The People of the State of New York, represented in Senate and Assembly, do enact as follows:

CHAPTER 7-A OF THE CONSOLIDATED LAWS

CANNABIS LAW

ARTICLE 1

SHORT TITLE; LEGISLATIVE FINDINGS AND INTENT;

DEFINITIONS

Section 1. Short title.

2. Legislative findings and intent.

3. Definitions.

Section 1. Short title. This chapter shall be known and may be cited and referred to as the "cannabis law".

§ 2. Legislative findings and intent. The legislature finds that existing marihuana laws have not been beneficial to the welfare of the general public. Existing laws have been ineffective in reducing or curbing marihuana use and have instead resulted in devastating collateral consequences including mass incarceration and other complex generational trauma, that inhibit an otherwise law-abiding citizen's ability to access housing, employment opportunities, and other vital services. Existing laws have also created an illicit market which represents a threat to public health and reduces the ability of the legislature to deter the accessing of marihuana by minors. Existing marihuana laws have disproportionately impacted African-American and Latinx communities.

The intent of this act is to regulate, control, and tax marihuana, heretofore known as cannabis, generate significant new revenue, make substantial investments in communities and people most impacted by marihuana criminalization to address the collateral consequences of such criminalization, prevent access to cannabis by those under the age of twenty-one years, reduce the illegal drug market and reduce violent crime, reduce participation of otherwise law-abiding citizens in the illicit market, end the racially disparate impact of existing cannabis laws, create new industries and increase employment and strengthen New York's agriculture sector.

Nothing in this act is intended to limit the authority of any district government agency or office or employers to enact and enforce policies pertaining to cannabis in the workplace, to allow driving under the influence of cannabis, to allow individuals to engage in conduct that endangers others, to allow smoking cannabis in any location where smoking tobacco is prohibited, or to require any individual to engage in any conduct that violates federal law or to exempt anyone from any requirement of federal law or pose any obstacle to the federal enforcement of federal law.

The legislature further finds and declares that it is in the best interest of the state to regulate medical cannabis, adult-use cannabis, cannabinoid hemp and hemp extracts under independent entities, known as the cannabis control board and the office of cannabis management.

16 guardian is appropriate or available.

17 4. No person may be a designated caregiver if the person is under
18 twenty-one years of age unless a sufficient showing is made to the
19 office that the person should be permitted to serve as a designated
20 caregiver. The requirements for such a showing shall be determined by
21 the board.

22 5. No person may be a designated caregiver for more than five certi-
23 fied patients at one time; provided, however, that this limitation shall
24 not apply to a designated caregiver facility, or cannabis research
25 license holder as defined by this chapter.

26 6. If a certified patient wishes to change or terminate his or her
27 designated caregiver, for whatever reason, the certified patient shall
28 notify the office as soon as practicable. The office shall issue a
29 notification to the designated caregiver that their registration card is
30 invalid and must be promptly destroyed. The newly designated caregiver
31 must comply with all requirements set forth in this section.

32 7. If the certification so provides, the registry identification card
33 shall contain any recommendation or limitation by the practitioner as to
34 the form or forms of medical cannabis or dosage for the certified
35 patient.

36 8. The office shall issue separate registry identification cards for
37 certified patients and designated caregivers as soon as reasonably prac-
38 ticable after receiving a complete application under this section,
39 unless it determines that the application is incomplete or factually
40 inaccurate, in which case it shall promptly notify the applicant.

41 9. If the application of a certified patient designates an individual
42 as a designated caregiver who is not authorized to be a designated care-
43 giver, that portion of the application shall be denied by the office but
44 that shall not affect the approval of the balance of the application.

45 10. A registry identification card shall:

46 (a) contain the name of the certified patient or the designated care-
47 giver as the case may be;

48 (b) contain the date of issuance and expiration date of the registry
49 identification card;

50 (c) contain a registry identification number for the certified patient
51 or designated caregiver, as the case may be and a registry identifica-
52 tion number;

53 (d) contain a photograph of the individual to whom the registry iden-
54 tification card is being issued, which shall be obtained by the office
55 in a manner specified by the board in regulations; provided, however,
56 that if the office requires certified patients to submit photographs for

1 this purpose, there shall be a reasonable accommodation of certified
2 patients who are confined to their homes due to their medical conditions
3 and may therefore have difficulty procuring photographs;

4 (e) be a secure document as determined by the board;

5 (f) plainly state any recommendation or limitation by the practitioner
6 as to the form or forms of medical cannabis or dosage for the certified
7 patient; and

8 (g) any other requirements determined by the board.

9 11. A certified patient or designated caregiver who has been issued a
10 registry identification card shall notify the office of any change in
11 his or her name or address or, with respect to the patient, if he or she
12 ceases to have the condition noted on the certification within ten days
13 of such change. The certified patient's or designated caregiver's regis-
14 try identification card shall be deemed invalid and shall be promptly
15 destroyed.

16 12. If a certified patient or designated caregiver loses his or her
17 registry identification card, he or she shall notify the office within
18 ten days of losing the card. The office shall issue a new registry iden-
19 tification card as soon as practicable, which may contain a new registry
20 identification number, to the certified patient or designated caregiver,
21 as the case may be.

22 13. The office shall maintain a confidential list of the persons to
23 whom it has issued registry identification cards. Individual identifying
24 information obtained by the office under this article shall be confiden-
25 tial and exempt from disclosure under article six of the public officers
26 law.

27 14. The board shall verify to law enforcement personnel in an appro-
28 priate case whether a registry identification card is valid.

29 15. If a certified patient or designated caregiver willfully violates
30 any provision of this article as determined by the board, his or her
31 certification and registry identification card may be suspended or
32 revoked. This is in addition to any other penalty that may apply.

33 16. The board shall make regulations for special certifications, which
34 shall include expedited procedures and which may require the applicant
35 to submit additional documentation establishing the clinical basis for
36 the special certification. If the board has not established and made
37 available a form for a registry application or renewal application, or
38 established and made available a form for a registry application or
39 renewal application, then in the case of a special certification, a
40 registry application or renewal application that otherwise conforms with
41 the requirements of this section shall not require the use of a form.

42 § 33. Registration as a designated caregiver facility. 1. To obtain,
43 amend or renew a registration as a designated caregiver facility, the
44 facility shall file a registry application with the office. The registry
45 application or renewal application shall include:

46 (a) the facility's full name and address;

47 (b) operating certificate or license number where appropriate;

48 (c) printed name, title, and signature of an authorized facility
49 representative;

50 (d) a statement that the facility agrees to secure and ensure proper
51 handling of all medical cannabis products;

52 (e) an acknowledgement that a false statement in the application is
53 punishable under section 210.45 of the penal law; and

54 (f) any other information that may be required by the board.

55 2. Prior to issuing or renewing a designated caregiver facility regis-
56 tration, the office may verify the information submitted by the appli-

1 cant. The applicant shall provide, at the office's request, such infor-
2 mation and documentation, including any consents or authorizations that
3 may be necessary for the office to verify the information.

4 3. The office shall approve, deny or determine incomplete or inaccu-
5 rate an initial or renewal application within thirty days of receipt of
6 the application. If the application is approved within the thirty-day
7 period, the office shall issue a registration as soon as is reasonably
8 practicable.

9 4. An applicant shall have thirty days from the date of a notification
10 of an incomplete or factually inaccurate application to submit the mate-
11 rials required to complete, revise or substantiate information in the
12 application. If the applicant fails to submit the required materials
13 within such thirty-day time period, the application shall be denied by
14 the office.

15 5. Registrations issued under this section shall remain valid for two
16 years from the date of issuance.

17 § 34. Registered organizations. 1. A registered organization shall be

22 2. The acquiring, possession, manufacture, sale, delivery, transport-
23 ing, distributing or dispensing of medical cannabis by a registered
24 organization under this article in accordance with its registration
25 under this article or a renewal thereof shall be lawful under this chap-
26 ter.

27 3. Each registered organization shall contract with an independent
28 laboratory permitted by the board to test the medical cannabis produced
29 by the registered organization. The board shall approve the laboratory
30 used by the registered organization and may require that the registered
31 organization use a particular testing laboratory. The board is author-
32 ized to issue regulations requiring the laboratory to perform certain
33 tests and services.

34 4. (a) A registered organization may lawfully, in good faith, sell,
35 deliver, distribute or dispense medical cannabis to a certified patient
36 or designated caregiver upon presentation to the registered organization
37 of a valid registry identification card for that certified patient or
38 designated caregiver. When presented with the registry identification
39 card, the registered organization shall provide to the certified patient
40 or designated caregiver a receipt, which shall state: the name, address,
41 and registry identification number of the registered organization; the
42 name and registry identification number of the certified patient and the
43 designated caregiver, if any; the date the cannabis was sold; any recom-
44 mendation or limitation by the practitioner as to the form or forms of
45 medical cannabis or dosage for the certified patient; and the form and
46 the quantity of medical cannabis sold. The registered organization shall
47 retain a copy of the registry identification card and the receipt for
48 six years.

49 (b) The proprietor of a registered organization shall file or cause to
50 be filed any receipt and certification information with the office by
51 electronic means on a real-time basis as the board shall require by
52 regulation. When filing receipt and certification information electron-

54 organization shall dispose of any electronically recorded prescription
55 information in such manner as the board shall by regulation require.

1 5. (a) No registered organization may sell, deliver, distribute or
2 dispense to any certified patient or designated caregiver a quantity of
3 medical cannabis larger than that individual would be allowed to possess
4 under this chapter.

5 (b) When dispensing medical cannabis to a certified patient or design-
6 nated caregiver, the registered organization: (i) shall not dispense an
7 amount greater than a sixty-day supply to a certified patient until the
8 certified patient has exhausted all but a seven day supply provided
9 pursuant to a previously issued certification; and (ii) shall verify the
10 information in subparagraph (i) of this paragraph by consulting the
11 prescription monitoring program registry under this article.

12 (c) Medical cannabis dispensed to a certified patient or designated
13 caregiver by a registered organization shall conform to any recommenda-
14 tion or limitation by the practitioner as to the form or forms of
15 medical cannabis or dosage for the certified patient.

16 6. When a registered organization sells, delivers, distributes or
17 dispenses medical cannabis to a certified patient or designated caregiv-

26 7. Registered organizations shall not be managed by or employ anyone
27 who has been convicted within three years of the date of hire, of any
28 felony related to the functions or duties of operating a business,
29 except that if the board determines that the manager or employee is
30 otherwise suitable to be hired, and hiring the manager or employee would
31 not compromise public safety, the board shall conduct a thorough review
32 of the nature of the crime, conviction, circumstances, and evidence of
33 rehabilitation of the manager or employee, and shall evaluate the suit-
34 ability of the manager or employee based on the evidence found through
35 the review. In determining which offenses are substantially related to
36 the functions or duties of operating a business, the board shall
37 include, but not be limited to, the following:

- 38 (a) a felony conviction involving fraud, money laundering, forgery and
39 other unlawful conduct related to owning and operating a business; and
- 40 (b) a felony conviction for hiring, employing or using a minor in
41 transporting, carrying, selling, giving away, preparing for sale, or
42 peddling, any controlled substance, or selling, offering to sell,
43 furnishing, offering to furnish, administering, or giving any controlled
44 substance to a minor.

45 A felony conviction for the sale or possession of drugs, narcotics, or
46 controlled substances is not substantially related. This subdivision
47 shall only apply to managers or employees who come into contact with or
48 handle medical cannabis.

