12 and 38 to read as follows:

13 § 37. Audit and recovery of medical assistance payments to providers.

17 audit or review, or any other agency with jurisdiction to conduct such
18 audit or review, shall comply with the following standards:

19 1. Recovery of any overpayment resulting from any audit or review of
20 provider contracts, cost reports, claims, bills, or medical assistance
21 payments shall not commence prior to sixty days after delivery to the
22 provider of a final audit report or final notice of agency action, or
23 where the provider requests a hearing or appeal within sixty days of
24 delivery of the final audit report or final notice of agency action,
25 until a final determination of such hearing or appeal is made. This
26 subdivision shall not apply where the withholding is pursuant to a pend-
27 ing investigation of a credible allegation of fraud or where there is a
28 finding that the provider has abused the program or committed an unac-
29 ceptable practice.

30 2. Provider contracts, cost reports, claims, bills or medical assist-
31 ance payments that were the subject matter of a previous audit or review
32 within the last three years shall not be subject to review or audit
33 again except on the basis of new information, for good cause to believe
34 that the previous review or audit was erroneous, or where the scope of
35 the inspector's review or audit is significantly different from the
36 scope of the previous review or audit.

37 3. Any reviews or audits of provider contracts, cost reports, claims,
38 bills or medical assistance payments shall apply the state laws, regu-
39 lations and the applicable, duly promulgated policies, guidelines, stan-
40 dards, protocols and interpretations of state agencies with jurisdiction
41 and in effect at the time the provider engaged in the applicable regu-
42 lated conduct or provision of services. For the purpose of this subdi-
43 vision, the state law, regulation or the applicable promulgated agency
44 policy, guideline, standard, protocol or interpretation shall not be
45 deemed in effect if federal governmental approval is pending or denied.

46 4. (a) In the event of any overpayment based upon a provider's admin-
47 istrative or technical error, the provider shall have the longer of
48 sixty days from notice of the mistake or six years from the date of
49 service to submit a corrected claim provided (i) the error was a genuine
50 error without intent to falsify or defraud, (ii) the provider maintained
51 contemporaneous documentation to substantiate the correct claims infor-
52 mation, (iii) such error is the sole basis for the finding of an over-
53 payment, and (iv) there is no finding of any overpayment for such error
54 by a federal agency or official.

55 (b) No overpayment shall be calculated for any administrative or tech-
56 anical error corrected as required in paragraph (a) of this subdivision.

1 5. (a) In determining the amount of any overpayment to a provider,
2 extrapolation shall be permitted only upon a finding of a sustained or
3 high level of payment error or where the provider has been the subject
4 of educational intervention and failed to correct the payment error
5 after a reasonable opportunity to do so. The final audit report or
6 final notice of agency action shall include a statement of the factual
7 basis for utilizing extrapolation and the inappropriate use of extrap-
8 olation shall be a basis for appeal. This subdivision shall not be
9 construed to limit the recoupment of an overpayment identified without
10 the use of extrapolation.

11 (b) Sustained or high level of payment error shall exist under the
12 following circumstances: (i) the audit or review results in a finding of
13 a payment error rate equal to or greater than fifty percent, (ii) the
14 audit or review results in a finding of identical payment errors identi-
15 fied in a prior audit or review, (iii) the provider was previously sanc-
16 tioned or investigated for identical payment errors, (iv) there is a
17 prior judgment against, or settlement involving, the provider based upon
18 a finding that the provider engaged in fraud and/or abuse related to
19 federal or state payment programs, (v) there are prior complaints by
20 provider employees related to identical payment errors, and (vi) there
21 is a prior finding of identical payment error by a federal agency or
22 official.

23 6. (a) The provider shall be provided as part of the draft audit find-
24 ings a detailed written explanation of the extrapolation method
25 employed, including the size of the sample, the sampling methodology,
26 the defined universe of claims, the specific claims included in the
27 sample, the results of the sample, the assumptions made about the accu-
28 racy and reliability of the sample and the level of confidence in the
29 sample results, and the steps undertaken and statistical methodology
30 utilized to calculate the alleged overpayment and any applicable offset
31 based on the sample results. This written information shall include a
32 description of the sampling and extrapolation methodology.

33 (b) The sampling and extrapolation methodologies utilized by the
34 inspector shall be consistent with accepted standards of sound auditing
35 practice and statistical analysis.

36 7. The requirements of this section shall be interpreted consistent
37 with and subject to any applicable federal law, rules and regulations,
38 or binding federal agency guidance and directives.

39 § 38. Procedures, practices and standards for recipients. 1. This
40 section applies to any adjustment or recovery of a medical assistance
41 payment from a recipient, and any investigation or other proceeding
42 relating thereto.

43 2. At least five business days prior to commencement of any interview
44 with a recipient as part of an investigation, the inspector or other
45 investigating entity shall provide the recipient with written notice of
46 the investigation. The notice of the investigation shall set forth the
47 basis for the investigation; the potential for referral for criminal
48 investigation; the individual's right to be accompanied by a relative,
49 friend, advocate or attorney during questioning; contact information for
50 local legal services offices; the individual's right to decline to be
51 interviewed or participate in an interview but terminate the questioning
52 at any time without loss of benefits; and the right to a fair hearing in
53 the event that the investigation results in a determination of incorrect
54 payment.

55 3. Following completion of the investigation and at least thirty days
56 prior to commencing a recovery or adjustment action or requesting volun-

1 tary repayment, the inspector or other investigating entity shall
2 provide the recipient with written notice of the determination of incor-
3 rect payment to be recovered or adjusted. The notice of determination
4 shall identify the evidence relied upon, set forth the factual conclu-
5 sions of the investigation, and explain the recipient's right to request
6 a fair hearing in order to contest the outcome of the investigation. The
7 explanation of the right to a fair hearing shall conform to the require-
8 ments of subdivision twelve of section twenty-two of the social services
9 law and regulations thereunder.

10 4. A fair hearing under section twenty-two of the social services law
11 shall be available to any recipient who receives a notice of determi-
12 nation under subdivision three of this section, regardless of whether
13 the recipient is still enrolled in the medical assistance program.

14 § 4. Paragraph (c) of subdivision 3 of section 363-d of the social
15 services law, as amended by section 4 of part V of chapter 57 of the
16 laws of 2019, is amended and a new subdivision 8 is added to read as
17 follows:

19 inspector general finds that the provider does not have a satisfactory
20 program [~~within ninety days after the effective date of the regulations~~
21 ~~issued pursuant to subdivision four of this section~~], the commissioner
22 or Medicaid inspector general shall so notify the provider, including
23 specification of the basis of the finding sufficient to enable the
24 provider to adopt a satisfactory compliance program. The provider shall
25 submit to the commissioner or Medicaid inspector general a proposed
26 satisfactory compliance program within sixty days of the notice and
27 shall adopt the program as expeditiously as possible. If the provider
28 does not propose and adopt a satisfactory program in such time period,
29 the provider may be subject to any sanctions or penalties permitted by
30 federal or state laws and regulations, including revocation of the
31 provider's agreement to participate in the medical assistance program.

32 8. Any regulation, determination or finding of the commissioner or the
33 Medicaid inspector general relating to a compliance program under this
34 section shall be subject to and consistent with subdivision three of
35 this section.

36 § 5. Section 32 of the public health law is amended by adding a new
37 subdivision 6-b to read as follows:
