AN ACT making appropriations for the support of government

### CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital  
2 tal projects, or so much thereof as shall be necessary to accomplish the  
3 purpose of the appropriations, are appropriated by comprehensive  
4 construction programs (hereinafter referred to by the abbreviation CCP),  
5 purposes, and projects designated by the appropriations, and authorized  
6 to be made available as hereinafter provided to the respective public  
7 officers; such appropriations shall be deemed to provide all costs  
8 necessary and pertinent to accomplish the intent of the appropriations  
9 and are appropriated in accordance with the provisions of section 93 of  
10 the state finance law.  
11 b) Any amounts specified in this chapter for advances for capital  
12 projects, or so much thereof as shall be necessary to accomplish the  
13 purpose of the appropriations, are appropriated by comprehensive  
14 construction programs (hereinafter referred to by the abbreviation CCP),  
15 purposes and projects designated by the appropriations as advances from  
16 the capital projects fund in accordance with the provisions of sections  
17 40-a and 93 of the state finance law, and are authorized to be paid as  
18 hereinafter provided as an advance for a share, part or whole of the  
19 cost for such programs, purposes and projects hereinafter specified.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD12654-02-2

1 c) The several amounts specified in this chapter as capital projects -  
2 reappropriations, or so much thereof as shall be sufficient to accom-  
3 plish the purpose of the appropriations, as appropriated by comprehen-  
4 sive construction programs (hereinafter referred to by the abbreviation  
5 CCP), purposes, and projects, being the undisbursed and/or unexpended  
6 balances of the prior year's appropriations, are reappropriated and  
7 unless otherwise amended or repealed in part or total in this chapter  
8 shall continue to be available for the same purposes as the prior appro-  
9 priations or as otherwise amended for the fiscal year beginning April 1,  
10 2022.

11 The capital projects reappropriations contained in this chapter may be  
12 amended by repealing the items set forth in brackets and by adding ther-  
13 eto the underscored material. Certain reappropriations in this chapter  
14 are shown using abbreviated text, with three leader dots (an ellipsis)  
15 followed by three spaces (... ) used to indicate where existing law  
16 that is being continued is not shown. However, unless a change is clear-  
17 ly indicated by the use of brackets [-] for deletions and underscores  
18 for additions, the purpose, amounts, funding source and all other  
19 aspects pertinent to each item of appropriation shall be as last appro-  
20 priated.

21 For the purpose of complying with section 25 of the state finance law,  
22 the year, chapter and section of the last act reappropriating a former  
23 original appropriation or any part thereof is, unless otherwise indi-  
24 cated, chapter 54, section 1, of the laws of 2021.

25 d) No moneys appropriated by this chapter shall be available for  
26 payment until a certificate of approval has been issued by the director  
27 of the budget, who shall file such certificate with the department of  
28 audit and control, the chairperson of the senate finance committee and  
29 the chairperson of the assembly ways and means committee.

30 e) The appropriations contained in this chapter shall be available for  
31 the fiscal year beginning on April 1, 2022 except as otherwise noted.

50 By chapter 54, section 3, of the laws of 1977, as amended by chapter 54,  
 51 section 1, of the laws of 2002:

## DEPARTMENT OF ENVIRONMENTAL CONSERVATION

## CAPITAL PROJECTS - REAPPROPRIATIONS 2022-23

The state share of the cost of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1977, in accordance with the provisions of title three of article fifty-one of the environmental conservation law as amended for projects included in the following schedule, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts expended from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification (01385757) (24889) ... 20,829,700 ..... (re. \$415,000)

## DEPARTMENT OF ENVIRONMENTAL CONSERVATION

## CAPITAL PROJECTS - REAPPROPRIATIONS 2022-23

By chapter 54, section 5, of the laws of 1976, as amended by chapter 55, section 1, of the laws of 2003, for:

The state share of the cost of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1976, in accordance with the provisions of title three of article fifty-one of the environmental conservation law as amended for projects included in the following schedule, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget.

The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification (01385557) (24889) ... 45,543,700 ..... (re. \$346,000)

## CAPITAL PROJECTS - REAPPROPRIATIONS 2022-23

1 All or a portion of the disbursements made pursuant to the reappropriations made hereinafter from the capital projects fund may be eligible for reimbursement from proceeds of bonds issued by the dormitory authority. The dormitory authority and the department of health shall report quarterly to the director of the budget the amounts expended from appropriations which are eligible for reimbursement from the proceeds of the bonds. The director of the budget shall review these reports and then certify to the comptroller amounts expended from these appropriations which are reimbursable from bond proceeds. Until such time as the dormitory authority determines that amounts expended from these appropriations are not reimbursable from bond proceeds, all such expenditures shall be considered to be reimbursable from bond proceeds.

