2. Departments, divisions, bureaus, boards, commissions and agencies of the state and political subdivisions thereof, which provide assistance, treatment, counseling, care, supervision or custody in service areas involving health, mental health, family services, criminal justice or employment, including but not limited to the office of addiction services and supports, office of mental health, office of probation and correctional alternatives, office of children and family services, office of temporary and disability assistance, department of health, department of labor, local workforce investment boards, office for people with developmental disabilities, and department of corrections and community supervision, shall request assisted persons to provide information with regard to their veteran status and military experiences. Individuals identifying themselves as veterans, including individuals requesting and obtaining a veterans notation on their driver's license or non-driver identification card pursuant to sections four hundred ninety and five hundred two of the vehicle and traffic law, shall be advised that the division of veterans' services and local veterans' service agencies established pursuant to section three hundred fifty-seven of this article provide assistance to veterans regarding benefits under federal and state law. Information regarding veterans status and military service provided by assisted persons solely to implement this section shall be protected as personal confidential information under article six-A of the public officers law against disclosure of confidential material, and used only to assist in the diagnosis, treatment, assessment and handling of the veteran's problems within the agency requesting such information and in referring the veteran to the division of veterans' services for information and assistance with regard to benefits and entitlements under federal and state law.

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law; provided, however, that if chapter 602 of the laws of 2021 shall not have taken effect on or before such date then this act shall take effect on the same date and in the same manner as such chapter of the laws of 2021 takes effect. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
