5 § 311. Required notice. 1. A cell phone retailer shall provide to each
6 customer who buys or leases a cell phone a notice containing the follow-
7 ing language:

8 "New York state law requires that you be provided the following
9 notice:

10 To assure safety, the Federal Government requires that cell phones
11 meet radio frequency (RF) exposure guidelines. If you carry or use your
12 phone in a pants or shirt pocket or tucked into a bra when the phone is
13 ON and connected to a wireless network, you may exceed the federal

16 safely."

17 2. The notice required by this section shall either be provided to
18 each customer who buys or leases a cell phone or shall be prominently

23 which the notice is printed may contain other information in the

31 subdivision one of this section is not factually applicable to a cell
32 phone model that retailer offers for sale or lease may request permis-
33 sion to not provide the notice required by this section in connection
34 with sales or leases of that model of cell phone. Such permission shall
35 not be unreasonably withheld.

36 § 312. Violations; remedies. 1. Whenever there shall be a violation of
37 this article, an application may be made by the attorney general in the
38 name of the people of the state of New York to a court of competent
39 jurisdiction by a special proceeding for the imposition of a fine or the
40 issuance of an injunction against any violation of this article, upon
41 notice to such retailer not less than five days, to enjoin and restrain
42 the continuance of such violations.

43 2. Any person found by a court of competent jurisdiction to have
44 violated a provision of this article shall be subject to a penalty of
45 one thousand dollars for each violation. Each individual cell phone that
46 is sold or leased contrary to the provisions of this article shall
47 constitute a separate violation.

48 § 2. This act shall take effect on the ninetieth day after it shall
49 have become a law.
