

STATE OF NEW YORK

4088

2023-2024 Regular Sessions

IN ASSEMBLY

February 9, 2023

Introduced by M. of A. GUNTHER -- read once and referred to the Committee on Banks

AN ACT to amend the banking law and the civil practice law and rules, in relation to licensed consumer debt collectors

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The legislature hereby finds the
2 presence of consumer-related problems with respect to the practices of
3 debt collection agencies. Federal and state laws regulate how debt
4 collectors may communicate with debtors and prohibit the use of certain
5 threatening, deceptive and unfair collection practices. Despite
6 these legal protections, there continue to be frequent consumer
7 complaints regarding debt collection practices. Due to the sensitive
8 nature of the information used in the course of debt collection agencies' work, and the vulnerable position consumers may find themselves in
9 when dealing with these agencies, it is incumbent upon this legislature
10 to ensure that agencies that engage in unscrupulous or abusive practices
11 shall not continue to operate in this state. To protect the interests,
12 reputations, and financial wellbeing of residents of this state from
13 unwarranted harm, the legislature hereby declares that the state should
14 not permit debt collection agencies to operate without a license from
15 the state.

16
17 § 2. The banking law is amended by adding a new article 7 to read as
18 follows:

17 convicted of any crime defined in article one hundred fifty-five of the
18 penal law or article twenty-two-A of the general business law or failed

23 federal Fair Debt Collection Practices Act (15 USC § 1692 et seq.), or
24 any provision of this article.

25 All determinations by the superintendent to issue or renew a license
26 shall be made in accordance with subdivision sixteen of section two

29 5. Notice in writing in the manner and form prescribed by the depart-

31 ten days of changes of name or address by licensed debt collection agen-
32 cies. The fee for filing each change of name or address notice shall be
33 determined pursuant to section eighteen-a of this chapter.

34 6. The fees established by this section shall not be refundable.

35 7. Each debt collection agency engaged in collecting debts shall
36 communicate his or her license number upon the request of any interested
37 party. Any advertisement, letterhead, receipt or other printed matter of
38 a licensee must contain the license number assigned to the licensee by
39 the department. Such license number shall be clearly and conspicuously
40 displayed.

41 8. No person, firm or corporation shall: (a) present, or attempt to

51 an endorsement of the quality of workmanship or competency of the debt
52 collection agency.

53 9. Licenses issued to debt collection agencies shall not be transfera-
54 ble or assignable.

55 10. The superintendent shall issue each debt collection agency a
56 unique license number.

11. The department shall maintain and publish a registry of all licensed debt collection agencies, which shall list and identify, all licensed debt collection agencies doing business in this state. The department shall make the registry available on its website.

12. (a) The superintendent shall adopt such rules and regulations as he or she may determine are necessary for the administration and enforcement of this article, and shall provide written notification of the provisions of this article to all debt collection agencies licensed pursuant to this article.

(b) In addition to any other powers of the superintendent, not in limitation thereof, he or she shall have the power to enforce the provisions of this article, to investigate any violation thereof, to investigate the business, business practices and business methods of any debt collection agency, and to conduct routine examinations of the financial solvency of any debt collection agency, if in the opinion of the superintendent, such investigation or examination is warranted. Each debt collection agency shall be obliged, on request of the superintendent, to supply such information, books, papers or records as may be required concerning his, her or its business, business practices or business methods, or proposed business practices or methods. Failure to comply with a lawful request of the superintendent shall be a ground for denying an application for a license, or for revoking, suspending, or failing to renew a license issued under this article.

(c) The superintendent shall have the power to revoke or suspend any license, or in lieu thereof to impose a fine not less than one hundred dollars nor more than two thousand dollars per violation or instance, payable to the department, or reprimand any licensee or deny an application for a license or renewal thereof upon proof:

(i) that the applicant or licensee has violated any of the provisions of this article or the rules and regulations promulgated pursuant to this article;

(ii) that the applicant or licensee has practiced fraud, deceit or misrepresentation;

(iii) that the applicant or licensee has made a material misstatement in the application for or renewal of his or her license; or

(iv) that the applicant or licensee has demonstrated incompetence or untrustworthiness in his or her actions.

13. The department shall before denying an application for a license or before revoking or suspending any license, or imposing any fine or reprimand, and at least fifteen days prior to the date set for the hearing, and upon due notice to the complainant or objector, notify in writing the applicant, or the holder of such license, of any charge made and shall afford such applicant or licensee an opportunity to be heard in person or by counsel in reference thereto. Such written notice may be served personally to the applicant or licensee, or by certified mail to the last known business address of such applicant or licensee.

14. The hearing on such charges shall be at such time and place as the department shall prescribe and shall be conducted by such officer or person in the department as the superintendent may designate, who shall have the power to subpoena and bring before the officer, or person so designated, any person in this state and administer an oath to and take testimony of any person or cause his or her deposition to be taken. A subpoena issued under this section shall be regulated by the civil practice law and rules. Such officer or person in the department designated to take such testimony shall not be bound by common law or statutory rules of evidence or by technical or formal rules of procedure.

