AID TO LOCALITIES 2024-25

1 expenditures for foster children, includ-  
2 ing persons in need of supervision and  
3 adjudicated juvenile delinquents, made by  
4 a social services district located within  
5 a city having a population of one million  
6 or more.

7 Notwithstanding any other provision of law,  
8 a portion of the funds are available to  
9 reimburse social services districts for  
10 the change in the maximum state aid rates  
11 established by the office of children and  
12 family services for the 2024-25 rate year  
13 pursuant to section 398-a of the social  
14 services law and sections 4003 and 4405 of  
15 the education law to reflect the continua-  
16 tion of the cost of living adjustments  
17 that became effective April 1, 2008 for  
18 payments made to foster parents and for  
19 salary and fringe benefit costs and other  
20 critical nonpersonal services costs for  
21 foster care programs as determined by the  
22 office. Social services districts must  
23 adjust the amount of payments made for  
24 care provided by congregate care and  
25 foster boarding home programs and to  
26 foster parents to reflect the cost of  
27 living adjustments in the manner specified  
28 by the office. Each authorized agency  
29 operating a congregate care or foster  
30 boarding home program in New York state  
31 for which the office sets a maximum state  
32 aid rate pursuant to section 398-a of the  
33 social services law or section 4003 or  
34 4405 of the education law shall submit, at  
35 the time and in a manner to be determined  
36 by the office, a written certification,  
37 attesting that the funds received for the  
38 continuation of the cost of living adjust-  
39 ment to the maximum state aid rate that  
40 became effective April 1, 2008 for that  
41 program will be or were used solely in  
42 accordance with the requirements of the  
43 cost of living adjustment established by  
44 the office.

45 Notwithstanding any inconsistent provision  
46 of law including, but not limited to, any  
47 chapter of the laws of 2024 which enacts a  
48 cost of living adjustment for the state  
49 fiscal year beginning on April 1, 2024,  
50 the commissioner shall continue to apply  
51 any cost of living adjustment increase in

OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES 2024-25

1 effect on March 31, 2024 for the entire  
2 rate year that began when such cost of  
3 living adjustment increase was in effect.  
4 Notwithstanding any inconsistent provision  
5 of law, the commissioner shall apply a 3.2  
6 percent cost of living adjustment for the  
7 rate year that begins on July 1, 2024 for  
8 the purposes of establishing rates of  
9 payments, contracts, or any other form of  
10 reimbursement, provided that this shall  
11 not prevent the commissioner from applying  
12 additional trend or staff retention  
13 factors for this program.

14 Notwithstanding any inconsistent provision  
15 of law, the Commissioner shall ensure that  
16 foster care rates issued for foster care  
17 providers for the rate period commencing  
18 on July 1, 2024 and ending on June 30,  
19 2025, include any cost of living adjust-  
20 ments provided by any prior chapter of  
21 law.

22 Within the amounts appropriated herein,  
23 state reimbursement to each social  
24 services district for services identified  
25 herein that are otherwise reimbursable by  
26 the state from April 1, 2024 through March  
27 31, 2025 shall be limited to a district  
28 allocation, hereinafter referred to as the  
29 district's block grant allocation.  
30 Notwithstanding any other provision of  
31 law, such block grant allocation shall be  
32 based, in part, on each district's claims  
33 for such costs, adjusted by the applicable  
34 cost allocation methodology and net of any  
35 retroactive payments for the 12 month  
36 period ending June 30, 2023 that are  
37 submitted on or before January 2, 2024  
38 and, in part, on such other factors as  
39 determined by the office of children and  
40 family services and approved by the direc-  
41 tor of the budget. Any portion of a social  
42 services district's allocation from funds  
43 appropriated herein not claimed by such  
44 district during the state fiscal year may  
45 be used by such district for expenditures  
46 on preventive services provided pursuant  
47 to section 409-a of the social services  
48 law, independent living services and  
49 aftercare services provided pursuant to  
50 regulations of the department of family  
51 assistance, claimed by such district

AID TO LOCALITIES 2024-25

1 during the next state fiscal year up to  
2 the amount remaining from the district's  
3 foster care block grant allocation,  
4 provided however, that any claims for such  
5 services during the next state fiscal year  
6 in excess of such amount shall be subject  
7 to 65 percent state reimbursement exclu-  
8 sive of any federal funds made available  
9 for such purposes, in accordance with  
10 directives of the department of family  
11 assistance and subject to the approval of  
12 the director of the budget. Any claims  
13 submitted by a social services district  
14 for reimbursement for a particular state  
15 fiscal year for which the social services  
16 district does not receive state or federal  
17 reimbursement during that state fiscal  
18 year may not be claimed against that  
19 district's block grant apportionment for  
20 the next state fiscal year.