49 8. Manufacturing of medical cannabis by a registered organization
50 shall only be done in an indoor, enclosed, secure facility located in
51 New York state, which may include a greenhouse. The board shall promul-
52 gate regulations establishing requirements for such facilities.

53 9. Dispensing of medical cannabis by a registered organization shall
54 only be done in an indoor, enclosed, secure facility located in New York

All laws and regulations applicable to such facilities, equipment, or services shall apply to the contract. The registered organization and other parties to the contract shall each be responsible for compliance with such laws and regulations under the contract. The board may make regulations consistent with this article relating to contracts and parties to contracts under this subdivision.

11. A registered organization shall, based on the findings of an independent laboratory, provide documentation of the quality, safety and clinical strength of the medical cannabis manufactured or dispensed by the registered organization to the office and to any person or entity to which the medical cannabis is sold or dispensed.

12. A registered organization shall be deemed to be a "health care provider" for the purposes of title two-D of article two of the public health law.

Women should not consume during pregnancy or while breastfeeding except on the advice of the certifying health care practitioner, and in the case of breastfeeding mothers, including the infant's pediatrician. This product might impair the ability to drive. Keep out of reach of children."; (e) the amount of individual doses contained within; and (f) a warning that the medical cannabis must be kept in the original container in which it was dispensed.

14. The board is authorized to make rules and regulations restricting the advertising and marketing of medical cannabis.

Each such person, if an individual, or lawful representative if a legal entity, shall submit an affidavit with the application setting forth:

4 the board.

5 (b) If the board is not satisfied that the applicant should be issued
6 a registration, he or she shall notify the applicant in writing of those
7 factors upon which further evidence is required. Within thirty days of
8 the receipt of such notification, the applicant may submit additional
9 material to the board or demand a hearing, or both.

10 (c) The fee for a registration under this section shall be an amount
11 determined by the board in regulations; provided, however, if the regis-
12 tration is issued for a period greater than two years the fee shall be
13 increased, pro rata, for each additional month of validity.

14 (d) Registrations issued under this section shall be effective only
15 for the registered organization and shall specify:

21 (iv) such other information as the board shall reasonably provide to
22 assure compliance with this article.

23 (e) Upon application of a registered organization, a registration may
24 be amended to allow the registered organization to relocate within the
25 state or to add or delete permitted registered organization activities
26 or facilities. The fee for such amendment shall be two hundred fifty
27 dollars.

28 4. A registration issued under this section shall be valid for two
29 years from the date of issue, except that in order to facilitate the
30 renewals of such registrations, the board may upon the initial applica-

32 for a period of time greater than two years but not exceeding an addi-
33 tional eleven months.

34 5. (a) An application for the renewal of any registration issued
35 under this section shall be filed with the board not more than six
36 months nor less than four months prior to the expiration thereof. A
37 late-filed application for the renewal of a registration may, in the
38 discretion of the board, be treated as an application for an initial
39 license.

40 (b) The application for renewal shall include such information
41 prepared in the manner and detail as the board may require, including
42 but not limited to:

43 (i) any material change in the circumstances or factors listed in

4 applicant is entitled to a renewal of the registration, the board shall
5 within a reasonably practicable time as determined by the executive
6 director, serve upon the registered organization or its attorney of
7 record in person or by registered or certified mail an order directing

9 renewal should not be denied. The order shall specify in detail the
10 respects in which the applicant has not satisfied the board that the
11 registration should be renewed.

12 (e) Within a reasonably practicable time as determined by the board of
13 such order, the applicant may submit additional material to the board or
14 demand a hearing or both; if a hearing is demanded the board shall fix a
15 date as soon as reasonably practicable.

16 6. (a) The board shall renew a registration unless he or she deter-

20 (ii) the applicant is unlikely to comply with all state laws applica-

27 (b) For purposes of this section, proof that a registered organiza-
28 tion, during the period of its registration, has failed to maintain
29 effective control against diversion, violates any provision of this
30 article, or has knowingly or negligently failed to comply with applica-
31 ble state laws relating to the activities in which it engages under the
32 registration, shall constitute grounds for suspension, termination or
33 limitation of the registered organization's registration or as deter-
34 mined by the board. The registered organization shall also be under a
35 continuing duty to report to the authority any material change or fact
36 or circumstance to the information provided in the registered organiza-
37 tion's application.

38 7. The board may suspend or terminate the registration of a registered
39 organization, on grounds and using procedures under this article relat-
40 ing to a license, to the extent consistent with this article. The
41 authority shall suspend or terminate the registration in the event that
42 a registered organization violates or terminates the applicable labor
43 peace agreement. Conduct in compliance with this article which may
44 violate conflicting federal law, shall not be grounds to suspend or
45 terminate a registration.

46 8. A registered organization that manufactures medical cannabis may
47 have no more than four dispensing sites wholly owned and operated by
48 such registered organization. Such registered organization may have an
49 additional four dispensing sites; provided, however, that the first two
50 additional dispensing sites shall be located in underserved or unserved
51 geographic locations, as determined by the board. The board shall ensure
52 that such registered organizations and dispensing sites are geograph-

6 determine the information to be reported and the forms, time, and manner
7 of the reporting.

8 2. The board shall, by regulation, require each registered organiza-
9 tion to adopt and maintain security, tracking, record keeping, record
10 retention and surveillance systems, relating to all medical cannabis at
11 every stage of acquiring, possession, manufacture, sale, delivery,
12 transporting, distributing, or dispensing by the registered organiza-
13 tion, subject to regulations of the board.

14 § 37. Evaluation; research programs; report by board. 1. The board
15 may provide for the analysis and evaluation of the operation of this
16 article. The board may enter into agreements with one or more persons,

18 of an evaluation of the implementation and effectiveness of this arti-
19 cle.

20 2. The board may develop, seek any necessary federal approval for, and
21 carry out research programs relating to medical use of cannabis. Partic-

24 3. The board shall report every two years, beginning two years after
25 the effective date of this article, to the governor and the legislature
26 on the medical use of cannabis under this article and make appropriate
27 recommendations.

28 § 38. Cannabis research license. 1. The board shall establish a

36 cannabis as part of medical treatment; and

37 (d) to conduct genomic or agricultural research.

38 2. As part of the application process for a cannabis research license,
39 an applicant must submit to the board a description of the research that
40 is intended to be conducted as well as the amount of cannabis to be
41 grown or purchased. The board shall review an applicant's research
42 project and determine whether it meets the requirements of subdivision
43 one of this section. In addition, the board shall assess the application
44 based on the following criteria:

45 (a) project quality, study design, value, and impact;

46 (b) whether the applicant has the appropriate personnel, expertise,
47 facilities and infrastructure, funding, and human, animal, or other
48 approvals in place to successfully conduct the project; and

49 (c) whether the amount of cannabis to be grown or purchased by the
50 applicant is consistent with the project's scope and goals. If the
51 office determines that the research project does not meet the require-
52 ments of subdivision one of this section, the application must be
53 denied.

54 3. A cannabis research licensee may only sell cannabis grown or within
55 its operation to other cannabis research licensees. The board may revoke
56 a cannabis research license for violations of this section.

4. A cannabis research licensee may contract with an institution of higher education, including but not limited to a hospital within the state university of New York, to perform research in conjunction with such institution. All research projects, entered into under this section must be approved by the board and meet the requirements of subdivision one of this section.

(h) any additional requirements deemed necessary by the board.

6. A cannabis research license issued pursuant to this section must be issued in the name of the applicant and specify the location at which the cannabis researcher intends to operate, which must be within the state of New York.

7. The application fee for a cannabis research license shall be determined by the board on an annual basis.

8. Each cannabis research licensee shall issue an annual report to the board. The board shall review such report and make a determination as to whether the research project continues to meet the research qualifications under this section.

§ 39. Registered organizations and adult-use cannabis. The board shall have the authority to grant some or all of the registered organizations registered with the department of health and currently registered and in good standing with the office, the ability to obtain adult-use cannabis licenses pursuant to article four of this chapter subject to any fees, rules or conditions prescribed by the board in regulation.

1 dental periods within such person's private residence or storage space
2 or on the grounds of such person's private residence or storage space.
3 Such person shall take reasonable steps designed to assure that such
4 cultivated cannabis is in a secured place.

5 3. A county, town, city or village may enact and enforce regulations

19 3. The social and economic equity plan shall require the consideration
20 of additional criteria in its licensing determinations. Under the social

44 health law.

46 derived from hemp, that is used for human consumption provided that when
47 such product is packaged or offered for retail sale to a consumer, it
48 shall not have a concentration of more than three tenths of a percent

2 plant, including the seeds thereof and all derivatives, extracts, canna-
3 binoids, isomers, acids, salts, and salts of isomers, whether growing or
4 not, with a delta-9 tetrahydrocannabinol concentration (THC) of not more

11 determined by the board in regulation. For the purpose of this article,
12 hemp extract excludes (a) any food, food ingredient or food additive
13 that is generally recognized as safe pursuant to federal law; or (b) any
14 hemp extract that is not used for human consumption. Such excluded
15 substances shall not be regulated pursuant to the provisions of this

17 rules and regulations.

18 6. "License" means a license issued pursuant to this article.

19 7. "Cannabinoid hemp processor license" means a license granted by the
20 board to process, extract, pack or manufacture cannabinoid hemp or hemp
21 extract into products, whether in intermediate or final form, used for
22 human consumption.

23 8. "Processing" means extracting, preparing, treating, modifying,
24 compounding, manufacturing or otherwise manipulating cannabinoid hemp to
25 concentrate or extract its cannabinoids, or creating product, whether in
26 intermediate or final form, used for human consumption. For purposes of
27 this article, processing does not include: (a) growing, cultivation,

30 or

31 (b) mere transportation, such as by common carrier or another entity
32 or individual.

33 § 91. Rulemaking authority. The board may make regulations pursuant to
34 this article for the processing, distribution, marketing, transportation
35 and sale of cannabinoid hemp and hemp extracts used for human consump-
36 tion, which may include, but not be limited to:

37 1. Specifying forms, establishing application, reasonable adminis-

52 8. Procedures for determining whether cannabinoid hemp, hemp extract

10 2. A cannabinoid hemp processor license authorizes one or more specif-
11 ic activities related to the processing of cannabinoid hemp into
12 products used for human consumption, whether in intermediate or final
13 form, and the distribution or sale thereof by the licensee. Nothing
14 herein shall prevent a cannabinoid hemp processor from processing,
15 extracting and processing hemp products not to be used for human
16 consumption.

17 3. Persons authorized to grow hemp pursuant to article twenty-nine of
18 the agriculture and markets law are not authorized to engage in process-
19 ing of cannabinoid hemp or hemp extract without first being licensed as
20 a cannabinoid hemp processor under this article.

21 4. This article shall not apply to hemp, cannabinoid hemp, hemp
22 extracts or products derived therefrom that are not used for human
23 consumption. This article also shall not apply to hemp, cannabinoid
24 hemp, hemp extracts or products derived therefrom that have been deemed
25 generally recognized as safe pursuant to federal law.

26 5. The board shall have the authority to set reasonable fees for such
27 license, to limit the activities permitted by such license, to establish
28 the period during which such license is authorized, which shall be two
29 years or more, and to make rules and regulations necessary to implement
30 this section.

31 6. Any person holding an active research partnership agreement with
32 the department of agriculture and markets, authorizing that person to

38 § 93. Cannabinoid hemp retailer license. 1. Retailers selling cannabi-
39 noid hemp, in final form to consumers within the state, shall be
40 required to obtain a cannabinoid hemp retailer license from the board.

