2 food service establishment, pursuant to section 81.51 of the health code
3 of the city of New York, for which food delivery services are provided
4 to customers.

5 c. Any internet-based food delivery service provider that violates
6 subdivision b of this section or any of the rules promulgated thereunder
7 shall be liable for a civil penalty not to exceed one hundred dollars
8 for each violation.

9 § 2. The general municipal law is amended by adding a new section
10 139-e to read as follows:

11 § 139-e. Posting of sanitary inspection grade. 1. As used in this
12 section "internet-based food delivery service provider" shall mean any
13 food service establishment that accepts food orders for delivery from
14 customers via the internet or mobile application, or any third party
15 website that accepts food orders for delivery from customers via the
16 internet or mobile application.

17 2. In any municipal corporation that has adopted a local law or rule
18 requiring the posting of sanitary inspection results, every internet-
19 based food delivery service provider shall conspicuously post on their
20 website or mobile application a hyperlink to the municipal or state
21 health department food establishments lookup tool, which lists the most
22 current sanitary inspection results of any food service establishment
23 located in such municipal corporation for which food delivery services
24 are provided to customers.

25 § 3. This act shall take effect on the one hundred twentieth day after
26 it shall have become a law.