21 The office of children and family services,  
22 with the approval of the director of the  
23 budget, may reduce a district's block  
24 grant allocation by the state share  
25 decrease related to federal retroactive  
26 reimbursement for such foster care  
27 services identified herein. The office,  
28 with the approval of the director of the  
29 budget, may reduce a district's block  
30 grant allocation by the state share of  
31 disallowances or sanctions taken against  
32 the district pursuant to the social  
33 services law or federal law.

34 Notwithstanding any other provision of law,  
35 the state shall not be responsible for  
36 reimbursing a social services district and  
37 a district shall not seek state reimburse-  
38 ment for any portion of any state disal-  
39 lowance or sanction taken against the  
40 social services district, or any federal  
41 disallowance attributable to final federal  
42 agency decisions or to settlement made, on  
43 or after July 1, 1995, when such disallow-  
44 ance or sanction results from the failure  
45 of the social services district to comply  
46 with federal or state requirements,  
47 including, but not limited to, failure to  
48 document eligibility for federal or state  
49 funds in the case record; provided, howev-  
50 er, if the office determines that any  
51 federal disallowance for services provided

1 between January 1, 1999 and May 31, 1999  
2 results solely from the late enactment of  
3 the state legislation implementing the  
4 federal adoption and safe families act,  
5 the state shall be solely responsible for  
6 the full amount of the disallowance or  
7 sanction; provided, further, however, this  
8 provision shall be deemed to apply both  
9 prospectively and retroactively regardless  
10 of whether such sanctions or disallowances  
11 are for services provided or claims made  
12 prior to or after April 1, 2024.

13 Notwithstanding any other provision of law,  
14 any federal disallowance resulting from a  
15 federal title IV-E eligibility review or  
16 audit that uses extrapolated statistic  
17 techniques shall be passed along by the  
18 state to any and all social services  
19 districts that the office of children and  
20 family services has determined have not  
21 complied with the title IV-E eligibility  
22 requirements or have not taken the neces-  
23 sary actions to ensure compliance with  
24 such requirements including, but not  
25 limited to, failing to: assess and fully  
26 document all the criteria and have readily  
27 available all the necessary documents to  
28 establish and continue title IV-E eligi-  
29 bility for all title IV-E eligible chil-  
30 dren within the required time frames;  
31 claim title IV-E funding only for cases  
32 that meet all of the title IV-E eligibil-  
33 ity criteria; and fully implement the  
34 social services payment system on or  
35 before April 1, 2005 for all direct and  
36 voluntary agency foster care services.

37 Notwithstanding any law to the contrary, the  
38 office of children and family services  
39 shall impose on social services districts  
40 any federal disallowance issued against  
41 the state as a result of a federal title  
42 IV-E secondary eligibility review regard-  
43 less of the date the children may have  
44 entered foster care, the date the eligi-  
45 bility or payment errors occurred, or the  
46 filing date of any federal claims for  
47 reimbursement; provided, however, that the  
48 state shall be responsible for the disal-  
49 lowed costs and expenditures related to  
50 the placement of children in a facility  
51 operated by the office of children and

