Notwithstanding any other provision of law, such block grant allocation shall be based, in part, on each district's claims for such costs, adjusted by the applicable cost allocation methodology and net of any retroactive payments for the 12 month period ending June 30, 2022 that are submitted on or before January 2, 2023 and, in part, on such other factors as determined by the office of children and family services and approved by the director of the budget. Any portion of a social services district's allocation from funds appropriated herein not claimed by such district during the state fiscal year may be used by such district for expenditures on preventive services provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 65 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal reimbursement during that state fiscal year may not be claimed against that district's block grant apportionment for the next state fiscal year.

The office of children and family services, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share decrease related to federal retroactive reimbursement for such foster care

3 budget, may reduce a district's block
4 grant allocation by the state share of
5 disallowances or sanctions taken against
6 the district pursuant to the social
7 services law or federal law.

8 Notwithstanding any other provision of law,
9 the state shall not be responsible for
10 reimbursing a social services district and
11 a district shall not seek state reimburse-
12 ment for any portion of any state disal-
13 lowance or sanction taken against the
14 social services district, or any federal
15 disallowance attributable to final federal
16 agency decisions or to settlement made, on
17 or after July 1, 1995, when such disallow-
18 ance or sanction results from the failure
19 of the social services district to comply
20 with federal or state requirements,
21 including, but not limited to, failure to
22 document eligibility for federal or state
23 funds in the case record; provided, howev-
24 er, if the office determines that any
25 federal disallowance for services provided
26 between January 1, 1999 and May 31, 1999
27 results solely from the late enactment of
28 the state legislation implementing the
29 federal adoption and safe families act,
30 the state shall be solely responsible for
31 the full amount of the disallowance or
32 sanction; provided, further, however, this
33 provision shall be deemed to apply both
34 prospectively and retroactively regardless
35 of whether such sanctions or disallowances
36 are for services provided or claims made
37 prior to or after April 1, 2023.

38 Notwithstanding any other provision of law,
39 any federal disallowance resulting from a
40 federal title IV-E eligibility review or
41 audit that uses extrapolated statistic
42 techniques shall be passed along by the
43 state to any and all social services
44 districts that the office of children and
45 family services has determined have not
46 complied with the title IV-E eligibility
47 requirements or have not taken the neces-
48 sary actions to ensure compliance with

7 ity criteria; and fully implement the
8 social services payment system on or
9 before April 1, 2005 for all direct and
10 voluntary agency foster care services.
11 Notwithstanding any law to the contrary, the
12 office of children and family services
13 shall impose on social services districts
14 any federal disallowance issued against
15 the state as a result of a federal title
16 IV-E secondary eligibility review regard-
17 less of the date the children may have
18 entered foster care, the date the eligi-
19 bility or payment errors occurred, or the
20 filing date of any federal claims for
21 reimbursement; provided, however, that the
22 state shall be responsible for the disal-
23 lowed costs and expenditures related to
24 the placement of children in a facility
25 operated by the office of children and
26 family services, which shall be determined
27 in the same manner as the disallowed costs
28 and expenditures for social services
29 districts other than the city of New York.
30 In order to reimburse the federal govern-
31 ment for the full amount of any disallow-
32 ance imposed on the state by the federal
33 administration for children and families
34 within the timeframes necessary to avoid
35 any potential interest payments on such
36 amount, the office of children and family
37 services is authorized to immediately
38 offset funds otherwise due to each
39 district for a pro rata share of the total
40 disallowed costs based on the percentage
41 of applicable federal title IV-E claims
42 made by that district for the relevant
43 time period as compared to the total
44 applicable statewide title IV-E claims.
45 The amount of the offset against each
46 district will be adjusted, if necessary,

48 cation process. The final allocation of

1 among the districts so that each district
2 shall be responsible for the amount
3 attributable to each of the district's
4 children or cases that are determined by
5 the federal review to be unallowable. Each
6 district shall also be responsible for a
7 portion of the federal extrapolated disal-
8 lowance amount based on the relative error
9 rate for the district. The city of New
10 York's error rate will be based on the
11 federal sample and federal statistics. For
12 all social services districts other than
13 the city of New York, the error rate will
14 be based on a review conducted by the
15 district of a sample of children and/or
16 cases determined by the office of children
17 and family services and a re-review of a
18 sub-sample by the office of those children
19 and/or cases determined by the office. The
20 office of children and family services
21 will determine what is reasonable in
22 establishing the size of the sample and
23 sub-sample for each district. The office
24 of children and family services shall
25 notify each social services district of
26 the sample of children and/or cases from
27 the federal audit period that the social
28 services district must review. Any child
29 or case from the social services district
30 that was included in the federal sample
31 will automatically be included in the
32 social services district's review sample
33 and the determination made at the federal
34 review regarding that child or case will
35 govern for the purposes of the social
36 services district's review. The social
37 services district must complete and submit
38 the results of its review to the office of
39 children and family services within 60
40 days of receipt of the sample. The error
41 rate for the district will be based on the
42 findings of the district's review and the
43 office of children and family services'
44 re-review. If a social services district
45 does not complete its review within 60
46 days of receiving the sample from the
47 office of children and family services,
48 the office of children and family services
49 shall assign an error rate to the social
50 services district based on the relative
51 percentage of the district's applicable

2 as compared to applicable statewide title
3 IV-E claims for that period and other
4 circumstances that the office of children
5 and family services may consider in order
6 to allocate 100 percent of the federal
7 disallowance. The office of children and
8 family services shall apply each social
9 services district's error rate to the
10 total amount of the district's applicable
11 title IV-E claims including associated
12 administrative expenses. The resulting
13 dollar amounts for all of the social
14 services districts will be summed to
15 derive the total amount of title IV-E
16 claims deemed to be in error statewide. To
17 establish a disallowance percentage for
18 each social services district, the amount
19 of the district's title IV-E claims deemed
20 to be in error will be divided by the
21 amount of statewide title IV-E claims
22 deemed to be in error. The resulting
23 disallowance percentage for each district
24 will be applied to the entire title IV-E
25 extrapolated disallowance calculated by
26 the federal review to determine the amount
27 of the extrapolated disallowance for which
28 the district is responsible. Each district
29 will be credited for the amount already
30 disallowed for any individual children or
31 cases found to be in error during the
32 federal review. The exclusive appeal
33 rights for the review of the amount of the
34 federal disallowance assigned to each
35 social services district shall be pursuant
36 to article 78 of the civil practice law
37 and rules; provided, however, that in any
38 such action all of the social services
39 districts shall be joined as necessary
40 parties and the venue of any such action
41 shall be in Rensselaer county. Any social
42 services district that fails to complete
43 its sample review in the required time
44 frames shall have no right to appeal and
45 shall not be a necessary party to any
46 action brought by another social services
47 district.

