2 by reappropriated from the same funds and made available for the same
3 purposes as the prior year's appropriations, unless herein amended, for
4 the fiscal year beginning April 1, 2022. Certain reappropriations in
5 this chapter are shown using abbreviated text, with three leader dots
6 (an ellipsis) followed by three spaces (...) used to indicate where
7 existing law that is being continued is not shown. However, unless a
8 change is clearly indicated by the use of brackets [-] for deletions and
9 underscores for additions, the purposes, amounts, funding source and all
10 other aspects pertinent to each item of appropriation shall be as last
11 appropriated.

12 For the purpose of complying with the state finance law, the year,
13 chapter and section of the last act reappropriating a former original
14 appropriation or any part thereof is, unless otherwise indicated, chap-
15 ter 53, section 1, of the laws of 2021.

16 d) No moneys appropriated by this chapter shall be available for
17 payment until a certificate of approval has been issued by the director
18 of the budget, who shall file such certificate with the department of
19 audit and control, the chairperson of the senate finance committee and
20 the chairperson of the assembly ways and means committee.

21 e) Notwithstanding any provision of law to the contrary, for purposes
22 of any appropriation made by this chapter which authorizes spending in
23 an amount net of refunds, rebates, reimbursements, credits, repayments,
24 and/or disallowances, "refunds" shall mean funds received to the state
25 resulting from the overpayment of monies, "rebates" shall mean funds
26 received to the state resulting from a return of a full or partial

29 "reimbursements" shall mean funds received to the state as repayment in
30 an equivalent amount for goods or services, including but not limited to

35 including but not limited to billing errors, rebates, and prior overpay-

42 disallowances, he or she shall credit the refunded, rebated, reimbursed,
43 credited, repaid, and disallowed amount back to the original appropri-
44 ation and reduce expenditures in the year which such credit is received
45 regardless of the timing of the initial expenditure.

46 f) Notwithstanding any other provision of law to the contrary, if the
47 state or any agency thereof incurs any costs associated with administer-
48 ing the rent regulation program in accordance with subdivision (c) of
49 section 8 of chapter 576 of the laws of 1974, as amended, for a city
50 having a population of one million or more, the director of the budget

52 city, or any department, agency, or instrumentality thereof, to perma-
53 nently reduce the amount of any other payment or payments owed to such
54 city or any department, agency, or instrumentality thereof pursuant to
55 any appropriation set forth in this chapter. Provided however, that such
56 reduction shall be in an amount equal to the costs incurred by the state

1 or agency thereof in accordance with subdivision (c) of section 8 of
2 chapter 576 of the laws of 1974 and provided further that such direction
3 shall be made in writing by the director of the budget. If the director

10 department, agency, or instrumentality thereof is entitled to any cash
11 disbursement authorized by any appropriation contained in this chapter,
12 such entitlement shall be reduced commensurate with reductions in
13 payments made in accordance with this part.

14 g) Notwithstanding any provision of law to the contrary, upon enact-

19 repealed.

20 h) The appropriations contained in this chapter shall be available for

10 education law.

11 (5) The "modified EN count" shall equal the sum of (a) the product of

14 law, plus (b) the sparsity count computed pursuant to paragraph r of
15 subdivision 1 of section 3602 of education law, plus (c) the product
16 of 0.65 multiplied by the 3-year average small area income and

25 year as computed pursuant to paragraph n of subdivision 1 of section

21 itures associated with local compliance
22 with the federal Family First Prevention
23 Services Act (P.L. 115-123); except that,
24 reimbursement from the amount appropriated
25 herein shall not be available for tuition
26 expenditures for foster children, includ-
27 ing persons in need of supervision and
28 adjudicated juvenile delinquents, made by
29 a social services district located within
30 a city having a population of one million
31 or more.

32 Notwithstanding any other provision of law,
33 a portion of the funds are available to
34 reimburse social services districts for
35 the change in the maximum state aid rates
36 established by the office of children and
37 family services for the 2022-23 rate year
38 pursuant to section 398-a of the social

1 living adjustments in the manner specified
2 by the office. Each authorized agency
3 operating a congregate care or foster
4 boarding home program in New York state
5 for which the office sets a maximum state
6 aid rate pursuant to section 398-a of the
7 social services law or section 4003 or
8 4405 of the education law shall submit, at
9 the time and in a manner to be determined
10 by the office, a written certification,
11 attesting that the funds received for the
12 continuation of the cost of living adjust-
13 ment to the maximum state aid rate that
14 became effective April 1, 2008 for that
15 program will be or were used solely in
16 accordance with the requirements of the
17 cost of living adjustment established by
18 the office.

19 Notwithstanding any inconsistent provision
20 of law except a chapter of the laws of
21 2022 authorizing a 5.4 percent cost of
22 living adjustment increase for the period
23 commencing on April 1, 2022 and ending
24 March 31, 2023, the commissioner shall not
25 apply any other cost of living adjustment
26 for the purpose of establishing rates of
27 payments, contracts or any other form of
28 reimbursement.

29 Within the amounts appropriated herein,
30 state reimbursement to each social
31 services district for services identified
32 herein that are otherwise reimbursable by
33 the state from April 1, 2022 through March
34 31, 2023 shall be limited to a district
35 allocation, hereinafter referred to as the
36 district's block grant allocation.
37 Notwithstanding any other provision of
38 law, such block grant allocation shall be
39 based, in part, on each district's claims
40 for such costs, adjusted by the applicable
41 cost allocation methodology and net of any
42 retroactive payments for the 12 month
43 period ending June 30, 2021 that are
44 submitted on or before January 3, 2022
45 and, in part, on such other factors as
46 determined by the office of children and
47 family services and approved by the direc-

50 appropriated herein not claimed by such
51 district during the state fiscal year may

1 be used by such district for expenditures
2 on preventive services provided pursuant
3 to section 409-a of the social services
4 law, independent living services and
5 aftercare services provided pursuant to
6 regulations of the department of family
7 assistance, claimed by such district
8 during the next state fiscal year up to
9 the amount remaining from the district's
10 foster care block grant allocation,
11 provided however, that any claims for such
12 services during the next state fiscal year
13 in excess of such amount shall be subject
14 to 62 percent state reimbursement exclu-
15 sive of any federal funds made available
16 for such purposes, in accordance with
17 directives of the department of family
18 assistance and subject to the approval of
19 the director of the budget. Any claims
20 submitted by a social services district
21 for reimbursement for a particular state
22 fiscal year for which the social services
23 district does not receive state or federal
24 reimbursement during that state fiscal
25 year may not be claimed against that
26 district's block grant apportionment for
27 the next state fiscal year.

28 The office of children and family services,
29 with the approval of the director of the
30 budget, may reduce a district's block
31 grant allocation by the state share
32 decrease related to federal retroactive
33 reimbursement for such foster care
34 services identified herein. The office,
35 with the approval of the director of the
36 budget, may reduce a district's block
37 grant allocation by the state share of
38 disallowances or sanctions taken against
39 the district pursuant to the social
40 services law or federal law.

41 Notwithstanding any other provision of law,
42 the state shall not be responsible for
43 reimbursing a social services district and
44 a district shall not seek state reimburse-
45 ment for any portion of any state disal-

1 of the social services district to comply
2 with federal or state requirements,
3 including, but not limited to, failure to
4 document eligibility for federal or state
5 funds in the case record; provided, howev-
6 er, if the office determines that any
7 federal disallowance for services provided
8 between January 1, 1999 and May 31, 1999
9 results solely from the late enactment of
10 the state legislation implementing the
11 federal adoption and safe families act,
12 the state shall be solely responsible for
13 the full amount of the disallowance or
14 sanction; provided, further, however, this
15 provision shall be deemed to apply both
16 prospectively and retroactively regardless
17 of whether such sanctions or disallowances
18 are for services provided or claims made
19 prior to or after April 1, 2022.

20 Notwithstanding any other provision of law,
21 any federal disallowance resulting from a
22 federal title IV-E eligibility review or
23 audit that uses extrapolated statistic
24 techniques shall be passed along by the
25 state to any and all social services
26 districts that the office of children and
27 family services has determined have not
28 complied with the title IV-E eligibility
29 requirements or have not taken the neces-
30 sary actions to ensure compliance with
31 such requirements including, but not
32 limited to, failing to: assess and fully
33 document all the criteria and have readily
34 available all the necessary documents to
35 establish and continue title IV-E eligi-
36 bility for all title IV-E eligible chil-
37 dren within the required time frames;
38 claim title IV-E funding only for cases
39 that meet all of the title IV-E eligibil-
40 ity criteria; and fully implement the
41 social services payment system on or
42 before April 1, 2005 for all direct and
43 voluntary agency foster care services.

44 Notwithstanding any law to the contrary, the
45 office of children and family services
46 shall impose on social services districts
47 any federal disallowance issued against
48 the state as a result of a federal title
49 IV-E secondary eligibility review regard-
50 less of the date the children may have
51 entered foster care, the date the eligi-

bility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated disallowance amount based on the relative error rate for the district. The city of New York's error rate will be based on the federal sample and federal statistics. For all social services districts other than the city of New York, the error rate will be based on a review conducted by the district of a sample of children and/or cases determined by the office of children and family services and a re-review of a sub-sample by the office of those children

1 and/or cases determined by the office. The
2 office of children and family services
3 will determine what is reasonable in
4 establishing the size of the sample and
5 sub-sample for each district. The office
6 of children and family services shall
7 notify each social services district of
8 the sample of children and/or cases from
9 the federal audit period that the social
10 services district must review. Any child
11 or case from the social services district
12 that was included in the federal sample
13 will automatically be included in the
14 social services district's review sample
15 and the determination made at the federal
16 review regarding that child or case will
17 govern for the purposes of the social
18 services district's review. The social
19 services district must complete and submit
20 the results of its review to the office of
21 children and family services within 60
22 days of receipt of the sample. The error
23 rate for the district will be based on the
24 findings of the district's review and the
25 office of children and family services'
26 re-review. If a social services district
27 does not complete its review within 60
28 days of receiving the sample from the
29 office of children and family services,
30 the office of children and family services
31 shall assign an error rate to the social
32 services district based on the relative
33 percentage of the district's applicable
34 title IV-E claims for the relevant period
35 as compared to applicable statewide title
36 IV-E claims for that period and other
37 circumstances that the office of children
38 and family services may consider in order
39 to allocate 100 percent of the federal
40 disallowance. The office of children and
41 family services shall apply each social
42 services district's error rate to the
43 total amount of the district's applicable
44 title IV-E claims including associated
45 administrative expenses. The resulting
46 dollar amounts for all of the social
47 services districts will be summed to
48 derive the total amount of title IV-E
49 claims deemed to be in error statewide. To
50 establish a disallowance percentage for
51 each social services district, the amount

OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES 2022-23

1 of the district's title IV-E claims deemed
2 to be in error will be divided by the
3 amount of statewide title IV-E claims
4 deemed to be in error. The resulting
5 disallowance percentage for each district
6 will be applied to the entire title IV-E
7 extrapolated disallowance calculated by
8 the federal review to determine the amount
9 of the extrapolated disallowance for which
10 the district is responsible. Each district
11 will be credited for the amount already
12 disallowed for any individual children or
13 cases found to be in error during the
14 federal review. The exclusive appeal
15 rights for the review of the amount of the
16 federal disallowance assigned to each
17 social services district shall be pursuant
18 to article 78 of the civil practice law
19 and rules; provided, however, that in any
20 such action all of the social services
21 districts shall be joined as necessary
22 parties and the venue of any such action
23 shall be in Rensselaer county. Any social
24 services district that fails to complete
25 its sample review in the required time
26 frames shall have no right to appeal and
27 shall not be a necessary party to any
28 action brought by another social services
29 district.

44 itures for the provision and administration of foster care services
45 including care, maintenance, supervision, and tuition; for super-

vision of foster children placed in federally funded job corps programs; for care, maintenance, supervision, and tuition for adjudicated juvenile delinquents placed in residential programs operated by authorized agencies and in out-of-state residential programs; for the provision and administration of the kinship guardian assistance program including kinship guardianship assistance payments and payments for non-recurring guardianship expenses and eligible expenditures associated with local compliance with the federal Family First Prevention Services Act (P.L. 115-123); except that, reimbursement from the amount appropriated herein shall not be available for tuition expenditures for foster children, including persons in need of supervision and adjudicated juvenile delinquents, made by a social services district located within a city having a population of one million or more.

Notwithstanding any other provision of law, a portion of the funds are available to reimburse social services districts for the change in the maximum state aid rates established by the office of children and family services for the 2021-22 rate year pursuant to section 398-a of the social services law and sections 4003 and 4405 of the education law to reflect the continuation of the cost of living adjustments that became effective April 1, 2008 for payments made to foster parents and for salary and fringe benefit costs and other critical nonpersonal services costs for foster care programs as determined by the office. Social services districts must adjust the amount of payments made for care provided by congregate care and foster boarding home programs and to foster parents to reflect the cost of living adjustments in the manner specified by the office. Each authorized agency operating a congregate care or foster boarding home program in New York state for which the office sets a maximum state aid rate pursuant to section 398-a of the social services law or section 4003 or 4405 of the education law shall submit, at the time and in a manner to be determined by the office, a written certification, attesting that the funds received for the continuation of the cost of living adjustment to the maximum state aid rate that became effective April 1, 2008 for that program will be or were used solely in accordance with the requirements of the cost of living adjustment established by the office.

Notwithstanding any inconsistent provision of law except a chapter of the laws of 2021 authorizing a 1 percent cost of living adjustment increase, but including section 1 of part C of chapter 57 of the laws of 2006, as amended by section 1 of part I of chapter 60 of the laws of 2014, for the period commencing on April 1, 2021 and ending March 31, 2022 the director shall not apply any other cost of living adjustment for the purpose of establishing rates of payments, contracts or any other form of reimbursement.

Within the amounts appropriated herein, state reimbursement to each social services district for services identified herein that are otherwise reimbursable by the state from April 1, 2021 through March 31, 2022 shall be limited to a district allocation, hereinafter referred to as the district's block grant allocation. Notwithstanding any other provision of law, such block grant allocation shall be

1 based, in part, on each district's claims for such costs, adjusted
2 by the applicable cost allocation methodology and net of any retro-
3 active payments for the 12 month period ending June 30, 2020 that
4 are submitted on or before January 2, 2021 and, in part, on such
5 other factors as determined by the office of children and family
6 services and approved by the director of the budget. Any portion of
7 a social services district's allocation from funds appropriated
8 herein not claimed by such district during the state fiscal year may
9 be used by such district for expenditures on preventive services
10 provided pursuant to section 409-a of the social services law, inde-
11 pendent living services and aftercare services provided pursuant to
12 regulations of the department of family assistance, claimed by such
13 district during the next state fiscal year up to the amount remain-
14 ing from the district's foster care block grant allocation, provided
15 however, that any claims for such services during the next state
16 fiscal year in excess of such amount shall be subject to 62 percent
17 state reimbursement exclusive of any federal funds made available
18 for such purposes, in accordance with directives of the department
19 of family assistance and subject to the approval of the director of
20 the budget. Any claims submitted by a social services district for
21 reimbursement for a particular state fiscal year for which the
22 social services district does not receive state or federal
23 reimbursement during that state fiscal year may not be claimed
24 against that district's block grant apportionment for the next state
25 fiscal year.

26 The office of children and family services, with the approval of the
27 director of the budget, may reduce a district's block grant allo-
28 cation by the state share decrease related to federal retroactive
29 reimbursement for such foster care services identified herein. The
30 office, with the approval of the director of the budget, may reduce
31 a district's block grant allocation by the state share of disallow-
32 ances or sanctions taken against the district pursuant to the social
33 services law or federal law.

34 Notwithstanding any other provision of law, the state shall not be
35 responsible for reimbursing a social services district and a
36 district shall not seek state reimbursement for any portion of any
37 state disallowance or sanction taken against the social services
38 district, or any federal disallowance attributable to final federal
39 agency decisions or to settlement made, on or after July 1, 1995,
40 when such disallowance or sanction results from the failure of the
41 social services district to comply with federal or state require-
42 ments, including, but not limited to, failure to document eligibil-
43 ity for federal or state funds in the case record; provided, howev-
44 er, if the office determines that any federal disallowance for
45 services provided between January 1, 1999 and May 31, 1999 results
46 solely from the late enactment of the state legislation implementing
47 the federal adoption and safe families act, the state shall be sole-
48 ly responsible for the full amount of the disallowance or sanction;
49 provided, further, however, this provision shall be deemed to apply
50 both prospectively and retroactively regardless of whether such

sanctions or disallowances are for services provided or claims made prior to or after April 1, 2021.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated disallowance amount based on the relative error rate for the district. The city of New York's error rate will be based on the federal sample and federal statistics. For all social services districts other than the city of New York, the error rate will be based on a review conducted by the district of a sample of children

1 and/or cases determined by the office of children and family
2 services and a re-review of a sub-sample by the office of those
3 children and/or cases determined by the office. The office of chil-
4 dren and family services will determine what is reasonable in estab-
5 lishing the size of the sample and sub-sample for each district. The
6 office of children and family services shall notify each social
7 services district of the sample of children and/or cases from the
8 federal audit period that the social services district must review.
9 Any child or case from the social services district that was
10 included in the federal sample will automatically be included in the
11 social services district's review sample and the determination made
12 at the federal review regarding that child or case will govern for
13 the purposes of the social services district's review. The social
14 services district must complete and submit the results of its review
15 to the office of children and family services within 60 days of
16 receipt of the sample. The error rate for the district will be based
17 on the findings of the district's review and the office of children
18 and family services' re-review. If a social services district does
19 not complete its review within 60 days of receiving the sample from
20 the office of children and family services, the office of children
21 and family services shall assign an error rate to the social
22 services district based on the relative percentage of the district's
23 applicable title IV-E claims for the relevant period as compared to
24 applicable statewide title IV-E claims for that period and other
25 circumstances that the office of children and family services may
26 consider in order to allocate 100 percent of the federal disallow-
27 ance. The office of children and family services shall apply each
28 social services district's error rate to the total amount of the
29 district's applicable title IV-E claims including associated admin-
30 istrative expenses. The resulting dollar amounts for all of the
31 social services districts will be summed to derive the total amount
32 of title IV-E claims deemed to be in error statewide. To establish a
33 disallowance percentage for each social services district, the
34 amount of the district's title IV-E claims deemed to be in error
35 will be divided by the amount of statewide title IV-E claims deemed
36 to be in error. The resulting disallowance percentage for each
37 district will be applied to the entire title IV-E extrapolated
38 disallowance calculated by the federal review to determine the
39 amount of the extrapolated disallowance for which the district is
40 responsible. Each district will be credited for the amount already
41 disallowed for any individual children or cases found to be in error
42 during the federal review. The exclusive appeal rights for the
43 review of the amount of the federal disallowance assigned to each
44 social services district shall be pursuant to article 78 of the
45 civil practice law and rules; provided, however, that in any such
46 action all of the social services districts shall be joined as
47 necessary parties and the venue of any such action shall be in Rens-
48 selaer county. Any social services district that fails to complete
49 its sample review in the required time frames shall have no right to
50 appeal and shall not be a necessary party to any action brought by
51 another social services district.

2 and family services for the 2020-21 rate year pursuant to section
3 398-a of the social services law and sections 4003 and 4405 of the
4 education law to reflect the continuation of the cost of living
5 adjustments that became effective April 1, 2008 for payments made to
6 foster parents and for salary and fringe benefit costs and other
7 critical nonpersonal services costs for foster care programs as
8 determined by the office. Social services districts must adjust the
9 amount of payments made for care provided by congregate care and
10 foster boarding home programs and to foster parents to reflect the
11 cost of living adjustments in the manner specified by the office.
12 Each authorized agency operating a congregate care or foster board-
13 ing home program in New York state for which the office sets a maxi-
14 mum state aid rate pursuant to section 398-a of the social services
15 law or section 4003 or 4405 of the education law shall submit, at
16 the time and in a manner to be determined by the office, a written
17 certification, attesting that the funds received for the continua-
18 tion of the cost of living adjustment to the maximum state aid rate
19 that became effective April 1, 2008 for that program will be or were
20 used solely in accordance with the requirements of the cost of
21 living adjustment established by the office.

22 Notwithstanding any inconsistent provision of law, for the period
23 commencing on April 1, 2020 and ending March 31, 2021 the commis-
24 sioner shall not apply any cost of living adjustment for the purpose
25 of establishing rates of payments, contracts or any other form of
26 reimbursement.

27 Within the amounts appropriated herein, state reimbursement to each
28 social services district for services identified herein that are
29 otherwise reimbursable by the state from April 1, 2020 through March
30 31, 2021 shall be limited to a district allocation, hereinafter
31 referred to as the district's block grant allocation. Notwithstand-
32 ing any other provision of law, such block grant allocation shall be
33 based, in part, on each district's claims for such costs, adjusted
34 by the applicable cost allocation methodology and net of any retro-
35 active payments for the 12 month period ending June 30, 2019 that
36 are submitted on or before January 2, 2020 and, in part, on such
37 other factors as determined by the office of children and family
38 services and approved by the director of the budget. Any portion of
39 a social services district's allocation from funds appropriated
40 herein not claimed by such district during the state fiscal year may
41 be used by such district for expenditures on preventive services
42 provided pursuant to section 409-a of the social services law, inde-
43 pendent living services and aftercare services provided pursuant to
44 regulations of the department of family assistance, claimed by such
45 district during the next state fiscal year up to the amount remain-
46 ing from the district's foster care block grant allocation, provided
47 however, that any claims for such services during the next state
48 fiscal year in excess of such amount shall be subject to 62 percent
49 state reimbursement exclusive of any federal funds made available
50 for such purposes, in accordance with directives of the department

2 reimbursement for a particular state fiscal year for which the
3 social services district does not receive state or federal
4 reimbursement during that state fiscal year may not be claimed
5 against that district's block grant apportionment for the next state
6 fiscal year.

7 The office of children and family services, with the approval of the
8 director of the budget, may reduce a district's block grant allo-
9 cation by the state share decrease related to federal retroactive
10 reimbursement for such foster care services identified herein. The
11 office, with the approval of the director of the budget, may reduce
12 a district's block grant allocation by the state share of disallow-
13 ances or sanctions taken against the district pursuant to the social
14 services law or federal law.

15 Notwithstanding any other provision of law, the state shall not be
16 responsible for reimbursing a social services district and a
17 district shall not seek state reimbursement for any portion of any
18 state disallowance or sanction taken against the social services
19 district, or any federal disallowance attributable to final federal
20 agency decisions or to settlement made, on or after July 1, 1995,
21 when such disallowance or sanction results from the failure of the
22 social services district to comply with federal or state require-
23 ments, including, but not limited to, failure to document eligibil-
24 ity for federal or state funds in the case record; provided, howev-
25 er, if the office determines that any federal disallowance for
26 services provided between January 1, 1999 and May 31, 1999 results
27 solely from the late enactment of the state legislation implementing
28 the federal adoption and safe families act, the state shall be sole-
29 ly responsible for the full amount of the disallowance or sanction;
30 provided, further, however, this provision shall be deemed to apply
31 both prospectively and retroactively regardless of whether such
32 sanctions or disallowances are for services provided or claims made
33 prior to or after April 1, 2020.

34 Notwithstanding any other provision of law, any federal disallowance
35 resulting from a federal title IV-E eligibility review or audit that
36 uses extrapolated statistic techniques shall be passed along by the
37 state to any and all social services districts that the office of
38 children and family services has determined have not complied with
39 the title IV-E eligibility requirements or have not taken the neces-
40 sary actions to ensure compliance with such requirements including,
41 but not limited to, failing to: assess and fully document all the
42 criteria and have readily available all the necessary documents to
43 establish and continue title IV-E eligibility for all title IV-E
44 eligible children within the required time frames; claim title IV-E
45 funding only for cases that meet all of the title IV-E eligibility
46 criteria; and fully implement the social services payment system on
47 or before April 1, 2005 for all direct and voluntary agency foster
48 care services.

49 Notwithstanding any law to the contrary, the office of children and
50 family services shall impose on social services districts any feder-
51 al disallowance issued against the state as a result of a federal

1 title IV-E secondary eligibility review regardless of the date the
2 children may have entered foster care, the date the eligibility or
3 payment errors occurred, or the filing date of any federal claims
4 for reimbursement; provided, however, that the state shall be
5 responsible for the disallowed costs and expenditures related to the
6 placement of children in a facility operated by the office of chil-
7 dren and family services, which shall be determined in the same
8 manner as the disallowed costs and expenditures for social services
9 districts other than the city of New York. In order to reimburse the
10 federal government for the full amount of any disallowance imposed
11 on the state by the federal administration for children and families
12 within the timeframes necessary to avoid any potential interest
13 payments on such amount, the office of children and family services
14 is authorized to immediately offset funds otherwise due to each
15 district for a pro rata share of the total disallowed costs based on
16 the percentage of applicable federal title IV-E claims made by that
17 district for the relevant time period as compared to the total
18 applicable statewide title IV-E claims. The amount of the offset
19 against each district will be adjusted, if necessary, upon
20 completion of the disallowance allocation process. The final allo-
21 cation of the amount of any federal disallowance resulting from a
22 title IV-E secondary eligibility review shall be allocated among the
23 districts so that each district shall be responsible for the amount
24 attributable to each of the district's children or cases that are
25 determined by the federal review to be unallowable. Each district
26 shall also be responsible for a portion of the federal extrapolated
27 disallowance amount based on the relative error rate for the
28 district. The city of New York's error rate will be based on the
29 federal sample and federal statistics. For all social services
30 districts other than the city of New York, the error rate will be
31 based on a review conducted by the district of a sample of children
32 and/or cases determined by the office of children and family
33 services and a re-review of a sub-sample by the office of those
34 children and/or cases determined by the office. The office of chil-
35 dren and family services will determine what is reasonable in estab-
36 lishing the size of the sample and sub-sample for each district.
37 The office of children and family services shall notify each social
38 services district of the sample of children and/or cases from the
39 federal audit period that the social services district must review.
40 Any child or case from the social services district that was
41 included in the federal sample will automatically be included in the
42 social services district's review sample and the determination made
43 at the federal review regarding that child or case will govern for
44 the purposes of the social services district's review. The social
45 services district must complete and submit the results of its review
46 to the office of children and family services within 60 days of
47 receipt of the sample. The error rate for the district will be based
48 on the findings of the district's review and the office of children
49 and family services' re-review. If a social services district does
50 not complete its review within 60 days of receiving the sample from
51 the office of children and family services, the office of children

