AN ACT making appropriations for the support of government

### CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the  
2 purpose of the appropriations, are appropriated by comprehensive  
3 construction programs (hereinafter referred to by the abbreviation CCP),  
4 purposes, and projects designated by the appropriations, and authorized  
5 to be made available as hereinafter provided to the respective public  
6 officers; such appropriations shall be deemed to provide all costs  
7 necessary and pertinent to accomplish the intent of the appropriations  
8

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

1 and are appropriated in accordance with the provisions of section 93 of  
2 the state finance law.

3 b) Any amounts specified in this chapter for advances for capital  
4 projects, or so much thereof as shall be necessary to accomplish the  
5 purpose of the appropriations, are appropriated by comprehensive  
6 construction programs (hereinafter referred to by the abbreviation CCP),  
7 purposes and projects designated by the appropriations as advances from  
8 the capital projects fund in accordance with the provisions of sections  
9 40-a and 93 of the state finance law, and are authorized to be paid as  
10 hereinafter provided as an advance for a share, part or whole of the  
11 cost for such programs, purposes and projects hereinafter specified.

12 c) The several amounts specified in this chapter as capital projects -  
13 reappropriations, or so much thereof as shall be sufficient to accom-  
14 plish the purpose of the appropriations, as appropriated by comprehen-  
15 sive construction programs (hereinafter referred to by the abbreviation  
16 CCP), purposes, and projects, being the undisbursed and/or unexpended  
17 balances of the prior year's appropriations, are reappropriated and  
18 unless otherwise amended or repealed in part or total in this chapter  
19 shall continue to be available for the same purposes as the prior appro-  
20 priations or as otherwise amended for the fiscal year beginning April 1,  
21 2023.

22 The capital projects reappropriations contained in this chapter may be  
23 amended by repealing the items set forth in brackets and by adding ther-  
24 eto the underscored material. Certain reappropriations in this chapter  
25 are shown using abbreviated text, with three leader dots (an ellipsis)  
26 followed by three spaces (... ) used to indicate where existing law  
27 that is being continued is not shown. However, unless a change is clear-  
28 ly indicated by the use of brackets [-] for deletions and underscores  
29 for additions, the purpose, amounts, funding source and all other  
30 aspects pertinent to each item of appropriation shall be as last appro-  
31 priated.

32 For the purpose of complying with section 25 of the state finance law,  
33 the year, chapter and section of the last act reappropriating a former  
34 original appropriation or any part thereof is, unless otherwise indi-  
35 cated, chapter 54, section 1, of the laws of 2022.

36 d) No moneys appropriated by this chapter shall be available for  
37 payment until a certificate of approval has been issued by the director  
38 of the budget, who shall file such certificate with the department of  
39 audit and control, the chairperson of the senate finance committee and  
40 the chairperson of the assembly ways and means committee.

41 e) The appropriations contained in this chapter shall be available for  
42 the fiscal year beginning on April 1, 2023 except as otherwise noted.

By chapter 54, section 8, of the laws of 1978, as amended by chapter 55, section 1, of the laws of 1996:

The sum of two hundred sixty-three million thirty-five thousand nine hundred sixty-one dollars (\$263,035,961) or so much thereof as may be necessary, is hereby appropriated from the proceeds of the sale of bonds authorized pursuant to the provisions of chapter one hundred and seventy-six of the laws of nineteen hundred sixty-five known as the "Pure Waters Bond Act" for payment to the capital projects fund as created by section ninety-three of the state finance law for disbursements from such fund pursuant to appropriations for the payment of the non-municipal share of the cost of construction of sewage treatment works in the manner and to the extent specified in section 17-1903 of the environmental conservation law. Such disbursements are hereinafter referred to as "Pure Waters disbursements."

The director of the budget is hereby authorized to designate to the state comptroller appropriations made from the capital projects fund for purposes for which pure waters expenditures are authorized. The state comptroller shall at the commencement of each month certify to the director of the budget, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee, the amounts disbursed from the appropriations designated by the director of the budget from the capital construction fund for pure waters disbursements for the month preceding such certification. Such certifications shall not exceed in aggregate the moneys appropriated thereof from the capital projects fund. A copy of each such certification shall also be delivered to the public officer of the respective state department to which such capital projects fund appropriations are made available (01354910) (80917) .....