34 Within the amounts appropriated herein, state reimbursement to each
35 social services district for services identified herein that are
36 otherwise reimbursable by the state from April 1, 2022 through March
37 31, 2023 shall be limited to a district allocation, hereinafter
38 referred to as the district's block grant allocation. Notwithstand-
39 ing any other provision of law, such block grant allocation shall be
40 based, in part, on each district's claims for such costs, adjusted
41 by the applicable cost allocation methodology and net of any retro-
42 active payments for the 12 month period ending June 30, 2021 that
43 are submitted on or before January 3, 2022 and, in part, on such
44 other factors as determined by the office of children and family
45 services and approved by the director of the budget. Any portion of
46 a social services district's allocation from funds appropriated
47 herein not claimed by such district during the state fiscal year may
48 be used by such district for expenditures on preventive services
49 provided pursuant to section 409-a of the social services law, inde-
50 pendent living services and aftercare services provided pursuant to
51 regulations of the department of family assistance, claimed by such

1 district during the next state fiscal year up to the amount remain-
2 ing from the district's foster care block grant allocation, provided
3 however, that any claims for such services during the next state
4 fiscal year in excess of such amount shall be subject to 62 percent
5 state reimbursement exclusive of any federal funds made available
6 for such purposes, in accordance with directives of the department
7 of family assistance and subject to the approval of the director of
8 the budget. Any claims submitted by a social services district for
9 reimbursement for a particular state fiscal year for which the
10 social services district does not receive state or federal
11 reimbursement during that state fiscal year may not be claimed
12 against that district's block grant apportionment for the next state
13 fiscal year.

14 The office of children and family services, with the approval of the
15 director of the budget, may reduce a district's block grant allo-
16 cation by the state share decrease related to federal retroactive
17 reimbursement for such foster care services identified herein. The
18 office, with the approval of the director of the budget, may reduce
19 a district's block grant allocation by the state share of disallow-
20 ances or sanctions taken against the district pursuant to the social
21 services law or federal law.

22 Notwithstanding any other provision of law, the state shall not be
23 responsible for reimbursing a social services district and a
24 district shall not seek state reimbursement for any portion of any
25 state disallowance or sanction taken against the social services
26 district, or any federal disallowance attributable to final federal
27 agency decisions or to settlement made, on or after July 1, 1995,
28 when such disallowance or sanction results from the failure of the
29 social services district to comply with federal or state require-
30 ments, including, but not limited to, failure to document eligibil-
31 ity for federal or state funds in the case record; provided, howev-
32 er, if the office determines that any federal disallowance for
33 services provided between January 1, 1999 and May 31, 1999 results
34 solely from the late enactment of the state legislation implementing
35 the federal adoption and safe families act, the state shall be sole-
36 ly responsible for the full amount of the disallowance or sanction;
37 provided, further, however, this provision shall be deemed to apply
38 both prospectively and retroactively regardless of whether such
39 sanctions or disallowances are for services provided or claims made
40 prior to or after April 1, 2022.

41 Notwithstanding any other provision of law, any federal disallowance
42 resulting from a federal title IV-E eligibility review or audit that
43 uses extrapolated statistic techniques shall be passed along by the
44 state to any and all social services districts that the office of
45 children and family services has determined have not complied with
46 the title IV-E eligibility requirements or have not taken the neces-
47 sary actions to ensure compliance with such requirements including,
48 but not limited to, failing to: assess and fully document all the
49 criteria and have readily available all the necessary documents to
50 establish and continue title IV-E eligibility for all title IV-E
51 eligible children within the required time frames; claim title IV-E

1 funding only for cases that meet all of the title IV-E eligibility
2 criteria; and fully implement the social services payment system on
3 or before April 1, 2005 for all direct and voluntary agency foster
4 care services.

5 Notwithstanding any law to the contrary, the office of children and
6 family services shall impose on social services districts any federal
7 disallowance issued against the state as a result of a federal
8 title IV-E secondary eligibility review regardless of the date the
9 children may have entered foster care, the date the eligibility or
10 payment errors occurred, or the filing date of any federal claims
11 for reimbursement; provided, however, that the state shall be
12 responsible for the disallowed costs and expenditures related to the
13 placement of children in a facility operated by the office of chil-
14 dren and family services, which shall be determined in the same
15 manner as the disallowed costs and expenditures for social services
16 districts other than the city of New York. In order to reimburse the
17 federal government for the full amount of any disallowance imposed
18 on the state by the federal administration for children and families
19 within the timeframes necessary to avoid any potential interest
20 payments on such amount, the office of children and family services
21 is authorized to immediately offset funds otherwise due to each
22 district for a pro rata share of the total disallowed costs based on
23 the percentage of applicable federal title IV-E claims made by that
24 district for the relevant time period as compared to the total
25 applicable statewide title IV-E claims. The amount of the offset
26 against each district will be adjusted, if necessary, upon
27 completion of the disallowance allocation process. The final allo-
28 cation of the amount of any federal disallowance resulting from a
29 title IV-E secondary eligibility review shall be allocated among the
30 districts so that each district shall be responsible for the amount
31 attributable to each of the district's children or cases that are
32 determined by the federal review to be unallowable. Each district
33 shall also be responsible for a portion of the federal extrapolated
34 disallowance amount based on the relative error rate for the
35 district. The city of New York's error rate will be based on the
36 federal sample and federal statistics. For all social services
37 districts other than the city of New York, the error rate will be
38 based on a review conducted by the district of a sample of children
39 and/or cases determined by the office of children and family
40 services and a re-review of a sub-sample by the office of those
41 children and/or cases determined by the office. The office of chil-
42 dren and family services will determine what is reasonable in estab-
43 lishing the size of the sample and sub-sample for each district. The
44 office of children and family services shall notify each social
45 services district of the sample of children and/or cases from the
46 federal audit period that the social services district must review.
47 Any child or case from the social services district that was
48 included in the federal sample will automatically be included in the
49 social services district's review sample and the determination made
50 at the federal review regarding that child or case will govern for
51 the purposes of the social services district's review. The social

1 services district must complete and submit the results of its review
2 to the office of children and family services within 60 days of
3 receipt of the sample. The error rate for the district will be based
4 on the findings of the district's review and the office of children
5 and family services' re-review. If a social services district does
6 not complete its review within 60 days of receiving the sample from
7 the office of children and family services, the office of children
8 and family services shall assign an error rate to the social
9 services district based on the relative percentage of the district's
10 applicable title IV-E claims for the relevant period as compared to
11 applicable statewide title IV-E claims for that period and other
12 circumstances that the office of children and family services may
13 consider in order to allocate 100 percent of the federal disallow-
14 ance. The office of children and family services shall apply each
15 social services district's error rate to the total amount of the
16 district's applicable title IV-E claims including associated admin-
17 istrative expenses. The resulting dollar amounts for all of the
18 social services districts will be summed to derive the total amount
19 of title IV-E claims deemed to be in error statewide. To establish a
20 disallowance percentage for each social services district, the
21 amount of the district's title IV-E claims deemed to be in error
22 will be divided by the amount of statewide title IV-E claims deemed
23 to be in error. The resulting disallowance percentage for each
24 district will be applied to the entire title IV-E extrapolated
25 disallowance calculated by the federal review to determine the
26 amount of the extrapolated disallowance for which the district is
27 responsible. Each district will be credited for the amount already
28 disallowed for any individual children or cases found to be in error
29 during the federal review. The exclusive appeal rights for the
30 review of the amount of the federal disallowance assigned to each
31 social services district shall be pursuant to article 78 of the
32 civil practice law and rules; provided, however, that in any such
33 action all of the social services districts shall be joined as
34 necessary parties and the venue of any such action shall be in Rens-
35 selaer county. Any social services district that fails to complete
36 its sample review in the required time frames shall have no right to
37 appeal and shall not be a necessary party to any action brought by
38 another social services district.

39 The money hereby appropriated is to be available for payment of state
40 aid heretofore accrued or hereafter to accrue to municipalities.
41 Subject to the approval of the director of the budget, such funds
42 shall be available to the office net of disallowances, refunds,
43 reimbursements, and credits.

44 Notwithstanding any inconsistent provision of law, the amount herein
45 appropriated may be transferred to any other appropriation within
46 the office of children and family services and/or the office of
47 temporary and disability assistance and/or suballocated to the
48 office of temporary and disability assistance for the purpose of

1 aggregate limit specified herein for such
2 period, the state medicaid director, in
3 consultation with the director of the
4 budget and the commissioner of health,
5 shall develop a medicaid savings allo-

9 Such medicaid savings allocation adjustment
10 shall be designed, to reduce the expendi-

14 in compliance with applicable federal law,

23 made in a manner that complies with the
24 state medicaid plan approved by the feder-

28 submit any state plan amendment or seek

30 authority, to implement the provisions of
31 the medicaid savings allocation adjustment
32 that meets the other criteria set forth

44 shall be made uniformly within a category
45 of service, to the extent practicable,
46 except where the commissioner determines
47 that there are sufficient grounds for
48 non-uniformity, including but not limited
49 to: the extent to which specific catego-

4 models contemplated by the Affordable Care
5 Act, in which case such grounds shall be
6 set forth in the medicaid savings allo-

12 The commissioner shall seek the input of the
13 legislature, as well as organizations
14 representing health care providers,
15 consumers, businesses, workers, health

19 all or part of such adjustment, in the
20 discretion of the commissioner, is likely
21 to have a material impact on the overall
22 medicaid program, particular categories of

24 of the state.

25 (a) The commissioner shall post the medicaid
26 savings allocation adjustment on the
27 department of health's website and shall
28 provide written copies of such adjustment
29 to the chairs of the senate finance and
30 the assembly ways and means committees at
31 least 30 days before the date on which
32 implementation is expected to begin.

33 (b) The commissioner may revise the medicaid

44 commissioner need not seek the input
45 described in paragraph (a) of this subdi-
46 vision or provide notice pursuant to para-
47 graph (b) of this subdivision if, in the
48 discretion of the commissioner, expedited
49 development and implementation of a medi-

13 the aggregate, for the period April 1,
14 2023 through March 31, 2024, shall not
15 exceed \$28,156,098,000 except as provided
16 below and state share medicaid spending,
17 in the aggregate, for the period April 1,
18 2024 through March 31, 2025, shall not
19 exceed \$30,764,964,000, but in no event
20 shall department of health state funds
21 medicaid spending for the period April 1,
22 2023 through March 31, 2025 exceed
23 \$58,921,062,000 provided, however, such
24 aggregate limits may be adjusted by the
25 director of the budget to account for any
26 changes in the New York state federal
27 medical assistance percentage amount
28 established pursuant to the federal social
29 security act, increases in provider reven-

31 district payments for medical assistance

34 costs of the New York state medical indem-
35 nity fund, pursuant to chapter 59 of the
36 laws of 2011, and state costs or savings
37 from the essential plan. Such projections
38 may be adjusted by the director of the
39 budget to account for increased or expe-
40 dited department of health state funds
41 medicaid expenditures as a result of a
42 natural or other type of disaster, includ-

45 The director of the budget, in consultation
46 with the commissioner of health, shall
47 assess on a quarterly basis known and
48 projected medicaid expenditures by catego-
49 ry of service and by geographic region, as
50 determined by the commissioner of health,
51 incurred both prior to and subsequent to
52 such assessment for each such period, and

1 if the director of the budget determines
2 that such expenditures are expected to
3 cause medicaid spending for such period to
4 exceed the aggregate limit specified here-
5 in for such period, the state medicaid
6 director, in consultation with the direc-
7 tor of the budget and the commissioner of
8 health, shall develop a medicaid savings
9 allocation adjustment to limit such spend-
10 ing to the aggregate limit specified here-
11 in for such period.

