IN ASSEMBLY

January 16, 2024

A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read once and referred to the Committee on Ways and Means -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee -- again reported from said committee with amendments, ordered reprinted as amended and recommitted to said committee

AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

11 b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

20 c) The several amounts specified in this chapter as capital projects - reappropriations, or so much thereof as shall be sufficient to accomplish the purpose of the appropriations, as appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

1 CCP), purposes, and projects, being the undisbursed and/or unexpended
2 balances of the prior year's appropriations, are reappropriated and
3 unless otherwise amended or repealed in part or total in this chapter
4 shall continue to be available for the same purposes as the prior appro-
5 priations or as otherwise amended for the fiscal year beginning April 1,
6 2024.

7 The capital projects reappropriations contained in this chapter may be
8 amended by repealing the items set forth in brackets and by adding ther-
9 eto the underscored material. Certain reappropriations in this chapter
10 are shown using abbreviated text, with three leader dots (an ellipsis)
11 followed by three spaces (...) used to indicate where existing law
12 that is being continued is not shown. However, unless a change is clear-
13 ly indicated by the use of brackets [-] for deletions and underscores
14 for additions, the purpose, amounts, funding source and all other
15 aspects pertinent to each item of appropriation shall be as last appro-
16 priated.

17 For the purpose of complying with section 25 of the state finance law,
18 the year, chapter and section of the last act reappropriating a former
19 original appropriation or any part thereof is, unless otherwise indi-
20 cated, chapter 54, section 1, of the laws of 2023.

21 d) No moneys appropriated by this chapter shall be available for
22 payment until a certificate of approval has been issued by the director
23 of the budget, who shall file such certificate with the department of
24 audit and control, the chairperson of the senate finance committee and
25 the chairperson of the assembly ways and means committee.

26 e) The appropriations contained in this chapter shall be available for
27 the fiscal year beginning on April 1, 2024 except as otherwise noted.

including but not limited to children's residential treatment facilities. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation activities including, merger, consolidation, acquisition or other activities intended to: create financially sustainable systems of care; preserve or expand essential health care services; modernize obsolete facility physical plants and infrastructure; foster participation in alternative payment arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute care, primary care, and longterm care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:

- (a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
- (b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
- (c) The geographic distribution of funds;
- (d) The relationship between the proposed project and identified community need;
- (e) The extent to which the applicant has access to alternative financing;
- (f) The extent to which the proposed project furthers the development of primary care and other outpatient services;
- (g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;
- (h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and
- (i) The extent to which the proposed project addresses potential risk to patient safety and welfare.

Notwithstanding any inconsistent provision of law to the contrary, and upon approval of the director of the budget, the commissioner may award up to \$300,000,000 of the funds made available pursuant to this appropriation for unfunded project applications submitted in response to the request for applications number 17648 issued by the department on January 8, 2018 pursuant to section 2825-e of the public health law.

1 milestones pursuant to subdivision 5 of section 2825-e of the public
2 health law.

3 Within amounts appropriated herein, the director of the budget is
4 authorized to make a determination to fund up to \$200,000,000 for
5 grant awards which are not eligible to be funded with the proceeds
6 of bonds issued pursuant to section 1680-r of the public authorities
7 law.

8 Within amounts appropriated herein, \$50,000,000 shall be made avail-
9 able for grant awards to Montefiore medical center, and a minimum of
10 \$75,000,000 shall be made available for grant awards to community-
11 based health care providers which shall be defined as a diagnostic
12 and treatment center licensed or granted an operating certificate
13 under article 28 of the public health law, a mental health clinic
14 licensed or granted an operating certificate under article 31 of the
15 mental hygiene law, an alcohol and substance abuse treatment clinic
16 licensed or granted an operating certificate under article 32 of the
17 mental hygiene law, a primary care provider, or a home care provider
18 certified or licensed pursuant to article 36 of public health law.

