Introduced by M. of A. GUNTHER -- read once and referred to the Committee on Governmental Employees

AN ACT in relation to directing the commissioner of taxation and finance, and certain other agencies and offices, to conduct a study and to make recommendations regarding the optimal pension and retirement plan alternatives which could be made available to not-for-profit human services corporations in this state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The commissioner of taxation and finance, the state treasurer, the superintendent of financial services, the commissioner of mental health, the commissioner of the office of addiction services and supports, the commissioner of the office for persons with developmental disabilities, the commissioner of children and family services, the commissioner of the office of temporary disability services, the commissioner of health, and the comptroller shall form a study group to jointly conduct a study and make recommendations regarding the optimal pension and retirement plan alternatives that may be made available to not-for-profit human services corporations in this state. The state treasurer shall serve as the chairperson of such study group. The study shall at a minimum provide the governor and the legislature with information and recommendations regarding existing or new pension and retirement options for the benefit of employees of not-for-profit human services corporations doing business in New York state.

16 § 2. The study group shall consult with statewide associations representing human services providers and organizations, and may consult with any other organization, government entity, or person in the development of the report required under section three of this act.

20 § 3. The study group shall submit to the governor, the temporary president of the senate and the speaker of the assembly a report containing