12 Such medicaid savings allocation adjustment
13 shall be designed, to reduce the expendi-
14 tures authorized by the appropriations
15 herein in compliance with the following
16 guidelines: (1) reductions shall be made
17 in compliance with applicable federal law,
18 including the provisions of the Patient
19 Protection and Affordable Care Act, Public
20 Law No. 111-148, and the Health Care and
21 Education Reconciliation Act of 2010,
22 Public Law No. 111-152 (collectively
23 "Affordable Care Act") and any subsequent
24 amendments thereto or regulations promul-
25 gated thereunder; (2) reductions shall be
26 made in a manner that complies with the
27 state medicaid plan approved by the feder-
28 al centers for medicare and medicaid
29 services, provided, however, that the
30 commissioner of health is authorized to
31 submit any state plan amendment or seek
32 other federal approval, including waiver
33 authority, to implement the provisions of
34 the medicaid savings allocation adjustment
35 that meets the other criteria set forth
36 herein; (3) reductions shall be made in a
37 manner that maximizes federal financial
38 participation, to the extent practicable,
39 including any federal financial partic-
40 ipation that is available or is reasonably
41 expected to become available, in the
42 discretion of the commissioner, under the
43 Affordable Care Act; (4) reductions shall
44 be made uniformly among categories of
45 services and geographic regions of the
46 state, to the extent practicable, and
47 shall be made uniformly within a category
48 of service, to the extent practicable,
49 except where the commissioner determines
50 that there are sufficient grounds for
51 non-uniformity, including but not limited
52 to: the extent to which specific catego-

ries of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation adjustment; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation adjustment, to the extent that all or part of such adjustment, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation adjustment on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation adjustment subsequent to the provisions of notice and prior to implementation but needs to provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this subdivision if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation adjustment is

11 potential for such widespread risk of
12 exposure; or (iii) any other event or
13 condition determined by the commissioner
14 to constitute an imminent threat to public

16 Nothing in this paragraph shall be deemed to
17 prevent all or part of such medicaid
18 savings allocation adjustment from taking
19 effect retroactively to the extent permit-
20 ted by the federal centers for medicare
21 and medicaid services.

22 In accordance with the medicaid savings

36 necessary federal approvals, including,
37 but not limited to waivers, waiver amend-
38 ments; and suspending time frames for

44 health law, section 18 of chapter 2 of the
45 laws of 1988, and 18 NYCRR 505.14(h).

46 The department of health shall prepare a
47 quarterly report that sets forth: (a)

1 the operational costs of the New York state medical indemnity fund,
2 pursuant to chapter 59 of the laws of 2011, and state costs or
3 savings from the essential plan program. Such projections may be
4 adjusted by the director of the budget to account for increased or
5 expedited department of health state funds medicaid expenditures as
6 a result of a natural or other type of disaster, including a govern-
7 mental declaration of emergency.

8 The director of the budget, in consultation with the commissioner of
9 health, shall assess on a quarterly basis known and projected medi-
10 caid expenditures by category of service and by geographic region,
11 as determined by the commissioner of health, incurred both prior to
12 and subsequent to such assessment for each such period, and if the
13 director of the budget determines that such expenditures are
14 expected to cause medicaid spending for such period to exceed the
15 aggregate limit specified herein for such period, the state medicaid
16 director, in consultation with the director of the budget and the
17 commissioner of health, shall develop a medicaid savings allocation
18 adjustment to limit such spending to the aggregate limit specified
19 herein for such period.

20 Such medicaid savings allocation adjustment shall be designed, to
21 reduce the expenditures authorized by the appropriations herein in
22 compliance with the following guidelines: (1) reductions shall be
23 made in compliance with applicable federal law, including the
24 provisions of the Patient Protection and Affordable Care Act, Public
25 Law No. 111-148, and the Health Care and Education Reconciliation
26 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
27 Act") and any subsequent amendments thereto or regulations promul-
28 gated thereunder; (2) reductions shall be made in a manner that
29 complies with the state medicaid plan approved by the federal
30 centers for medicare and medicaid services, provided, however, that
31 the commissioner of health is authorized to submit any state plan
32 amendment or seek other federal approval, including waiver authori-
33 ty, to implement the provisions of the medicaid savings allocation
34 adjustment that meets the other criteria set forth herein; (3)
35 reductions shall be made in a manner that maximizes federal finan-
36 cial participation, to the extent practicable, including any federal
37 financial participation that is available or is reasonably expected
38 to become available, in the discretion of the commissioner, under
39 the Affordable Care Act; (4) reductions shall be made uniformly
40 among categories of services and geographic regions of the state, to
41 the extent practicable, and shall be made uniformly within a catego-
42 ry of service, to the extent practicable, except where the commis-
43 sioner determines that there are sufficient grounds for non-uniform-
44 ity, including but not limited to: the extent to which specific
45 categories of services contributed to department of health medicaid
46 state funds spending in excess of the limits specified herein; the
47 need to maintain safety net services in underserved communities; or
48 the potential benefits of pursuing innovative payment models contem-
49 plated by the Affordable Care Act, in which case such grounds shall
50 be set forth in the medicaid savings allocation adjustment; and (5)
51 reductions shall be made in a manner that does not unnecessarily

1 create administrative burdens to medicaid applicants and recipients
2 or providers.

3 The commissioner shall seek the input of the legislature, as well as
4 organizations representing health care providers, consumers, busi-
5 nesses, workers, health insurers, and others with relevant exper-
6 tise, in developing such medicaid savings allocation adjustment, to
7 the extent that all or part of such adjustment, in the discretion of
8 the commissioner, is likely to have a material impact on the overall
9 medicaid program, particular categories of service or particular
10 geographic regions of the state.

11 (a) The commissioner shall post the medicaid savings allocation
12 adjustment on the department of health's website and shall provide
13 written copies of such adjustment to the chairs of the senate
14 finance and the assembly ways and means committees at least 30 days
15 before the date on which implementation is expected to begin.

16 (b) The commissioner may revise the medicaid savings allocation
17 adjustment subsequent to the provisions of notice and prior to
18 implementation but needs to provide a new notice pursuant to subpar-
19 agraph (i) of this paragraph only if the commissioner determines, in
20 his or her discretion, that such revisions materially alter the
21 adjustment.

