2023-2024 Regular Sessions

IN SENATE

January 9, 2023

Introduced by Sen. JACKSON -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT to amend the education law, in relation to establishing a common articulation policy at the state of New York and city of New York university systems for granting college credit bearing coursework based upon successful performance on standardized exams completed by high school students

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 355 of the education law is amended by adding a new
2 subdivision 2-b to read as follows:

3 2-b. The state university trustees shall establish a consistent and
4 evidence-based policy for accepting and granting comparable college
5 credit for demonstrating college level performance by earning passing
6 scores on standardized exams in high school. The policy shall be adopted
7 and implemented for students enrolling in any state university campus,
8 effective for the two thousand twenty-four--two thousand twenty-five
9 academic year and thereafter.

10 a. The policy shall be developed based on the findings of a study and
11 shall include: (i) in consultation with the system's institutions,
12 student advisory groups and other interested parties, a review by the
13 state university trustees of findings and academic performance data for
14 students successfully passing one or more Advanced Placement Exams prior
15 to enrolling in a state university or college; and (ii) measures of
16 academic performance, retention rates, and graduation rates of students
17 who complete a lower-division course at the state university's insti-
18 tutions of higher education compared to students who receive credit for
19 a comparable college course, disaggregated by score, based upon Advanced
20 Placement, College Level Examination Program (CLEP) International Bacca-
21 laureate (IB) Examinations.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