19 The dormitory authority may issue bonds for such purposes up to the
20 amount appropriated herein. No expenditures may be made from this
21 appropriation to a facility until a facility specific plan has been
22 submitted to the department of health and has been approved by the
23 director of the budget (12SW17HE) (26668)
24 500,000,000 (re. \$164,379,000)

25 By chapter 55, section 1, of the laws of 2016, as amended by chapter 54,
26 section 1, of the laws of 2017:

27 For payments and grants to support health care facility transformation
28 statewide for capital, non-operational works. Notwithstanding
29 section 163 of the state finance law or any other provision of law
30 to the contrary, this appropriation may be used to fund payments and
31 or grants made by the commissioner of health in his or her sole
32 discretion, without a competitive bid or request for proposal proc-
33 ess, to eligible applicants as determined by the commissioner of
34 health for purposes in support of essential health care services.
35 Such purposes may include renovating or replacing inefficient or
36 outdated facilities as part of a merger, consolidation, acquisition
37 or other significant corporate restructuring activity that is part
38 of an overall transformation plan intended to create a financially
39 sustainable system of care that promotes a patient-centered model of
40 health care delivery aimed at improving the overall health and
41 wellbeing of a community. Eligible applicants shall be those deemed
42 by the commissioner to be a provider that fulfills or will fulfill a
43 health care need for acute inpatient, outpatient, primary, home care
44 or residential health care services in a community. The commissioner
45 and the president of the dormitory authority of the state of New
46 York shall enter into an agreement, subject to the approval of the
47 director of the budget, and subject to section 1680-r of the public
48 authorities law, for the purposes of awarding, distributing, and
49 administering the funds made available pursuant to this appropri-
50 ation. In determining awards for eligible applicants under this

1 appropriation, the commissioner of health and the president of the
2 authority shall consider criteria including, but not limited to:

- 3 (a) the extent to which the proposed capital project will contribute
- 4 to the integration of health care services and long term sustaina-
- 5 bility of the applicant or preservation of essential health services
- 6 in the community or communities served by the applicant;
- 7 (b) the extent to which the proposed project or purpose is aligned
- 8 with delivery system reform incentive payment ("DSRIP") program
- 9 goals and objectives;
- 10 (c) consideration of geographic distribution of funds;
- 11 (d) the relationship between the proposed capital project and identi-
- 12 fied community need;
- 13 (e) the extent to which the applicant has access to alternative
- 14 financing;
- 15 (f) the extent that the proposed capital project furthers the develop-
- 16 ment of primary care and other outpatient services;
- 17 (g) the extent to which the proposed capital project benefits medicaid
- 18 enrollees and uninsured individuals;
- 19 (h) the extent to which the applicant has engaged the community
- 20 affected by the proposed capital project and the manner in which
- 21 community engagement has shaped such capital project; and
- 22 (i) the extent to which the proposed capital project addresses poten-
- 23 tial risk to patient safety and welfare.

24 Disbursement of awards made pursuant to this appropriation shall be
25 conditioned on the awardee achieving certain process and performance
26 metrics and milestones as determined in the sole discretion of the
27 commissioner. Such metrics and milestones shall be structured to
28 ensure that the health care transformation and provider sustainabil-
29 ity goals of the project are achieved, and such metrics and mile-
30 stones shall be included in grant disbursement agreements or other
31 contractual documents as required by the commissioner.

32 The department shall provide a report on a quarterly basis to the
33 chairs of the senate finance, assembly ways and means, senate health
34 and assembly health committees. Such reports shall be submitted no
35 later than sixty days after the close of the quarter, and shall
36 include, for each award, the name of the applicant, a description of
37 the project or purpose, the amount of the award, disbursement date,
38 and status of achievement of process and performance metrics and
39 milestones pursuant to subdivision 5 of section 2825-b of the public
40 health law. Within amounts appropriated herein, up to \$5,000,000 may
41 be made available for the purchase of mammography equipped vehicles,
42 and a minimum of \$30,000,000 shall be made available for community-
43 based health care providers which shall be defined as a diagnostic

Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than an additional \$500,000,000 for the period April 1, 2019 through and past March 31, 2020, and not more than an additional \$41,525,000 for the period April 1, 2020 through and past March 31, 2021 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process.
2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.
3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.
4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.
5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$150,000,000 shall be made available for the purpose of providing

capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$146,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$75,000,000 shall be made available for the purpose of providing capital subsidies to preserve and improve Mitchell-Lama properties in the state.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include comprehensive information about any anticipated changes to the public housing; provide language assistance to residents with limited English proficiency; recognize the right of residents to form a resident organization; require resident participation funding commensurate to the funding that was being allocated to residents already; develop a set of procedures for resident grievances and lease termination proceedings that apply to residents following the use of such funds, which shall be consistent with any existing procedures, can provide stronger resident protections, and conform with any other applicable federal rules and/or regulations. In cases when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to,

6 ments, and meet regularly with the resident organization to discuss
7 emerging property-wide issues.