22 Notwithstanding the provisions of paragraphs (a) and (b) of this
23 subdivision, the commissioner need not seek the input described in
24 paragraph (a) of this subdivision or provide notice pursuant to
25 paragraph (b) of this subdivision if, in the discretion of the
26 commissioner, expedited development and implementation of a medicaid
27 savings allocation adjustment is necessary due to a public health
28 emergency.

29 For purposes of this section, a public health emergency is defined as:
30 (i) a disaster, natural or otherwise, that significantly increases
31 the immediate need for health care personnel in an area of the
32 state; (ii) an event or condition that creates a widespread risk of
33 exposure to a serious communicable disease, or the potential for
34 such widespread risk of exposure; or (iii) any other event or condi-
35 tion determined by the commissioner to constitute an imminent threat
36 to public health.

37 Nothing in this paragraph shall be deemed to prevent all or part of
38 such medicaid savings allocation adjustment from taking effect
39 retroactively to the extent permitted by the federal centers for
40 medicare and medicaid services.

41 In accordance with the medicaid savings allocation adjustment, the
42 commissioner of the department of health shall reduce department of
43 health state funds medicaid spending by the amount of the projected
44 overspending through, actions including, but not limited to modify-
45 ing or suspending reimbursement methods, including but not limited
46 to all fees, premium levels and rates of payment, notwithstanding
47 any provision of law that sets a specific amount or methodology for
48 any such payments or rates of payment; modifying medicaid program
49 benefits; seeking all necessary federal approvals, including, but
50 not limited to waivers, waiver amendments; and suspending time
51 frames for notice, approval or certification of rate requirements,
52 notwithstanding any provision of law, rule or regulation to the

3 authorized child care agencies.

4 Notwithstanding section 40 of the state finance law or any other law
5 to the contrary, all medical assistance appropriations made from
6 this account shall remain in full force and effect in accordance, in
7 the aggregate, with the following schedule: not more than 48 percent
8 for the period April 1, 2022 to March 31, 2023; and the remaining
9 amount for the period April 1, 2023 to ~~[March 31]~~ September 15,
10 2024.

11 Notwithstanding section 40 of the state finance law or any provision
12 of law to the contrary, subject to federal approval, department of
13 health state funds medicaid spending, excluding payments for medical
14 services provided at state facilities operated by the office of
15 mental health, the office for people with developmental disabilities
16 and the office of addiction services and supports and further
17 excluding any payments which are not appropriated within the depart-
18 ment of health, in the aggregate, for the period April 1, 2022
19 through March 31, 2023, shall not exceed \$25,936,887,000 except as

25 ~~[\$53,615,265,000]~~ \$54,092,985,000. Provided, however, such aggre-
26 gate limits may be adjusted by the director of the budget to account
27 for any changes in the New York state federal medical assistance
28 percentage amount established pursuant to the federal social securi-
29 ty act, increases in provider revenues, reductions in local social
30 services district payments for medical assistance administration,
31 minimum wage increases, and beginning April 1, 2012 the operational
32 costs of the New York state medical indemnity fund, pursuant to
33 chapter 59 of the laws of 2011, and state costs or savings from the
34 essential plan program. Such projections may be adjusted by the
35 director of the budget to account for increased or expedited depart-
36 ment of health state funds medicaid expenditures as a result of a
37 natural or other type of disaster, including a governmental declara-
38 tion of emergency.

39 The director of the budget, in consultation with the commissioner of
40 health, shall assess on a quarterly basis known and projected medi-
41 caid expenditures by category of service and by geographic region,
42 as defined by the commissioner, incurred both prior to and subse-
43 quent to such assessment for each such period, and if the director
44 of the budget determines that such expenditures are expected to
45 cause medicaid spending for such period to exceed the aggregate
46 limit specified herein for such period, the state medicaid director,
47 in consultation with the director of the budget and the commissioner
48 of health, shall develop a medicaid savings allocation adjustment to
49 limit such spending to the aggregate limit specified herein for such
50 period.

51 Such medicaid savings allocation adjustment shall be designed, to
52 reduce the expenditures authorized by the appropriations herein in

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 compliance with the following guidelines: (1) reductions shall be
2 made in compliance with applicable federal law, including the
3 provisions of the Patient Protection and Affordable Care Act, Public
4 Law No. 111-148, and the Health Care and Education Reconciliation
5 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
6 Act") and any subsequent amendments thereto or regulations promul-
7 gated thereunder; (2) reductions shall be made in a manner that
8 complies with the state medicaid plan approved by the federal
9 centers for medicare and medicaid services, provided, however, that
10 the commissioner of health is authorized to submit any state plan
11 amendment or seek other federal approval, including waiver authori-
12 ty, to implement the provisions of the medicaid savings allocation
13 adjustment that meets the other criteria set forth herein; (3)
14 reductions shall be made in a manner that maximizes federal finan-
15 cial participation, to the extent practicable, including any federal
16 financial participation that is available or is reasonably expected
17 to become available, in the discretion of the commissioner, under
18 the Affordable Care Act; (4) reductions shall be made uniformly
19 among categories of services and geographic regions of the state, to
20 the extent practicable, and shall be made uniformly within a cate-
21 gory of service, to the extent practicable, except where the commis-
22 sioner determines that there are sufficient grounds for non-uniform-
23 ity, including but not limited to: the extent to which specific
24 categories of services contributed to department of health medicaid
25 state funds spending in excess of the limits specified herein; the
26 need to maintain safety net services in underserved communities; or
27 the potential benefits of pursuing innovative payment models contem-
28 plated by the Affordable Care Act, in which case such grounds shall
29 be set forth in the medicaid savings allocation adjustment; and (5)
30 reductions shall be made in a manner that does not unnecessarily
31 create administrative burdens to medicaid applicants and recipients
32 or providers.

33 The commissioner shall seek the input of the legislature, as well as
34 organizations representing health care providers, consumers, busi-
35 nesses, workers, health insurers, and others with relevant exper-
36 tise, in developing such medicaid savings allocation adjustment, to
37 the extent that all or part of such adjustment, in the discretion of
38 the commissioner, is likely to have a material impact on the overall
39 medicaid program, particular categories of service or particular
40 geographic regions of the state.