4 Preservation of Facilities Purpose

5 The appropriation made by chapter 54, section 1, of the laws of 2022, is  
 6 hereby amended and reappropriated to read:

7 For the comprehensive construction programs, purposes and projects as  
 8 herein specified in accordance with the following: [~~For payment to  
 9 the dormitory authority of the state of New York for services and  
 10 expenses relating to the design, construction, reconstruction, reha-  
 11 bilitation, improvement, furnishing, or equipping of new facilities  
 12 and alterations and improvements to existing facilities for capital  
 13 maintenance, including but not limited to capital design,  
 14 construction, reconstruction, rehabilitation, and equipment for  
 15 facilities for eligible child care providers, as defined in the  
 16 application. The dormitory authority shall have power to enter into  
 17 a design and construction management agreement with the office of  
 18 children and family services, pursuant to which one or more facili-  
 19 ties are to be designed, constructed, reconstructed, rehabilitated,  
 20 improved, furnished or equipped for such office. Any such design and  
 21 construction management agreement entered into pursuant to this  
 22 appropriation shall provide for the following: the scope of design  
 23 and construction management services to be provided by the dormitory  
 24 authority, the manner in which those services will be provided, the  
 25 fees to be charged by the authority and the sources of funds for the  
 26 projects.~~]

Notwithstanding section 1680-g of the public authorities  
 27 law and any other law to the contrary, funds appropriated herein  
 28 shall be for grants administered by the dormitory authority of the  
 29 state of New York for payment of capital costs of design,  
 30 construction, reconstruction, rehabilitation, and equipment for  
 31 existing or proposed child care facilities; and the acquisition of  
 32 equipment or other capital assets with a useful life of not less  
 33 than ten years purchased for installation onto infrastructure that  
 34 is owned or controlled by the grant recipient; provided that in  
 35 cases involving the acquisition of non-fixed equipment and capital  
 36 assets such assets shall solely be used by the grant recipient.  
 37 Individual grants shall be in the amount no less than \$50,000 and  
 38 are to be awarded on a competitive basis to eligible child care  
 39 facilities through a request for proposals and application process  
 40 determined by the office of children and family services and the  
 41 dormitory authority of the state of New York. Notwithstanding any  
 42 other law to the contrary, all or a portion of the amounts hereby

1 outdated facilities as part of a merger, consolidation, acquisition  
2 or other significant corporate restructuring activity that is part  
3 of an overall transformation plan intended to create a financially  
4 sustainable system of care that promotes a patient-centered model of  
5 health care delivery aimed at improving the overall health and  
6 wellbeing of a community. Eligible applicants shall be those deemed  
7 by the commissioner to be a provider that fulfills or will fulfill a  
8 health care need for acute inpatient, outpatient, primary, home care  
9 or residential health care services in a community. The commissioner  
10 and the president of the dormitory authority of the state of New  
11 York shall enter into an agreement, subject to the approval of the  
12 director of the budget, and subject to section 1680-r of the public  
13 authorities law, for the purposes of awarding, distributing, and  
14 administering the funds made available pursuant to this appropri-  
15 ation. In determining awards for eligible applicants under this  
16 appropriation, the commissioner of health and the president of the  
17 authority shall consider criteria including, but not limited to:

- 18 (a) the extent to which the proposed capital project will contribute  
19 to the integration of health care services and long term sustaina-  
20 bility of the applicant or preservation of essential health services  
21 in the community or communities served by the applicant;
- 22 (b) the extent to which the proposed project or purpose is aligned  
23 with delivery system reform incentive payment ("DSRIP") program  
24 goals and objectives;
- 25 (c) consideration of geographic distribution of funds;
- 26 (d) the relationship between the proposed capital project and identi-  
27 fied community need;
- 28 (e) the extent to which the applicant has access to alternative  
29 financing;
- 30 (f) the extent that the proposed capital project furthers the develop-  
31 ment of primary care and other outpatient services;
- 32 (g) the extent to which the proposed capital project benefits medicaid  
33 enrollees and uninsured individuals;
- 34 (h) the extent to which the applicant has engaged the community  
35 affected by the proposed capital project and the manner in which  
36 community engagement has shaped such capital project; and
- 37 (i) the extent to which the proposed capital project addresses poten-  
38 tial risk to patient safety and welfare.

