12 medically necessary for a particular child in such child care facility.

13 (b) The office of children and family services, in consultation with
14 the city of New York department of health and mental hygiene, shall
15 notify child care facilities of the provisions of this subdivision in
16 plain, non-technical language. Such notice shall be given to every child

43 and make a determination of the relevant facts and to issue subpoenas in
44 accordance with the civil practice law and rules.

45 5. If any provision of this section or the application thereof to any
46 person or circumstance is held unconstitutional, such invalidity shall
47 not affect other provisions or applications of this section which can be
48 given effect without the invalid provision or application, and to this
49 end the provisions of this section are severable.

50 § 2. This act shall take effect on the ninetieth day after it shall
