§ 2. Section 2801-a of the education law is amended by adding a new subdivision 11 to read as follows:

11. For purposes of this section, "critical incident mapping data" means information provided in an electronic or digital format to assist law enforcement or emergency first responders in an emergency. Districts shall make every effort to provide:

a. aerial imagery of a school building;

b. site specific labeling that matches the structure of the school building, including building access points, room labels, hallway names, external door or stairwell numbers, locations of hazardous materials and utility shut offs, key boxes, automated external defibrillators, and trauma kits; and

c. site specific labeling that matches the school grounds, including parking areas, athletic fields, surrounding roads, and neighboring properties.

§ 3. This act shall take effect immediately.
