of any  
43 state disallowance or sanction taken against the social services  
44 district, or any federal disallowance attributable to final federal  
45 agency decisions or to settlement made, on or after July 1, 1995,  
46 when such disallowance or sanction results from the failure of the  
47 social services district to comply with federal or state require-  
48 ments, including, but not limited to, failure to document eligibil-  
49 ity for federal or state funds in the case record; provided, howev-  
50 er, if the office determines that any federal disallowance for  
51 services provided between January 1, 1999 and May 31, 1999 results

solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2020.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated

1 disallowance amount based on the relative error rate for the  
2 district. The city of New York's error rate will be based on the  
3 federal sample and federal statistics. For all social services  
4 districts other than the city of New York, the error rate will be  
5 based on a review conducted by the district of a sample of children  
6 and/or cases determined by the office of children and family  
7 services and a re-review of a sub-sample by the office of those  
8 children and/or cases determined by the office. The office of chil-  
9 dren and family services will determine what is reasonable in estab-  
10 lishing the size of the sample and sub-sample for each district.  
11 The office of children and family services shall notify each social  
12 services district of the sample of children and/or cases from the  
13 federal audit period that the social services district must review.  
14 Any child or case from the social services district that was  
15 included in the federal sample will automatically be included in the  
16 social services district's review sample and the determination made  
17 at the federal review regarding that child or case will govern for  
18 the purposes of the social services district's review. The social  
19 services district must complete and submit the results of its review  
20 to the office of children and family services within 60 days of  
21 receipt of the sample. The error rate for the district will be based  
22 on the findings of the district's review and the office of children  
23 and family services' re-review. If a social services district does  
24 not complete its review within 60 days of receiving the sample from  
25 the office of children and family services, the office of children  
26 and family services shall assign an error rate to the social  
27 services district based on the relative percentage of the district's  
28 applicable title IV-E claims for the relevant period as compared to  
29 applicable statewide title IV-E claims for that period and other  
30 circumstances that the office of children and family services may  
31 consider in order to allocate 100 percent of the federal disallow-

33 social services district's error rate to the total amount of the  
34 district's applicable title IV-E claims including associated admin-  
35 istrative expenses. The resulting dollar amounts for all of the  
36 social services districts will be summed to derive the total amount  
37 of title IV-E claims deemed to be in error statewide. To establish a  
38 disallowance percentage for each social services district, the  
39 amount of the district's title IV-E claims deemed to be in error  
40 will be divided by the amount of statewide title IV-E claims deemed  
41 to be in error. The resulting disallowance percentage for each  
42 district will be applied to the entire title IV-E extrapolated  
43 disallowance calculated by the federal review to determine the  
44 amount of the extrapolated disallowance for which the district is  
45 responsible. Each district will be credited for the amount already  
46 disallowed for any individual children or cases found to be in error  
47 during the federal review. The exclusive appeal rights for the  
48 review of the amount of the federal disallowance assigned to each  
49 social services district shall be pursuant to article 78 of the

31 of health medicaid state funds spending in  
32 excess of the limits specified herein; the  
33 need to maintain safety net services in

9 to the chairs of the senate finance and  
10 the assembly ways and means committees at  
11 least 30 days before the date on which  
12 implementation is expected to begin.

13 (b) The commissioner may revise the medicaid  
14 savings allocation adjustment subsequent  
15 to the provisions of notice and prior to  
16 implementation but needs to provide a new  
17 notice pursuant to subparagraph (i) of

28 discretion of the commissioner, expedited

41 potential for such widespread risk of  
42 exposure; or (iii) any other event or  
43 condition determined by the commissioner  
44 to constitute an imminent threat to public  
45 health.

46 Nothing in this paragraph shall be deemed to  
47 prevent all or part of such medicaid

1 The director of the budget, in consultation  
2 with the commissioner of health, shall  
3 assess on a quarterly basis known and  
4 projected medicaid expenditures by category  
5 of service and by geographic region, as  
6 defined by the commissioner, incurred both  
7 prior to and subsequent to such assessment  
8 for each such period, and if the director  
9 of the budget determines that such expenditures  
10 are expected to cause medicaid  
11 spending for such period to exceed the  
12 aggregate limit specified herein for such  
13 period, the state medicaid director, in  
14 consultation with the director of the  
15 budget and the commissioner of health,  
16 shall develop a medicaid savings allocation  
17 adjustment to limit such spending  
18 to the aggregate limit specified herein  
19 for such period.