1 family services, which shall be determined  
2 in the same manner as the disallowed costs  
3 and expenditures for social services  
4 districts other than the city of New York.  
5 In order to reimburse the federal govern-  
6 ment for the full amount of any disallow-  
7 ance imposed on the state by the federal  
8 administration for children and families  
9 within the timeframes necessary to avoid  
10 any potential interest payments on such  
11 amount, the office of children and family  
12 services is authorized to immediately  
13 offset funds otherwise due to each  
14 district for a pro rata share of the total  
15 disallowed costs based on the percentage  
16 of applicable federal title IV-E claims  
17 made by that district for the relevant  
18 time period as compared to the total  
19 applicable statewide title IV-E claims.  
20 The amount of the offset against each  
21 district will be adjusted, if necessary,  
22 upon completion of the disallowance allo-  
23 cation process. The final allocation of  
24 the amount of any federal disallowance  
25 resulting from a title IV-E secondary  
26 eligibility review shall be allocated  
27 among the districts so that each district  
28 shall be responsible for the amount  
29 attributable to each of the district's  
30 children or cases that are determined by  
31 the federal review to be unallowable. Each  
32 district shall also be responsible for a  
33 portion of the federal extrapolated disal-  
34 lowance amount based on the relative error  
35 rate for the district. The city of New  
36 York's error rate will be based on the  
37 federal sample and federal statistics. For  
38 all social services districts other than  
39 the city of New York, the error rate will  
40 be based on a review conducted by the  
41 district of a sample of children and/or  
42 cases determined by the office of children  
43 and family services and a re-review of a  
44 sub-sample by the office of those children  
45 and/or cases determined by the office. The  
46 office of children and family services  
47 will determine what is reasonable in  
48 establishing the size of the sample and  
49 sub-sample for each district. The office  
50 of children and family services shall  
51 notify each social services district of

OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES 2024-25

1 the sample of children and/or cases from  
2 the federal audit period that the social  
3 services district must review. Any child  
4 or case from the social services district  
5 that was included in the federal sample  
6 will automatically be included in the  
7 social services district's review sample  
8 and the determination made at the federal  
9 review regarding that child or case will  
10 govern for the purposes of the social  
11 services district's review. The social  
12 services district must complete and submit  
13 the results of its review to the office of  
14 children and family services within 60  
15 days of receipt of the sample. The error  
16 rate for the district will be based on the  
17 findings of the district's review and the  
18 office of children and family services'  
19 re-review. If a social services district  
20 does not complete its review within 60  
21 days of receiving the sample from the  
22 office of children and family services,  
23 the office of children and family services  
24 shall assign an error rate to the social  
25 services district based on the relative  
26 percentage of the district's applicable  
27 title IV-E claims for the relevant period  
28 as compared to applicable statewide title  
29 IV-E claims for that period and other  
30 circumstances that the office of children  
31 and family services may consider in order  
32 to allocate 100 percent of the federal  
33 disallowance. The office of children and  
34 family services shall apply each social  
35 services district's error rate to the  
36 total amount of the district's applicable  
37 title IV-E claims including associated  
38 administrative expenses. The resulting  
39 dollar amounts for all of the social  
40 services districts will be summed to  
41 derive the total amount of title IV-E  
42 claims deemed to be in error statewide. To  
43 establish a disallowance percentage for  
44 each social services district, the amount  
45 of the district's title IV-E claims deemed  
46 to be in error will be divided by the  
47 amount of statewide title IV-E claims  
48 deemed to be in error. The resulting  
49 disallowance percentage for each district  
50 will be applied to the entire title IV-E  
51 extrapolated disallowance calculated by

1 the federal review to determine the amount  
2 of the extrapolated disallowance for which  
3 the district is responsible. Each district  
4 will be credited for the amount already  
5 disallowed for any individual children or  
6 cases found to be in error during the  
7 federal review. The exclusive appeal  
8 rights for the review of the amount of the  
9 federal disallowance assigned to each  
10 social services district shall be pursuant  
11 to article 78 of the civil practice law  
12 and rules; provided, however, that in any  
13 such action all of the social services  
14 districts shall be joined as necessary  
15 parties and the venue of any such action  
16 shall be in Rensselaer county. Any social  
17 services district that fails to complete  
18 its sample review in the required time  
19 frames shall have no right to appeal and  
20 shall not be a necessary party to any  
21 action brought by another social services  
22 district.

23 The money hereby appropriated is to be  
24 available for payment of state aid hereto-  
25 fore accrued or hereafter to accrue to  
26 municipalities. Subject to the approval of  
27 the director of the budget, such funds  
28 shall be available to the office net of  
29 disallowances, refunds, reimbursements,  
30 and credits.