8 9. When combined with other funds made available in the 2016-17 and
9 2017-18 state fiscal year housing program (ccp), up to a total of
10 \$62,500,000 shall be made available for the purpose of substantial
11 or moderate rehabilitation and/or the demolition and replacement
12 through new construction of buildings of 5 to 40 units.

13 10. When combined with other funds made available in the 2016-17 and
14 2017-18 state fiscal year housing program (ccp), up to a total of
15 \$41,475,000 shall be made available for the purpose of promoting
16 home ownership among families of low and moderate income for whom
17 there are few affordable home ownership alternatives in the private
18 market, and to stimulate the development, stabilization, and preser-
19 vation of New York communities.

20 11. When combined with other funds made available in the 2016-17 and
21 2017-18 state fiscal year housing program (ccp), up to a total of
22 \$13,000,000 shall be made available for the purposes of mobile and
23 manufactured home replacement program pursuant to chapter 54 of the
24 laws of 2016.

25 12. When combined with other funds made available in the 2016-17 and
26 2017-18 state fiscal year housing program (ccp), up to a total of
27 \$10,000,000 shall be made available for the purpose of stimulating
28 reinvestment in properties located within mixed-used commercial
29 districts located in urban, small town, and rural areas of the state
30 pursuant to article XXVI of the private housing finance law.

31 13. When combined with other funds made available in the 2016-17 and
32 2017-18 state fiscal year housing program (ccp), up to a total of
33 \$200,000,000 shall be made available, pursuant to a plan approved by
34 the director of the budget, in consultation with the New York city
35 housing authority chair and the dormitory authority of the state of
36 New York, for the purpose of capital projects and other improvements
37 related to housing developments owned or operated by the New York
38 city housing authority; provided further to the extent practicable,
39 the New York city housing authority in its administration of such
40 funds shall include employment opportunities for NYCHA tenants
41 consistent with section 3 of the housing and urban development act
42 of 1968.

43 14. When combined with other funds made available in the 2016-17 and
44 2017-18 state fiscal year housing program (ccp), up to a total of
45 \$100,000,000 shall be made available for the preservation, restora-
46 tion or creation of affordable housing units in a city having a
47 population of one million or more, one hundred percent of which
48 shall be affordable to households that earn up to sixty percent of
49 the area median income adjusted for family size. Priority shall be
50 given to applicants incorporated pursuant to the not-for-profit
51 corporation law, with prior experience in community development

5 By chapter 55, section 1, of the laws of 2016, as amended by chapter 54,
6 section 1, of the laws of 2020:

7 In support of a comprehensive, statewide multi-year housing program.

8 The commissioner shall provide, in electronic excel format or as
9 requested by the Legislature, an annual report to the director of
10 the budget, the speaker of the Assembly, and the temporary president
11 of the Senate, on or before July 1 of each year, that summarizes the
12 activities undertaken pursuant to the funding made available in the
13 2016-17 and 2017-18 state fiscal year housing program (ccp). Such
14 annual report shall be cumulative and shall include an itemized list
15 of each project utilizing funds appropriated by the 2016-17 and
16 2017-18 state fiscal year housing program (ccp), including a brief
17 description of the project, street address, county, awardee, total
18 budget, amount of capital subsidy appropriated by the housing
19 program (ccp), relevant section of the housing program (ccp), bonded
20 or cash, amount of each additional public funding source, funding
21 program, number of units, area median income requirements if appli-
22 cable, month and year construction will commence, projected date of
23 occupancy, and project phase (in development, engineering,
24 construction, complete, defunded). Such annual report shall continue
25 to be provided until such time as the final disbursement of funds
26 appropriated in the 2016-17 and 2017-18 state fiscal year housing
27 program (ccp) has occurred.