41 (a) The commissioner shall post the medicaid savings allocation
42 adjustment on the department of health's website and shall provide
43 written copies of such adjustment to the chairs of the senate
44 finance and the assembly ways and means committees at least 30 days
45 before the date on which implementation is expected to begin.

46 (b) The commissioner may revise the medicaid savings allocation
47 adjustment subsequent to the provisions of notice and prior to
48 implementation but needs to provide a new notice pursuant to subpar-
49 agraph (i) of this paragraph only if the commissioner determines, in
50 his or her discretion, that such revisions materially alter the
51 adjustment.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 Notwithstanding the provisions of paragraphs (a) and (b) of this
2 subdivision, the commissioner need not seek the input described in
3 paragraph (a) of this subdivision or provide notice pursuant to
4 paragraph (b) of this subdivision if, in the discretion of the
5 commissioner, expedited development and implementation of a medicaid
6 savings allocation adjustment is necessary due to a public health

12 exposure to a serious communicable disease, or the potential for
13 such widespread risk of exposure; or (iii) any other event or condi-
14 tion determined by the commissioner to constitute an imminent threat
15 to public health.

16 Nothing in this paragraph shall be deemed to prevent all or part of
17 such medicaid savings allocation adjustment from taking effect
18 retroactively to the extent permitted by the federal centers for
19 medicare and medicaid services.

20 In accordance with the medicaid savings allocation adjustment, the
21 commissioner of the department of health shall reduce department of
22 health state funds medicaid spending by the amount of the projected
23 overspending through, actions including, but not limited to modify-
24 ing or suspending reimbursement methods, including but not limited
25 to all fees, premium levels and rates of payment, notwithstanding
26 any provision of law that sets a specific amount or methodology for
27 any such payments or rates of payment; modifying or discontinuing
28 medicaid program benefits; seeking all necessary federal approvals,
29 including, but not limited to waivers, waiver amendments; and
30 suspending time frames for notice, approval or certification of rate
31 requirements, notwithstanding any provision of law, rule or regu-
32 lation to the contrary, including but not limited to sections 2807
33 and 3614 of the public health law, section 18 of chapter 2 of the
34 laws of 1988, and 18 NYCRR 505.14(h).

35 The department of health shall prepare a quarterly report that sets
36 forth: (a) known and projected department of health medicaid expend-
37 itures as described in subdivision (1) of this section, and factors
38 that could result in medicaid disbursements for the relevant state
39 fiscal year to exceed the projected department of health state funds
40 disbursements in the enacted budget financial plan pursuant to
41 subdivision 3 of section 23 of the state finance law, including
42 spending increases or decreases due to: enrollment fluctuations,
43 rate changes, utilization changes, MRT investments, and shift of
44 beneficiaries to managed care; and variations in offline medicaid
45 payments; and (b) the actions taken to implement any medicaid
46 savings allocation adjustment implemented pursuant to subdivision
47 (4) of this section, including information concerning the impact of
48 such actions on each category of service and each geographic region
49 of the state. Each such quarterly report shall be provided to the
50 chairs of the senate finance and the assembly ways and means commit-
51 tees and shall be posted on the department of health's website in a

7 The appropriation made by chapter 53, section 1, of the laws of 2022, is
8 hereby amended and reappropriated to read:

9 Notwithstanding section 40 of the state finance law or any other law
10 to the contrary, all medical assistance appropriations made from
11 this account shall remain in full force and effect in accordance, in
12 the aggregate, with the following schedule: not more than 50
13 percent for the period April 1, 2022 to March 31, 2023; and the
14 remaining amount for the period April 1, 2023 to ~~March 31~~ Septem-
15 ber 15, 2024.

16 Notwithstanding section 40 of the state finance law or any provision
17 of law to the contrary, subject to federal approval, department of

19 services provided at state facilities operated by the office of
20 mental health, the office for people with developmental disabilities
21 and the office of addiction services and supports and further
22 excluding any payments which are not appropriated within the depart-
23 ment of health, in the aggregate, for the period April 1, 2022
24 through March 31, 2023, shall not exceed \$25,936,887,000 except as
25 provided below and state share medicaid spending, in the aggregate,

28 shall department of health state funds medicaid spending for the
29 period April 1, 2022 through ~~March 31~~ September 15, 2024 exceed
30 ~~[\$53,615,265,000]~~ \$54,092,985,000 provided, however, such aggregate
31 limits may be adjusted by the director of the budget to account for
32 any changes in the New York state federal medical assistance
33 percentage amount established pursuant to the federal social securi-
34 ty act, increases in provider revenues, reductions in local social
35 services district payments for medical assistance administration,
36 minimum wage increases and beginning April 1, 2012 the operational
37 costs of the New York state medical indemnity fund, pursuant to
38 chapter 59 of the laws of 2011, and state costs or savings from the
39 essential plan program. Such projections may be adjusted by the
40 director of the budget to account for increased or expedited depart-
41 ment of health state funds medicaid expenditures as a result of a
42 natural or other type of disaster, including a governmental declara-

44 The director of the budget, in consultation with the commissioner of

1 aggregate limit specified herein for such period, the state medicaid
2 director, in consultation with the director of the budget and the
3 commissioner of health, shall develop a medicaid savings allocation
4 adjustment to limit such spending to the aggregate limit specified
5 herein for such period.

6 Such medicaid savings allocation adjustment shall be designed, to
7 reduce the expenditures authorized by the appropriations herein in
8 compliance with the following guidelines: (1) reductions shall be
9 made in compliance with applicable federal law, including the
10 provisions of the Patient Protection and Affordable Care Act, Public
11 Law No. 111-148, and the Health Care and Education Reconciliation
12 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
13 Act") and any subsequent amendments thereto or regulations promul-
14 gated thereunder; (2) reductions shall be made in a manner that
15 complies with the state medicaid plan approved by the federal
16 centers for medicare and medicaid services, provided, however, that
17 the commissioner of health is authorized to submit any state plan
18 amendment or seek other federal approval, including waiver authori-
19 ty, to implement the provisions of the medicaid savings allocation
20 adjustment that meets the other criteria set forth herein; (3)
21 reductions shall be made in a manner that maximizes federal finan-
22 cial participation, to the extent practicable, including any federal
23 financial participation that is available or is reasonably expected
24 to become available, in the discretion of the commissioner, under
25 the Affordable Care Act; (4) reductions shall be made uniformly
26 among categories of services and geographic regions of the state, to
27 the extent practicable, and shall be made uniformly within a catego-
28 ry of service, to the extent practicable, except where the commis-
29 sioner determines that there are sufficient grounds for non-uniform-
30 ity, including but not limited to: the extent to which specific
31 categories of services contributed to department of health medicaid
32 state funds spending in excess of the limits specified herein; the
33 need to maintain safety net services in underserved communities; or
34 the potential benefits of pursuing innovative payment models contem-
35 plated by the Affordable Care Act, in which case such grounds shall
36 be set forth in the medicaid savings allocation adjustment; and (5)
37 reductions shall be made in a manner that does not unnecessarily
38 create administrative burdens to medicaid applicants and recipients
39 or providers.