20 Such medicaid savings allocation adjustment  
21 shall be designed, to reduce the expenditures  
22 authorized by the appropriations  
23 herein in compliance with the following  
24 guidelines: (1) reductions shall be made  
25 in compliance with applicable federal law,  
26 including the provisions of the Patient  
27 Protection and Affordable Care Act, Public  
28 Law No. 111-148, and the Health Care and  
29 Education Reconciliation Act of 2010,  
30 Public Law No. 111-152 (collectively  
31 "Affordable Care Act") and any subsequent  
32 amendments thereto or regulations promulgated  
33 thereunder; (2) reductions shall be  
34 made in a manner that complies with the  
35 state medicaid plan approved by the federal  
36 centers for medicare and medicaid  
37 services, provided, however, that the  
38 commissioner of health is authorized to  
39 submit any state plan amendment or seek  
40 other federal approval, including waiver  
41 authority, to implement the provisions of  
42 the medicaid savings allocation adjustment  
43 that meets the other criteria set forth

45 manner that maximizes federal financial  
46 participation, to the extent practicable,  
47 including any federal financial participation  
48 that is available or is reasonably  
49 expected to become available, in the  
50 discretion of the commissioner, under the  
51 Affordable Care Act; (4) reductions shall  
52 be made uniformly among categories of

1 services and geographic regions of the  
2 state, to the extent practicable, and  
3 shall be made uniformly within a category  
4 of service, to the extent practicable,  
5 except where the commissioner determines  
6 that there are sufficient grounds for  
7 non-uniformity, including but not limited  
8 to: the extent to which specific categories  
9 of services contributed to department  
10 of health medicaid state funds spending in  
11 excess of the limits specified herein; the  
12 need to maintain safety net services in  
13 underserved communities; or the potential  
14 benefits of pursuing innovative payment  
15 models contemplated by the Affordable Care  
16 Act, in which case such grounds shall be  
17 set forth in the medicaid savings allocation  
18 adjustment; and (5) reductions  
19 shall be made in a manner that does not  
20 unnecessarily create administrative  
21 burdens to medicaid applicants and recipients  
22 or providers.

23 The commissioner shall seek the input of the  
24 legislature, as well as organizations  
25 representing health care providers,  
26 consumers, businesses, workers, health  
27 insurers, and others with relevant expertise,  
28 in developing such medicaid savings  
29 allocation adjustment, to the extent that  
30 all or part of such adjustment, in the  
31 discretion of the commissioner, is likely  
32 to have a material impact on the overall  
33 medicaid program, particular categories of  
34 service or particular geographic regions  
35 of the state.

36 (a) The commissioner shall post the medicaid  
37 savings allocation adjustment on the  
38 department of health's website and shall  
39 provide written copies of such adjustment  
40 to the chairs of the senate finance and  
41 the assembly ways and means committees at  
42 least 30 days before the date on which  
43 implementation is expected to begin.

44 (b) The commissioner may revise the medicaid  
45 savings allocation adjustment subsequent  
46 to the provisions of notice and prior to  
47 implementation but needs to provide a new  
48 notice pursuant to subparagraph (i) of

51 such revisions materially alter the  
52 adjustment.

8 state, to the extent practicable, and  
9 shall be made uniformly within a category  
10 of service, to the extent practicable,  
11 except where the commissioner determines  
12 that there are sufficient grounds for  
13 non-uniformity, including but not limited  
14 to: the extent to which specific catego-  
15 ries of services contributed to department  
16 of health medicaid state funds spending in  
17 excess of the limits specified herein; the  
18 need to maintain safety net services in  
19 underserved communities; or the potential  
20 benefits of pursuing innovative payment  
21 models contemplated by the Affordable Care  
22 Act, in which case such grounds shall be  
23 set forth in the medicaid savings allo-

25 shall be made in a manner that does not  
26 unnecessarily create administrative  
27 burdens to medicaid applicants and recipi-  
28 ents or providers.