1 and family services shall assign an error rate to the social
2 services district based on the relative percentage of the district's
3 applicable title IV-E claims for the relevant period as compared to
4 applicable statewide title IV-E claims for that period and other
5 circumstances that the office of children and family services may
6 consider in order to allocate 100 percent of the federal disallow-
7 ance. The office of children and family services shall apply each
8 social services district's error rate to the total amount of the
9 district's applicable title IV-E claims including associated admin-
10 istrative expenses. The resulting dollar amounts for all of the
11 social services districts will be summed to derive the total amount
12 of title IV-E claims deemed to be in error statewide. To establish a
13 disallowance percentage for each social services district, the
14 amount of the district's title IV-E claims deemed to be in error
15 will be divided by the amount of statewide title IV-E claims deemed
16 to be in error. The resulting disallowance percentage for each
17 district will be applied to the entire title IV-E extrapolated
18 disallowance calculated by the federal review to determine the
19 amount of the extrapolated disallowance for which the district is
20 responsible. Each district will be credited for the amount already
21 disallowed for any individual children or cases found to be in error
22 during the federal review. The exclusive appeal rights for the
23 review of the amount of the federal disallowance assigned to each
24 social services district shall be pursuant to article 78 of the
25 civil practice law and rules; provided, however, that in any such
26 action all of the social services districts shall be joined as
27 necessary parties and the venue of any such action shall be in Rens-
28 selaer county. Any social services district that fails to complete
29 its sample review in the required time frames shall have no right to
30 appeal and shall not be a necessary party to any action brought by
31 another social services district.

32 The money hereby appropriated is to be available for payment of state
33 aid heretofore accrued or hereafter to accrue to municipalities.
34 Subject to the approval of the director of the budget, such funds
35 shall be available to the office net of disallowances, refunds,
36 reimbursements, and credits.

37 Notwithstanding any inconsistent provision of law, the amount herein
38 appropriated may be transferred to any other appropriation within
39 the office of children and family services and/or the office of
40 temporary and disability assistance and/or suballocated to the
41 office of temporary and disability assistance for the purpose of
42 paying local social services districts' costs of the above program
43 and may be increased or decreased by interchange with any other
44 appropriation or with any other item or items within the amounts
45 appropriated within the office of children and family services
46 general fund - local assistance account with the approval of the
47 director of the budget who shall file such approval with the depart-
48 ment of audit and control and copies thereof with the chairman of

14 \$53,615,265,000. Provided, however, such

41 defined by the commissioner, incurred both
42 prior to and subsequent to such assessment
43 for each such period, and if the director
44 of the budget determines that such expend-
45 itures are expected to cause medicaid
46 spending for such period to exceed the
47 aggregate limit specified herein for such
48 period, the state medicaid director, in
49 consultation with the director of the

3 Such medicaid savings allocation adjustment
4 shall be designed, to reduce the expendi-

6 herein in compliance with the following
7 guidelines: (1) reductions shall be made
8 in compliance with applicable federal law,
9 including the provisions of the Patient
10 Protection and Affordable Care Act, Public
11 Law No. 111-148, and the Health Care and

13 Public Law No. 111-152 (collectively
14 "Affordable Care Act") and any subsequent
15 amendments thereto or regulations promul-
16 gated thereunder; (2) reductions shall be
17 made in a manner that complies with the
18 state medicaid plan approved by the feder-
19 al centers for medicare and medicaid
20 services, provided, however, that the
21 commissioner of health is authorized to
22 submit any state plan amendment or seek
23 other federal approval, including waiver
24 authority, to implement the provisions of
25 the medicaid savings allocation adjustment
26 that meets the other criteria set forth
27 herein; (3) reductions shall be made in a
28 manner that maximizes federal financial
29 participation, to the extent practicable,
30 including any federal financial partic-
31 ipation that is available or is reasonably
32 expected to become available, in the
33 discretion of the commissioner, under the
34 Affordable Care Act; (4) reductions shall
35 be made uniformly among categories of
36 services and geographic regions of the
37 state, to the extent practicable, and
38 shall be made uniformly within a category
39 of service, to the extent practicable,
40 except where the commissioner determines
41 that there are sufficient grounds for
42 non-uniformity, including but not limited
43 to: the extent to which specific catego-
44 ries of services contributed to department
45 of health medicaid state funds spending in
46 excess of the limits specified herein; the
47 need to maintain safety net services in
48 underserved communities; or the potential
49 benefits of pursuing innovative payment

1 cation adjustment; and (5) reductions
2 shall be made in a manner that does not
3 unnecessarily create administrative
4 burdens to medicaid applicants and recipi-
5 ents or providers.

6 The commissioner shall seek the input of the
7 legislature, as well as organizations
8 representing health care providers,
9 consumers, businesses, workers, health
10 insurers, and others with relevant exper-
11 tise, in developing such medicaid savings
12 allocation adjustment, to the extent that
13 all or part of such adjustment, in the
14 discretion of the commissioner, is likely
15 to have a material impact on the overall
16 medicaid program, particular categories of
17 service or particular geographic regions
18 of the state.

19 (a) The commissioner shall post the medicaid
20 savings allocation adjustment on the
21 department of health's website and shall
22 provide written copies of such adjustment
23 to the chairs of the senate finance and
24 the assembly ways and means committees at
25 least 30 days before the date on which
26 implementation is expected to begin.

27 (b) The commissioner may revise the medicaid
28 savings allocation adjustment subsequent
29 to the provisions of notice and prior to
30 implementation but needs to provide a new
31 notice pursuant to subparagraph (i) of
32 this paragraph only if the commissioner
33 determines, in his or her discretion, that
34 such revisions materially alter the
35 adjustment.

36 Notwithstanding the provisions of paragraphs
37 (a) and (b) of this subdivision, the
38 commissioner need not seek the input
39 described in paragraph (a) of this subdivi-
40 sion or provide notice pursuant to para-
41 graph (b) of this subdivision if, in the
42 discretion of the commissioner, expedited
43 development and implementation of a medi-
44 caid savings allocation adjustment is
45 necessary due to a public health emergen-
46 cy.