4 By chapter 54, section 1, of the laws of 2018, as amended by chapter  
5 314, section 1, of the laws of 2019:

6 For payments and grants to support health care facility transformation  
7 statewide. Notwithstanding section 163 of the state finance law or  
8 any other provision of law to the contrary, this appropriation may  
9 be used to fund payments and or grants, including up to \$5,000,000  
10 to regional perinatal care centers or other health providers to  
11 establish telehealth applications, made by the commissioner of  
12 health in his or her sole discretion, without a competitive bid or  
13 request for proposal process, to eligible applicants as determined  
14 by the commissioner of health for the purposes that strengthen and  
15 protect continued access to health care services in communities  
16 including but not limited to children's residential treatment facil-  
17 ities. Such purposes may include debt retirement and capital  
18 projects or non-capital projects that facilitate health care trans-  
19 formation activities including, merger, consolidation, acquisition  
20 or other activities intended to: create financially sustainable  
21 systems of care; preserve or expand essential health care services;  
22 modernize obsolete facility physical plants and infrastructure;  
23 foster participation in alternative payment arrangements, including  
24 but not limited to contracts with managed care plans and accountable  
25 care organizations; increase the quality of resident care or experi-  
26 ence in residential health care facilities; or improve health infor-  
27 mation technology infrastructure, including telehealth, to strength-  
28 en the acute, post-acute care, primary care, and longterm care  
29 continuum. Grants shall not be available to support general operat-  
30 ing expenses.

31 The commissioner and the president of the dormitory authority of the  
32 state of New York shall enter into an agreement, subject to the  
33 approval of the director of the budget, and subject to section  
34 1680-r of the public authorities law, for the purposes of awarding,  
35 distributing, and administering the funds made available pursuant to  
36 this appropriation.

37 In determining awards for eligible applicants under this appropri-  
38 ation, the commissioner of health shall consider criteria including,  
39 but not limited to:

- 40 (a) The extent to which the proposed project will contribute to the  
41 integration of health care services or the long term sustainability  
42 of the applicant or preservation of essential health services in the  
43 community or communities served by the applicant;  
44 (b) The extent to which the proposed project or purpose is aligned  
45 with delivery system reform incentive payment ("DSRIP") program  
46 goals and objectives;  
47 (c) The geographic distribution of funds;  
48 (d) The relationship between the proposed project and identified  
49 community need;  
50 (e) The extent to which the applicant has access to alternative  
51 financing;

- 1 (f) The extent to which the proposed project furthers the development  
2 of primary care and other outpatient services;  
3 (g) The extent to which the proposed project benefits medicaid enrol-  
4 lees and uninsured individuals;  
5 (h) The extent to which the applicant has engaged the community  
6 affected by the proposed project and the manner in which community  
7 engagement has shaped such project; and  
8 (i) The extent to which the proposed project addresses potential risk  
9 to patient safety and welfare.

10 Notwithstanding any inconsistent provision of law to the contrary, and  
11 upon approval of the director of the budget, the commissioner may  
12 award up to \$300,000,000 of the funds made available pursuant to  
13 this appropriation for unfunded project applications submitted in  
14 response to the request for applications number 17648 issued by the  
15 department on January 8, 2018 pursuant to section 2825-e of the

17 Authorized amounts to be awarded pursuant to applications submitted in  
18 response to the request for application number 17648 shall be  
19 awarded no later than September 1, 2019.

20 The department shall provide a report on a quarterly basis to the  
21 chairs of the senate finance, assembly ways and means, and senate  
22 health and assembly health committees, until such time as the  
23 department determines that the projects that receive funding pursu-  
24 ant to this appropriation are substantially complete. Such reports  
25 shall be submitted no later than sixty days after the close of the  
26 quarter, and shall include, for each award, the name of the appli-  
27 cant, a description of the project or purpose, the amount of the  
28 award, disbursement date, and status of achievement of process and  
29 performance metrics and milestones pursuant to subdivision 6 of  
30 section 2825-f of the public health law.

31 Within amounts appropriated herein, a minimum of \$45,000,000 shall be  
32 made available for grant awards to residential health care facili-  
33 ties, up to \$20,000,000 may be made available for grant awards made  
34 pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-l  
35 of the social services law, pursuant to criteria to be determined by  
36 the commissioner and a minimum of \$60,000,000 shall be made avail-  
37 able for grant awards to community-based health care providers which  
38 shall be defined as a diagnostic and treatment center licensed or  
39 granted an operating certificate under article 28 of the public  
40 health law, a mental health clinic licensed or granted an operating  
41 certificate under article 31 of the mental hygiene law, a substance

29 financing;  
30 (f) the extent that the proposed capital project furthers the develop-  
31 ment of primary care and other outpatient services;  
32 (g) the extent to which the proposed capital project benefits medicaid  
33 enrollees and uninsured individuals;  
34 (h) the extent to which the applicant has engaged the community  
35 affected by the proposed capital project and the manner in which  
36 community engagement has shaped such capital project; and  
37 (i) the extent to which the proposed capital project addresses poten-  
38 tial risk to patient safety and welfare.

