AN ACT to amend the public authorities law, in relation to authorizing the dormitory authority to utilize a prequalification list when seeking to bid or enter into a contract for public work

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 1678 of the public authorities law is amended by

6 enter into such contracts. If the authority maintains an appropriate
7 list of qualified bidders, the bidding shall be restricted to those who
8 have qualified prior to the receipt of bids according to standards fixed
9 by the authority. In determining whether a prospective bidder qualifies
10 for inclusion on a list of prequalified bidders, the authority shall
11 consider the experience and record of performance of the prospective
12 bidder in the particular type of work, as well as: (i) the prospective
13 bidder's ability to undertake the particular type and complexity of
14 work; (ii) the financial capability, responsibility and reliability of
15 the prospective bidder for such type and complexity of work; (iii) the
16 record of the prospective bidder in complying with existing labor stand-
17 ards and maintaining harmonious labor relations; (iv) the prospective
18 bidder's compliance with equal employment opportunity requirements and
19 anti-discrimination laws, and demonstrated commitment to working with

3 project-specific basis. Prequalified lists shall include all bidders
4 that qualify; provided, however, that any such list shall have no less
5 than five bidders but shall remain open for all additional qualified
6 bidders. The authority's procedures for prequalifying bidders shall
7 include an appeals process for those denied a place on a prequalified