31 Notwithstanding any inconsistent provision  
32 of law, the amount herein appropriated may  
33 be transferred to any other appropriation  
34 within the office of children and family  
35 services and/or the office of temporary  
36 and disability assistance and/or suballo-  
37 cated to the office of temporary and disa-  
38 bility assistance for the purpose of  
39 paying local social services districts'  
40 costs of the above program and may be  
41 increased or decreased by interchange with  
42 any other appropriation or with any other  
43 item or items within the amounts appropri-  
44 ated within the office of children and  
45 family services general fund - local

1 and the chairman of the assembly ways and

3 Notwithstanding any inconsistent provision  
4 of law, in lieu of payments authorized by  
5 the social services law, or payments of  
6 federal funds otherwise due to the local  
7 social services districts for programs  
8 provided under the federal social security  
9 act or the federal food stamp act, funds  
10 herein appropriated, in amounts certified  
11 by the state comptroller or the state  
12 commissioner of health as due from local  
13 social services districts each month as  
14 their share of payments made pursuant to  
15 section 367-b of the social services law  
16 may be set aside by the state comptroller  
17 in an interest bearing account with such  
18 interest accruing to the credit of the  
19 locality in order to ensure the orderly  
20 and prompt payment of providers under  
21 section 367-b of the social services law  
22 pursuant to an estimate provided by the  
23 commissioner of health of each local  
24 social services district's share of  
25 payments made pursuant to section 367-b of  
26 the social services law.

27 Notwithstanding the provisions of any other  
28 law to the contrary, the office of chil-  
29 dren and family services may, on behalf of  
30 social services districts, make payments  
31 to foster boarding homes paid directly by  
32 social services districts by direct depos-  
33 it or debit card. Local social services  
34 districts shall reimburse the office for  
35 the costs of administering such direct  
36 deposit or debit card payments.

37 Notwithstanding any inconsistent provision  
38 of the social services law or the state  
39 finance law, the office of children and  
40 family services shall, on a quarterly  
41 basis, request that the office of tempo-  
42 rary and disability assistance reimburse  
43 the office of children and family services  
44 for the non-federal share of the costs of  
45 administering such direct deposit or debit  
46 card payments to capture the local share  
47 of such costs.

48 Notwithstanding any other provision of law  
49 to the contrary, amounts due and owing to

21 By chapter 53, section 1, of the laws of 2023:

22 Notwithstanding any inconsistent provision of law, the amount appro-  
23 priated herein, shall be available under a foster care block grant  
24 for state reimbursement of eligible social services district expend-  
25 itures for the provision and administration of foster care services  
26 including care, maintenance, supervision, and tuition; for super-  
27 vision of foster children placed in federally funded job corps  
28 programs; for care, maintenance, supervision, and tuition for adju-  
29 dicated juvenile delinquents placed in residential programs operated  
30 by authorized agencies and in out-of-state residential programs; for  
31 the provision and administration of the kinship guardian assistance  
32 program including kinship guardianship assistance payments and  
33 payments for non-recurring guardianship expenses and eligible  
34 expenditures associated with local compliance with the federal Fami-  
35 ly First Prevention Services Act (P.L. 115-123); except that,  
36 reimbursement from the amount appropriated herein shall not be  
37 available for tuition expenditures for foster children, including  
38 persons in need of supervision and adjudicated juvenile delinquents,  
39 made by a social services district located within a city having a  
40 population of one million or more.

41 Notwithstanding any other provision of law, a portion of the funds are  
42 available to reimburse social services districts for the change in  
43 the maximum state aid rates established by the office of children  
44 and family services for the 2023-24 rate year pursuant to section  
45 398-a of the social services law and sections 4003 and 4405 of the  
46 education law to reflect the continuation of the cost of living  
47 adjustments that became effective April 1, 2008 for payments made to

1 foster parents and for salary and fringe benefit costs and other  
2 critical nonpersonal services costs for foster care programs as  
3 determined by the office. Social services districts must adjust the  
4 amount of payments made for care provided by congregate care and  
5 foster boarding home programs and to foster parents to reflect the  
6 cost of living adjustments in the manner specified by the office.  
7 Each authorized agency operating a congregate care or foster board-  
8 ing home program in New York state for which the office sets a maxi-  
9 mum state aid rate pursuant to section 398-a of the social services  
10 law or section 4003 or 4405 of the education law shall submit, at  
11 the time and in a manner to be determined by the office, a written  
12 certification, attesting that the funds received for the continua-  
13 tion of the cost of living adjustment to the maximum state aid rate  
14 that became effective April 1, 2008 for that program will be or were  
15 used solely in accordance with the requirements of the cost of  
16 living adjustment established by the office.