41 2. The board shall have the authority to set reasonable fees for such
42 license, to establish the period during which such license is author-
43 ized, which shall be one year or more, and to make rules and regulations
44 necessary to implement this section.

45 § 94. Cannabinoid license applications. 1. Persons shall apply for a
46 license under this article by submitting an application upon a form
47 supplied by the board, providing all the relevant requested information,
48 verified by the applicant or an authorized representative of the appli-
49 cant.

50 2. A separate license shall be required for each facility at which
51 processing or retail sales are conducted; however, an applicant may
52 submit one application for separate licensure at multiple locations.

53 3. Each applicant shall remit with its application the fee for each
54 requested license, which shall be a reasonable fee.

1 § 95. Information to be requested in applications for licenses. 1. The
2 board may specify the manner and form in which an application shall be
3 submitted to the board for licensure under this article.

4 2. The board may adopt regulations establishing what relevant informa-
5 tion shall be included on an application for licensure under this arti-
6 cle. Such information may include, but is not limited to: information
7 about the applicant's identity; ownership and investment information,
8 including the corporate structure; evidence of good moral character;
9 financial statements; information about the premises to be licensed;
10 information about the activities to be licensed; and any other relevant
11 information specified in regulation.

12 3. All license applications shall be signed by the applicant if an
13 individual, by a managing partner if a limited liability company, by an
14 officer if a corporation, or by all partners if a partnership. Each
15 person signing such application shall verify it as true under the penal-
16 ties of perjury.

17 4. All license applications shall be accompanied by a check, draft or
18 other forms of payment as the board may require or authorize in the
19 reasonable amount required by this article for such license.

20 5. If there be any change, after the filing of the application or the
21 granting, modification or renewal of a license, in any of the material
22 facts required to be set forth in such application, a supplemental
23 statement giving notice of such change, duly verified, shall be filed
24 with the board within ten days after such change. Failure to do so, if
25 willful and deliberate, may be grounds for revocation of the license.

26 § 96. Fees. The board may charge licensees a reasonable license fee.
27 Such fee may be based on the activities permitted by the license, the
28 amount of cannabinoid hemp or hemp extract to be processed or extracted
29 by the licensee, the gross annual receipts of the licensee for the
30 previous license period, or any other factors reasonably deemed appro-
31 priate by the board.

32 § 97. Selection criteria. 1. The applicant, if an individual or indi-
33 viduals, shall furnish evidence of the individual's good moral charac-
34 ter, and if an entity, the applicant shall furnish evidence of the good
35 moral character of the individuals who have or will have substantial
36 responsibility for the licensed or authorized activity and those in
37 control of the entity, including principals, officers, or others with
38 such control.

39 2. The applicant shall furnish evidence of the applicant's experience
40 and competency, and that the applicant has or will have adequate facili-
41 ties, equipment, process controls, and security to undertake those
42 activities for which licensure is sought.

43 3. The applicant shall furnish evidence of his, her or its ability to
44 comply with all applicable state and local laws, rules and regulations.

45 4. If the board is not satisfied that the applicant should be issued a
46 license, the board shall notify the applicant in writing of the specific
47 reason or reasons for denial.

48 5. No license pursuant to this article may be issued to an individual
49 under the age of eighteen years.

50 § 98. License renewal. 1. Each license, issued pursuant to this arti-
51 cle, may be renewed upon application therefor by the licensee and the
52 payment of the reasonable fee for such license as specified by this
53 article.

54 2. In the case of applications for renewals, the board may dispense
55 with the requirements of such statements as it deems unnecessary in view
56 of those contained in the application made for the original license.

3. The board shall provide an application for renewal of any license issued under this article not less than ninety days prior to the expiration of the current license.

4. The board may only issue a renewal license upon receipt of the specified renewal application and renewal fee from a licensee if, in addition to the selection criteria set out in this article, the licensee's license is not under suspension and has not been revoked.

§ 99. Form of license. Licenses issued pursuant to this article shall specify:

1. The name and address of the licensee;

2. The activities permitted by the license;

3. The land, buildings and facilities that may be used for the licensed activities of the licensee;

4. A unique license number issued by the board to the licensee; and

5. Such other information as the board shall deem necessary to assure compliance with this article.

§ 100. Transferability; amendment to license; change in ownership or control. 1. Licenses issued under this article are not transferable, absent written consent of the board.

2. Upon application of a licensee, a license may be amended to add or delete permitted activities.

3. A license shall become void by a change in ownership, substantial corporate change or change of location without prior written approval of the board. The board may make regulations allowing for certain types of changes in ownership without the need for prior written approval.

§ 101. Granting, suspending or revoking licenses. After due notice and an opportunity to be heard, established by rules and regulations, the board may decline to grant a new license, impose conditions or limits with respect to the grant of a license, modify an existing license or decline to renew a license, and may suspend or revoke a license already granted after due notice and an opportunity to be heard, as established by rules and regulations, whenever the board finds that:

1. A material statement contained in an application is or was false or misleading;

2. The applicant or licensee, or a person in a position of management and control thereof or of the licensed activity, does not have good moral character, necessary experience or competency, adequate facilities, equipment, process controls, or security to process, distribute, transport or sell cannabinoid hemp, hemp extract or products derived therefrom;

3. After appropriate notice and opportunity, the applicant or licensee has failed or refused to produce any records or provide any information required by this article or the regulations promulgated pursuant thereto;

4. The licensee has conducted activities outside of those activities permitted on its license; or

5. The applicant or licensee, or any officer, director, partner, or any other person exercising any position of management or control thereof or of the licensed activity has willfully failed to comply with any of the provisions of this article or regulations under it and other laws of this state applicable to the licensed activity.

§ 102. Record keeping and tracking. Every licensee shall keep, in such form as the board may direct, such relevant records as may be required pursuant to regulations under this article.

§ 103. Packaging and labeling of cannabinoid hemp and hemp extract. 1. Cannabinoid hemp processors shall be required to provide appropriate

1 label warning to consumers, and restricted from making unapproved label
2 claims, as determined by the board, concerning the potential impact on
3 or benefit to human health resulting from the use of cannabinoid hemp,
4 hemp extract and products derived therefrom for human consumption, which
5 labels shall be affixed to those products when sold, pursuant to rules
6 and regulations that the board may adopt.

7 2. The board may, by rules and regulations, require processors to
8 establish a code, including, but not limited to QR code, for labels and
9 establish methods and procedures for determining, among other things,
10 serving sizes or dosages for cannabinoid hemp, hemp extract and products
11 derived therefrom, active cannabinoid concentration per serving size,
12 number of servings per container, and the growing region, state or coun-
13 try of origin if not from the United States. Such rules and regulations
14 may require an appropriate fact panel that incorporates data regarding
15 serving sizes and potency thereof.

16 3. The packaging, sale, or possession of products derived from canna-
17 binoid hemp or hemp extract used for human consumption not labeled or
18 offered in conformity with regulations under this section shall be
19 grounds for the seizure or quarantine of the product, the imposition of
20 a civil penalty against a processor or retailer, and the suspension,
21 revocation or cancellation of a license, in accordance with this arti-
22 cle.

23 § 104. Processing of cannabinoid hemp and hemp extract. 1. No process-
24 or shall sell or agree to sell or deliver in the state any cannabinoid
25 hemp, hemp extract or product derived therefrom, used for human consump-

27 with size standards pursuant to rules adopted by the board. Such
28 containers shall have affixed thereto such labels as may be required by
29 the rules of the board.

30 2. Processors shall take such steps necessary to ensure that the
31 cannabinoid hemp or hemp extract used in their processing operation has
32 only been grown with pesticides that are registered by the department of
33 environmental conservation or that specifically meet the United States
34 environmental protection agency registration exemption criteria for
35 minimum risk, used in compliance with rules, regulations, standards and
36 guidelines issued by the department of environmental conservation for
37 pesticides.

38 3. All cannabinoid hemp, hemp extract and products derived therefrom
39 used for human consumption shall be extracted and processed in accord-
40 ance with good manufacturing processes pursuant to Part 117 or Part 111
41 of title 21 of the code of federal regulations, as may be defined, modi-
42 fied and decided upon by the board in rules or regulations.

43 4. As necessary to protect human health, the board shall have the
44 authority to: (a) regulate and prohibit specific ingredients, excipients
45 or methods used in processing cannabinoid hemp, hemp extract and
46 products derived therefrom; and (b) prohibit, or expressly allow,
47 certain products or product classes derived from cannabinoid hemp or
48 hemp extract, to be processed.

49 § 105. Laboratory testing. Every cannabinoid hemp processor shall
50 contract with an independent commercial laboratory to test the hemp
51 extract and products produced by the licensed processor. The board shall
52 establish the necessary qualifications or certifications required for
53 such laboratories used by licensees. The board is authorized to issue
54 rules and regulations consistent with this article establishing the
55 testing required, the reporting of testing results and the form for
56 reporting such laboratory testing results. The board has authority to

1 require licensees to submit any cannabinoid hemp, hemp extract or prod-
2 uct derived therefrom, processed or offered for sale within the state,
3 for testing by the board. This section shall not obligate the board, in
4 any way, to perform any testing on hemp, cannabinoid hemp, hemp extract
5 or product derived therefrom.

6 § 106. New York hemp product. The board may establish and adopt offi-
7 cial grades and standards for cannabinoid hemp, hemp extract and
8 products derived therefrom, as the board may deem advisable, which are
9 produced for sale in this state and, from time to time, may amend or
10 modify such grades and standards.

11 § 107. Penalties. Notwithstanding the provision of any law to the
12 contrary, the failure to comply with a requirement of this article, or a
13 regulation thereunder, may be punishable by a civil penalty of not more
14 than one thousand dollars for a first violation; not more than five
15 thousand dollars for a second violation within three years; and not more
16 than ten thousand dollars for a third violation and each subsequent
17 violation thereafter, within three years.

18 § 108. Hemp workgroup. The board, in consultation with the commission-
19 er of the department of agriculture and markets, may appoint a New York
20 state hemp and hemp extract workgroup, composed of growers, researchers,
21 producers, processors, manufacturers and trade associations, to make
22 recommendations for the industrial hemp and cannabinoid hemp programs,
23 state and federal policies and policy initiatives, and opportunities for
24 the promotion and marketing of cannabinoid hemp and hemp extract as
25 consistent with federal and state laws, rules and regulations.

26 § 109. Prohibitions. 1. Except as authorized by the United States food
27 and drug administration, the processing of cannabinoid hemp or hemp
28 extract used for human consumption is prohibited within the state unless
29 the processor is licensed under this article.

30 2. Cannabinoid hemp and hemp extracts used for human consumption and
31 grown or processed outside the state shall not be distributed or sold at
32 retail within the state, unless they meet all standards established for
33 cannabinoid hemp under state law and regulations.

34 3. The retail sale of cannabinoid hemp is prohibited in this state
35 unless the retailer is licensed under this article.

36 § 110. Special use permits. The board shall have the authority to
37 issue temporary permits for carrying on any activity related to cannabi-
38 noid hemp, hemp extract and products derived therefrom, licensed under
39 this article. The board may set reasonable fees for such permits, to
40 establish the periods during which such permits are valid, and to make
41 rules and regulations to implement this section.

42 § 111. Severability. If any provision of this article or the applica-
43 tion thereof to any person or circumstances is held invalid, such inva-
44 lidity shall not affect other provisions or applications of this article
45 which can be given effect without the invalid provision or application,
46 and to this end the provisions of this article are declared to be sever-
47 able.

