§ 4. Subdivision 1 of section 165 of the state finance law is amended by adding three new paragraphs f, g and h to read as follows:

f. A "net neutral source of internet services" shall mean an internet service provider who adheres to the principles of net neutrality.

g. A "non-net neutral source of internet services" shall mean an internet service provider who violates any of the principles of net neutrality.

h. "The principles of net neutrality" shall mean the rules and regulations under the open internet report and order on remand, declaratory ruling, and order by the federal communications commission released March twelfth, two thousand fifteen, GN Docket No. 14-28.

§ 5. Section 165 of the state finance law is amended by adding a new subdivision 9 to read as follows:

9. Prohibition on purchase of internet services from a non-net neutral source of internet services.

a. (i) With respect to contracts described in subparagraphs (ii) and (iii) of this paragraph, and in accordance with such subparagraphs, the state and any governmental agency or political subdivision or public benefit corporation or municipality of the state shall not contract for the supply of internet services with any contractor who does not agree to stipulate to the following, if there is another contractor who will contract to supply internet services of comparable quality at a comparable price or cost, the contractor and any individual or legal entity in which the contractor holds a ten percent or greater ownership interest and any individual or legal entity that holds a ten percent or greater ownership interest in the contractor shall make lawful steps in good faith to conduct any business operations as a net neutral source of internet services.

(ii) In the case of contracts let by a competitive process, whenever the responsive and responsible offerer having the lowest price or best value offer has not agreed to stipulate to the conditions set forth in this subdivision and another responsive and responsible offerer who has agreed to stipulate to such conditions has submitted an offer shall determine that the contract be awarded to the lowest price or best value offer for internet services from a net neutral source of internet services.

(iii) In the case of contracts let by other than a competitive process internet services involving an expenditure of an amount greater than the discretionary buying threshold as specified in section one hundred sixty-three of this article, the contracting entity shall not award to a proposed contractor who has not agreed to stipulate to the conditions set forth in this subdivision unless the entity seeking to use the internet services determines that the internet services are necessary for the entity to perform its functions and there is no other responsible contractor who will supply internet services of comparable quality at a comparable price. Such determinations shall be made in writing and shall be public documents.

b. Upon receiving information that a contractor who has made the stipulation required by this subdivision is in violation thereof, the contracting entity shall review such information and offer the contractor an opportunity to respond. If the contracting entity finds that a violation has occurred, it shall take such action as may be appropriate and provided for by law, rule or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages or declaring the contractor in default.

1 c. As used in this subdivision, the term "contract" shall not include
2 contracts with governmental and non-profit organizations, contracts
3 awarded pursuant to emergency procurement procedures or contracts,
4 resolutions, indentures, declarations of trust or other instruments
5 authorizing or relating to the authorization, issuance, award, sale or
6 purchase of bonds, certificates of indebtedness, notes or other fiscal
7 obligations, provided that the policies of this subdivision shall be
8 considered when selecting a contractor to provide financial or legal
9 advice, and when selecting managing underwriters in connection with such
10 activities.

11 d. The provisions of this subdivision shall not apply to contracts for
12 which the state or other contracting entity receives funds administered
13 by the United States, except to the extent congress has directed to not
14 withhold funds from states and localities that choose to implement
15 selective purchasing policies based on an agreement to comply with the
16 principles of net neutrality, or to the extent that such funds are not
17 otherwise withheld by congress.

18 § 6. The state finance law is amended by adding a new section 99-m to
19 read as follows:

20 § 99-m. Municipal internet service provider revolving loan fund. 1.
21 There is hereby established in the joint custody of the comptroller and
22 the public service commission a fund to be known as the "municipal
23 internet service provider revolving loan fund". Such fund shall consist
24 of moneys made available pursuant to appropriation and any other sources
25 in order to provide support for municipalities attempting to create
26 their own internet service provider.

27 2. The account shall consist of all moneys appropriated for its
28 purpose, all moneys transferred to such account pursuant to law, and all
29 moneys required by this section or any other law to be paid into or
30 credited to this account, including all moneys received by the account
31 or donated to it, payments of principal and interest on loans made from
32 the account, and any interest earnings which may accrue from the invest-
33 ment or reinvestment of moneys from the account.

34 3. Moneys of the account, when allocated, shall be available to the
35 public service commission to make loans as provided in this section. Up
36 to five percent of the moneys of the account or two hundred fifty thou-
37 sand dollars, whichever is less, may be used to pay the expenses,
38 including personal service and maintenance and operation, in connection
39 with the administration of such loans.

40 4. (a) The public service commission may make, upon application duly
41 made, up to the amounts available by appropriation, loans for any and
42 all costs associated with the creation of a municipally owned broadband
43 internet service provider.

44 (b) The public service commission shall have the power to make such
45 rules and regulations as may be necessary and proper to effectuate the
46 purposes of this section.

47 5. (a) Application for loans may be made by a town, village, city or
48 county provided that the application is otherwise consistent with its
49 respective powers. Applications may also be submitted jointly by multi-
50 ple applicants provided that the application is otherwise consistent
51 with each applicant's respective powers.

52 (b) Every application shall be in a form acceptable to the public
53 service commission. Every application shall accurately reflect the
54 conditions which give rise to the proposed expenditure and accurately
55 reflect the ability of the applicant to make such an expenditure without
56 the proceeds of a loan under this section.

1 (c) (i) The public service commission shall give preference to those
2 applications which demonstrate the greatest need, joint applications,
3 and to those applications the proceeds of which will be applied toward
4 attaining compliance with federal and state laws and may disapprove any
5 application which contains no adequate demonstration of need or which
6 would result in inequitable or inefficient use of the moneys in the
7 account.

8 (ii) In making determinations on loan applications, the public service
9 commission shall assure that loan fund moneys are equitably distributed
10 among all geographical areas of the state.

11 (d) The public service commission shall, to the maximum extent feasi-
12 ble, and consistent with the other provisions of this section, seek to
13 provide that loans authorized by this section reflect an appropriate
14 geographic distribution, are distributed equitably and encourage
15 regional cooperation.

16 § 7. The sum of two hundred fifty million dollars (\$250,000,000), or
17 so much thereof as may be necessary, is hereby appropriated from any
18 moneys in the state treasury in the general fund to the credit of the
19 state purposes account for the initial capital of the municipal internet
20 service provider revolving loan fund in carrying out the provisions of
21 this act. Such sum shall be payable on the audit and warrant of the
22 state comptroller on vouchers certified or approved in the manner
23 provided by law. No expenditure shall be made from this appropriation
24 until a certificate of approval of availability shall have been issued
25 by the director of the budget and filed with the state comptroller and a
26 copy filed with the chairman of the senate finance committee and the
27 chairman of the assembly ways and means committee. Such certificate may
28 be amended from time to time by the director of the budget and a copy of
29 each such amendment shall be filed with the state comptroller, the
30 chairman of the senate finance committee and the chairman of the assem-
31 bly ways and means committee.

32 § 8. This act shall take effect immediately.