17 Notwithstanding any inconsistent provision of law except a chapter of  
18 the laws of 2023 authorizing a 4.0 percent cost of living adjustment  
19 increase for the period commencing on April 1, 2023 and ending March  
20 31, 2024, the commissioner shall not apply any other cost of living  
21 adjustment for the purpose of establishing rates of payments,  
22 contracts or any other form of reimbursement, provided that this  
23 shall not prevent the commissioner from applying additional trend or  
24 staff retention factors for this program.

25 Within the amounts appropriated herein, state reimbursement to each  
26 social services district for services identified herein that are  
27 otherwise reimbursable by the state from April 1, 2023 through March  
28 31, 2024 shall be limited to a district allocation, hereinafter  
29 referred to as the district's block grant allocation. Notwithstand-  
30 ing any other provision of law, such block grant allocation shall be  
31 based, in part, on each district's claims for such costs, adjusted  
32 by the applicable cost allocation methodology and net of any retro-  
33 active payments for the 12 month period ending June 30, 2022 that  
34 are submitted on or before January 2, 2023 and, in part, on such  
35 other factors as determined by the office of children and family  
36 services and approved by the director of the budget. Any portion of  
37 a social services district's allocation from funds appropriated  
38 herein not claimed by such district during the state fiscal year may  
39 be used by such district for expenditures on preventive services  
40 provided pursuant to section 409-a of the social services law, inde-  
41 pendent living services and aftercare services provided pursuant to  
42 regulations of the department of family assistance, claimed by such  
43 district during the next state fiscal year up to the amount remain-  
44 ing from the district's foster care block grant allocation, provided  
45 however, that any claims for such services during the next state  
46 fiscal year in excess of such amount shall be subject to 62 percent  
47 state reimbursement exclusive of any federal funds made available  
48 for such purposes, in accordance with directives of the department  
49 of family assistance and subject to the approval of the director of  
50 the budget. Any claims submitted by a social services district for  
51 reimbursement for a particular state fiscal year for which the

1 social services district does not receive state or federal  
2 reimbursement during that state fiscal year may not be claimed  
3 against that district's block grant apportionment for the next state  
4 fiscal year.

5 The office of children and family services, with the approval of the  
6 director of the budget, may reduce a district's block grant allo-  
7 cation by the state share decrease related to federal retroactive  
8 reimbursement for such foster care services identified herein. The  
9 office, with the approval of the director of the budget, may reduce  
10 a district's block grant allocation by the state share of disallow-  
11 ances or sanctions taken against the district pursuant to the social  
12 services law or federal law.

13 Notwithstanding any other provision of law, the state shall not be  
14 responsible for reimbursing a social services district and a  
15 district shall not seek state reimbursement for any portion of any  
16 state disallowance or sanction taken against the social services  
17 district, or any federal disallowance attributable to final federal  
18 agency decisions or to settlement made, on or after July 1, 1995,  
19 when such disallowance or sanction results from the failure of the  
20 social services district to comply with federal or state require-  
21 ments, including, but not limited to, failure to document eligibil-  
22 ity for federal or state funds in the case record; provided, howev-  
23 er, if the office determines that any federal disallowance for  
24 services provided between January 1, 1999 and May 31, 1999 results  
25 solely from the late enactment of the state legislation implementing  
26 the federal adoption and safe families act, the state shall be sole-  
27 ly responsible for the full amount of the disallowance or sanction;  
28 provided, further, however, this provision shall be deemed to apply  
29 both prospectively and retroactively regardless of whether such  
30 sanctions or disallowances are for services provided or claims made  
31 prior to or after April 1, 2023.