§ 125. General prohibitions and restrictions. 1. No person shall cultivate, process, distribute for sale or sell at wholesale or retail or deliver to consumers any cannabis, cannabis product, medical cannabis or cannabinoid hemp or hemp extract product within the state without obtaining the appropriate registration, license, or permit therefor required by this chapter unless otherwise authorized by law.

2. No registered organization, licensee, or permittee or other entity under the jurisdiction of the board shall sell, or agree to sell or deliver in this state any cannabis or cannabinoid hemp or hemp extract for the purposes of resale to any person who is not duly registered, licensed or permitted pursuant to this chapter to sell such product, at wholesale or retail, as the case may be, at the time of such agreement and sale.

3. No registered organization, licensee, or permittee or other entity under the jurisdiction of the board shall employ, or permit to be employed, or shall allow to work, on any premises registered or licensed for retail sale hereunder, any person under the age of twenty-one years in any capacity where the duties of such person require or permit such person to sell, dispense or handle cannabis.

4. No registered organization, licensee, or permittee, or other entity under the jurisdiction of the board, shall sell, deliver or give away, or cause, permit or procure to be sold, delivered or given away any cannabis, cannabis product, or medical cannabis on credit; except that a registered organization, licensee or permittee may accept third party credit cards for the sale of any cannabis, cannabis product, or medical cannabis for which it is registered, licensed or permitted to dispense or sell to patients or cannabis consumers. This includes, but is not limited to, any consignment sale of any kind.

5. No registered organization, licensee, or permittee, or other entity under the jurisdiction of the board, shall cease to be operated as a bona fide or legitimate premises within the contemplation of the registration, license, or permit issued for such premises, as determined within the judgment of the board.

6. No registered organization, licensee, or permittee, or other entity under the jurisdiction of the board, shall refuse, nor any person holding a registration, license, or permit refuse, nor any officer or director of any corporation or organization holding a registration, license, or permit refuse, to appear and/or testify under oath at an inquiry or hearing held by the board, with respect to any matter bearing upon the registration, license, or permit, the conduct of any people at the

1 licensed premises, or bearing upon the character or fitness of such
2 registrant, licensee, or permittee, or other entity under the jurisdic-
3 tion of the board, to continue to hold any registration, license, or
4 permit. Nor shall any of the above offer false testimony under oath at
5 such inquiry or hearing.

6 7. No registered organization, licensee, or permittee, or other entity
7 under the jurisdiction of the board, shall engage, participate in, or
8 aid or abet any violation of any provision of this chapter, or the rules
9 or regulations of the board.

10 8. It shall be the responsibility of the registered organization,
11 licensee or permittee, or other entity under the jurisdiction of the
12 board, to exercise adequate supervision over the registered, licensed or
13 permitted location. Persons registered, licensed, or permitted shall be
14 held strictly accountable for any and all violations that occur upon any
15 registered, licensed, or permitted premises, and for any and all
16 violations committed by or permitted by any manager, agent or employee
17 of such registered, licensed, or permitted person.

18 9. It shall be unlawful for any person, partnership or corporation
19 operating a place for profit or pecuniary gain, with a capacity for the
20 assemblage of twenty or more persons to permit a person or persons to
21 come to the place of assembly for the purpose of cultivating, process-
22 ing, distributing, or retail distribution or sale of cannabis or canna-
23 bis products on said premises. This includes, but is not limited, to,
24 cannabis or cannabis products that are either provided by the operator
25 of the place of assembly, their agents, servants or employees, or canna-
26 bis that is brought onto said premises by the person or persons assembl-
27 ing at such place, unless an appropriate registration, license, or
28 permit has first been obtained from the board by the operator of said
29 place of assembly.

30 10. No adult-use cannabis or medical cannabis may be imported to, or
31 exported out of, New York state by a registered organization, licensee
32 or person holding a license and/or permit pursuant to this chapter,
33 until such time as it may become legal to do so under federal law.
34 Should it become legal to do so under federal law, the board may promul-
35 gate such rules and regulations as it deems necessary to protect the
36 public and the policy of the state, including to prioritize and promote
37 New York cannabis. Further, all such cannabis or cannabis products must
38 be distributed in a manner consistent with the provisions of this chap-
39 ter.

40 11. No registered organization, licensee or any of its agents, serv-
41 ants or employees shall sell any cannabis product, or medical cannabis
42 from house to house by means of a truck or otherwise, where the sale is
43 consummated and delivery made concurrently at the residence or place of
44 business of a cannabis consumer. This subdivision shall not prohibit the
45 delivery by a registered organization to certified patients or their
46 designated caregivers, pursuant to article three of this chapter.

47 12. No licensee shall employ any canvasser or solicitor for the
48 purpose of receiving an order from a certified patient, designated care-
49 giver or cannabis consumer for any cannabis product, or medical cannabis
50 at the residence or place of business of such patient, caregiver or
51 consumer, nor shall any licensee receive or accept any order, for the
52 sale of any cannabis product, or medical cannabis which shall be solici-
53 ted at the residence or place of business of a patient, caregiver or
54 consumer. This subdivision shall not prohibit the solicitation by a
55 distributor of an order from any licensee at the licensed premises of
56 such licensee.

§ 126. License to be confined to premises licensed; premises for which no license shall be granted; transporting cannabis. 1. A registration, license, or permit issued to any person, pursuant to this chapter, for any registered, licensed, or permitted premises shall not be transferable to any other person, to any other location or premises, or to any other building or part of the building containing the licensed premises except in the discretion of the office. All privileges granted by any registration, license, or permit shall be available only to the person therein specified, and only for the premises licensed and no other except if authorized by the board. Provided, however, that the provisions of this section shall not be deemed to prohibit the amendment of a registration or license as provided for in this chapter. A violation of this section shall subject the registration, license, or permit to revocation for cause.

2. Where a registration or license for premises has been revoked, the board in its discretion may refuse to issue a registration, license, or permit under this chapter, for a period of up to five years after such revocation, for such premises or for any part of the building containing such premises and connected therewith.

3. In determining whether to issue such a proscription against granting any registration, license, or permit for such five-year period, in addition to any other factors deemed relevant to the board, the board shall, in the case of a license revoked due to the sale of cannabis to a person under the age of twenty-one not otherwise authorized by this chapter, determine whether the proposed subsequent licensee has obtained such premises through an arm's length transaction, and, if such transaction is not found to be an arm's length transaction, the office shall deny the issuance of such license.

4. For purposes of this section, "arm's length transaction" shall mean a sale of a fee of all undivided interests in real property, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, or any part thereof, in the open market, between an informed and willing buyer and seller where neither is under any compulsion to participate in the transaction, unaffected by any unusual conditions indicating a reasonable possibility that the sale was made for the purpose of permitting the original licensee to avoid the effect of the revocation. The following sales shall be presumed not to be arm's length transactions unless adequate documentation is provided demonstrating that the sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, was not conducted, in whole or in part, for the purpose of permitting the original licensee to avoid the effect of the revocation:

(a) a sale between relatives;

(b) a sale between related companies or partners in a business; or

(c) a sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, affected by other facts or circumstances that would indicate that the sale, lease, management agreement, or other agreement giving the applicant control over the cannabis at the premises, is entered into for the primary purpose of permitting the original licensee to avoid the effect of the revocation.

5. No registered organization, licensee or permittee shall transport cannabis products or medical cannabis except in vehicles owned and operated by such registered organization, licensee or permittee, or hired and operated by such registered organization, licensee or permittee from a trucking or transportation company permitted and registered with the board.

6. No common carrier or person operating a transportation facility in this state, other than the United States government, shall knowingly receive for transportation or delivery within the state any cannabis products or medical cannabis unless the shipment is accompanied by copy of a bill of lading, or other document, showing the name and address of the consignor, the name and address of the consignee, the date of the shipment, and the quantity and kind of cannabis products or medical cannabis contained therein.

§ 127. Protections for the use of cannabis; unlawful discriminations prohibited. 1. No person, registered organization, licensee or permittee, employees, or their agents shall be subject to arrest, prosecution, or penalty in any manner, or denied any right or privilege, including but not limited to civil liability or disciplinary action by a business or occupational or professional licensing board or office, solely for conduct permitted under this chapter. For the avoidance of doubt, the appellate division of the supreme court of the state of New York, and any disciplinary or character and fitness committees established by law are occupational and professional licensing boards within the meaning of this section. State or local law enforcement agencies shall not cooperate with or provide assistance to the government of the United States or any agency thereof in enforcing the federal controlled substances act solely for actions consistent with this chapter, except as pursuant to a valid court order.

2. No school or landlord may refuse to enroll or lease to and may not otherwise penalize a person solely for conduct authorized under this chapter, except as exempted:

(a) if failing to do so would cause the school or landlord to lose a monetary or licensing related benefit under federal law or regulations;

(b) if the institution has adopted a code of conduct prohibiting cannabis use on the basis of religious belief; or

(c) if a property is registered with the New York smoke-free housing registry, it is not required to permit the smoking of cannabis products on its premises.

3. For the purposes of medical care, including organ transplants, a certified patient's authorized use of medical cannabis must be considered the equivalent of the use of any other medication under the direction of a practitioner and does not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care.

4. (a) No employer shall take adverse employment action against an employee for using cannabis, unless (i) such employee's usage is governed by state or local law or rule, or a collective bargaining agreement that: (1) limits or prohibits the usage of cannabis while performing the employee's job duties; (2) limits or prohibits the usage of cannabis as a condition of attaining or maintaining a license, certification, or professional status required for employment; or (3) governs the testing and disciplinary procedures related to the use of cannabis by employees; and (ii) the employee's usage is in violation of such state or local law or rules, or collective bargaining agreement.

(b) Employees whose usage of medical cannabis is governed by state or local law or rules, or a collective bargaining agreement that: (i) limits or prohibits the usage of cannabis while performing the employee's job duties; (ii) limits or prohibits the usage of cannabis as a condition of attaining or maintaining a license, certification, or professional status required for employment; or (iii) governs the testing and disciplinary procedures related to the use of cannabis by

1 employees, shall be afforded the same rights, procedures and protections
2 that are available and applicable to injured workers under the workers'
3 compensation law, or any rules or regulations promulgated thereunder,
4 when such injured workers are prescribed medications that may prohibit,
5 restrict, or require the modification of the performance of their
6 duties.

7 (c) Employees shall not face adverse employment actions for usage of
8 cannabis, as such conduct is permitted under this chapter, prior to the
9 beginning or after the conclusion of the employee's work hours, and off
10 of the employer's premises and without use of the employer's equipment
11 or other property.

12 (d) No employer shall take adverse employment action against an appli-
13 cant for employment, or otherwise discriminate against or refuse to
14 interview an applicant for employment, for using cannabis as such
15 conduct is permitted under this chapter.

16 5. Nothing in this section shall interfere with an employer's obli-
17 gation to provide a safe and healthy work place, free from recognized
18 hazards, as required by state and federal occupation safety and health
19 law or require an employer to commit any act that would cause the
20 employer to be in violation of any other federal law, or that would
21 result in the loss of a federal contract or federal funding.

22 6. Nothing in this section shall restrict an employer's ability to
23 prohibit or take adverse employment action for the possession or use of
24 intoxicating substances during work hours, or require an employer to
25 commit any act that would cause the employer to be in violation of
26 federal law, or that would result in the loss of a federal contract or
27 federal funding. For the purposes of this section, an employer may
28 consider an employee's ability to perform the employee's job responsi-
29 bilities to be impaired when the employee manifests specific articulable
30 symptoms while working that decrease or lessen the employee's perform-
31 ance of the duties or tasks of the employee's job position.