39 Disbursement of awards made pursuant to this appropriation shall be  
40 conditioned on the awardee achieving certain process and performance  
41 metrics and milestones as determined in the sole discretion of the  
42 commissioner. Such metrics and milestones shall be structured to  
43 ensure that the health care transformation and provider sustainabil-  
44 ity goals of the project are achieved, and such metrics and mile-  
45 stones shall be included in grant disbursement agreements or other  
46 contractual documents as required by the commissioner.

12 \$125,000,000 shall be made available for the purpose of substantial  
13 or moderate rehabilitation and/or the demolition and replacement  
14 through new construction of site-specific multi-family rental hous-  
15 ing currently owned by public housing authorities outside of New  
16 York city. The distribution of any funds which the division of hous-  
17 ing and community renewal or other appropriate state agencies or  
18 authorities authorizes to be used as part of a federal housing  
19 program, shall require the division of housing and community renewal  
20 to monitor and ensure that any affected public housing tenants are  
21 properly informed regarding participation in the federal housing  
22 program and that appropriate documents related to participation in  
23 such federal housing program are made publicly available and are  
24 posted on each applicable housing authority's website in a timely  
25 manner to properly inform such public housing authority tenants. The  
26 residents of public housing that receives and uses such funds to  
27 participate in such federal program shall be provided a uniform  
28 lease agreement that provides, at a minimum, terms and conditions  
29 consistent with those found in the public housing lease they had  
30 prior to the public housing having received any such funds. Public  
31 housing authorities that receive and use such funds shall be  
32 required to: provide resident education, which shall include compre-  
33 hensive information about any anticipated changes to the public  
34 housing; provide language assistance to residents with limited  
35 English proficiency; recognize the right of residents to form a  
36 resident organization; require resident participation funding  
37 commensurate to the funding that was being allocated to residents  
38 already; develop a set of procedures for resident grievances and  
39 lease termination proceedings that apply to residents following the  
40 use of such funds, which shall be consistent with any existing  
41 procedures, can provide stronger resident protections, and conform  
42 with any other applicable federal rules and/or regulations. In cases  
43 when there is a property manager other than the public housing  
44 authority that receives these funds, then such property manager  
45 shall be required to take actions including, but not limited to,  
46 providing clear and accessible information to residents before,  
47 during, and after becoming the property manager; provide language  
48 assistance to residents with limited English proficiency; and recog-  
49 nize a legitimate resident organization as the residents' represen-  
50 tative, invite such resident organization to all resident engage-  
51 ments, and meet regularly with the resident organization to discuss  
52 emerging property-wide issues.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include comprehensive information about any anticipated changes to the public housing; provide language assistance to residents with limited English proficiency; recognize the right of residents to form a resident organization; require resident participation funding commensurate to the funding that was being allocated to residents already; develop a set of procedures for resident grievances and lease termination proceedings that apply to residents following the use of such funds, which shall be consistent with any existing procedures, can provide stronger resident protections, and conform with any other applicable federal rules and/or regulations. In cases when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to, providing clear and accessible information to residents before, during, and after becoming the property manager; provide language assistance to residents with limited English proficiency; and recognize a legitimate resident organization as the residents' representative, invite such resident organization to all resident engagements, and meet regularly with the resident organization to discuss emerging property-wide issues.

## CAPITAL PROJECTS 2022-23

1 For state aid to municipal corporations for  
2 the preparation of designs, plans, spec-  
3 ifications and estimates, for the acquisi-  
4 tion, construction, reconstruction, and  
5 improvement of mass transportation capital  
6 projects including the acquisition of real  
7 property, for other mass transportation  
8 projects including local transportation  
9 planning studies. Notwithstanding any  
10 inconsistent provisions of law, the state  
11 share of such projects shall be 50 percent  
12 of the non-federal share, but in no event  
13 shall the state share exceed 10 percent of  
14 project costs.

15 Notwithstanding any other provision of law,  
16 the commissioner of transportation shall  
17 make available directly to the City of New  
18 York (City) an amount commensurate with  
19 the state share of (i) federal funds  
20 previously awarded to the City and reallo-  
21 cated to the metropolitan transportation  
22 authority (MTA), and (ii) the federally  
23 authorized level of financial assistance  
24 transferred by resolution of the metropol-  
25 itan planning organization (MPO) to the  
26 metropolitan transportation authority  
27 (MTA) and credited to the City by the MTA  
28 for capital expenses.