28 Notwithstanding any other law to the contrary, the amounts appropri-
29 ated herein may be suballocated to any state department, agency, or
30 public authority for the purposes stated herein. Notwithstanding
31 section 40 of the state finance law or any other law to the contra-
32 ry, all assistance appropriations made from this account shall
33 remain in full force and effect in accordance, in the aggregate,
34 with the following schedule: not more than \$303,384,000 for the
35 period April 1, 2017 through and past March 31, 2018, not more than
36 an additional \$354,715,000 for the period April 1, 2018 through and
37 past March 31, 2019, not more than an additional \$359,565,000 for
38 the period April 1, 2019 through and past March 31, 2020, and not
39 more than an additional \$365,811,000 for the period April 1, 2020
40 through and past March 31, 2021 as indicated below:

- 41 1. When combined with other funds made available in the 2016-17 and
42 2017-18 state fiscal year housing program (ccp), up to a total of
43 \$950,000,000 shall be made available for the purpose of providing
44 capital and operating subsidies for the development of 6,000 or more
45 supportive housing units throughout the state over the next five
46 years, as determined by a competitive selection process.
- 47 2. When combined with other funds made available in the 2016-17 and
48 2017-18 state fiscal year housing program (ccp), up to a total of
49 \$472,025,000 shall be made available for the purpose of providing

4 3. When combined with other funds made available in the 2016-17 and
5 2017-18 state fiscal year housing program (ccp), up to a total of
6 \$125,000,000 shall be made available for the purpose of developing
7 or rehabilitating one hundred percent senior rental affordable hous-
8 ing targeted to low-income seniors, aged 60 and above.

9 4. When combined with other funds made available in the 2016-17 and
10 2017-18 state fiscal year housing program (ccp), up to a total of
11 \$45,000,000 for purposes of the rural and urban community investment
12 fund program created pursuant to article XXVII of the private hous-
13 ing finance law.

14 5. When combined with other funds made available in the 2016-17 and
15 2017-18 state fiscal year housing program (ccp), up to a total of
16 \$150,000,000 shall be made available for the purpose of providing
17 capital subsidies for the new construction, adaptive reuse, or
18 reconstruction of rental housing affordable to households that earn
19 between 60 percent and 130 percent of AMI and that advance one or
20 more of the specific housing priorities of the state.

21 6. When combined with other funds made available in the 2016-17 and
22 2017-18 state fiscal year housing program (ccp), up to a total of
23 \$146,000,000 shall be made available for the purpose of substantial
24 or moderate rehabilitation of site-specific multi-family rental
25 housing currently under a regulatory agreement or extended use
26 agreement with the division of housing and community renewal or
27 another state, federal or local housing agency.

28 7. When combined with other funds made available in the 2016-17 and
29 2017-18 state fiscal year housing program (ccp), up to a total of
30 \$75,000,000 shall be made available for the purpose of providing
31 capital subsidies to preserve and improve Mitchell-Lama properties
32 in the state.

33 8. When combined with other funds made available in the 2016-17 and
34 2017-18 state fiscal year housing program (ccp), up to a total of

36 or moderate rehabilitation and/or the demolition and replacement
37 through new construction of site-specific multi-family rental hous-
38 ing currently owned by public housing authorities outside of New
39 York city. The distribution of any funds which the division of hous-
40 ing and community renewal or other appropriate state agencies or
41 authorities authorizes to be used as part of a federal housing
42 program, shall require the division of housing and community renewal
43 to monitor and ensure that any affected public housing tenants are
44 properly informed regarding participation in the federal housing
45 program and that appropriate documents related to participation in
46 such federal housing program are made publicly available and are
47 posted on each applicable housing authority's website in a timely
48 manner to properly inform such public housing authority tenants. The
49 residents of public housing that receives and uses such funds to
50 participate in such federal program shall be provided a uniform
51 lease agreement that provides, at a minimum, terms and conditions
52 consistent with those found in the public housing lease they had

6 English proficiency; recognize the right of residents to form a
7 resident organization; require resident participation funding
8 commensurate to the funding that was being allocated to residents
9 already; develop a set of procedures for resident grievances and
10 lease termination proceedings that apply to residents following the
11 use of such funds, which shall be consistent with any existing
12 procedures, can provide stronger resident protections, and conform
13 with any other applicable federal rules and/or regulations. In cases
14 when there is a property manager other than the public housing
15 authority that receives these funds, then such property manager
16 shall be required to take actions including, but not limited to,
17 providing clear and accessible information to residents before,

