IN ASSEMBLY

January 26, 2024

Introduced by M. of A. LUNSFORD -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to requiring all health information systems or electronic health record systems to segregate certain patient information from the rest of such patient's medical record

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 18-a of section 206 of the public health law is
2 amended by adding a new paragraph (e) to read as follows:

3 (e) Within one hundred eighty days from the effective date of this
4 paragraph, the commissioner shall establish rules and regulations
5 requiring any health information system or electronic health record
6 system operating in the state of New York that electronically stores or
7 maintains medical information, electronic health records, personal
8 health records, health care claims, payment and other administrative
9 data on behalf of a provider of health care, health care service plan,
10 pharmaceutical company, contractor, or employer to develop capabilities,
11 policies, and procedures to:

12 (i) segregate health information related to reproductive health
13 services as defined in paragraph (a) of subdivision one of section
14 sixty-five hundred thirty-one-b of the education law, gender-affirming
15 care as defined in paragraph (c) of subdivision one of section sixty-
16 five hundred thirty-one-b of the education law, care protected under 42
17 CFR part 2, diagnosis and treatment for a sexually transmitted infection
18 or HIV, mental health services, alcohol or substance use treatment, and
19 any other health care services determined by the commissioner through
20 regulations, in consultation with medical providers and patient advo-
21 cates, from the rest of the patient's record;

22 (ii) limit user access privileges to health information segregated
23 pursuant to subparagraph (i) of this paragraph to only those persons
24 whom the patient has specifically authorized to access the health infor-
25 mation;