29 The commissioner shall seek the input of the  
30 legislature, as well as organizations  
31 representing health care providers,

35 allocation adjustment, to the extent that  
36 all or part of such adjustment, in the  
37 discretion of the commissioner, is likely  
38 to have a material impact on the overall  
39 medicaid program, particular categories of  
40 service or particular geographic regions  
41 of the state.

42 (a) The commissioner shall post the medicaid  
43 savings allocation adjustment on the

46 chairs of the senate finance and the  
47 assembly ways and means committees at  
48 least 30 days before the date on which

7 (a) and (b) of this subdivision, the  
8 commissioner need not seek the input  
9 described in paragraph (a) of this subdivi-

24 serious communicable disease, or the  
25 potential for such widespread risk of  
26 exposure; or (iii) any other event or  
27 condition determined by the commissioner  
28 to constitute an imminent threat to public  
29 health.

30 Nothing in this paragraph shall be deemed to  
31 prevent all or part of such medicaid  
32 savings allocation adjustment from taking  
33 effect retroactively to the extent permit-  
34 ted by the federal centers for medicare  
35 and medicaid services.

36 In accordance with the medicaid savings

6 natural or other type of disaster, including a governmental declara-  
7 tion of emergency.

8 The director of the budget, in consultation with the commissioner of  
9 health, shall assess on a quarterly basis known and projected medi-  
10 caid expenditures by category of service and by geographic region,  
11 as determined by the commissioner of health, incurred both prior to  
12 and subsequent to such assessment for each such period, and if the  
13 director of the budget determines that such expenditures are  
14 expected to cause medicaid spending for such period to exceed the  
15 aggregate limit specified herein for such period, the state medicaid  
16 director, in consultation with the director of the budget and the  
17 commissioner of health, shall develop a medicaid savings allocation  
18 adjustment to limit such spending to the aggregate limit specified  
19 herein for such period.

20 Such medicaid savings allocation adjustment shall be designed, to  
21 reduce the expenditures authorized by the appropriations herein in  
22 compliance with the following guidelines: (1) reductions shall be  
23 made in compliance with applicable federal law, including the  
24 provisions of the Patient Protection and Affordable Care Act, Public  
25 Law No. 111-148, and the Health Care and Education Reconciliation  
26 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
27 Act") and any subsequent amendments thereto or regulations promul-  
28 gated thereunder; (2) reductions shall be made in a manner that  
29 complies with the state medicaid plan approved by the federal  
30 centers for medicare and medicaid services, provided, however, that  
31 the commissioner of health is authorized to submit any state plan  
32 amendment or seek other federal approval, including waiver authori-  
33 ty, to implement the provisions of the medicaid savings allocation  
34 adjustment that meets the other criteria set forth herein; (3)  
35 reductions shall be made in a manner that maximizes federal finan-  
36 cial participation, to the extent practicable, including any federal  
37 financial participation that is available or is reasonably expected  
38 to become available, in the discretion of the commissioner, under  
39 the Affordable Care Act; (4) reductions shall be made uniformly  
40 among categories of services and geographic regions of the state, to  
41 the extent practicable, and shall be made uniformly within a catego-  
42 ry of service, to the extent practicable, except where the commis-  
43 sioner determines that there are sufficient grounds for non-uniform-  
44 ity, including but not limited to: the extent to which specific  
45 categories of services contributed to department of health medicaid  
46 state funds spending in excess of the limits specified herein; the  
47 need to maintain safety net services in underserved communities; or  
48 the potential benefits of pursuing innovative payment models contem-  
49 plated by the Affordable Care Act, in which case such grounds shall  
50 be set forth in the medicaid savings allocation adjustment; and (5)

4 organizations representing health care providers, consumers, busi-  
5 nesses, workers, health insurers, and others with relevant exper-  
6 tise, in developing such medicaid savings allocation adjustment, to  
7 the extent that all or part of such adjustment, in the discretion of  
8 the commissioner, is likely to have a material impact on the overall

31 the immediate need for health care personnel in an area of the

34 such widespread risk of exposure; or (iii) any other event or condi-  
35 tion determined by the commissioner to constitute an imminent threat  
36 to public health.