1 15. In the event that the department shall deny the application for,
2 or revoke or suspend any such license, or impose any fine or reprimand,
3 its determination shall be in writing and officially signed. The
4 original of such determinations, when so signed, shall be filed in the
5 office of the department and copies thereof shall be mailed to the
6 applicant or licensee and to the complainant within two days after such
7 filing.

8 16. The department, acting by the office or person designated to
9 conduct the hearing pursuant to subdivision thirteen of this section or
10 by such other officer or person in the department as the superintendent
11 may designate, shall have the power to suspend the license of any licen-
12 see who has been convicted in this state or any other state or territory
13 of a felony or of any misdemeanor for a period not exceeding thirty days
14 pending a hearing and a determination of charges made against him or
15 her. If such hearing is adjourned at the request of the licensee, or by
16 reason of any act or omission by him or her or on his or her behalf,
17 such suspension may be continued for the additional period of such
18 adjournment.

19 17. The action of the department in granting or refusing to grant or
20 to renew a license under this article or in revoking or suspending or
21 refusing to revoke or suspend such a license or imposing any fine or
22 reprimand shall be subject to review by a proceeding instituted under
23 article seventy-eight of the civil practice law and rules at the
24 instance of the applicant for such license, the holder of a license so
25 revoked, suspended, fined or reprimanded.

26 18. For the purpose of this article, licensees may be held responsible
27 for statements, representations, promises or acts of their employees or
28 their agents within the scope of their authority; provided, however,
29 that licensees shall not be held responsible for statements, representa-
30 tions, promises or acts which are contrary to instructions or which
31 constitute gross negligence or intentional torts unless specifically
32 authorized by the licensee.

33 19. (a) Any person, firm or corporation that operates as a debt
34 collection agency without a license shall be required to pay a civil
35 penalty to the department of not more than five hundred dollars per
36 attempt to collect a debt in violation of this section.

37 (b) In addition to any other penalties, if a person is found to have
38 committed repeated, multiple or persistent violations of any provision
39 of this article, such person may be responsible for the cost of the
40 department's investigation.

41 § 297. Surety bonding requirement. 1. As a condition of obtaining a
42 license pursuant to this article, every debt collection agency applicant
43 who is applying for a license and employs between one and four individ-
44 uals engaged in the collection of debts shall obtain and continue in
45 full force and effect a bond, contract of indemnity, or irrevocable
46 letter of credit in the amount of twenty-five thousand dollars to be
47 filed with the superintendent.

48 2. As a condition to obtaining a license pursuant to this article,
49 every debt collection agency applicant who is applying for a license and
50 employs between five and nine individuals engaged in the collection of
51 debts shall obtain and continue in full force and effect a bond,
52 contract of indemnity, or irrevocable letter of credit in the amount of
53 twenty-seven thousand five hundred dollars to be filed with the super-
54 intendent.

55 3. As a condition to obtaining a license pursuant to this article,
56 every debt collection agency applicant who is applying for a license and

1 employs between ten and twenty individuals engaged in the collection of
2 debts shall obtain and continue in full force and effect a bond,
3 contract of indemnity, or irrevocable letter of credit in the amount of
4 fifty-six thousand two hundred dollars to be filed with the superinten-
5 dent.

6 4. As a condition to obtaining a license pursuant to this article,
7 every debt collection agency applicant who is applying for a license and
8 employs twenty or more individuals engaged in the collection of debts
9 shall obtain and continue in full force and effect a bond, contract of
10 indemnity, or irrevocable letter of credit, in the amount of seventy-
11 five thousand dollars to be filed with the superintendent.

12 5. Such surety bond, contract of indemnity, or irrevocable letter of
13 credit shall be conditioned that the applicant will comply with this
14 article, article twenty-nine-H, and article twenty-nine-HH of the gener-
15 al business law and pay all civil penalties, fines, or other obligations
16 imposed by the superintendent or a court of law, investigatory costs
17 required to be paid, or any final judgment against the licensee pursuant
18 to such articles.

19 6. The total liability imposed on the surety bond under this section
20 for all breaches of the bond condition is limited to the face amount of
21 the bond. Such liability is limited to the amount of the penalty or
22 investigatory costs. In no event will the surety on a bond be liable for
23 total claims in excess of the bond amount, regardless of the number or
24 nature of claims made against the bond or the number of years the bond
25 remained in force.

26 7. Any surety issuing a bond pursuant to this section and any licensee
27 shall be required to provide thirty days notice to the superintendent
28 prior to the effective date of cancellation of the bond. The failure to
29 maintain such a bond shall operate to revoke the license of the debt
30 collection agency upon notice and hearing.

31 § 298. Penalties. 1. Wherever there shall be a violation of this
32 article, an application may be made by the attorney general in the name
33 of the people of the state of New York to a court or justice having
34 jurisdiction by a special proceeding to issue an injunction, and upon
35 notice to the defendant of not less than five days, to enjoin or
36 restrain the continuance of such violation; and if it shall appear to
37 the satisfaction of the court or justice that the defendant has, in
38 fact, violated this section, an injunction may be issued by such court
39 or justice, enjoining and restraining any further violation, without
40 requiring proof that any person has, in fact, been injured or damaged
41 thereby. In any such proceeding, the court may make allowances to the
42 attorney general as provided in paragraph six of subdivision (a) of
43 section eighty-three hundred three of the civil practice law and rules,
44 and direct restitution. Whenever the court shall determine that a
45 violation of this section has occurred, the court may impose a civil
46 penalty of not less than one hundred dollars nor more than ten thousand
47 dollars for each violation. In connection with any such proposed appli-
48 cation, the attorney general is authorized to take proof and make a
49 determination of the relevant facts and to issue subpoenas in accordance
50 with the civil practice law and rules.

51 2. Any person who has been the subject of an attempt to collect a debt
52 by a debt collection agency that is not licensed pursuant to this arti-
53 cle may bring an action in his or her own name to enjoin such unlawful
54 act or practice, an action to recover his or her actual damages or three
55 thousand five hundred dollars, whichever is greater, or both such
56 actions. The court may, in its discretion, increase the award of damages

1 to an amount not to exceed three times the actual damages up to ten
2 thousand dollars, if the court finds the defendant willfully violated
3 this article. In the case of any successful action to enforce the fore-
4 going liability, the court may award the costs of the action together
5 with reasonable attorney's fees.

6 § 299. Examinations. 1. Each licensed debt collection agency shall
7 keep and use in its business such books, accounts, and records as will
8 enable the superintendent to determine whether such licensee is comply-
9 ing with the provisions of this article and with the rules and regu-
10 lations promulgated hereunder. Every licensed debt collection agency
11 shall preserve such books, accounts, and records, for at least five
12 years after making the final entry regarding a consumer debt. Preserva-
13 tion of photographic reproduction thereof or records in photographic
14 form, including an optical disk storage system and the use of electronic
15 data processing equipment that provides comparable records to those
16 otherwise required and which are available for examination upon request
17 shall constitute compliance with the requirements of this section.

18 2. Each licensed debt collection agency shall annually, on or before
19 April first, file a report with the superintendent giving such informa-
20 tion as the superintendent may require concerning the business and oper-
21 ations during the preceding calendar year of each licensed place of
22 business conducted by such licensed debt collection agency within the
23 state under authority of this article. Such report shall be subscribed
24 and affirmed as true by the licensed debt collection agency under the
25 penalties of perjury and shall be in the form prescribed by the super-
26 intendent.

27 3. In addition to annual reports, the superintendent may require such
28 additional regular or special reports as may be deemed necessary to the
29 proper supervision of a licensed debt collection agency under this arti-
30 cle. Such additional reports shall be in the form prescribed by the
31 superintendent and shall be subscribed and affirmed as true under the
32 penalties of perjury.

33 4. The expenses of every examination of the affairs of a licensed debt
34 collection agency subject to this section shall be borne and paid by the
35 licensed debt collection agency.

36 § 300. Applicability. 1. Except as provided in subdivision two of this
37 section, the provisions of this article shall exclusively govern the
38 licensing of debt collection agencies notwithstanding the provisions of
39 any other law to the contrary and further, no local law shall be enacted
40 which shall require any fee or license for the licensure or registration
41 of debt collection agencies.

42 2. The provisions of this article shall not be construed to limit in
43 any way the authority of a political subdivision to enact, implement and
44 continue to enforce local laws and regulations governing the licensure
45 or registration of debt collection agencies that were in effect prior to
46 the effective date of this article, or to enact, implement and enforce
47 any amendments thereto.

48 § 3. Subdivision (e) of rule 3015 of the civil practice law and rules,
49 as amended by chapter 693 of the laws of 2019, is amended to read as
50 follows:

51 (e) License to do business. Where the plaintiff's cause of action
52 against a consumer arises from the plaintiff's conduct of a business
53 which is required by state or local law to be licensed by the department
54 of consumer affairs of the city of New York, the Suffolk county depart-
55 ment of consumer affairs, the county of Rockland, the county of Putnam,
56 the county of Westchester, [or] the Nassau county department of consumer

1 affairs or the department of financial services pursuant to article
2 seven of the banking law, the complaint shall allege, as part of the
3 cause of action, that plaintiff was duly licensed at the time of
4 services rendered and shall contain the name and number, if any, of such
5 license and the governmental agency which issued such license. The fail-
6 ure of the plaintiff to comply with this subdivision will permit the
7 defendant to move for dismissal pursuant to paragraph seven of subdivi-
8 sion (a) of rule thirty-two hundred eleven of this chapter.

9 § 4. This act shall take effect on the one hundred eightieth day after
10 it shall have become a law. Effective immediately, the addition, amend-
11 ment and/or repeal of any rule or regulation necessary for the implemen-
12 tation of this act on its effective date are authorized to be made and
13 completed on or before such effective date.
