AN ACT granting retroactive tier IV membership in the New York state and local employees' retirement system to Maureen Sullivan Nasca

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 Maureen Sullivan Nasca, an employee of the Erie County Medical Center
3 and a member of the New York state and local employees' retirement
4 system, who was a full-time employee at the Roswell Park Comprehensive
5 Cancer Center from December 7, 1995 to December 22, 2013, and who, for
6 reasons not ascribable to her own negligence, failed to become a member
7 of such retirement system during such employment with the Roswell Park
8 Comprehensive Cancer Center in 1995, shall be deemed to have joined the
9 New York state and local employees' retirement system on the date of
10 December 7, 1995 and shall be granted Tier IV status in such retirement
11 system if, within one year of the effective date of this act, she shall
12 file a written request with the state comptroller.

13 § 2. No contributions made to the New York state and local employees'
14 retirement system by Maureen Sullivan Nasca shall be refunded or
15 returned to her pursuant to this act.

16 § 3. All past service costs of implementing the provisions of this act
17 shall be borne by the state of New York.

18 § 4. This act shall take effect immediately.

date of membership to December 7, 1995. There will be no refund of member contributions.

If this bill is enacted during the 2023 legislative session, we anticipate that there will be an increase of approximately \$46,000 in the annual contributions of the Erie County Medical Center for the fiscal year ending March 31, 2024. In future years, this cost will vary as the billing rates and salary of Maureen Sullivan Nasca change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$1.43 million which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 1, 2024.
