Introduced by M. of A. BEEPHAN -- read once and referred to the Committee on Energy

AN ACT directing the New York state energy research and development authority to establish a rebate program for bikes with electric assist and scooters purchased for small businesses

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The New York state energy research and development authority
2 ty (NYSERDA) is hereby directed to establish a program to permit class
3 one, class two, and class three bicycles with an electric assist, as
4 defined in section 102-c of the vehicle and traffic law, and electric
5 scooters, as defined in section 114-e of the vehicle and traffic law to
6 be eligible for a fifty percent rebate, with a maximum rebate amount of
7 one thousand one hundred dollars (\$1,100), provided such bicycle with an
8 electric assist or scooter was purchased from a small business in New
9 York state. As used in this act, "small business" means a business which
10 is resident in this state, independently owned and operated, not dominant
11 in its field and employs twenty-five or less persons.
12 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