32 Notwithstanding any other provision of law, any federal disallowance  
33 resulting from a federal title IV-E eligibility review or audit that  
34 uses extrapolated statistic techniques shall be passed along by the  
35 state to any and all social services districts that the office of  
36 children and family services has determined have not complied with  
37 the title IV-E eligibility requirements or have not taken the neces-  
38 sary actions to ensure compliance with such requirements including,  
39 but not limited to, failing to: assess and fully document all the  
40 criteria and have readily available all the necessary documents to  
41 establish and continue title IV-E eligibility for all title IV-E  
42 eligible children within the required time frames; claim title IV-E  
43 funding only for cases that meet all of the title IV-E eligibility  
44 criteria; and fully implement the social services payment system on  
45 or before April 1, 2005 for all direct and voluntary agency foster  
46 care services.

47 Notwithstanding any law to the contrary, the office of children and  
48 family services shall impose on social services districts any feder-  
49 al disallowance issued against the state as a result of a federal  
50 title IV-E secondary eligibility review regardless of the date the  
51 children may have entered foster care, the date the eligibility or

1 payment errors occurred, or the filing date of any federal claims  
2 for reimbursement; provided, however, that the state shall be  
3 responsible for the disallowed costs and expenditures related to the  
4 placement of children in a facility operated by the office of chil-  
5 dren and family services, which shall be determined in the same  
6 manner as the disallowed costs and expenditures for social services  
7 districts other than the city of New York. In order to reimburse the  
8 federal government for the full amount of any disallowance imposed  
9 on the state by the federal administration for children and families  
10 within the timeframes necessary to avoid any potential interest  
11 payments on such amount, the office of children and family services  
12 is authorized to immediately offset funds otherwise due to each  
13 district for a pro rata share of the total disallowed costs based on  
14 the percentage of applicable federal title IV-E claims made by that  
15 district for the relevant time period as compared to the total  
16 applicable statewide title IV-E claims. The amount of the offset  
17 against each district will be adjusted, if necessary, upon  
18 completion of the disallowance allocation process. The final allo-  
19 cation of the amount of any federal disallowance resulting from a  
20 title IV-E secondary eligibility review shall be allocated among the  
21 districts so that each district shall be responsible for the amount  
22 attributable to each of the district's children or cases that are  
23 determined by the federal review to be unallowable. Each district  
24 shall also be responsible for a portion of the federal extrapolated  
25 disallowance amount based on the relative error rate for the  
26 district. The city of New York's error rate will be based on the  
27 federal sample and federal statistics. For all social services  
28 districts other than the city of New York, the error rate will be  
29 based on a review conducted by the district of a sample of children  
30 and/or cases determined by the office of children and family  
31 services and a re-review of a sub-sample by the office of those  
32 children and/or cases determined by the office. The office of chil-  
33 dren and family services will determine what is reasonable in estab-  
34 lishing the size of the sample and sub-sample for each district. The  
35 office of children and family services shall notify each social  
36 services district of the sample of children and/or cases from the  
37 federal audit period that the social services district must review.  
38 Any child or case from the social services district that was  
39 included in the federal sample will automatically be included in the  
40 social services district's review sample and the determination made  
41 at the federal review regarding that child or case will govern for  
42 the purposes of the social services district's review. The social  
43 services district must complete and submit the results of its review  
44 to the office of children and family services within 60 days of  
45 receipt of the sample. The error rate for the district will be based  
46 on the findings of the district's review and the office of children  
47 and family services' re-review. If a social services district does  
48 not complete its review within 60 days of receiving the sample from  
49 the office of children and family services, the office of children  
50 and family services shall assign an error rate to the social  
51 services district based on the relative percentage of the district's

1 applicable title IV-E claims for the relevant period as compared to  
2 applicable statewide title IV-E claims for that period and other  
3 circumstances that the office of children and family services may  
4 consider in order to allocate 100 percent of the federal disallow-  
5 ance. The office of children and family services shall apply each  
6 social services district's error rate to the total amount of the  
7 district's applicable title IV-E claims including associated admin-  
8 istrative expenses. The resulting dollar amounts for all of the  
9 social services districts will be summed to derive the total amount  
10 of title IV-E claims deemed to be in error statewide. To establish a  
11 disallowance percentage for each social services district, the  
12 amount of the district's title IV-E claims deemed to be in error  
13 will be divided by the amount of statewide title IV-E claims deemed  
14 to be in error. The resulting disallowance percentage for each  
15 district will be applied to the entire title IV-E extrapolated  
16 disallowance calculated by the federal review to determine the  
17 amount of the extrapolated disallowance for which the district is  
18 responsible. Each district will be credited for the amount already  
19 disallowed for any individual children or cases found to be in error  
20 during the federal review. The exclusive appeal rights for the  
21 review of the amount of the federal disallowance assigned to each  
22 social services district shall be pursuant to article 78 of the  
23 civil practice law and rules; provided, however, that in any such  
24 action all of the social services districts shall be joined as  
25 necessary parties and the venue of any such action shall be in Rens-  
26 selaer county. Any social services district that fails to complete  
27 its sample review in the required time frames shall have no right to  
28 appeal and shall not be a necessary party to any action brought by  
29 another social services district.