47 For purposes of this section, a public
48 health emergency is defined as: (i) a
49 disaster, natural or otherwise, that
50 significantly increases the immediate need
51 for health care personnel in an area of
52 the state; (ii) an event or condition that

1 creates a widespread risk of exposure to a
2 serious communicable disease, or the
3 potential for such widespread risk of
4 exposure; or (iii) any other event or
5 condition determined by the commissioner
6 to constitute an imminent threat to public
7 health.

8 Nothing in this paragraph shall be deemed to
9 prevent all or part of such medicaid
10 savings allocation adjustment from taking
11 effect retroactively to the extent permit-
12 ted by the federal centers for medicare
13 and medicaid services.

14 In accordance with the medicaid savings
15 allocation adjustment, the commissioner of
16 the department of health shall reduce
17 department of health state funds medicaid
18 spending by the amount of the projected
19 overspending through, actions including,
20 but not limited to modifying or suspending
21 reimbursement methods, including but not
22 limited to all fees, premium levels and

24 provision of law that sets a specific
25 amount or methodology for any such
26 payments or rates of payment; modifying or
27 discontinuing medicaid program benefits;
28 seeking all necessary federal approvals,
29 including, but not limited to waivers,
30 waiver amendments; and suspending time
31 frames for notice, approval or certif-
32 ication of rate requirements, notwith-
33 standing any provision of law, rule or
34 regulation to the contrary, including but
35 not limited to sections 2807 and 3614 of
36 the public health law, section 18 of chap-

39 The department of health shall prepare a
40 quarterly report that sets forth: (a)
41 known and projected department of health
42 medicaid expenditures as described in
43 subdivision (1) of this section, and
44 factors that could result in medicaid
45 disbursements for the relevant state
46 fiscal year to exceed the projected
47 department of health state funds disburse-
48 ments in the enacted budget financial plan
49 pursuant to subdivision 3 of section 23 of

7 this section, including information
8 concerning the impact of such actions on
9 each category of service and each
10 geographic region of the state. Each such
11 quarterly report shall be provided to the
12 chairs of the senate finance and the
13 assembly ways and means committees and

2 [~~\$49,118,443,000~~] \$49,468,214,000 provided, however, such aggregate
3 limits may be adjusted by the director of the budget to account for
4 any changes in the New York state federal medical assistance
5 percentage amount established pursuant to the federal social securi-
6 ty act, increases in provider revenues, reductions in local social
7 services district payments for medical assistance administration,
8 minimum wage increases, and beginning April 1, 2012 the operational
9 costs of the New York state medical indemnity fund, pursuant to
10 chapter 59 of the laws of 2011, and state costs or savings from the
11 essential plan program. Such projections may be adjusted by the
12 director of the budget to account for increased or expedited depart-
13 ment of health state funds medicaid expenditures as a result of a
14 natural or other type of disaster, including a governmental declara-
15 tion of emergency.

16 The director of the budget, in consultation with the commissioner of
17 health, shall assess on a quarterly basis known and projected medi-
18 caid expenditures by category of service and by geographic region,
19 as determined by the commissioner of health, incurred both prior to
20 and subsequent to such assessment for each such period, and if the
21 director of the budget determines that such expenditures are
22 expected to cause medicaid spending for such period to exceed the
23 aggregate limit specified herein for such period, the state medicaid
24 director, in consultation with the director of the budget and the
25 commissioner of health, shall develop a medicaid savings allocation
26 adjustment to limit such spending to the aggregate limit specified
27 herein for such period.

28 Such medicaid savings allocation adjustment shall be designed, to
29 reduce the expenditures authorized by the appropriations herein in
30 compliance with the following guidelines: (1) reductions shall be
31 made in compliance with applicable federal law, including the
32 provisions of the Patient Protection and Affordable Care Act, Public
33 Law No. 111-148, and the Health Care and Education Reconciliation
34 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
35 Act") and any subsequent amendments thereto or regulations promul-
36 gated thereunder; (2) reductions shall be made in a manner that
37 complies with the state medicaid plan approved by the federal
38 centers for medicare and medicaid services, provided, however, that
39 the commissioner of health is authorized to submit any state plan
40 amendment or seek other federal approval, including waiver authori-
41 ty, to implement the provisions of the medicaid savings allocation
42 adjustment that meets the other criteria set forth herein; (3)
43 reductions shall be made in a manner that maximizes federal finan-
44 cial participation, to the extent practicable, including any federal
45 financial participation that is available or is reasonably expected
46 to become available, in the discretion of the commissioner, under
47 the Affordable Care Act; (4) reductions shall be made uniformly
48 among categories of services and geographic regions of the state, to
49 the extent practicable, and shall be made uniformly within a cate-
50 gory of service, to the extent practicable, except where the commis-
51 sioner determines that there are sufficient grounds for non-uniform-
52 ity, including but not limited to: the extent to which specific

categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such adjustment to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the adjustment.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as:

(i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited

9 public health law, section 18 of chapter 2 of the laws of 1988, and
10 18 NYCRR 505.14(h).

11 The department of health shall prepare a quarterly report that sets
12 forth: (a) known and projected department of health medicaid expend-
13 itures as described in subdivision (1) of this section, and factors
14 that could result in medicaid disbursements for the relevant state
15 fiscal year to exceed the projected department of health state funds
16 disbursements in the enacted budget financial plan pursuant to
17 subdivision 3 of section 23 of the state finance law, including
18 spending increases or decreases due to: enrollment fluctuations,
19 rate changes, utilization changes, MRT investments, and shift of
20 beneficiaries to managed care; and variations in offline medicaid
21 payments; and (b) the actions taken to implement any medicaid
22 savings allocation adjustment implemented pursuant to subdivision

27 tees and shall be posted on the department of health's website in a
28 timely manner.

25 services district payments for medical assistance administration,
26 minimum wage increases, and beginning April 1, 2012 the operational

34 The director of the budget, in consultation with the commissioner of
35 health, shall assess on a quarterly basis known and projected medi-
36 caid expenditures by category of service and by geographic region,
37 as defined by the commissioner, incurred both prior to and subse-
38 quent to such assessment for each such period, and if the director
39 of the budget determines that such expenditures are expected to
40 cause medicaid spending for such period to exceed the aggregate
41 limit specified herein for such period, the state medicaid director,
42 in consultation with the director of the budget and the commissioner
43 of health, shall develop a medicaid savings allocation adjustment to
44 limit such spending to the aggregate limit specified herein for such

50 provisions of the Patient Protection and Affordable Care Act, Public
51 Law No. 111-148, and the Health Care and Education Reconciliation
52 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care

Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation adjustment that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such adjustment to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the adjustment.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid

8 such widespread risk of exposure; or (iii) any other event or condi-

13 retroactively to the extent permitted by the federal centers for
14 medicare and medicaid services.