37 Nothing in this paragraph shall be deemed to prevent all or part of  
38 such medicaid savings allocation adjustment from taking effect  
39 retroactively to the extent permitted by the federal centers for  
40 medicare and medicaid services.

41 In accordance with the medicaid savings allocation adjustment, the

12 ~~[\$49,118,443,000]~~ \$49,468,214,000. Provided, however, such aggre-  
13 gate limits may be adjusted by the director of the budget to account  
14 for any changes in the New York state federal medical assistance  
15 percentage amount established pursuant to the federal social securi-  
16 ty act, increases in provider revenues, reductions in local social  
17 services district payments for medical assistance administration,  
18 minimum wage increases, and beginning April 1, 2012 the operational  
19 costs of the New York state medical indemnity fund, pursuant to  
20 chapter 59 of the laws of 2011, and state costs or savings from the  
21 essential plan program. Such projections may be adjusted by the  
22 director of the budget to account for increased or expedited depart-  
23 ment of health state funds medicaid expenditures as a result of a  
24 natural or other type of disaster, including a governmental declara-  
25 tion of emergency.

26 The director of the budget, in consultation with the commissioner of  
27 health, shall assess on a quarterly basis known and projected medi-  
28 caid expenditures by category of service and by geographic region,  
29 as defined by the commissioner, incurred both prior to and subse-  
30 quent to such assessment for each such period, and if the director  
31 of the budget determines that such expenditures are expected to  
32 cause medicaid spending for such period to exceed the aggregate  
33 limit specified herein for such period, the state medicaid director,  
34 in consultation with the director of the budget and the commissioner  
35 of health, shall develop a medicaid savings allocation adjustment to  
36 limit such spending to the aggregate limit specified herein for such  
37 period.

38 Such medicaid savings allocation adjustment shall be designed, to  
39 reduce the expenditures authorized by the appropriations herein in  
40 compliance with the following guidelines: (1) reductions shall be  
41 made in compliance with applicable federal law, including the  
42 provisions of the Patient Protection and Affordable Care Act, Public  
43 Law No. 111-148, and the Health Care and Education Reconciliation  
44 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
45 Act") and any subsequent amendments thereto or regulations promul-  
46 gated thereunder; (2) reductions shall be made in a manner that  
47 complies with the state medicaid plan approved by the federal  
48 centers for medicare and medicaid services, provided, however, that  
49 the commissioner of health is authorized to submit any state plan  
50 amendment or seek other federal approval, including waiver authori-  
51 ty, to implement the provisions of the medicaid savings allocation  
52 adjustment that meets the other criteria set forth herein; (3)

1 reductions shall be made in a manner that maximizes federal finan-  
2 cial participation, to the extent practicable, including any federal  
3 financial participation that is available or is reasonably expected  
4 to become available, in the discretion of the commissioner, under  
5 the Affordable Care Act; (4) reductions shall be made uniformly  
6 among categories of services and geographic regions of the state, to  
7 the extent practicable, and shall be made uniformly within a cate-  
8 gory of service, to the extent practicable, except where the commis-  
9 sioner determines that there are sufficient grounds for non-uniform-  
10 ity, including but not limited to: the extent to which specific  
11 categories of services contributed to department of health medicaid  
12 state funds spending in excess of the limits specified herein; the  
13 need to maintain safety net services in underserved communities; or  
14 the potential benefits of pursuing innovative payment models contem-  
15 plated by the Affordable Care Act, in which case such grounds shall  
16 be set forth in the medicaid savings allocation adjustment; and (5)  
17 reductions shall be made in a manner that does not unnecessarily  
18 create administrative burdens to medicaid applicants and recipients  
19 or providers.

20 The commissioner shall seek the input of the legislature, as well as  
21 organizations representing health care providers, consumers, busi-  
22 nesses, workers, health insurers, and others with relevant exper-  
23 tise, in developing such medicaid savings allocation adjustment, to  
24 the extent that all or part of such adjustment, in the discretion of  
25 the commissioner, is likely to have a material impact on the overall  
26 medicaid program, particular categories of service or particular  
27 geographic regions of the state.