3 By chapter 54, section 1, of the laws of 1988, as amended by chapter
4 262, section 1, of the laws of 1988:

5 For state aid to municipal corporations, private airports as author-
6 ized by section 14-h of the transportation law, and to the depart-
7 ment of transportation for the preparation of designs, plans, spec-
8 ifications and estimates, for the contract engineering services
9 provided by private firms, and for the acquisition, construction,
10 reconstruction, and improvement of airport or aviation capital
11 projects, including the acquisition of real property, pursuant to
12 the provisions of the rebuild New York through transportation
13 infrastructure renewal bond act of 1983, in accordance with the
14 schedule set forth below. The moneys hereby appropriated are to be
15 made available for payment of state aid to municipal corporations
16 including payment of liabilities incurred prior to April 1, 1988.
17 The items shown in the project schedule below shall be for projects
18 with a common purpose and may be interchanged without limitation
19 subject to the approval of the director of the division of the budg-
20 et.

21 Prior to requesting approval of a certificate of approval of avail-
22 ability for the moneys hereby appropriated, the commissioner of
23 transportation shall certify that each airport or aviation project
24 progressed under the program categories listed in the schedule below
25 has received federal approval and the federally authorized level of

29 For state aid to municipal corporations and to the department of
30 transportation for the preparation of designs, plans, specifications
31 and estimates, for the contract engineering services provided by
32 private firms, and for the acquisition, construction, recon-
33 struction, and improvement of airport or aviation capital projects,
34 including the acquisition of real property, pursuant to the
35 provisions of the rebuild New York through transportation infras-
36 tructure renewal bond act of 1983, in accordance with the schedule
37 set forth below. The moneys hereby appropriated are to be made
38 available for payment of state aid to municipal corporations includ-
39 ing payment of liabilities incurred prior to April 1, 1987. The
40 items shown in the project schedule below shall be for projects with
41 a common purpose and may be interchanged without limitation subject
42 to the approval of the director of the division of the budget.

43 Prior to requesting approval of a certificate of approval of avail-
44 ability for the moneys hereby appropriated, the commissioner shall
45 certify that each airport or aviation project progressed under the
46 program categories listed in the schedule below has received federal
47 approval and the federally authorized level of financial assistance

CAPITAL PROJECTS - REAPPROPRIATIONS 2024-25

1 By chapter 54, section 1, of the laws of 1986, as amended by chapter 54,
2 section 3, of the laws of 1988:

3 For state aid to municipal corporations and to the department of
4 transportation for the preparation of designs, plans, specifications
5 and estimates, for the contract engineering services provided by
6 private firms, and for the acquisition, construction, recon-
7 struction, and improvement of airport or aviation capital projects,
8 including the acquisition of real property, pursuant to the
9 provisions of the rebuild New York through transportation infras-
10 tructure renewal bond act of 1983, in accordance with the schedule
11 set forth below. The moneys hereby appropriated are to be made
12 available for payment of state aid to municipal corporations includ-
13 ing payment of liabilities incurred prior to April one, nineteen
14 hundred eighty-six. The items shown in the project schedule below
15 shall be for projects with a common purpose and may be interchanged
16 without limitation subject to the approval of the director of the
17 division of the budget.

18 Prior to requesting approval of a certificate of approval of avail-
19 ability for the moneys hereby appropriated, the commissioner shall
20 certify that each airport or aviation project progressed under the
21 program categories listed in the schedule below has received federal
22 approval and the federally authorized level of financial assistance
23 (17238614) (53230) 5,100,000 (re. \$110,000)

24 By chapter 54, section 1, of the laws of 1986, as amended by chapter 54,
25 section 3, of the laws of 1987:

26 For payment of the costs, including the payment of liabilities
27 incurred prior to April one, nineteen hundred eighty-six, for the
28 preparation of designs, plans, specifications and estimates, for the
29 construction, reconstruction, and improvement of airport or aviation
30 capital projects, including infrastructure improvements at Stewart
31 airport, for the costs of real property acquisition, contract engi-
32 neering services provided by private firms, and other expenses
33 related thereto, pursuant to the transportation capital facilities
34 development act of nineteen hundred sixty-seven, notwithstanding any
35 inconsistent provisions of law.

36 No funds shall be allocated that are directly related to a private
37 facility until the commissioner of transportation enters into a
38 written agreement, subject to the approval of the director of the
39 budget, with such private entity providing that such entity is
40 committed to locate its facilities at Stewart airport and has
41 arranged financing for the costs of construction of such facilities.