39 Disbursement of awards made pursuant to this appropriation shall be  
40 conditioned on the awardee achieving certain process and performance  
41 metrics and milestones as determined in the sole discretion of the  
42 commissioner. Such metrics and milestones shall be structured to  
43 ensure that the health care transformation and provider sustainabil-  
44 ity goals of the project are achieved, and such metrics and mile-  
45 stones shall be included in grant disbursement agreements or other  
46 contractual documents as required by the commissioner.

47 The department shall provide a report on a quarterly basis to the  
48 chairs of the senate finance, assembly ways and means, senate health  
49 and assembly health committees. Such reports shall be submitted no  
50 later than sixty days after the close of the quarter, and shall  
51 include, for each award, the name of the applicant, a description of  
52 the project or purpose, the amount of the award, disbursement date,

the budget, the speaker of the Assembly, and the temporary president of the Senate, on or before July 1 of each year, that summarizes the activities undertaken pursuant to the funding made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp). Such annual report shall be cumulative and shall include an itemized list of each project utilizing funds appropriated by the 2016-17 and 2017-18 state fiscal year housing program (ccp), including a brief description of the project, street address, county, awardee, total budget, amount of capital subsidy appropriated by the housing program (ccp), relevant section of the housing program (ccp), bonded or cash, amount of each additional public funding source, funding program, number of units, area median income requirements if applicable, month and year construction will commence, projected date of occupancy, and project phase (in development, engineering, construction, complete, defunded). Such annual report shall continue to be provided until such time as the final disbursement of funds appropriated in the 2016-17 and 2017-18 state fiscal year housing program (ccp) has occurred.

Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than an additional \$500,000,000 for the period April 1, 2019 through and past March 31, 2020, and not more than an additional \$41,525,000 for the period April 1, 2020 through and past March 31, 2021 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process.
2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.
3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.
4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.

26 York city. The distribution of any funds which the division of hous-  
27 ing and community renewal or other appropriate state agencies or  
28 authorities authorizes to be used as part of a federal housing  
29 program, shall require the division of housing and community renewal  
30 to monitor and ensure that any affected public housing tenants are  
31 properly informed regarding participation in the federal housing  
32 program and that appropriate documents related to participation in  
33 such federal housing program are made publicly available and are  
34 posted on each applicable housing authority's website in a timely  
35 manner to properly inform such public housing authority tenants.  
36 The residents of public housing that receives and uses such funds to  
37 participate in such federal program shall be provided a uniform  
38 lease agreement that provides, at a minimum, terms and conditions  
39 consistent with those found in the public housing lease they had  
40 prior to the public housing having received any such funds. Public  
41 housing authorities that receive and use such funds shall be  
42 required to: provide resident education, which shall include compre-  
43 hensive information about any anticipated changes to the public  
44 housing; provide language assistance to residents with limited  
45 English proficiency; recognize the right of residents to form a

By chapter 54, section 1, of the laws of 1991:

For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities development act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance.

No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.

purposes not directly related to a private facility until the commissioner of transportation has provided the director of the budget with the following projections to support any such allocation of funds: (a) effect on Stewart airport net operating revenues; (b) effect on new jobs for the state of New York; and (c) effect on net revenues of amortization of state capital expenditures. It is acknowledged that funds provided herein pursuant to the transportation capital facilities development act of 1967 are made available by repealing a portion of an appropriation for the payment of the state's share to the Niagara frontier transportation authority for construction, reconstruction, and improvement of airport or aviation capital projects at Buffalo international airport. It is the intent of the legislature that the repeal of such funds appropriated to the Niagara frontier transportation authority does not void the state's commitment to provide alternative state share funding sources to the authority to complete the airport or aviation capital projects at Buffalo international airport as originally provided by chapter 54, section 1, of the laws of 1982, as amended by chapter 54, section 3, of the laws of 1988. It is further the intent of the legislature that such alternative state share funding be provided to the authority no later than March 31, 1993 (17439114) (53271) ..... 11,800,000 ..... 1 Capital Projects Funds - Other  
2 Capital Projects Fund - 30000  
3 Omnibus and Transit Purpose

4 By chapter 54, section 1, of the laws of 2022:

5 For state aid to municipal corporations for the preparation of  
6 designs, plans, specifications and estimates, for the acquisition,  
7 construction, reconstruction, and improvement of mass transportation  
8 capital projects including the acquisition of real property, for  
9 other mass transportation projects including local transportation  
10 planning studies. Notwithstanding any inconsistent provisions of  
11 law, the state share of such projects shall be 50 percent of the  
12 non-federal share, but in no event shall the state share exceed 10  
13 percent of project costs.