28 (a) The commissioner shall post the medicaid savings allocation  
29 adjustment on the department of health's website and shall provide  
30 written copies of such adjustment to the chairs of the senate  
31 finance and the assembly ways and means committees at least 30 days  
32 before the date on which implementation is expected to begin.

33 (b) The commissioner may revise the medicaid savings allocation  
34 adjustment subsequent to the provisions of notice and prior to  
35 implementation but needs to provide a new notice pursuant to subpar-  
36 agraph (i) of this paragraph only if the commissioner determines, in  
37 his or her discretion, that such revisions materially alter the  
38 adjustment.

39 Notwithstanding the provisions of paragraphs (a) and (b) of this  
40 subdivision, the commissioner need not seek the input described in  
41 paragraph (a) of this subdivision or provide notice pursuant to  
42 paragraph (b) of this subdivision if, in the discretion of the  
43 commissioner, expedited development and implementation of a medicaid  
44 savings allocation adjustment is necessary due to a public health  
45 emergency.

46 For purposes of this section, a public health emergency is defined as:

47 (i) a disaster, natural or otherwise, that significantly increases  
48 the immediate need for health care personnel in an area of the  
49 state; (ii) an event or condition that creates a widespread risk of  
50 exposure to a serious communicable disease, or the potential for  
51 such widespread risk of exposure; or (iii) any other event or condi-

tion determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying or discontinuing medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

The department of health shall prepare a quarterly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation adjustment implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. Each such quarterly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.

The money hereby appropriated is to be available for payment of aid heretofore accrued or hereafter accrued to municipalities, and to providers of medical services pursuant to section 367-b of the social services law, and for payment of state aid to municipalities and to providers of family care where payment systems through the fiscal intermediaries are not operational.

Notwithstanding any inconsistent provision of law to the contrary, funds may be used by the department for outside legal assistance on issues involving the federal government, the conduct of preadmission screening and annual resident reviews required by the state's medicaid program, computer matching with insurance carriers to insure that medicaid is the payer of last resort and activities related to

14 services district payments for medical assistance administration,  
15 minimum wage increases and beginning April 1, 2012 the operational  
16 costs of the New York state medical indemnity fund, pursuant to  
17 chapter 59 of the laws of 2011, and state costs or savings from the

23 The director of the budget, in consultation with the commissioner of

25 caid expenditures by category of service and by geographic region,  
26 as determined by the commissioner of health, incurred both prior to  
27 and subsequent to such assessment for each such period, and if the

4 the extent practicable, and shall be made uniformly within a category  
5 of service, to the extent practicable, except where the commissioner  
6 determines that there are sufficient grounds for non-uniformity,  
7 including but not limited to: the extent to which specific  
8 categories of services contributed to department of health medicaid  
9 state funds spending in excess of the limits specified herein; the  
10 need to maintain safety net services in underserved communities; or  
11 the potential benefits of pursuing innovative payment models contemplated  
12 by the Affordable Care Act, in which case such grounds shall  
13 be set forth in the medicaid savings allocation adjustment; and (5)  
14 reductions shall be made in a manner that does not unnecessarily

32 implementation but needs to provide a new notice pursuant to subparagraph  
33 (i) of this paragraph only if the commissioner determines, in his or her  
34 discretion, that such revisions materially alter the plan.

36 Notwithstanding the provisions of paragraphs (a) and (b) of this

17 sioner determines that there are sufficient grounds for non-uniform-  
18 ity, including but not limited to: the extent to which specific  
19 categories of services contributed to department of health medicaid  
20 state funds spending in excess of the limits specified herein; the  
21 need to maintain safety net services in underserved communities; or  
22 the potential benefits of pursuing innovative payment models contem-  
23 plated by the Affordable Care Act, in which case such grounds shall  
24 be set forth in the medicaid savings allocation adjustment; and (5)  
25 reductions shall be made in a manner that does not unnecessarily  
26 create administrative burdens to medicaid applicants and recipients  
27 or providers.
