

STATE OF NEW YORK

8069

IN SENATE

January 5, 2024

Introduced by Sen. WEBB -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the alcoholic beverage control law, in relation to authorizing the manufacture of beer, spirits, cider, wine and mead at the community college in Broome county and Cornell university, acting on behalf of the New York state college of agriculture and life sciences and the New York state agricultural experiment station

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraphs (a), (c), (d) and (f) of subdivision 9 of
2 section 101 of the alcoholic beverage control law, as added by a chapter
3 of the laws of 2023 amending the alcoholic beverage control law relating
4 to authorizing the manufacture of beer, spirits, cider, wine and mead at
5 the community college in Broome county and Cornell university, acting on
6 behalf of the New York state college of agriculture and life sciences
7 and the New York state agricultural experiment station, as proposed in
8 legislative bills numbers S. 7085 and A. 7293, are amended to read as
9 follows:

10 (a) Notwithstanding any other provision of law to the contrary, the
11 state liquor authority shall issue a license under section
12 [~~seventy-six-a~~] sixty-one-a of this chapter to Cornell university on
13 behalf of the New York state college of agriculture and life sciences
14 and the New York state agricultural experiment station as defined in
15 sections fifty-seven hundred twelve and fifty-seven hundred thirteen of
16 the education law. Issuance of such a license shall not preclude or
17 nullify other licenses granted to Cornell university, whether now or in
18 the future, in all its locations in New York state in accordance with
19 the provisions of this chapter. Issuance of such a license shall not
20 restrict the ability of Cornell university, or the New York state
21 college of agriculture and life sciences and the New York state agricul-
22 tural experiment station to conduct research, teaching, education,
23 extension and outreach, and economic development activities related to
24 products that are not regulated by this chapter. For purposes of
25 compliance with this chapter, the New York state college of agriculture