15 In accordance with the medicaid savings allocation adjustment, the
16 commissioner of the department of health shall reduce department of

27 lation to the contrary, including but not limited to sections 2807
28 and 3614 of the public health law, section 18 of chapter 2 of the
29 laws of 1988, and 18 NYCRR 505.14(h).

30 The department of health shall prepare a quarterly report that sets
31 forth: (a) known and projected department of health medicaid expend-
32 itures as described in subdivision (1) of this section, and factors
33 that could result in medicaid disbursements for the relevant state
34 fiscal year to exceed the projected department of health state funds
35 disbursements in the enacted budget financial plan pursuant to
36 subdivision 3 of section 23 of the state finance law, including
37 spending increases or decreases due to: enrollment fluctuations,
38 rate changes, utilization changes, MRT investments, and shift of
39 beneficiaries to managed care; and variations in offline medicaid
40 payments; and (b) the actions taken to implement any medicaid
41 savings allocation adjustment implemented pursuant to subdivision
42 (4) of this section, including information concerning the impact of
43 such actions on each category of service and each geographic region
44 of the state. Each such quarterly report shall be provided to the
45 chairs of the senate finance and the assembly ways and means commit-
46 tees and shall be posted on the department of health's website in a
47 timely manner.

9 ~~[\$49,118,443,000]~~ \$49,468,214,000 provided, however, such aggregate
10 limits may be adjusted by the director of the budget to account for
11 any changes in the New York state federal medical assistance
12 percentage amount established pursuant to the federal social securi-
13 ty act, increases in provider revenues, reductions in local social
14 services district payments for medical assistance administration,
15 minimum wage increases and beginning April 1, 2012 the operational
16 costs of the New York state medical indemnity fund, pursuant to
17 chapter 59 of the laws of 2011, and state costs or savings from the
18 essential plan program. Such projections may be adjusted by the
19 director of the budget to account for increased or expedited depart-
20 ment of health state funds medicaid expenditures as a result of a
21 natural or other type of disaster, including a governmental declara-
22 tion of emergency.

23 The director of the budget, in consultation with the commissioner of
24 health, shall assess on a quarterly basis known and projected medi-
25 caid expenditures by category of service and by geographic region,
26 as determined by the commissioner of health, incurred both prior to
27 and subsequent to such assessment for each such period, and if the
28 director of the budget determines that such expenditures are
29 expected to cause medicaid spending for such period to exceed the
30 aggregate limit specified herein for such period, the state medicaid
31 director, in consultation with the director of the budget and the
32 commissioner of health, shall develop a medicaid savings allocation
33 adjustment to limit such spending to the aggregate limit specified
34 herein for such period.

35 Such medicaid savings allocation adjustment shall be designed, to
36 reduce the expenditures authorized by the appropriations herein in
37 compliance with the following guidelines: (1) reductions shall be
38 made in compliance with applicable federal law, including the
39 provisions of the Patient Protection and Affordable Care Act, Public
40 Law No. 111-148, and the Health Care and Education Reconciliation
41 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
42 Act") and any subsequent amendments thereto or regulations promul-

44 complies with the state medicaid plan approved by the federal
45 centers for medicare and medicaid services, provided, however, that
46 the commissioner of health is authorized to submit any state plan
47 amendment or seek other federal approval, including waiver authori-
48 ty, to implement the provisions of the medicaid savings allocation
49 adjustment that meets the other criteria set forth herein; (3)

52 financial participation that is available or is reasonably expected

1 to become available, in the discretion of the commissioner, under
2 the Affordable Care Act; (4) reductions shall be made uniformly
3 among categories of services and geographic regions of the state, to
4 the extent practicable, and shall be made uniformly within a category
5 of service, to the extent practicable, except where the commissioner
6 determines that there are sufficient grounds for non-uniformity,
7 including but not limited to: the extent to which specific
8 categories of services contributed to department of health medicaid
9 state funds spending in excess of the limits specified herein; the
10 need to maintain safety net services in underserved communities; or
11 the potential benefits of pursuing innovative payment models contemplated
12 by the Affordable Care Act, in which case such grounds shall
13 be set forth in the medicaid savings allocation adjustment; and (5)
14 reductions shall be made in a manner that does not unnecessarily
15 create administrative burdens to medicaid applicants and recipients
16 or providers.

17 The commissioner shall seek the input of the legislature, as well as
18 organizations representing health care providers, consumers, businesses,
19 workers, health insurers, and others with relevant expertise, in developing
20 such medicaid savings allocation adjustment, to the extent that all or part
21 of such adjustment, in the discretion of the commissioner, is likely to
22 have a material impact on the overall medicaid program, particular
23 categories of service or particular geographic regions of the state.

25 (a) The commissioner shall post the medicaid savings allocation
26 adjustment on the department of health's website and shall provide
27 written copies of such plan to the chairs of the senate finance and

29 date on which implementation is expected to begin.

30 (b) The commissioner may revise the medicaid savings allocation
31 adjustment subsequent to the provisions of notice and prior to
32 implementation but needs to provide a new notice pursuant to subparagraph
33 (i) of this paragraph only if the commissioner determines, in his or her
34 discretion, that such revisions materially alter the plan.
35

36 Notwithstanding the provisions of paragraphs (a) and (b) of this
37 subdivision, the commissioner need not seek the input described in
38 paragraph (a) of this subdivision or provide notice pursuant to
39 paragraph (b) of this subdivision if, in the discretion of the
40 commissioner, expedited development and implementation of a medicaid
41 savings allocation adjustment is necessary due to a public health
42 emergency.

43 For purposes of this section, a public health emergency is defined as:

44 (i) a disaster, natural or otherwise, that significantly increases
45 the immediate need for health care personnel in an area of the
46 state; (ii) an event or condition that creates a widespread risk of
47 exposure to a serious communicable disease, or the potential for
48 such widespread risk of exposure; or (iii) any other event or condition
49 determined by the commissioner to constitute an imminent threat
50 to public health.

51 Nothing in this paragraph shall be deemed to prevent all or part of
52 such medicaid savings allocation adjustment from taking effect

30 (4) of this section, including information concerning the impact of
31 such actions on each category of service and each geographic region

16 The director of the budget, in consultation with the commissioner of

19 period April 1, 2021 through ~~[March 31]~~ September 15, 2023 exceed
20 ~~[\$40,118,443,000]~~ \$49,468,214,000 provided, however, such aggregate
21 limits may be adjusted by the director of the budget to account for
22 any changes in the New York state federal medical assistance
23 percentage amount established pursuant to the federal social securi-
24 ty act, increases in provider revenues, reductions in local social
25 services district payments for medical assistance administration,
26 minimum wage increases and beginning April 1, 2012 the operational
27 costs of the New York state medical indemnity fund, pursuant to
28 chapter 59 of the laws of 2011, and state costs or savings from the
29 essential plan. Such projections may be adjusted by the director of
30 the budget to account for increased or expedited department of
31 health state funds medicaid expenditures as a result of a natural or
32 other type of disaster, including a governmental declaration of
33 emergency.

