MEMORIALIZING Governor Kathy Hochul to proclaim
May 2023, as Arthritis Awareness Month in the State
of New York

WHEREAS, It is the custom of this Legislative Body to recognize official months that are set aside to increase awareness of serious issues that affect the lives of residents of New York State; and

WHEREAS, Attendant to such concern, and in full accord with its long-standing traditions, it is the sense of this Legislative Body to memorialize Governor Kathy Hochul to proclaim May 2023, as Arthritis Awareness Month in the State of New York; and

WHEREAS, The Arthritis National Research Foundation's mission is to provide initial research funding to brilliant, investigative scientists with new ideas to cure arthritis and related autoimmune diseases; and

WHEREAS, Arthritis Awareness Month was developed to increase awareness of arthritis and the importance of seeking appropriate treatment to minimize its disabling impact on daily lives; and

WHEREAS, The Arthritis Foundation is the Champion of Yes, leading the fight for the Arthritis community; this vital organization helps conquer everyday battles through life changing information and resources, access to optimal care, advancements in science and community connections; and

WHEREAS, The Arthritis Foundation strives to chart a winning course, guiding families in developing personalized plans and living a full life, and making each day another stride towards a cure; and

WHEREAS, Arthritis affects 3.8 million people in the State of New York; 24.2% of New York adults have self-reported doctor-diagnosed Arthritis; and

WHEREAS, Fifty-two million Americans have Arthritis, affecting one in four Americans in the general population; by 2030, that number is expected to climb to 67 million; and

WHEREAS, Approximately, 300,000 children in the United States suffer from Arthritis; and

WHEREAS, Arthritis encompasses more than 100 diseases and conditions which affect the joints, tissues surrounding the joints and other organs; and

WHEREAS, In New York State, 40% of adults with Arthritis are inactive; 50% of adults diagnosed with Arthritis also have diabetes, 43% also have hypertension, and 36% are obese; and

WHEREAS, Early diagnosis and appropriate management can help people with Arthritis decrease pain, improve function, stay productive, lower health care costs and have a better quality of life; and

WHEREAS, Arthritis is our nation's leading cause of disability, resulting in an annual \$128 billion price tag which includes \$81 billion in direct costs and \$47 billion in indirect costs; and

WHEREAS, One in 25 working age adults have to change jobs, stop working entirely, or reduce the hours they work due to Arthritis; and

WHEREAS, One out of every three United States veterans lives with Arthritis and it is the top cause of disability among veterans; research supporting better prevention strategies, intervention and treatments is crucial to reducing the number of soldiers and veterans suffering from Arthritis; and

WHEREAS, Through public awareness, this Legislative Body seeks to minimize the devastating effects of Arthritis among the citizens of the State of New York; now, therefore, be it

RESOLVED, That this Legislative Body pause in its deliberations to memorialize Governor Kathy Hochul to proclaim May 2023, as Arthritis Awareness Month in the State of New York, and to urge the residents of this great Empire State to learn about the causes, symptoms, diagnoses and treatments; and be it further

RESOLVED, That copies of this Resolution, suitably engrossed, be transmitted to The Honorable Kathy Hochul, Governor of the State of New York; and the Arthritis Foundation.