32 7. As used in this section, "adverse employment action" means refusing
33 to hire or employ, barring or discharging from employment, requiring a
34 person to retire from employment, or discriminating against in compen-
35 sation or in terms, conditions, or privileges of employment.

36 8. No person may be denied custody of or visitation or parenting time
37 with a minor, for conduct allowed under section 222.05 of the penal law,
38 unless the child's physical, mental or emotional condition has been
39 impaired, or is in imminent danger of becoming impaired as a result of
40 the person's behavior as established by a fair preponderance of the
41 evidence. For the purposes of this section, this determination cannot be
42 based solely on whether, when, and how often a person uses cannabis
43 without separate evidence of harm.

44 § 128. Permits, registrations and licenses. 1. No permit, registra-
45 tion or license shall be transferable or assignable except that notwith-
46 standing any other provision of law, the permit, registration or license
47 of a sole proprietor converting to corporate form, where such proprietor
48 becomes the sole stockholder and only officer and director of such new
49 corporation, may be transferred to the subject corporation if all
50 requirements of this chapter remain the same with respect to such
51 permit, registration or license as transferred and, further, the regis-
52 tered organization or licensee shall transmit to the board, within ten
53 days of the transfer of license allowable under this subdivision, on a
54 form prescribed by the board, notification of the transfer of such
55 license.

2. No permit, registration or license shall be pledged or deposited as collateral security for any loan or upon any other condition; and any such pledge or deposit, and any contract providing therefor, shall be void.

3. Permits, registrations and licenses issued under this chapter shall contain, in addition to any further information or material to be prescribed by the rules and regulations of the board, the following information:

(a) name of the person to whom the license is issued;

(b) type of license and what type of cannabis commerce is thereby permitted;

(c) description by street and number, or otherwise, of licensed premises; and

(d) a statement in substance that such license shall not be deemed a property or vested right, and that it may be revoked at any time pursuant to law.

§ 129. Laboratory testing permits. 1. The board shall approve and permit one or more independent cannabis testing laboratories to test medical cannabis, adult-use cannabis and/or cannabinoid hemp or hemp extract.

2. To be permitted as an independent cannabis laboratory, a laboratory must apply to the board, on a form and in a manner prescribed by the office, and must demonstrate the following to the satisfaction of the board:

(a) the owners and directors of the laboratory are of good moral character;

(b) the laboratory and its staff has the skills, resources and expertise needed to accurately and consistently perform all of the testing required for adult-use cannabis, medical cannabis and/or cannabinoid hemp or hemp extract;

(c) the laboratory has in place and will maintain adequate policies, procedures, and facility security to ensure proper: collection, labeling, accessioning, preparation, analysis, result reporting, disposal and storage of adult-use cannabis, and/or medical cannabis;

(d) the laboratory is physically located in New York state;

(e) the laboratory has been approved by the department of health pursuant to Part 55-2 of Title 10 of the New York Codes, Rules and Regulations, pertaining to laboratories performing environmental analysis; and

(f) the laboratory meets any and all requirements prescribed by this chapter and by the board in regulation.

3. The owner of a laboratory testing permit under this section shall not hold a permit, registration or license in any category of this chapter and shall not have any direct or indirect ownership interest in such registered organization or licensee. No board member, officer, manager, owner, partner, principal stakeholder or member of a registered organization or licensee under this chapter, or such person's immediate family member, shall have an interest or voting rights in any laboratory testing permittee.

4. The board shall require that the permitted laboratory report testing results to the board in a manner, form and timeframe as determined by the office.

5. The board is authorized to promulgate regulations, requiring permitted laboratories to perform certain tests and services.

6. A laboratory granted a laboratory testing permit under this chapter shall not required to be licensed by the federal drug enforcement agency.

§ 130. Special use permits. The board is hereby authorized to issue the following kinds of permits for carrying on activities consistent with the policy and purpose of this chapter with respect to cannabis. The board has the authority to set fees for all permits issued pursuant to this section, to establish the periods during which permits are authorized, and to make rules and regulations, including emergency regulations, to implement this section.

1. Industrial cannabis permit - to purchase cannabis from one of the entities licensed by the board for use in the manufacture and sale of any of the following, when such cannabis is not otherwise suitable for consumption purposes, namely: (a) apparel, energy, paper, and tools; (b) scientific, chemical, mechanical and industrial products; or (c) any other industrial use as determined by the board in regulation.

2. Trucking permit - to allow for the trucking or transportation of cannabis products, or medical cannabis by a person other than a registered organization or licensee under this chapter.

3. Warehouse permit - to allow for the storage of cannabis, cannabis products, or medical cannabis at a location not otherwise registered or licensed by the office.

4. Packaging permit - to authorize a licensed cannabis distributor to sort, package, label and bundle cannabis products from one or more registered organizations or licensed processors, on the premises of the licensed cannabis distributor or at a warehouse for which a permit has been issued under this section.

§ 131. Local opt-out; municipal control and preemption. 1. The provisions of article four of this chapter authorizing the retail sale of adult-use cannabis to cannabis consumers shall not be applicable to a town, city or village which, after a mandatory referendum held pursuant to section twenty-three of the municipal home rule law, adopts a local law to prohibit the establishment or operation of retail dispensary licenses contained in article four of this chapter, within the jurisdiction of the town, city or village. Provided, however, that any town law shall apply to the area of the town outside of any village within such town.

2. Except as provided for in subdivision one of this section, all county, town, city and village governing bodies are hereby preempted from adopting any rule, ordinance, regulation or prohibition pertaining to the operation or licensure of registered organizations, adult-use cannabis licenses or hemp licenses. However, municipalities may pass local laws and ordinances governing the time, place and manner of licensed adult-use cannabis retail dispensaries, provided such ordinance or regulation does not make the operation of such licensed retail dispensaries unreasonably impracticable as determined by the board in consultation with the state cannabis advisory board.

§ 132. Penalties for violation of this chapter. 1. Any person who cultivates for sale or sells cannabis, cannabis products, or medical cannabis without having an appropriate registration, license or permit therefor, or whose registration, license, or permit has been revoked, surrendered or cancelled, may be subject to prosecution in accordance with article two hundred twenty-two of the penal law.

2. Any registered organization or licensee, who has received notification of a registration or license suspension pursuant to the provisions of this chapter, who sells cannabis, cannabis products, medical cannabis

1 or cannabinoid hemp or hemp extract during the suspension period, shall
2 be subject to prosecution as provided in article two hundred twenty-two
3 of the penal law, and upon conviction thereof under this section may be
4 subject to a civil penalty of not more than five thousand dollars.

5 3. Any person who shall knowingly make any material false statement in
6 the application for a registration, license or a permit under this chap-
7 ter may be subject to a civil penalty of not more than two thousand
8 dollars.

9 4. Any person under the age of twenty-one found to be in possession of
10 cannabis or cannabis products who is not a certified patient pursuant to
11 article three of this chapter shall be in violation of this chapter and
12 shall be subject to the following penalty:

13 (a) (i) The person shall be subject to a civil penalty of not more
14 than fifty dollars. The civil penalty shall be payable to the office of
15 cannabis management.

16 (ii) Any identifying information provided by the enforcement agency
17 for the purpose of facilitating payment of the civil penalty shall not
18 be shared or disclosed under any circumstances with any other agency or
19 law enforcement division.

20 (b) The person shall, upon payment of the required civil penalty, be
21 provided with information related to the dangers of underage use of
22 cannabis and information related to cannabis use disorder by the office.

23 (c) The issuance and subsequent payment of such civil penalty shall in
24 no way qualify as a criminal accusation, admission of guilt, or a crimi-
25 nal conviction and shall in no way operate as a disqualification of any
26 such person from holding public office, attaining public employment, or
27 as a forfeiture of any right or privilege.

28 5. Cannabis recovered from individuals who are found to be in
29 violation of this chapter may after notice and opportunity for a hearing
30 be considered a nuisance and shall be disposed of or destroyed.

31 § 133. Revocation of registrations, licenses and permits for cause;
32 procedure for revocation or cancellation. 1. Any registration, license
33 or permit issued pursuant to this chapter may be revoked, cancelled,
34 suspended and/or subjected to the imposition of a civil penalty for
35 cause, and there shall be a rebuttable presumption of revocation for the
36 following causes:

37 (a) conviction of the registered organization, licensee, permittee or
38 his or her agent or employee for selling any illicit cannabis on the
39 premises registered, licensed or permitted; or

40 (b) for transferring, assigning or hypothecating a registration,
41 license or permit without prior written approval of the office.

42 2. Notwithstanding the issuance of a registration, license or permit
43 by way of renewal, the board may revoke, cancel or suspend such regis-
44 tration, license or permit and/or may impose a civil penalty against any
45 holder of such registration, license or permit, as prescribed by this
46 section, for causes or violations occurring during the license period
47 immediately preceding the issuance of such registration, license or
48 permit.

49 3. (a) As used in this section, the term "for cause" shall also
50 include the existence of a sustained and continuing pattern of miscon-
51 duct, failure to adequately prevent diversion or disorder on or about
52 the registered, licensed or permitted premises, or in the area in front
53 of or adjacent to the registered or licensed premises, or in any parking
54 lot provided by the registered organization or licensee for use by
55 registered organization or licensee's patrons, which significantly
56 adversely affects or tends to significantly adversely affect the

1 protection, health, welfare, safety, or repose of the inhabitants of the
2 area in which the registered or licensed premises is located.

3 (b) (i) As used in this section, the term "for cause" shall also
4 include deliberately misleading the board or office of cannabis manage-
5 ment:

6 (A) as to the nature and character of the business to be operated by
7 the registered organization, licensee or permittee; or

8 (B) by substantially altering the nature or character of such business
9 during the registration or licensing period without seeking appropriate
10 approvals from the board.

11 (ii) As used in this subdivision, the term "substantially altering the
12 nature or character" of such business shall mean any significant and
13 material alteration in the scope of business activities conducted by a
14 registered organization, licensee or permittee that would require
15 obtaining an alternate form of registration, license or permit.

16 4. As used in this chapter, the existence of a sustained and continu-
17 ing pattern of misconduct, failure to adequately prevent diversion or
18 disorder on or about the premises may be presumed upon the sixth inci-
19 dent reported to the board by a law enforcement agency, or discovered by
20 the board during the course of any investigation, of misconduct, diver-
21 sion or disorder on or about the premises or related to the operation of
22 the premises, absent clear and convincing evidence of either fraudulent
23 intent on the part of any complainant or a factual error with respect to
24 the content of any report concerning such complaint relied upon by the
25 board.

26 5. Notwithstanding any other provision of this chapter to the contra-
27 ry, a suspension imposed under this section against the holder of a
28 registration issued pursuant to article three of this chapter, shall
29 only suspend the licensed activities related to the type of cannabis,
30 medical cannabis or adult-use cannabis involved in the violation result-
31 ing in the suspension.

32 6. Any registration, license or permit issued by the board pursuant to
33 this chapter may be revoked, cancelled or suspended and/or be subjected
34 to the imposition of a monetary penalty set forth in this chapter in the
35 manner prescribed by this section.

