AN ACT to amend the public health law and the tax law, in relation to establishing a pilot hospital medical debt relief program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "hospital medical debt relief act".

3 § 2. Article 2 of the public health law is amended by adding a new
4 title 2-G to read as follows:

TITLE 2-G

HOSPITAL MEDICAL DEBT RELIEF PROGRAM

Section 245. Definitions.

246. Hospital medical debt relief program.

9 § 245. Definitions. As used in this article, the following terms shall
10 have the following meanings:

11 1. "Eligible resident" means an individual that meets the following
12 conditions:

13 (a) is a resident of the state;

14 (b) has a household income at or below four hundred percent of the
15 federal poverty guidelines or has hospital-based medical debt equal to
16 five percent or more of the individual's household income; and

17 (c) has had hospital medical debt relieved under this program.

18 2. "General hospital medical debt" means an obligation or an alleged
19 obligation of an eligible resident to pay any amount whatsoever related
20 to the receipt of health care services, products, or devices provided to

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

1 a person by a general hospital licensed under article twenty-eight of
2 the public health law or a health care professional authorized under
3 title eight of the education law who practices within a hospital, wheth-
4 er or not such obligation has been reduced to judgment.

5 § 246. Hospital medical debt relief program. 1. The commissioner,
6 subject to general fund appropriations for this purpose, shall establish
7 a three-year pilot program to provide hospital medical debt relief to
8 eligible residents in the state.

9 2. Pursuant to sections one hundred twelve and one hundred sixty-three
10 of the state finance law, the commissioner shall contract with a not-
11 for-profit organization to identify and cancel the hospital medical debt
12 owed by eligible residents to hospitals and their contracted providers
13 located within the state, to the extent possible. Such not-for-profit
14 organization shall enter into agreements with general hospitals in the
15 state to identify eligible residents utilizing patient data provided by
16 such participating hospitals including, demographic information, resi-
17 dents' zip codes, insurance status and payer, dates of service,
18 balances still owed, and other information necessary to identify an
19 eligible resident. The not-for-profit organization shall retire such
20 eligible residents' hospital medical debt by acquiring such debt through
21 purchase or receipt as a donation from a participating general hospital
22 and then cancelling such debt. Any such purchase of hospital medical
23 debt shall be for an amount at or below the fair market value of such
24 debt. All data sharing shall comply with the provisions of the federal
25 health insurance portability and accountability act and any other
26 applicable state or federal law.

27 3. To the extent possible, for general hospitals that have entered
28 into an agreement under the program, priority shall be given: (a) to
29 eligible residents whose debt is eighteen months or older; and/or (b)
30 who resides in the lowest-income zip codes.

31 4. The not-for-profit organization shall also notify each eligible
32 resident who has had a debt cancelled pursuant to the provisions of this
33 section that their specific hospital medical debt has been cancelled
34 and that the debt cancellation does not lead to income tax liabilities
35 for program recipients. Such notice shall include a copy of the hospi-
36 tal's financial assistance application and policy pursuant to section
37 twenty-eight hundred of this chapter.

38 5. Once a hospital medical debt has been cancelled, the participating
39 general hospital or their third party agent, that reported the hospital
40 medical debt to the credit reporting agencies, shall inform the credit
41 reporting agencies of such cancellation to ensure that the debt has been
42 removed from an eligible recipient's credit report.

43 6. The not-for-profit organization shall conduct an outreach program
44 to have discussions with general hospitals about the benefits of the
45 hospital medical debt relief program to patients, communities and to the
46 hospitals themselves. Such outreach shall first be initiated with
47 enhanced safety net hospitals as defined in section twenty-eight hundred
48 seven-c of this chapter.

49 7. The not-for-profit organization shall, in consultation with the
50 department report annually on the progress and success of the hospital
51 medical debt relief program established pursuant to this section to the
52 governor and the temporary president of the senate, the speaker of the
53 assembly, the department, and the chair of the senate committee on
54 health and the chair of the assembly committee on health. Such report
55 shall be published and publicly available on the department's website.
56 Such report shall include but not be limited to:

1 (a) the amount of hospital medical debt purchased and discharged under
2 the program;

3 (b) the number of eligible residents who received relief under the
4 program;

5 (c) to the extent practicable the characteristics of the eligible
6 residents;

7 (d) the number of individual debts purchased;

8 (e) total number of eligible residents by zip code;

9 (f) the number of individual debts purchased by zip code;

10 (g) the number of individual debts canceled by county separated by the
11 federal poverty line as defined and annually revised by the United
12 States department of health and human services for a household of the
13 same size, as follows: (i) two hundred percent and below, (ii) above two
14 hundred percent up to three hundred percent, (iii) above three hundred
15 percent up to four hundred percent, (iv) above four hundred percent; and

16 (h) any other data or information requested by the department and that
17 can be included pursuant to applicable laws and regulations and within
18 budgeted resources.

19 8. The commissioner shall promulgate any rules and regulations neces-
20 sary for the implementation of this section.

21 § 3. Subsection (i) of section 601 of the tax law is relettered
22 subsection (j) and a new subsection (i) is added to read as follows:

23 (i) Hospital medical debt relief. Notwithstanding the provisions of
24 subsections (a), (b), (c) and (d) of this section and any other
25 provision of this article, for taxable years beginning after the effec-
26 tive date of this subsection, the income of an individual received
27 pursuant to the provisions of section two hundred forty-six of the
28 public health law in the form of debt cancelation shall be exempt from
29 tax under this article regardless of whether such income is subject to
30 federal income taxation.

31 § 4. This act shall take effect on the one hundred eightieth day after
32 it shall have become a law. Effective immediately, the addition, amend-
33 ment and/or repeal of any rule or regulation necessary for the implemen-
34 tation of this act on its effective date are authorized to be made and
35 completed on or before such effective date.
