

# STATE OF NEW YORK

9346

## IN SENATE

May 18, 2022

Introduced by Sen. MANNION -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT granting retroactive membership with Tier IV status in the New York state teachers' retirement system to Peter Guarino

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other law to the contrary, Peter Guarino,  
2 who was employed as a substitute teacher with the Lansing city  
3 school district, Newfield city school district and Ithaca city school  
4 district with a start date of June 13, 2008, and who is currently an  
5 active member of the New York state teachers' retirement system, who  
6 through no fault of his own did not become a member of the New York  
7 state teachers' retirement system on June 13, 2008 when first employed  
8 by the Lansing city school district, Newfield city school district and  
9 Ithaca city school district shall be deemed to have been a member of the  
10 New York state teachers' retirement system on such date he commenced his  
11 employment and shall be granted Tier IV status, provided that an appli-  
12 cation is filed with the head of the New York state teachers' retirement  
13 system within one year from the effective date of this act.

14 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Peter Guarino, an active Tier 5 member of the New York State Teachers' Retirement System (NYSTRS), to be reclassified as a Tier 4 member with a date of membership of June 13, 2008, based upon his employment as a substitute teacher with the Lansing Central School District, the Newfield City School District, and the Ithaca City School District. Mr. Guarino must file a written request with the head of NYSTRS within one year of the effective date of this bill.

This bill would generate a cost equal to the increase in the present value of liabilities, which is estimated to be \$70,000. This cost is to be borne by the employers of members of the New York State Teachers' Retirement System.

Member data is from the System's most recent actuarial valuation files, consisting of data provided by the employers to the Retirement