29 The state share of such reimbursement shall  
30 be 50 percent of the non-federal share of  
31 the federally authorized level of finan-  
32 cial assistance transferred to the MTA,  
33 but in no event shall the state share  
34 exceed 10 percent of project costs. Prior  
35 to requesting reimbursement for projects  
36 progressed by the MTA on behalf of the  
37 City, the City shall certify to the  
38 commissioner of transportation that each  
39 eligible project progressed under this  
40 provision is federally eligible and that  
41 the match amount requested does not exceed  
42 the state share of the federally author-  
43 ized level of financial assistance. In  
44 addition, the City must provide an appli-  
45 cation to the commissioner of transporta-  
46 tion certifying that the work to be funded  
47 under the project has been performed and  
48 that the City has reimbursed the MTA for  
49 100 percent of the match amount for the  
50 project. Upon such application, the  
51 commissioner of transportation shall

for which the responsibility is vested with the state department of transportation including work appurtenant and ancillary thereto, for the state share of federally authorized high speed rail improvement projects, and for the cost of administrative services of the department of transportation and the cost of services provided by private firms; including the costs of preventive maintenance on state roads and bridges as defined in paragraph (a) of subdivision 1 of section 10-d of the highway law for contractual preventive maintenance services provided by private firms; and including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision, and appraisals, surveys, testing and environmental impact statements for transportation projects. Project costs funded from this appropriation may include but shall not be limited to construction, reconstruction, reconditioning and preservation, and preventive maintenance. Up to \$5,000,000 of this appropriation may be used for traffic maintenance and traffic protection services provided by the division of state police.

With the approval of the director of the budget, the commissioner of transportation is authorized to enter into agreements with any municipality to finance local bridge projects through state non-federally aided highway funds appropriated herein when the use of federal aid funds for such local bridge projects would not be cost effective and the federal aid and state matching funds saved as a result of the use of non-federal aid funds for local bridge projects are made available for bridge projects on the state highway system. The total amount of non-federally aided highway funds made available for local bridge projects from this appropriation shall not exceed \$2,500,000 in state fiscal year 2022-23 (53164).

Aviation Purpose

By chapter 54, section 1, of the laws of 1991:

For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities development act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance.

No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.

Funds shall not be allocated for projects at Stewart airport from this appropriation for infrastructure improvements or other development

1 purposes not directly related to a private facility until the  
 2 commissioner of transportation has provided the director of the  
 3 budget with the following projections to support any such allocation  
 4 of funds: (a) effect on Stewart airport net operating revenues; (b)  
 5 effect on new jobs for the state of New York; and (c) effect on net  
 6 revenues of amortization of state capital expenditures. It is  
 7 acknowledged that funds provided herein pursuant to the transpor-  
 8 tation capital facilities development act of 1967 are made available  
 9 by repealing a portion of an appropriation for the payment of the  
 10 state's share to the Niagara frontier transportation authority for  
 11 construction, reconstruction, and improvement of airport or aviation  
 12 capital projects at Buffalo international airport. It is the intent  
 13 of the legislature that the repeal of such funds appropriated to the  
 14 Niagara frontier transportation authority does not void the state's  
 15 commitment to provide alternative state share funding sources to the  
 16 authority to complete the airport or aviation capital projects at  
 17 Buffalo international airport as originally provided by chapter 54,  
 18 section 1, of the laws of 1982, as amended by chapter 54, section 3,  
 19 of the laws of 1988. It is further the intent of the legislature  
 20 that such alternative state share funding be provided to the author-  
 21 ity no later than March 31, 1993 (17439114) (53271) .....

 Program Improvement/Change Purpose

The sum of \$20,000,000 is hereby appropriated for payments and grants, including up to \$400,000 in costs associated with program administration to eligible nonprofit arts and cultural organizations for the arts and cultural facilities improvement program. Such program shall provide for targeted investment for capital projects in such eligible arts or cultural facilities to improve the quality, efficiency, and accessibility of arts and cultural organizations that benefit New Yorkers. Provided that such investments may include, but are not limited to: renovations and retrofitting to comply with COVID-19 health regulations, including outdoor performance space projects, HVAC upgrades, renovations or expansions of space that is open to the public; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; technology and other equipment that will benefit the public; and accessibility renovations. Up to \$10,000,000 shall be made available exclusively for small to midsize eligible nonprofit arts and cultural organizations. Funding from this appropriation shall be made available through a competitive process to be determined exclusively by the New York state council on the arts. The determination of this competitive process and guidelines shall be limited to the New York state council on the arts in consultation with the dormitory authority of the state of New