34 The director of the budget, in consultation with the commissioner of
35 health, shall assess on a quarterly basis known and projected medi-
36 caid expenditures by category of service and by geographic region,
37 as determined by the commissioner of health, incurred both prior to
38 and subsequent to such assessment for each such period, and if the
39 director of the budget determines that such expenditures are
40 expected to cause medicaid spending for such period to exceed the
41 aggregate limit specified herein for such period, the state medicaid
42 director, in consultation with the director of the budget and the
43 commissioner of health, shall develop a medicaid savings allocation
44 adjustment to limit such spending to the aggregate limit specified
45 herein for such period.

46 Such medicaid savings allocation adjustment shall be designed, to
47 reduce the expenditures authorized by the appropriations herein in
48 compliance with the following guidelines: (1) reductions shall be
49 made in compliance with applicable federal law, including the
50 provisions of the Patient Protection and Affordable Care Act, Public
51 Law No. 111-148, and the Health Care and Education Reconciliation
52 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care

1 Act") and any subsequent amendments thereto or regulations promul-
2 gated thereunder; (2) reductions shall be made in a manner that
3 complies with the state medicaid plan approved by the federal
4 centers for medicare and medicaid services, provided, however, that
5 the commissioner of health is authorized to submit any state plan
6 amendment or seek other federal approval, including waiver authori-
7 ty, to implement the provisions of the medicaid savings allocation
8 adjustment that meets the other criteria set forth herein; (3)
9 reductions shall be made in a manner that maximizes federal finan-
10 cial participation, to the extent practicable, including any federal
11 financial participation that is available or is reasonably expected
12 to become available, in the discretion of the commissioner, under
13 the Affordable Care Act; (4) reductions shall be made uniformly
14 among categories of services and geographic regions of the state, to
15 the extent practicable, and shall be made uniformly within a catego-
16 ry of service, to the extent practicable, except where the commis-
17 sioner determines that there are sufficient grounds for non-uniform-
18 ity, including but not limited to: the extent to which specific
19 categories of services contributed to department of health medicaid
20 state funds spending in excess of the limits specified herein; the
21 need to maintain safety net services in underserved communities; or
22 the potential benefits of pursuing innovative payment models contem-
23 plated by the Affordable Care Act, in which case such grounds shall
24 be set forth in the medicaid savings allocation adjustment; and (5)
25 reductions shall be made in a manner that does not unnecessarily
26 create administrative burdens to medicaid applicants and recipients
27 or providers.

28 The commissioner shall seek the input of the legislature, as well as
29 organizations representing health care providers, consumers, busi-
30 nesses, workers, health insurers, and others with relevant exper-
31 tise, in developing such medicaid savings allocation adjustment, to
32 the extent that all or part of such adjustment, in the discretion of
33 the commissioner, is likely to have a material impact on the overall
34 medicaid program, particular categories of service or particular
35 geographic regions of the state.

36 (a) The commissioner shall post the medicaid savings allocation
37 adjustment on the department of health's website and shall provide
38 written copies of such plan to the chairs of the senate finance and
39 the assembly ways and means committees at least 30 days before the
40 date on which implementation is expected to begin.

41 (b) The commissioner may revise the medicaid savings allocation
42 adjustment subsequent to the provisions of notice and prior to
43 implementation but needs to provide a new notice pursuant to subpar-
44 agraph (i) of this paragraph only if the commissioner determines, in
45 his or her discretion, that such revisions materially alter the
46 plan.

47 Notwithstanding the provisions of paragraphs (a) and (b) of this
48 subdivision, the commissioner need not seek the input described in
49 paragraph (a) of this subdivision or provide notice pursuant to
50 paragraph (b) of this subdivision if, in the discretion of the
51 commissioner, expedited development and implementation of a medicaid

1 savings allocation adjustment is necessary due to a public health
2 emergency.

3 For purposes of this section, a public health emergency is defined as:

4 (i) a disaster, natural or otherwise, that significantly increases
5 the immediate need for health care personnel in an area of the
6 state; (ii) an event or condition that creates a widespread risk of
7 exposure to a serious communicable disease, or the potential for
8 such widespread risk of exposure; or (iii) any other event or condi-
9 tion determined by the commissioner to constitute an imminent threat
10 to public health.

11 Nothing in this paragraph shall be deemed to prevent all or part of
12 such medicaid savings allocation adjustment from taking effect
13 retroactively to the extent permitted by the federal centers for
14 medicare and medicaid services.

15 In accordance with the medicaid savings allocation adjustment, the
16 commissioner of the department of health shall reduce department of
17 health state funds medicaid spending by the amount of the projected
18 overspending through, actions including, but not limited to modify-
19 ing or suspending reimbursement methods, including but not limited
20 to all fees, premium levels and rates of payment, notwithstanding
21 any provision of law that sets a specific amount or methodology for
22 any such payments or rates of payment; modifying medicaid program
23 benefits; seeking all necessary federal approvals, including, but
24 not limited to waivers, waiver amendments; and suspending time
25 frames for notice, approval or certification of rate requirements,
26 notwithstanding any provision of law, rule or regulation to the
27 contrary, including but not limited to sections 2807 and 3614 of the
28 public health law, section 18 of chapter 2 of the laws of 1988, and
29 18 NYCRR 505.14(h).

30 The department of health shall prepare a quarterly report that sets
31 forth: (a) known and projected department of health medicaid expend-
32 itures as described in subdivision (1) of this section, and factors
33 that could result in medicaid disbursements for the relevant state
34 fiscal year to exceed the projected department of health state funds
35 disbursements in the enacted budget financial plan pursuant to
36 subdivision 3 of section 23 of the state finance law, including
37 spending increases or decreases due to: enrollment fluctuations,
38 rate changes, utilization changes, MRT investments, and shift of
39 beneficiaries to managed care; and variations in offline medicaid
40 payments; and (b) the actions taken to implement any medicaid
41 savings allocation adjustment implemented pursuant to subdivision
42 (4) of this section, including information concerning the impact of
43 such actions on each category of service and each geographic region
44 of the state. Each such quarterly report shall be provided to the
45 chairs of the senate finance and the assembly ways and means commit-
46 tees and shall be posted on the department of health's website in a
47 timely manner.