36 7. The board may on its own initiative, or on complaint of any person,
37 institute proceedings to revoke, cancel or suspend any adult-use canna-
38 bis retail dispensary license or adult-use cannabis on-site consumption
39 license and may impose a civil penalty against the licensee after a
40 hearing at which the licensee shall be given an opportunity to be heard.
41 Such hearing shall be held in such manner and upon such notice as may be
42 prescribed in regulation by the board.

43 8. All other registrations, licenses or permits issued under this
44 chapter may be revoked, cancelled, suspended and/or made subject to the
45 imposition of a civil penalty by the office after a hearing to be held
46 in such manner and upon such notice as may be prescribed in regulation
47 by the board.

48 9. Where a licensee or permittee is convicted of two or more qualify-
49 ing offenses within a five-year period, the office, upon receipt of
50 notification of such second or subsequent conviction, shall, in addition
51 to any other sanction or civil or criminal penalty imposed pursuant to
52 this chapter, impose on such licensee a civil penalty not to exceed ten
53 thousand dollars. For purposes of this subdivision, a qualifying offense
54 shall mean the sale of cannabis to a person under the age of twenty-one
55 not otherwise authorized by this chapter. For purposes of this subdivi-

1 sion only, a conviction of a licensee or an employee or agent of such
2 licensee shall constitute a conviction of such licensee.

3 § 134. Lawful actions pursuant to this chapter. 1. Contracts related
4 to the operation of registered organizations, licenses and permits under
5 this chapter shall be lawful and shall not be deemed unenforceable on
6 the basis that the actions permitted pursuant to the registration,
7 license or permit are prohibited by federal law.

8 2. The following actions are not unlawful as provided under this chap-
9 ter, shall not be an offense under any state or local law, and shall not
10 result in any civil penalty, fine, seizure, or forfeiture of assets, or
11 be the basis for detention or search against any person acting in
12 accordance with this chapter:

13 (a) Actions of a registered organization, licensee, or permittee, or
14 the employees or agents of such registered organization, licensee or
15 permittee, as permitted by this chapter and consistent with rules and
16 regulations of the office, pursuant to a valid registration, license or
17 permit issued by the board.

18 (b) Actions of those who allow property to be used by a registered
19 organization, licensee, or permittee, or the employees or agents of such
20 registered organization, licensee or permittee, as permitted by this
21 chapter and consistent with rules and regulations of the office, pursu-
22 ant to a valid registration, license or permit issued by the board.

23 (c) Actions of any person or entity, their employees, or their agents
24 providing a service to a registered organization, licensee, permittee or
25 a potential registered organization, licensee, or permittee, as permit-
26 ted by this chapter and consistent with rules and regulations of the
27 office, relating to the formation of a business.

28 (d) The purchase, cultivation, possession, or consumption of cannabis,
29 and medical cannabis, as permitted by law, and consistent with rules and
30 regulations of the board.

31 § 135. Review by courts. An action by the board shall be subject to
32 review by the supreme court in the manner provided in article seventy-
33 eight of the civil practice law and rules including, but not limited to:

34 (a) Refusal by the board to issue a registration, license, or a
35 permit.

36 (b) The revocation, cancellation or suspension of a registration,
37 license, or permit by the board.

38 (c) The failure or refusal by the board to render a decision upon any
39 application or hearing submitted to or held by the board within sixty
40 days after such submission or hearing.

41 (d) The transfer by the board of a registration, license, or permit to
42 any other entity or premises, or the failure or refusal by the board to
43 approve such a transfer.

44 (e) Refusal to approve alteration of premises.

45 (f) Refusal to approve a corporate change in stockholders, stockhold-
46 ings, officers or directors.

47 § 136. Illicit cannabis. 1. "Illicit cannabis" means and includes any
48 cannabis product or medical cannabis that is owned, cultivated, distrib-
49 uted, bought, sold, packaged, rectified, blended, treated, fortified,
50 mixed, processed, warehoused, possessed or transported for which any tax
51 required to have been paid under any applicable state law has not been
52 paid.

53 2. Any person holding a license, permit or registration under this
54 chapter who shall knowingly possess or have under his or her control any
55 cannabis known by the person to be illicit cannabis is guilty of a class
56 B misdemeanor.

1 3. Any person holding a license, permit or registration pursuant to
2 this chapter who shall knowingly barter, exchange, give or sell, or
3 offer to barter, exchange, give or sell any cannabis known by the person
4 to be illicit cannabis is guilty of a misdemeanor.

(k) (i) The conviction was for a violation of article two hundred twenty or section 240.36 of the penal law prior to the effective date of article two hundred twenty-one of the penal law, and the sole controlled substance involved was marihuana and the conviction was only for a misdemeanor and/or violation [~~or violations~~]; or

(ii) the conviction is for an offense defined in section 221.05 or 221.10 of the penal law prior to the effective date of [~~the~~] chapter one hundred thirty-two of the laws of two thousand nineteen [~~that amended this paragraph~~]; or

(iii) the conviction is for an offense defined in [~~section~~] former sections 221.05 [~~or~~], 221.10, 221.15, 221.20, 221.35, or 221.40 of the penal law; or

(iv) the conviction was for a violation of section 220.03 or 220.06 of the penal law prior to the effective date of the chapter of the laws of two thousand twenty-one that amended this paragraph, and the sole controlled substance involved was concentrated cannabis; or

The people may rebut these presumptions.

§ 19. Intentionally omitted.

§ 20. Intentionally omitted.

§ 21. Intentionally omitted.

§ 22. Subdivision 1 of section 170.56 of the criminal procedure law, as amended by chapter 360 of the laws of 1977, is amended to read as follows:

1. Upon or after arraignment in a local criminal court upon an information, a prosecutor's information or a misdemeanor complaint, where the sole remaining count or counts charge a violation or violations of section [~~221.05, 221.10, 221.15, 221.35 or 221.40~~] 220.10, 222.15, 222.25, 222.30, 222.45 or 222.50 of the penal law, or upon summons for a nuisance offense under section sixty-five-c of the alcoholic beverage control law and before the entry of a plea of guilty thereto or

1 commencement of a trial thereof, the court, upon motion of a defendant,
2 may order that all proceedings be suspended and the action adjourned in
3 contemplation of dismissal, or upon a finding that adjournment would not
4 be necessary or appropriate and the setting forth in the record of the
5 reasons for such findings, may dismiss in furtherance of justice the
6 accusatory instrument; provided, however, that the court may not order
7 such adjournment in contemplation of dismissal or dismiss the accusatory
8 instrument if: (a) the defendant has previously been granted such
9 adjournment in contemplation of dismissal, or (b) the defendant has
10 previously been granted a dismissal under this section, or (c) the
11 defendant has previously been convicted of any offense involving
12 controlled substances, or (d) the defendant has previously been
13 convicted of a crime and the district attorney does not consent or (e)
14 the defendant has previously been adjudicated a youthful offender on the
15 basis of any act or acts involving controlled substances and the
16 district attorney does not consent. Notwithstanding the limitations set
17 forth in this subdivision, the court may order that all proceedings be
18 suspended and the action adjourned in contemplation of dismissal based
19 upon a finding of exceptional circumstances. For purposes of this subdi-
20 vision, exceptional circumstances exist when, regardless of the ultimate
21 disposition of the case, the entry of a plea of guilty is likely to
22 result in severe or ongoing consequences, including, but not limited to,
23 potential or actual immigration consequences.

24 § 23. Intentionally omitted.

25 § 24. The criminal procedure law is amended by adding a new section
26 440.46-a to read as follows:

27 § 440.46-a Motion for resentence; persons convicted of certain marihuana
28 offenses.

29 1. When a person is serving a sentence for a conviction in this state,
30 whether by trial verdict or guilty plea, under former article two
31 hundred twenty-one of the penal law, and such person's conduct as
32 alleged in the accusatory instrument and/or shown by the guilty plea or
33 trial verdict would not have been a crime under article two hundred
34 twenty-two of the penal law, had such article two hundred twenty-two
35 rather than former article two hundred twenty-one of the penal law been
36 in effect at the time of such conduct, then the chief administrative
37 judge of the state of New York shall, in accordance with this section,
38 automatically vacate, dismiss and expunge such conviction in accordance
39 with section 160.50 of this chapter, and the office of court adminis-
40 tration shall immediately notify the state division of criminal justice
41 services, state department of corrections and community supervision and
42 the appropriate local correctional facility which shall immediately
43 effectuate the appropriate relief. Such notification to the division of
44 criminal justice services shall also direct that such agency notify all
45 relevant police and law enforcement agencies of their duty to destroy
46 and/or mark records related to such case in accordance with section
47 160.50 of this chapter. Nothing in this section shall prevent a person
48 who believes his or her sentence is required by this section to be
49 vacated, dismissed and/or expunged from filing a petition with the court
50 to effectuate all appropriate relief.

51 2. (a) When a person is serving or has completed serving a sentence
52 for a conviction in this state, whether by trial verdict or guilty plea,
53 under former article two hundred twenty-one of the penal law, and such
54 person's conduct as alleged in the accusatory instrument and/or shown by
55 the guilty plea or trial verdict, or shown by other information: (i)
56 would not have been a crime under article two hundred twenty-two of the

1 penal law, had such article two hundred twenty-two rather than former
2 article two hundred twenty-one of the penal law been in effect at the
3 time of such conduct; or (ii) under such circumstances such person would
4 have been guilty of a lesser or potentially less onerous offense under
5 such article two hundred twenty-two than such former article two hundred
6 twenty-one of the penal law; then such person may petition the court of
7 conviction pursuant to this article for vacatur of such conviction.

8 (b) Upon receiving a served and filed motion under paragraph (a) of
9 this subdivision, the court shall presume the movant satisfies the
10 criteria in such paragraph (a) and shall grant the motion to vacate such
11 conviction unless the party opposing the motion proves, by clear and
12 convincing evidence, that the movant does not satisfy the criteria. If
13 the movant satisfies the criteria, the court shall grant the motion to
14 vacate the conviction: (i) if the conviction was by plea of guilty, on
15 grounds that such plea was not knowing, voluntary and intelligent owing
16 to ongoing consequences; and (ii) if the conviction was by verdict or
17 otherwise, on grounds that such conviction and sentence constitutes
18 cruel and unusual punishment under the state constitution owing to such
19 ongoing consequences; and may, if the petition meets the criteria in
20 subparagraph (i) of paragraph (a) of this subdivision, after affording
21 the parties an opportunity to be heard and present evidence, substitute,
22 unless it is not in the interests of justice to do so, a conviction for
23 an appropriate lesser offense under article two hundred twenty-two of
24 the penal law.

25 (c) In the event of any vacatur and/or substitution pursuant to this
26 subdivision, the office of court administration shall immediately notify
27 the state division of criminal justice services concerning such determi-
28 nation. Such notification to the division of criminal justice services
29 shall also direct that such agency notify all relevant police and law
30 enforcement agencies of their duty to destroy and/or mark records
31 related to such case in accordance with section 160.50 of this chapter
32 or, where conviction for a crime is substituted pursuant to this subdivi-
33 sion, update such agencies' records accordingly.

34 3. Under no circumstances may substitution under this section result
35 in the imposition of a term of imprisonment or sentencing term, obli-
36 gation or condition that is in any way either harsher than the original
37 sentence or harsher than the sentence authorized for any substituted
38 lesser offense.

39 4. (a) If the judge who originally sentenced the movant for such
40 offense is not reasonably available, then the presiding judge for such
41 court shall designate another judge authorized to act in the appropriate
42 jurisdiction to determine the petition or application.

43 (b) Unless requested by the movant, no hearing is necessary to grant
44 an application filed under subdivision two of this section.