14 Notwithstanding any other provision of law, the commissioner of trans-  
15 portation shall make available directly to the City of New York  
16 (City) an amount commensurate with the state share of (i) federal  
17 funds previously awarded to the City and reallocated to the metro-  
18 politan transportation authority (MTA), and (ii) the federally  
19 authorized level of financial assistance transferred by resolution  
20 of the metropolitan planning organization (MPO) to the metropolitan  
21 transportation authority (MTA) and credited to the City by the MTA  
22 for capital expenses.

23 The state share of such reimbursement shall be 50 percent of the non-  
24 federal share of the federally authorized level of financial assist-  
25 ance transferred to the MTA, but in no event shall the state share  
26 exceed 10 percent of project costs. Prior to requesting reimburse-  
27 ment for projects progressed by the MTA on behalf of the City, the  
28 City shall certify to the commissioner of transportation that each  
29 eligible project progressed under this provision is federally eligi-  
30 ble and that the match amount requested does not exceed the state  
31 share of the federally authorized level of financial assistance. In  
32 addition, the City must provide an application to the commissioner  
33 of transportation certifying that the work to be funded under the  
34 project has been performed and that the City has reimbursed the MTA  
35 for 100 percent of the match amount for the project. Upon such  
36 application, the commissioner of transportation shall review and  
37 approve eligible activities for reimbursement.

38 Prior to requesting approval of a certificate of approval of avail-  
39 ability for the moneys hereby appropriated, the commissioner of  
40 transportation shall certify that each omnibus project progressed  
41 under the program has received federal approval.

Industrial Access Purpose

By chapter 55, section 1, of the laws of 2004, as amended by chapter 55, section 1, of the laws of 2010:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 2004. For the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed \$1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial access portion of such project's cost is greater than \$2,000,000 (17060479) (53267) ... 5,400,000 ..... 5 By chapter 55, section 1, of the laws of 2016, as amended by chapter 54,  
6 section 1, of the laws of 2017:

7 Transportation infrastructure and facilities in the five-year depart-  
8 ment of transportation plan for 2015-16 through 2019-20, for the  
9 payment of costs, including the payment of liabilities incurred  
10 prior to April 1, 2016, of transportation infrastructure projects,  
11 including but not limited to, state and local roads and bridges;  
12 airport, freight and passenger rail, port and transit projects or  
13 multi-modal facilities, including work appurtenant and ancillary  
14 thereto. Project costs funded from this appropriation may include  
15 but shall not be limited to construction, reconstruction, recondi-  
16 tioning and preservation, the acquisition of property, and engineer-  
17 ing services, including personal services, nonpersonal services,  
18 fringe benefits, the contract services provided by private firms,

3       For services and expenses related to the empire state poverty  
4       reduction initiative. Funds appropriated herein shall be made avail-  
5       able for sixteen local anti-poverty task forces in municipalities,  
6       or a borough, with high rates of poverty as determined by the U.S.  
7       Census Bureau's 2010-14 American Community Survey Five-year Esti-