42 Funds shall not be allocated from this appropriation for infrastruc-
43 ture improvements or other development purposes not directly related
44 to a private facility until the commissioner of transportation has
45 provided the director of the budget with the following projections
46 to support any such allocation of funds: (a) effect on Stewart
47 airport net operating revenues; (b) effect on new jobs for the state
48 of New York; and (c) effect on net revenues of amortization of state
49 capital expenditures.

50 The commissioner of transportation shall secure and use any federal
51 funds which are or may become available for the purposes of this

8 capital projects, including the acquisition of real property, pursu-
9 ant to the transportation capital facilities development act of
10 nineteen hundred sixty-seven notwithstanding any inconsistent
11 provisions of law, in accordance with the schedule set forth below.
12 The moneys hereby appropriated are to be made available for payment
13 of state aid to municipal corporations including payment of liabil-
14 ities incurred prior to April one, nineteen hundred eighty-five, as
15 defined in the transportation capital facilities development act of
16 nineteen hundred sixty-seven. The items shown in the project sched-
17 ule below shall be for projects with a common purpose and may be
18 interchanged without limitation subject to the approval of the
19 director of the division of the budget.

20 Prior to requesting approval of a certificate of approval of avail-
21 ability for the moneys hereby appropriated, the commissioner shall
22 certify that each airport or aviation project progressed under the
23 program categories listed in the schedule below has received federal
24 approval and the federally authorized level of financial assistance
25 (17158514) (53230) 3,700,000 (re. \$726,000)

26 By chapter 54, section 1, of the laws of 1984:

27 For state aid to municipal corporations for the acquisition,

1 To the department of transportation, notwithstanding the provisions of
 2 title one of chapter seven hundred seventeen of the laws of nineteen
 3 hundred sixty-seven, as amended, or of any agreements entered into
 4 pursuant to such provisions (which agreements shall no longer be
 5 applicable to such projects), for one hundred percentum of the net
 6 project cost of the acquisition, construction, reconstruction and
 7 improvement, with expected federal aid as indicated, of airport or
 8 aviation capital projects in accordance with the schedule set forth
 9 below, including the completion of those of the said projects
 10 already commenced, which amount shall be available for the payment
 11 of liabilities incurred prior to April 1, 1971, provided that as to
 12 any project in the foregoing schedule which has not heretofore been
 13 authorized by the legislature in an appropriation act, no certif-
 14 icate of approval of availability shall be issued until the commis-
 15 sioner of transportation has delivered to the director of the budget
 16 his certification that such project is consistent with the
 17 provisions of subdivision 1 of section 15 of the transportation law.
 18 The amount hereby appropriated is in addition to and supplemental to

By chapter 54, section 1, of the laws of 1991:

For state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, for the acquisition, construction, reconstruction, and improvement of airport or aviation capital projects, including the acquisition of real property, pursuant to the transportation capital facilities development act of 1967 notwithstanding any inconsistent provisions of law, in accordance with the schedule set forth below. The moneys hereby appropriated are to be made available for payment of state aid to municipal corporations, private airports as authorized by section 14-h of the transportation law and for payment of the state share of federally aided projects at Stewart and Republic Airports, including payment of liabilities incurred prior to April 1, 1991, as defined in the transportation capital facilities development act of 1967. The items shown in the project schedule below shall be for projects with a common purpose and may be interchanged without limitation subject to the approval of the director of the division of the budget.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each airport or aviation project progressed under the program categories listed in the schedule below has received federal approval and the federally authorized level of financial assistance.

No funds shall be allocated for projects at Stewart Airport that are directly related to a private facility until the commissioner of transportation enters into a written agreement, subject to the approval of the director of the budget, with such private entity providing that such entity is committed to locate its facilities at Stewart airport and has arranged financing for the costs of construction of such facilities.