30 The money hereby appropriated is to be available for payment of state  
31 aid heretofore accrued or hereafter to accrue to municipalities.  
32 Subject to the approval of the director of the budget, such funds  
33 shall be available to the office net of disallowances, refunds,  
34 reimbursements, and credits.

35 Notwithstanding any inconsistent provision of law, the amount herein  
36 appropriated may be transferred to any other appropriation within  
37 the office of children and family services and/or the office of  
38 temporary and disability assistance and/or suballocated to the  
39 office of temporary and disability assistance for the purpose of  
40 paying local social services districts' costs of the above program  
41 and may be increased or decreased by interchange with any other  
42 appropriation or with any other item or items within the amounts  
43 appropriated within the office of children and family services  
44 general fund - local assistance account with the approval of the  
45 director of the budget who shall file such approval with the depart-  
46 ment of audit and control and copies thereof with the chairman of  
47 the senate finance committee and the chairman of the assembly ways  
48 and means committee.

49 Notwithstanding any inconsistent provision of law, in lieu of payments

Notwithstanding the provisions of any other law to the contrary, the office of children and family services may, on behalf of social services districts, make payments to foster boarding homes paid directly by social services districts by direct deposit or debit card. Local social services districts shall reimburse the office for the costs of administering such direct deposit or debit card payments.

Notwithstanding any inconsistent provision of the social services law or the state finance law, the office of children and family services shall, on a quarterly basis, request that the office of temporary and disability assistance reimburse the office of children and family services for the non-federal share of the costs of administering such direct deposit or debit card payments to capture the local share of such costs.

Notwithstanding any other provision of law to the contrary, amounts due and owing to a social services district under this appropriation, may be reduced up to such amounts due and owing to the state under section 529 of the executive law (13997) .....

Each county or a city with a population of one million or more, which shall be known as a municipality, operating a youth development program approved by the office of children and family services shall be eligible for one hundred percent state reimbursement of its qualified expenditures, subject to the amount available under this appropriation and exclusive of any federal funds made available therefor, not to exceed the municipality's distribution of state aid for youth development programs. The amount appropriated herein for youth development programs shall be distributed by the office of children and family services to eligible municipalities that have a comprehensive plan that has been developed in consultation with the applicable municipal youth bureau and approved by the office of children and family services. The distribution of the amount appropriated herein to eligible municipalities by the office of children and family services shall be based on factors as determined by the office and subject to the approval of the director of budget; such factors shall include the number of youth under the age of twenty-one residing in the municipality as shown by the last published federal census certified in the same manner as provided by section 54 of the state finance law and may include, but not be limited to, the percentage of youth living in poverty within the municipality or such other factors as provided for in the regulations of the office of children and family services. Up to fifteen percent of the youth development funds that a municipality would allocate to an approved local youth bureau pursuant to an approved comprehensive plan may be used for administrative functions performed by such local youth bureau. Notwithstanding any provision of law to the contrary, an approved local youth bureau that is not providing, operating, administering or monitoring youth development programs shall not receive funding under this appropriation. The office shall not reimburse any claims for youth development programs unless they are submitted within twelve months of the calendar quarter in which the expenditure was made. The office may require that such claims be submitted to the office electronically in the manner and format required by the office. A municipality may enter into contracts to effectuate its youth development program as approved by the office of children and family services. No expenditures shall be made from this appropriation for youth development programs until a plan has been approved by the director of the budget and a certificate of approval allocating these funds has been issued by the director of the budget.