40 The commissioner shall seek the input of the legislature, as well as
41 organizations representing health care providers, consumers, busi-
42 nesses, workers, health insurers, and others with relevant exper-
43 tise, in developing such medicaid savings allocation adjustment, to
44 the extent that all or part of such adjustment, in the discretion of
45 the commissioner, is likely to have a material impact on the overall
46 medicaid program, particular categories of service or particular
47 geographic regions of the state.

48 (a) The commissioner shall post the medicaid savings allocation
49 adjustment on the department of health's website and shall provide

1 (b) The commissioner may revise the medicaid savings allocation
2 adjustment subsequent to the provisions of notice and prior to
3 implementation but needs to provide a new notice pursuant to subpar-
4 agraph (i) of this paragraph only if the commissioner determines, in
5 his or her discretion, that such revisions materially alter the
6 plan.

7 Notwithstanding the provisions of paragraphs (a) and (b) of this
8 subdivision, the commissioner need not seek the input described in
9 paragraph (a) of this subdivision or provide notice pursuant to
10 paragraph (b) of this subdivision if, in the discretion of the
11 commissioner, expedited development and implementation of a medicaid
12 savings allocation adjustment is necessary due to a public health
13 emergency.

14 For purposes of this section, a public health emergency is defined as:

15 (i) a disaster, natural or otherwise, that significantly increases
16 the immediate need for health care personnel in an area of the
17 state; (ii) an event or condition that creates a widespread risk of
18 exposure to a serious communicable disease, or the potential for
19 such widespread risk of exposure; or (iii) any other event or condi-
20 tion determined by the commissioner to constitute an imminent threat
21 to public health.

22 Nothing in this paragraph shall be deemed to prevent all or part of
23 such medicaid savings allocation adjustment from taking effect
24 retroactively to the extent permitted by the federal centers for
25 medicare and medicaid services.

26 In accordance with the medicaid savings allocation adjustment, the
27 commissioner of the department of health shall reduce department of
28 health state funds medicaid spending by the amount of the projected
29 overspending through, actions including, but not limited to modify-
30 ing or suspending reimbursement methods, including but not limited
31 to all fees, premium levels and rates of payment, notwithstanding
32 any provision of law that sets a specific amount or methodology for
33 any such payments or rates of payment; modifying medicaid program
34 benefits; seeking all necessary federal approvals, including, but
35 not limited to waivers, waiver amendments; and suspending time
36 frames for notice, approval or certification of rate requirements,
37 notwithstanding any provision of law, rule or regulation to the
38 contrary, including but not limited to sections 2807 and 3614 of the
39 public health law, section 18 of chapter 2 of the laws of 1988, and
40 18 NYCRR 505.14(h).

41 The department of health shall prepare a quarterly report that sets
42 forth: (a) known and projected department of health medicaid expend-
43 itures as described in subdivision (1) of this section, and factors
44 that could result in medicaid disbursements for the relevant state
45 fiscal year to exceed the projected department of health state funds
46 disbursements in the enacted budget financial plan pursuant to
47 subdivision 3 of section 23 of the state finance law, including
48 spending increases or decreases due to: enrollment fluctuations,
49 rate changes, utilization changes, MRT investments, and shift of
50 beneficiaries to managed care; and variations in offline medicaid
51 payments; and (b) the actions taken to implement any medicaid
52 savings allocation adjustment implemented pursuant to subdivision

24 The director of the budget, in consultation with the commissioner of

27 as determined by the commissioner of health, incurred both prior to
28 and subsequent to such assessment for each such period, and if the
29 director of the budget determines that such expenditures are

31 aggregate limit specified herein for such period, the state medicaid
32 director, in consultation with the director of the budget and the
33 commissioner of health, shall develop a medicaid savings allocation

4 among categories of services and geographic regions of the state, to
5 the extent practicable, and shall be made uniformly within a category
6 of service, to the extent practicable, except where the commissioner

11 through March 31, 2023, shall not exceed \$25,936,887,000 except as
12 provided below and state share medicaid spending, in the aggregate,
13 for the period April 1, 2023 through [~~March 31~~] September 15, 2024,
14 shall not exceed [~~\$27,678,377,000~~] \$28,156,098,000, but in no event
15 shall department of health state funds medicaid spending for the
16 period April 1, 2022 through [~~March 31~~] September 15, 2024 exceed
17 [~~\$53,615,265,000~~] \$54,092,985,000 provided, however, such aggregate
18 limits may be adjusted by the director of the budget to account for
19 any changes in the New York state federal medical assistance
20 percentage amount established pursuant to the federal social securi-
21 ty act, increases in provider revenues, reductions in local social
22 services district payments for medical assistance administration,
23 minimum wage increases and beginning April 1, 2012 the operational
24 costs of the New York state medical indemnity fund, pursuant to
25 chapter 59 of the laws of 2011, and state costs or savings from the
26 essential plan. Such projections may be adjusted by the director of
27 the budget to account for increased or expedited department of
28 health state funds medicaid expenditures as a result of a natural or
29 other type of disaster, including a governmental declaration of
30 emergency.

