AN ACT to amend the general business law, in relation to vehicle cost
recovery fees

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. Subdivision 1 of section 396-z of the general business law
2 is amended by adding a new paragraph (m) to read as follows:

3 (m) "Vehicle cost recovery fee" means the allowable recovery by a
4 rental vehicle company from its renters for the actual costs incurred to
5 title, register, plate and inspect rental vehicles in the state and
6 which fee shall be determined initially by a rental vehicle company's
7 good faith estimate of the rental vehicle company's daily charge to
8 recover its actual total annual motor vehicle titling, registration,
9 plating and inspection costs, and thereafter by an internal audit of the
10 preceding year's actual costs conducted by the rental vehicle company
11 from adjusting the expense level during a calendar year to more closely
12 reflect actual costs incurred. If the total amount of the vehicle cost
13 recovery fees collected by a rental vehicle company under this section
14 in any calendar year exceeds the car rental company's actual costs to
15 license, title, register, and plate motor vehicles and have the same
16 inspected for that calendar year, the car rental company may retain the
17 excess amount, and adjust the estimated average per vehicle titling,
18 licensing, plating, inspecting and registration charge for the following
19 calendar year by a corresponding amount. Each such audit shall be
20 retained for a period of not less than five years, and shall be made
21 available to the department of state, department of motor vehicles and
22 attorney general upon written request.

23 § 2. Paragraphs (a) and (b) of subdivision 10 of section 396-z of the
24 general business law, as amended by chapter 109 of the laws of 2018, are
25 amended to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

1 (a) A rental vehicle company shall not charge in addition to the
2 rental rate, taxes, and mileage charge, if any, any fee which must be
3 paid as a condition of renting the vehicle, such as, but not limited to,
4 required fuel surcharges, each of which shall be separately stated on
5 the rental agreement. In addition, a rental vehicle company may also
6 state separately and charge, where applicable, airport fees as such term
7 is defined herein. Provided further, that a rental vehicle company may
8 also separately state the vehicle cost recovery fee as such term is
9 defined in paragraph (m) of subdivision one of this section.

10 (b) In addition to the rental rate, taxes, applicable airport fees,
11 vehicle cost recovery fee, and mileage charge, if any, a rental vehicle
12 company may charge for an item or service provided in connection with a
13 particular rental transaction if the renter could have avoided incurring
14 the charge by not choosing to obtain or utilize the optional item or
15 service, such as, but not limited to, optional accessories or services
16 requested by the renter, service charges incident to the renter's
17 optional return of the vehicle to a location other than the location
18 where the vehicle was rented, and charges for refueling the vehicle with
19 as much fuel as was in the fuel tank at the beginning of the rental.

20 § 3. This act shall take effect on the sixtieth day after it shall
21 have become a law, provided that the amendments to section 396-z of the
22 general business law made by sections one and two of this act shall not
23 affect the expiration of such section and shall be deemed to expire
24 therewith.