9       Jamestown, Newburgh, Niagara Falls, Oneonta, Oswego, Rochester,  
10      Syracuse, Troy, Utica and Watertown. Provided that, except in muni-  
11      cipalities where a state-funded anti-poverty task force or initi-  
12      ative already exists and is receiving or has received State funding  
13      for such purpose, the mayor of each municipality, or in the case of  
14      the Bronx, the borough president, will select a not-for-profit  
15      organization that provides services in the municipality, or in the  
16      case of the Bronx, the borough, to serve as the local coordinator of  
17      each such local task force. Provided further that, except in muni-  
18      cipalities where a state-funded antipoverty task force or initiative  
19      already exists and is receiving or has received funding, each such  
20      taskforce shall make efforts to be comprised of, but not limited to,  
21      the following members: representatives from municipal, county,  
22      and/or state government; individuals who have lived in or currently  
23      live in households in poverty; individuals and advocates represent-  
24      ing local not-for-profit and community organizations; represen-  
25      tatives from local school districts; and representatives from local  
26      social services districts. Of the funds appropriated herein, the  
27      amount available for each local anti-poverty task force shall be  
28      determined based on the number of people in each municipality, or a  
29      borough, who are living in poverty as determined by the U.S. Census  
30      Bureau's 2010-14 American Community Survey Five-year Estimate  
31      provided that each local anti-poverty task force shall be eligible  
32      to receive funding in the following amounts: municipalities with  
33      fewer than 5,000 individuals in poverty shall each be eligible to  
34      receive \$500,000; municipalities with between 5,000 and 10,000 indi-  
35      viduals in poverty shall each be eligible to receive \$1,000,000;  
36      municipalities with between 10,000 and 40,000 individuals in poverty  
37      shall each be eligible to receive \$1,500,000; and municipalities, or  
38      a borough, with more than 40,000 individuals in poverty shall each  
39      be eligible to receive \$2,750,000. Funds appropriated herein shall  
40      be available to support the work of each anti-poverty task force and  
41      such work shall be divided into two phases. During the first phase,  
42      the mayor of the municipality, or in the case of the Bronx, the  
43      borough president, will select a not-for-profit organization that  
44      has demonstrated successful performance working with community  
45      stakeholders and achieving objectives specified herein, to coordi-  
46      nate the local antipoverty task force. The not-for-profit organiza-  
47      tion serving as coordinator will assemble the antipoverty task force  
48      using the criteria outlined above. Provided further that, with

1 shall use data to identify high need issues and neighborhoods within  
2 the municipality, or in the case of the Bronx, the borough; identify  
3 problems that are common in neighborhoods throughout the munici-  
4 pality, or in the case of the Bronx, the borough; receive input from  
5 local residents; use data and resident input to select one or more  
6 focus areas related to either one or more issues or one or more  
7 neighborhoods; and develop a plan for how funding will be targeted  
8 toward the identified issues or neighborhoods. Such focus areas may  
9 include, but are not limited to childhood poverty and homelessness.  
10 Activities included in such plan may include, but are not limited  
11 to: providing public assistance recipients opportunities to partic-  
12 ipate in enhanced work activities that either provide recognized  
13 credentialing or enhanced career readiness or job training for  
14 better linkage to potential employment; assisting families in pover-  
15 ty through services provided to parents and children; and addressing  
16 chronic homelessness or housing insecurity. Such plan must include  
17 measurable objectives and a timeframe for completion and shall be  
18 submitted for approval to the commissioner of the office of tempo-  
19 rary and disability assistance. Of the total amount made available  
20 to each anti-poverty task force, the lesser of \$300,000 or 20  
21 percent of the total award may be used to carry out planning and  
22 administration, provided however, that the amount used for planning  
23 and administration may exceed such limitation if such amount is  
24 approved by the commissioner of the office of temporary and disabili-  
25 ty assistance as part of the plan required herein. Upon receiving  
26 approval from the commissioner of the office of temporary and disa-  
27 bility assistance, each such anti-poverty task force shall commence  
28 the second phase of its work, which will support the implementation  
29 of the plan developed during the first phase. Funding appropriated  
30 herein shall be made available to the not-for-profit organization  
31 serving as coordinator and its use shall be restricted to purposes  
32 or initiatives that do not necessitate ongoing state financial  
33 support. Such anti-poverty task forces shall be encouraged to secure  
34 match funding from private sector and foundation sources to supple-  
35 ment the funds appropriated herein and provided further that any  
36 funding provided from this appropriation shall not be used to  
37 supplant funding for programs already in existence. Such funds may

39 budget (931A16SP) (79994) ... 25,000,000 ..... (re. \$30,000)  
40 Notwithstanding any inconsistent provision of law, in support of a  
41 comprehensive statewide multi-year housing program to prevent and  
42 address homelessness across the State, funds appropriated herein may  
43 be used in conjunction with other resources made available as part  
44 of the state fiscal year 2016-17 and 2017-18 local assistance, capi-