31 The director of the budget, in consultation with the commissioner of
32 health, shall assess on a quarterly basis known and projected medi-
33 caid expenditures by category of service and by geographic region,
34 as determined by the commissioner of health, incurred both prior to
35 and subsequent to such assessment for each such period, and if the
36 director of the budget determines that such expenditures are
37 expected to cause medicaid spending for such period to exceed the
38 aggregate limit specified herein for such period, the state medicaid
39 director, in consultation with the director of the budget and the
40 commissioner of health, shall develop a medicaid savings allocation
41 adjustment to limit such spending to the aggregate limit specified
42 herein for such period.

43 Such medicaid savings allocation adjustment shall be designed, to
44 reduce the expenditures authorized by the appropriations herein in
45 compliance with the following guidelines: (1) reductions shall be
46 made in compliance with applicable federal law, including the
47 provisions of the Patient Protection and Affordable Care Act, Public
48 Law No. 111-148, and the Health Care and Education Reconciliation
49 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
50 Act") and any subsequent amendments thereto or regulations promul-
51 gated thereunder; (2) reductions shall be made in a manner that
52 complies with the state medicaid plan approved by the federal

1 centers for medicare and medicaid services, provided, however, that
2 the commissioner of health is authorized to submit any state plan
3 amendment or seek other federal approval, including waiver authori-
4 ty, to implement the provisions of the medicaid savings allocation
5 adjustment that meets the other criteria set forth herein; (3)
6 reductions shall be made in a manner that maximizes federal finan-
7 cial participation, to the extent practicable, including any federal
8 financial participation that is available or is reasonably expected
9 to become available, in the discretion of the commissioner, under
10 the Affordable Care Act; (4) reductions shall be made uniformly
11 among categories of services and geographic regions of the state, to
12 the extent practicable, and shall be made uniformly within a catego-
13 ry of service, to the extent practicable, except where the commis-
14 sioner determines that there are sufficient grounds for non-uniform-
15 ity, including but not limited to: the extent to which specific
16 categories of services contributed to department of health medicaid
17 state funds spending in excess of the limits specified herein; the
18 need to maintain safety net services in underserved communities; or
19 the potential benefits of pursuing innovative payment models contem-
20 plated by the Affordable Care Act, in which case such grounds shall
21 be set forth in the medicaid savings allocation adjustment; and (5)
22 reductions shall be made in a manner that does not unnecessarily
23 create administrative burdens to medicaid applicants and recipients
24 or providers.

25 The commissioner shall seek the input of the legislature, as well as
26 organizations representing health care providers, consumers, busi-
27 nesses, workers, health insurers, and others with relevant exper-
28 tise, in developing such medicaid savings allocation adjustment, to
29 the extent that all or part of such adjustment, in the discretion of
30 the commissioner, is likely to have a material impact on the overall
31 medicaid program, particular categories of service or particular
32 geographic regions of the state.

33 (a) The commissioner shall post the medicaid savings allocation
34 adjustment on the department of health's website and shall provide
35 written copies of such plan to the chairs of the senate finance and
36 the assembly ways and means committees at least 30 days before the
37 date on which implementation is expected to begin.

38 (b) The commissioner may revise the medicaid savings allocation
39 adjustment subsequent to the provisions of notice and prior to
40 implementation but needs to provide a new notice pursuant to subpar-
41 agraph (i) of this paragraph only if the commissioner determines, in
42 his or her discretion, that such revisions materially alter the
43 plan.

44 Notwithstanding the provisions of paragraphs (a) and (b) of this
45 subdivision, the commissioner need not seek the input described in
46 paragraph (a) of this subdivision or provide notice pursuant to
47 paragraph (b) of this subdivision if, in the discretion of the
48 commissioner, expedited development and implementation of a medicaid
49 savings allocation adjustment is necessary due to a public health
50 emergency.

51 For purposes of this section, a public health emergency is defined as:

52 (i) a disaster, natural or otherwise, that significantly increases

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 the immediate need for health care personnel in an area of the
2 state; (ii) an event or condition that creates a widespread risk of
3 exposure to a serious communicable disease, or the potential for
4 such widespread risk of exposure; or (iii) any other event or condi-
5 tion determined by the commissioner to constitute an imminent threat
6 to public health.

7 Nothing in this paragraph shall be deemed to prevent all or part of
8 such medicaid savings allocation adjustment from taking effect
9 retroactively to the extent permitted by the federal centers for
10 medicare and medicaid services.

11 In accordance with the medicaid savings allocation adjustment, the
12 commissioner of the department of health shall reduce department of
13 health state funds medicaid spending by the amount of the projected
14 overspending through, actions including, but not limited to modify-
15 ing or suspending reimbursement methods, including but not limited
16 to all fees, premium levels and rates of payment, notwithstanding
17 any provision of law that sets a specific amount or methodology for
18 any such payments or rates of payment; modifying medicaid program
19 benefits; seeking all necessary federal approvals, including, but
20 not limited to waivers, waiver amendments; and suspending time
21 frames for notice, approval or certification of rate requirements,
22 notwithstanding any provision of law, rule or regulation to the
23 contrary, including but not limited to sections 2807 and 3614 of the
24 public health law, section 18 of chapter 2 of the laws of 1988, and
25 18 NYCRR 505.14(h).

26 The department of health shall prepare a quarterly report that sets
27 forth: (a) known and projected department of health medicaid expend-
28 itures as described in subdivision (1) of this section, and factors
29 that could result in medicaid disbursements for the relevant state
30 fiscal year to exceed the projected department of health state funds
31 disbursements in the enacted budget financial plan pursuant to
32 subdivision 3 of section 23 of the state finance law, including
33 spending increases or decreases due to: enrollment fluctuations,
34 rate changes, utilization changes, MRT investments, and shift of
35 beneficiaries to managed care; and variations in offline medicaid
36 payments; and (b) the actions taken to implement any medicaid
37 savings allocation adjustment implemented pursuant to subdivision
38 (4) of this section, including information concerning the impact of
39 such actions on each category of service and each geographic region
40 of the state. Each such quarterly report shall be provided to the
41 chairs of the senate finance and the assembly ways and means commit-
42 tees and shall be posted on the department of health's website in a
43 timely manner.

44 For the purpose of making payments to providers of medical care pursu-
45 ant to section 367-b of the social services law, and for payment of
46 state aid to municipalities and the federal government where payment
47 systems through fiscal intermediaries are not operational, to reim-
48 burse the provision of care to patients eligible for medical assist-
49 ance.
