

STATE OF NEW YORK

8849--A

IN SENATE

March 20, 2024

Introduced by Sens. BAILEY, SALAZAR -- read twice and ordered printed, and when printed to be committed to the Committee on Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public health law, in relation to requiring CPR and AED training by youth league coaches

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 2596 to read as follows:

3 § 2596. CPR and AED instruction; youth leagues. 1. For the purposes of
4 this section:

5 (a) "youth league" means youth sports leagues other than school leagues,
6 including youth club sports, travel teams, community based organization
7 leagues, and unaffiliated leagues; and

8 (b) "youth sport" means athletic activity with participants who are
9 all eighteen years old or younger and shall include grade school through
10 high school athletic programs regardless of the age of the participants.

11 2. On and after the effective date of this section, to coach in any
12 youth league, it shall be required of such coaches, except as provided
13 in subdivision three or four of this section, to complete a training in
14 cardiopulmonary resuscitation and automated external defibrillator (CPR
15 and AED) knowledge and skills approved by the commissioner. Any such
16 course of study or equivalent requirements shall include instruction in
17 recognizing signs and symptoms of cardiac arrest and sudden cardiac
18 arrest and the administration of adult and child cardiopulmonary resus-
19 citation and the use of an automated external defibrillator. Prior to
20 the start of each sports season, coaches shall provide valid evidence to
21 their youth league that their adult and child cardiopulmonary resusci-
22 tation and automated external defibrillator knowledge and skills are
23 current pursuant to the requirements approved by the commissioner.

24 3. Except as provided in subdivision four of this section, persons who
25 have been coaches of youth league sports on the effective date of this
26 section who have not completed a training in CPR and AED knowledge and

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD06312-05-4

1 skills pursuant to subdivision two of this section, or met equivalent
2 requirements as approved by the commissioner, may continue to coach such
3 sports, provided, however, that such coaches do complete such a training
4 as soon as practicable after the effective date of this section but not
5 later than twelve months thereafter, provided, however, that the commis-
6 sioner shall have the authority to establish by rule or regulation an
7 additional time schedule for compliance with this section.

8 4. A person who is unable to complete a training in CPR and AED know-
9 ledge and skills pursuant to subdivision two of this section, or has not
10 met equivalent requirements as approved by the commissioner, due to a
11 physical disability may coach any youth league sport if there is another
12 person who has completed a training pursuant to subdivision two of this
13 section and is present with such person who is unable to complete such a
14 training at all times during the youth league sports including but not
15 limited to practices, scrimmages and during competition.

16 § 2. This act shall take effect on the ninetieth day after it shall
17 have become a law. Effective immediately, the addition, amendment and/or
18 repeal of any rule or regulation necessary for the implementation of
19 this act on its effective date are authorized to be made and completed
20 on or before such effective date.