45 (c) When a felony conviction is vacated pursuant to this section and a
46 lesser offense that is a misdemeanor or violation is substituted for
47 such conviction, such lesser offense shall be considered a misdemeanor
48 or violation, as the case may be, for all purposes. When a misdemeanor
49 conviction is vacated pursuant to this section and a lesser offense that
50 is a violation is substituted for such conviction, such lesser offense
51 shall be considered a violation for all purposes.

52 (d) Nothing in this section is intended to or shall diminish or abro-
53 gate any rights or remedies otherwise available to a defendant, peti-
54 tioner or applicant. Relief under this section is available notwith-
55 standing that the judgment was for a violation of former sections
56 221.05, 221.10, 221.15, 221.20, 221.35 or 221.40 of the penal law in

1 effect prior to the effective date of this paragraph and that the under-
2 lying action or proceeding has already been vacated, dismissed and
3 expunged.

4 (e) Nothing in this and related sections of law is intended to dimin-
5 ish or abrogate the finality of judgments in any case not falling within
6 the purview of this section.

7 (f) The provisions of this section shall be available, used and
8 applied in parallel fashion by the family court and the criminal courts
9 to juvenile delinquency adjudications, adolescent offender adjudications
10 and youthful offender adjudications.

11 (g) The chief administrator of the courts shall promulgate all neces-
12 sary rules and make available all necessary forms to enable the filing
13 of the petitions and applications provided in this section no later than
14 sixty days following the effective date of this section. All sentences
15 eligible for automatic vacatur, dismissal and expungement pursuant to
16 subdivision one of this section shall be identified and the required
17 entities notified within one year of the effective date of this section.

18 § 25. Paragraph (c) of subdivision 8 of section 700.05 of the criminal
19 procedure law, as amended by chapter 37 of the laws of 2014, is amended

29 is certified to the comptroller by the commissioner as the amount to be
30 credited against city of New York tax warrant judgment debt pursuant to
31 section one hundred seventy-one-l of this article, (v) and except
32 further that the comptroller shall pay to a non-obligated spouse that

52 § 36. Intentionally omitted.

53 § 37. Section 490 of the tax law, as added by chapter 90 of the laws
54 of 2014, is amended to read as follows:

55 § 490. [~~Definitions~~] Excise tax on medical cannabis. 1. (a) [~~All~~
56 ~~definitions of terms applicable to title five-A of article thirty-three~~

~~of the public health law shall apply to this article.] For purposes of this article, the terms "medical cannabis," "registered organization," "certified patient," and "designated caregiver" shall have the same definitions as in section three of the cannabis law.~~

(b) As used in this section, where not otherwise specifically defined and unless a different meaning is clearly required "gross receipt" means the amount received in or by reason of any sale, conditional or otherwise, of medical [~~marihuana~~] cannabis or in or by reason of the furnishing of medical [~~marihuana~~] cannabis from the sale of medical [~~marihuana~~] cannabis provided by a registered organization to a certified patient or designated caregiver. Gross receipt is expressed in money, whether paid in cash, credit or property of any kind or nature, and shall be determined without any deduction therefrom on account of the cost of the service sold or the cost of materials, labor or services used or other costs, interest or discount paid, or any other expenses whatsoever. "Amount received" for the purpose of the definition of gross receipt, as the term gross receipt is used throughout this article, means the amount charged for the provision of medical [~~marihuana~~] cannabis.

2. There is hereby imposed an excise tax on the gross receipts from the sale of medical [~~marihuana~~] cannabis by a registered organization to a certified patient or designated caregiver, to be paid by the registered organization, at the rate of seven percent. The tax imposed by this article shall be charged against and be paid by the registered organization and shall not be added as a separate charge or line item on any sales slip, invoice, receipt or other statement or memorandum of the price given to the retail customer.

3. The commissioner may make, adopt and amend rules, regulations, procedures and forms necessary for the proper administration of this article.

4. Every registered organization that makes sales of medical [~~marihuana~~] cannabis subject to the tax imposed by this article shall, on or before the twentieth date of each month, file with the commissioner a return on forms to be prescribed by the commissioner, showing its receipts from the retail sale of medical [~~marihuana~~] cannabis during the preceding calendar month and the amount of tax due thereon. Such returns shall contain such further information as the commissioner may require. Every registered organization required to file a return under this section shall, at the time of filing such return, pay to the commissioner the total amount of tax due on its retail sales of medical [~~marihuana~~] cannabis for the period covered by such return. If a return is not filed when due, the tax shall be due on the day on which the return is required to be filed.

5. Whenever the commissioner shall determine that any moneys received under the provisions of this article were paid in error, he may cause the same to be refunded, with interest, in accordance with such rules and regulations as he may prescribe, except that no interest shall be allowed or paid if the amount thereof would be less than one dollar. Such interest shall be at the overpayment rate set by the commissioner pursuant to subdivision twenty-sixth of section one hundred seventy-one of this chapter, or if no rate is set, at the rate of six percent per annum, from the date when the tax, penalty or interest to be refunded was paid to a date preceding the date of the refund check by not more than thirty days. Provided, however, that for the purposes of this subdivision, any tax paid before the last day prescribed for its payment shall be deemed to have been paid on such last day. Such moneys received under the provisions of this article which the commissioner shall deter-

mine were paid in error, may be refunded out of funds in the custody of the comptroller to the credit of such taxes provided an application therefor is filed with the commissioner within two years from the time the erroneous payment was made.

6. The provisions of article twenty-seven of this chapter shall apply to the tax imposed by this article in the same manner and with the same force and effect as if the language of such article had been incorporated in full into this section and had expressly referred to the tax imposed by this article, except to the extent that any provision of such article is either inconsistent with a provision of this article or is not relevant to this article.

7. All taxes, interest and penalties collected or received by the commissioner under this article shall be deposited and disposed of pursuant to the provisions of section one hundred seventy-one-a of this chapter, provided that an amount equal to one hundred percent collected under this article less any amount determined by the commissioner to be reserved by the comptroller for refunds or reimbursements shall be paid by the comptroller to the credit of the medical ~~[marihuana]~~ cannabis trust fund established by section eighty-nine-h of the state finance law.

8. A registered organization that dispenses medical ~~[marihuana]~~ cannabis shall provide to the department information on where the medical ~~[marihuana]~~ cannabis was dispensed and where the medical ~~[marihuana]~~ cannabis was manufactured. A registered organization that obtains ~~[marihuana]~~ cannabis from another registered organization shall obtain from such registered organization information on where the medical ~~[marihuana]~~ cannabis was manufactured.

§ 38. Section 491 of the tax law, as added by chapter 90 of the laws of 2014, subdivision 1 as amended by section 1 of part II of chapter 60 of the laws of 2016, is amended to read as follows:

§ 491. Returns to be secret. 1. Except in accordance with proper judicial order or as in this section or otherwise provided by law, it shall be unlawful for the commissioner, any officer or employee of the department, or any officer or person who, pursuant to this section, is permitted to inspect any return or report or to whom a copy, an abstract or a portion of any return or report is furnished, or to whom any information contained in any return or report is furnished, or any person engaged or retained by such department on an independent contract basis or any person who in any manner may acquire knowledge of the contents of a return or report filed pursuant to this article to divulge or make known in any manner the contents or any other information relating to the business of a distributor, owner or other person contained in any return or report required under this article. The officers charged with the custody of such returns or reports shall not be required to produce any of them or evidence of anything contained in them in any action or proceeding in any court, except on behalf of the ~~[state, the state department of health]~~ cannabis control board, or the commissioner in an action or proceeding under the provisions of this chapter or on behalf of the state or the commissioner in any other action or proceeding involving the collection of a tax due under this chapter to which the state or the commissioner is a party or a claimant or on behalf of any party to any action or proceeding under the provisions of this article, when the returns or the reports or the facts shown thereby are directly involved in such action or proceeding, or in an action or proceeding relating to the regulation or taxation of medical ~~[marihuana]~~ cannabis on behalf of officers to whom information shall have been supplied as

1 provided in subdivision two of this section, in any of which events the
2 court may require the production of, and may admit in evidence so much
3 of said returns or reports or of the facts shown thereby as are pertain-
4 ing to the action or proceeding and no more. Nothing herein shall be
5 construed to prohibit the commissioner, in his or her discretion, from
6 allowing the inspection or delivery of a certified copy of any return or
7 report filed under this article or of any information contained in any
8 such return or report by or to a duly authorized officer or employee of
9 the ~~[state department of health]~~ cannabis control board; or by or to the
10 attorney general or other legal representatives of the state when an
11 action shall have been recommended or commenced pursuant to this chapter
12 in which such returns or reports or the facts shown thereby are directly
13 involved; or the inspection of the returns or reports required under
14 this article by the comptroller or duly designated officer or employee
15 of the state department of audit and control, for purposes of the audit
16 of a refund of any tax paid by a registered organization or other person
17 under this article; nor to prohibit the delivery to a registered organ-
18 ization, or a duly authorized representative of such registered organ-
19 ization, a certified copy of any return or report filed by such regis-
20 tered organization pursuant to this article, nor to prohibit the
21 publication of statistics so classified as to prevent the identification
22 of particular returns or reports and the items thereof. This section
23 shall also not be construed to prohibit the disclosure, for tax adminis-
24 tration purposes, to the division of the budget and the office of the
25 state comptroller, of information aggregated from the returns filed by
26 all the registered organizations making sales of, or manufacturing,
27 medical ~~[marihuana]~~ cannabis in a specified county, whether the number
28 of such registered organizations is one or more. Provided further that,
29 notwithstanding the provisions of this subdivision, the commissioner
30 may, in his or her discretion, permit the proper officer of any county
31 entitled to receive an allocation, following appropriation by the legis-
32 lature, pursuant to this article and section eighty-nine-h of the state
33 finance law, or the authorized representative of such officer, to
34 inspect any return filed under this article, or may furnish to such
35 officer or the officer's authorized representative an abstract of any
36 such return or supply such officer or such representative with informa-
37 tion concerning an item contained in any such return, or disclosed by
38 any investigation of tax liability under this article.

39 2. The commissioner, in his or her discretion and pursuant to such
40 rules and regulations as he or she may adopt, may permit ~~[the commis-~~
41 ~~sioner of internal revenue of the United States, or]~~ the appropriate
42 officers of any other state which regulates or taxes medical ~~[marihuana]~~
43 cannabis, or the duly authorized representatives of such ~~[commissioner~~
44 ~~or of any such]~~ officers, to inspect returns or reports made pursuant to
45 this article, or may furnish to such ~~[commissioner or]~~ other officers,
46 or duly authorized representatives, a copy of any such return or report
47 or an abstract of the information therein contained, or any portion
48 thereof, or may supply ~~[such commissioner or]~~ any such officers or such
49 representatives with information relating to the business of a regis-
50 tered organization making returns or reports hereunder. The commissioner
51 may refuse to supply information pursuant to this subdivision ~~[to the~~
52 ~~commissioner of internal revenue of the United States or]~~ to the offi-
53 cers of any other state if the statutes ~~[of the United States, or]~~ of
54 the state represented by such officers, do not grant substantially simi-
55 lar privileges to the commissioner, but such refusal shall not be manda-
56 tory. Information shall not be supplied to ~~[the commissioner of internal~~

~~revenue of the United States or~~ the appropriate officers of any other state which regulates or taxes medical [~~marihuana~~ cannabis], or the duly authorized representatives [~~of such commissioner or~~] of any of such officers, unless such [~~commissioner,~~] officer or other representatives shall agree not to divulge or make known in any manner the information so supplied, but such officers may transmit such information to their employees or legal representatives when necessary, who in turn shall be subject to the same restrictions as those hereby imposed upon such [~~commissioner,~~] officer or other representatives.