Funds shall not be allocated for projects at Stewart airport from this appropriation for infrastructure improvements or other development

1 purposes not directly related to a private facility until the
 2 commissioner of transportation has provided the director of the
 3 budget with the following projections to support any such allocation
 4 of funds: (a) effect on Stewart airport net operating revenues; (b)
 5 effect on new jobs for the state of New York; and (c) effect on net
 6 revenues of amortization of state capital expenditures. It is
 7 acknowledged that funds provided herein pursuant to the transpor-
 8 tation capital facilities development act of 1967 are made available
 9 by repealing a portion of an appropriation for the payment of the
 10 state's share to the Niagara frontier transportation authority for
 11 construction, reconstruction, and improvement of airport or aviation
 12 capital projects at Buffalo international airport. It is the intent
 13 of the legislature that the repeal of such funds appropriated to the
 14 Niagara frontier transportation authority does not void the state's
 15 commitment to provide alternative state share funding sources to the
 16 authority to complete the airport or aviation capital projects at
 17 Buffalo international airport as originally provided by chapter 54,
 18 section 1, of the laws of 1982, as amended by chapter 54, section 3,
 19 of the laws of 1988. It is further the intent of the legislature
 20 that such alternative state share funding be provided to the author-
 21 ity no later than March 31, 1993 (17439114) (53271)

22 law, the state share of such projects shall be 50 percent of the
23 nonfederal share, but in no event shall the state share exceed 10
24 percent of project costs.

25 Notwithstanding any other provision of law, the commissioner of trans-
26 portation shall make available directly to the City of New York
27 (City) an amount commensurate with the state share of (i) federal
28 funds previously awarded to the City and reallocated to the metro-
29 politan transportation authority (MTA), and (ii) the federally
30 authorized level of financial assistance transferred by resolution
31 of the metropolitan planning organization (MPO) to the metropolitan
32 transportation authority (MTA) and credited to the City by the MTA
33 for capital expenses. The state share of such reimbursement shall be
34 50 percent of the non-federal share of the federally authorized
35 level of financial assistance transferred to the MTA, but in no
36 event shall the state share exceed 10 percent of project costs.
37 Prior to requesting reimbursement for projects progressed by the MTA
38 on behalf of the City, the City shall certify to the commissioner of
39 transportation that each eligible project progressed under this
40 provision is federally eligible and that the match amount requested
41 does not exceed the state share of the federally authorized level of
42 financial assistance. In addition, the City must provide an applica-
43 tion to the commissioner of transportation certifying that the work
44 to be funded under the project has been performed and that the City
45 has reimbursed the MTA for 100 percent of the match amount for the
46 project. Upon such application, the commissioner of transportation
47 shall review and approve eligible activities for reimbursement.

48 Prior to requesting approval of a certificate of approval of avail-
49 ability for the moneys hereby appropriated, the commissioner of
50 transportation shall certify that each omnibus project progressed
51 under the program has received federal approval. Such certificate

 Preservation of Facilities Purpose

The sum of \$100,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investments in capital projects for such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of such nonprofit human services organizations that serve New Yorkers. Such investments may include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of non-publicly owned space owned by or leased to the eligible nonprofit human services organization pursuant to a lease and used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Eligible nonprofit human services organizations are those which provide direct services to New Yorkers and are prequalified by the state in a manner as prescribed by the state for such grant application, provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements,

23 live in households in poverty; individuals and advocates represen-
24 ting local not-for-profit and community organizations; represen-
25 tatives from local school districts; and representatives from local
26 social services districts. Of the funds appropriated herein, the
27 amount available for each local anti-poverty task force shall be
28 determined based on the number of people in each municipality, or a
29 borough, who are living in poverty as determined by the U.S. Census
30 Bureau's 2010-14 American Community Survey Five-year Estimate
31 provided that each local anti-poverty task force shall be eligible
32 to receive funding in the following amounts: municipalities with
33 fewer than 5,000 individuals in poverty shall each be eligible to
34 receive \$500,000; municipalities with between 5,000 and 10,000 indi-
35 viduals in poverty shall each be eligible to receive \$1,000,000;
36 municipalities with between 10,000 and 40,000 individuals in poverty
37 shall each be eligible to receive \$1,500,000; and municipalities, or
38 a borough, with more than 40,000 individuals in poverty shall each
39 be eligible to receive \$2,750,000. Funds appropriated herein shall
40 be available to support the work of each anti-poverty task force and
41 such work shall be divided into two phases. During the first phase,
42 the mayor of the municipality, or in the case of the Bronx, the
43 borough president, will select a not-for-profit organization that
44 has demonstrated successful performance working with community
45 stakeholders and achieving objectives specified herein, to coordi-
46 nate the local antipoverty task force. The not-for-profit organiza-