3. (a) Any officer or employee of the state who willfully violates the provisions of subdivision one or two of this section shall be dismissed from office and be incapable of holding any public office in this state for a period of five years thereafter.

(b) Cross-reference: For criminal penalties, see article thirty-seven of this chapter.

§ 39. The tax law is amended by adding a new article 20-C to read as follows:

ARTICLE 20-C

493. Tax on cannabis.

494. Registration and renewal.

495. Returns and payment of tax.

496. Returns to be kept secret.

(a) "Cannabis" shall have the same meaning as in section three of the cannabis law. For purposes of this article, cannabis does not include medical cannabis or cannabinoid hemp and hemp extract as defined in section three of the cannabis law.

(b) "Cannabis product" or "adult-use cannabis product" means a cannabis product as defined in section three of the cannabis law. For purposes of this article, under no circumstances shall adult-use cannabis product include medical cannabis or cannabinoid hemp and hemp extract as defined in section three of the cannabis law.

(c) "Person" means every individual, partnership, limited liability company, society, association, joint stock company, corporation, estate, receiver, trustee, assignee, referee, and any other person acting in a fiduciary or representative capacity, whether appointed by a court or otherwise, and any combination of the foregoing.

(d) "Retail dispensary" means a dispensary licensed to sell adult-use cannabis products pursuant to section seventy-two of the cannabis law.

(e) "Transfer" means to grant, convey, hand over, assign, sell, exchange or barter, in any manner or by any means, with or without consideration.

(f) "Sale" means any transfer of title, possession or both, exchange or barter, rental, lease or license to use or consume, conditional or otherwise, in any manner or by any means whatsoever for a consideration or any agreement therefor.

§ 493. Tax on cannabis. (a) There is hereby imposed a tax on the sale or transfer of adult-use cannabis products by any person to a retail dispensary at the rate of eighteen percent of the amount charged by such person for adult-use cannabis products, which shall accrue at the time of such sale or transfer. Where the retail dispensary is operated by a person licensed under the cannabis law as a registered organiza-

tion, such tax shall be paid by the retail dispensary at the rate of eighteen percent of the price charged to the retail customer and shall accrue at the time of such sale.

(b) In addition to the taxes imposed by subdivision (a) of this section, there is hereby imposed a tax on the sale or transfer of adult-use cannabis products by any person to a retail dispensary at the rate of one percent of the amount charged by such person for such adult-use cannabis products, which shall accrue at the time of such sale or transfer. The tax imposed by this subdivision shall be in trust for and on account of a city having a population of one million or more, or a county, other than a county wholly within such a city, in which the retail dispensary is located. (c) In addition to the taxes imposed by subdivisions (a) and (b) of this section, there is hereby imposed a tax on the sale or transfer of adult-use cannabis products by any person to a retail dispensary at the rate of three percent of the amount charged by such person for such adult-use cannabis products, which shall accrue at the time of such sale or transfer. The tax imposed by this subdivision shall be in trust for and on account of the town, village, or city in which the retail dispensary is located. Where the retail dispensary is operated by a person licensed under the cannabis law as a registered organization, such tax shall be paid by the retail dispensary at the rate of three percent of the price charged to the retail customer.

(d) It shall be presumed that all adult-use cannabis products within the state are subject to tax until the contrary is established, and the burden of proof that the taxes imposed by subdivisions (a), (b) and (c) of this section have been paid shall be upon the person in possession thereof where such person holds any license under the cannabis law. Every person holding a license under the cannabis law who possesses adult-use cannabis products upon which such taxes have not been paid shall be liable for the payment of such taxes, and the failure of such person to produce to the commissioner or his or her authorized representative upon demand an invoice for any adult-use cannabis products in his or her possession shall be presumptive evidence that the tax thereon has not been paid and that such person is liable for the tax thereon, unless evidence of such invoice or payment is later produced.

(e) Notwithstanding any other provision of law to the contrary, the taxes imposed by article twenty of this chapter shall not apply to any product subject to tax under this article.

§ 494. Registration and renewal. (a) Every person to whom adult-use cannabis products are sold or transferred, and every person licensed as a microbusiness, cooperative or registered organization under the cannabis law must file with the commissioner a properly completed application for a certificate of registration before engaging in business. In order to apply for such certificate of registration, such person must first be in possession of a valid license from the office of cannabis management. An application for a certificate of registration must be submitted electronically, on a form prescribed by the commissioner, and must be accompanied by a non-refundable application fee of six hundred dollars. A certificate of registration shall not be assignable or transferable and shall be destroyed immediately upon such person ceasing to do business as specified in such certificate, or in the event that such business never commenced.

1 **(b) The commissioner shall refuse to issue a certificate of registra-**
2 **tion to any applicant and shall revoke the certificate of registration**
3 **of any such person who does not possess a valid license from the office**
4 **of cannabis management. The commissioner may refuse to issue a certif-**
5 **icate of registration to any applicant where such applicant: (1) has a**
6 **past-due liability as that term is defined in section one hundred seven-**
7 **ty-one-v of this chapter; (2) has had a certificate of registration**
8 **under this article, a license from the office of cannabis management, or**
9 **any license or registration provided for in this chapter revoked within**
10 **one year from the date on which such application was filed; (3) has had**
11 **a certificate of registration under this article, a license from the**
12 **office of cannabis management, or any license or registration provided**
13 **for in this chapter suspended where the suspension is in effect on the**
14 **date the application is filed or ended less than one year from such**
15 **date; (4) has been convicted of a crime provided for in this chapter**
16 **within one year from the date on which such application was filed or the**
17 **certificate was issued as applicable; (5) willfully fails to file a**
18 **report or return required by this article; (6) willfully files, causes**
19 **to be filed, gives or causes to be given a report, return, certificate**
20 **or affidavit required by this article which is false; or (7) willfully**
21 **fails to collect or truthfully account for or pay over any tax imposed**
22 **by this article.**

23 **(c) A certificate of registration shall be valid for the period speci-**
24 **fied thereon, unless earlier suspended or revoked. Upon the expiration**
25 **of the term stated on a certificate of registration, such certificate**
26 **shall be null and void.**

27 **(d) Every holder of a certificate of registration must notify the**
28 **commissioner of changes to any of the information stated on the certif-**
29 **icate, or of changes to any information contained in the application for**
30 **the certificate of registration. Such notification must be made on or**
31 **before the last day of the month in which a change occurs and must be**
32 **made electronically on a form prescribed by the commissioner.**

33 **(e) Every holder of a certificate of registration under this article**
34 **shall be required to reapply prior to such certificate's expiration,**
35 **during a reapplication period established by the commissioner. Such**
36 **reapplication period shall not occur more frequently than every two**
37 **years. Such reapplication shall be subject to the same requirements and**
38 **conditions as an initial application, including grounds for refusal and**
39 **the payment of the application fee.**

40 **(f) Any person who is required to obtain a certificate of registration**
41 **under subdivision (a) of this section who possesses adult-use cannabis**
42 **products without such certificate shall be subject to a penalty of five**
43 **hundred dollars for each month or part thereof during which adult-use**
44 **cannabis products are possessed without such certificate, not to exceed**
45 **ten thousand dollars in the aggregate.**

46 **§ 495. Returns and payment of tax. (a) 1. Every person to whom**
47 **adult-use cannabis products are sold or transferred, and every person**
48 **licensed as a microbusiness, cooperative or registered organization**
49 **under the cannabis law shall, on or before the twentieth day of the**
50 **month, file with the commissioner a return on forms to be prescribed by**
51 **the commissioner, the total amount of tax due thereon in the preceding**
52 **calendar month, and the total amount of tax due under subdivisions (a),**
53 **(b) and (c) of section four hundred ninety-three of this article on its**
54 **sales to a retail dispensary during the preceding calendar month, along**
55 **with such other information as the commissioner may require. Every**
56 **person required to file a return under this section shall, at the time**

1 of filing such return, pay to the commissioner the total amount of tax
2 due for the period covered by such return. If a return is not filed when
3 due, the tax shall be due on the day on which the return is required to
4 be filed.

5 2. Every person to whom adult-use cannabis products are sold or trans-
6 ferred, and every person licensed as a microbusiness, cooperative or
7 registered organization under the cannabis law shall maintain complete
8 and accurate records in such form as the commissioner may require
9 including, but not limited to, such items as the geographic location of
10 every retail dispensary to which such person sold or transferred adult-
11 use cannabis products; and any other record or information required by
12 the commissioner. Such records must be preserved for a period of three
13 years after the filing of the return to which such records relate and
14 must be provided to the commissioner upon request.

15 (b) The provisions of article twenty-seven of this chapter shall apply
16 to the tax imposed by this article in the same manner and with the same
17 force and effect as if the language of such article had been incorpo-
18 rated in full into this section and had expressly referred to the tax
19 imposed by this article, except to the extent that any provision of such
20 article is either inconsistent with a provision of this article or is
21 not relevant to this article.

22 (c) 1. All taxes, interest, and penalties collected or received by the
23 commissioner under this article shall be deposited and disposed of
24 pursuant to the provisions of section one hundred seventy-one-a of this
25 chapter, provided that an amount equal to one hundred percent collected
26 under this article less any amount determined by the commissioner to be
27 reserved by the comptroller for refunds or reimbursements shall be paid
28 by the comptroller to the credit of the cannabis revenue fund estab-
29 lished by section ninety-nine-ii of the state finance law. Of the total
30 revenue collected or received under this article, the comptroller shall
31 retain such amount as the commissioner may determine to be necessary for
32 refunds. The commissioner is authorized and directed to deduct from the
33 registration fees under subdivision (a) of section four hundred ninety-
34 four of this article, before deposit into the cannabis revenue fund
35 designated by the comptroller, a reasonable amount necessary to effectuate
36 refunds of appropriations of the department to reimburse the depart-
37 ment for the costs incurred to administer, collect, and distribute the
38 taxes imposed by this article.

39 2. Notwithstanding the foregoing, the commissioner shall certify to
40 the comptroller the total amount of tax, penalty and interest received
41 by him or her on account of the tax imposed by subdivisions (b) and (c)
42 of section four hundred ninety-three of this article in trust for and on
43 account of each county and city having a population of one million or
44 more, other than a county wholly within such a city, and the town,
45 village or city in which a retail dispensary is located. On or before
46 the twelfth day of each month, the comptroller, after reserving such
47 fund, shall pay to the appropriate fiscal officer of each such county
48 and city and a designated officer of such town or village or city the
49 taxes, penalties and interest received and certified by the commissioner
50 for the preceding calendar month.

51 3. In addition to any other penalty provided in this article or other-
52 wise imposed by law: every person to whom adult-use cannabis products
53 are sold or transferred, and every person licensed as a microbusiness,
54 cooperative or registered organization under the cannabis law who fails
55 to maintain or make available to the commissioner the records required
56 by this section is subject to a penalty not to exceed five hundred

1 dollars for the first month or part thereof for which the failure
2 occurs. This penalty may not be imposed more than once for failures for
3 the same monthly period or part thereof. If the commissioner determines
4 that a failure to maintain or make available records in any month was
5 entirely due to reasonable cause and not to willful neglect, the commis-
6 sioner must remit the penalty for that month.
