55 shall be paid one year thereafter.

(b) Notwithstanding any law to the contrary, for any policy period beginning on or after July 1, 2026, excess coverage shall be purchased by a physician or dentist directly from a provider of excess insurance coverage or equivalent excess coverage. Such provider of excess insurance coverage or equivalent excess coverage shall bill, in a manner consistent with paragraph (f) of this subdivision, the physician or dentist for an amount equal to fifty percent of the premium for such coverage, as established pursuant to paragraph (d) of this subdivision, during the policy period. If the funds available in the hospital excess liability pool are insufficient to meet the percent of the costs of the excess coverage, the provisions of subdivision 8 of this section shall apply.

(c) If at the conclusion of the policy period, a physician or dentist, eligible for excess coverage paid for from funds available in the hospital excess liability pool, has failed to pay an amount equal to fifty percent of the premium as established pursuant to paragraph (d) of this subdivision, such excess coverage shall be cancelled and shall be null and void as of the first day on or after the commencement of a policy period where the liability for payment pursuant to this subdivision has not been met. The provider of excess coverage shall remit any portion of premium paid by the eligible physician or dentist for such a policy period.

(d) The superintendent of financial services shall establish a rate consistent with subdivision 3 of this section that providers of excess insurance coverage or equivalent excess coverage will charge for such coverage for each policy period. (e) No provider of excess insurance coverage or equivalent excess coverage shall issue excess coverage to which this subdivision applies to any physician or dentist unless that physician or dentist meets the eligibility requirements for such coverage set forth in this section. The superintendent of financial services and the commissioner of health or their designee shall not make any payment under this subdivision to a provider of excess insurance coverage or equivalent excess coverage for excess coverage issued to a physician or dentist who does not meet the eligibility requirements for participation in the hospital excess liability pool program set forth in this section.

(f) A provider of excess insurance coverage or equivalent coverage that issues excess coverage under this subdivision shall bill the physician or dentist for the portion of the premium required under paragraph (a) of this subdivision in twelve equal monthly installments or in such other manner as the physician or dentist may agree.

3 which the licensee is treating a patient, the recommendation or
4 provision of that modality to a particular patient shall not, by itself,
5 constitute professional misconduct. The licensee shall otherwise abide
6 by all other applicable professional requirements.

7 9-c. (a) Neither the board for professional medical conduct nor the
8 office of professional medical conduct shall charge a licensee, acting
9 within their scope of practice, with misconduct as defined in [~~sections~~

12 such office to be investigated beyond a preliminary review as set forth

28 law, such legally protected activity shall not, by itself, constitute
29 professional misconduct. The licensee shall otherwise abide by all
30 other applicable professional requirements.

31 (i-a) The director shall, in addition to the determination required by
32 clause (A) of subparagraph (i) of this paragraph, determine if a report
33 is based solely upon conduct which is otherwise permissible pursuant to
34 section [~~sixty-five hundred thirty-one b of the education law~~] two
35 hundred thirty-h of this title and subdivision nine-c of this section,
36 and upon a determination by the director that a report is based solely
37 upon such permissible conduct, no further review shall be conducted and
38 no charges shall be brought. Nothing in this section shall preclude the
39 director from making such a determination earlier in, or subsequent to,
40 a preliminary review.

41 (2) make arrangements for the transfer and maintenance of the medical

48 provided in subdivisions twenty-two and [~~thirty-two of section sixty-~~
49 ~~five hundred thirty of the education law~~] thirty-three of section two
50 hundred thirty-e of this title, the rules of the board of regents or the
51 regulations of the commissioner of education and sections seventeen and

1 and shall be subject to additional proceedings pursuant to subdivisions
2 twenty-two, [~~thirty-two~~] thirty-three and [~~forty~~] forty-one of section

4 this title in the event that the licensee fails to maintain those
5 medical records or fails to make them available to a former patient.

6 (p) Convictions of crimes or administrative violations. In cases of
7 professional misconduct based solely upon a violation of subdivision
8 nine of section [~~sixty-five hundred thirty of the education law~~] two
9 hundred thirty-e of this title, the director may direct that charges be
10 prepared and served and may refer the matter to a committee on profes-
11 sional conduct for its review and report of findings, conclusions as to
12 guilt, and determination. In such cases, the notice of hearing shall
13 state that the licensee shall file a written answer to each of the
14 charges and allegations in the statement of charges no later than ten
15 days prior to the hearing, and that any charge or allegation not so
16 answered shall be deemed admitted, that the licensee may wish to seek
17 the advice of counsel prior to filing such answer that the licensee may
18 file a brief and affidavits with the committee on professional conduct,
19 that the licensee may appear personally before the committee on profes-
20 sional conduct, may be represented by counsel and may present evidence
21 or sworn testimony in [~~his or her~~] their behalf, and the notice may
22 contain such other information as may be considered appropriate by the
23 director. The department may also present evidence or sworn testimony
24 and file a brief at the hearing. A stenographic record of the hearing
25 shall be made. Such evidence or sworn testimony offered to the committee
26 on professional conduct shall be strictly limited to evidence and testi-
27 mony relating to the nature and severity of the penalty to be imposed
28 upon the licensee. Where the charges are based on the conviction of
29 state law crimes in other jurisdictions, evidence may be offered to the
30 committee which would show that the conviction would not be a crime in
31 New York state. The committee on professional conduct may reasonably
32 limit the number of witnesses whose testimony will be received and the
33 length of time any witness will be permitted to testify. The determi-
34 nation of the committee shall be served upon the licensee and the
35 department in accordance with the provisions of paragraph (h) of this
36 subdivision. A determination pursuant to this subdivision may be
37 reviewed by the administrative review board for professional medical
38 conduct.

39 (a) The medical society of the state of New York, the New York state
40 osteopathic society or any district osteopathic society, any statewide
41 medical specialty society or organization, and every county medical
42 society, every person licensed pursuant to articles one hundred thirty-
43 one, one hundred thirty-one-B, one hundred thirty-three, one hundred
44 thirty-seven and one hundred thirty-nine of the education law, and the
45 chief executive officer, the chief of the medical staff and the chair-
46 person of each department of every institution which is established
47 pursuant to article twenty-eight of this chapter and a comprehensive
48 health services plan pursuant to article forty-four of this chapter or
49 article forty-three of the insurance law, shall, and any other person
50 may, report to the board any information which such person, medical
51 society, organization, institution or plan has which reasonably appears
52 to show that a licensee is guilty of professional misconduct as defined
53 in [~~sections sixty-five hundred thirty and sixty-five hundred thirty one~~
54 ~~of the education law~~] this title. Such reports shall remain confidential
55 and shall not be admitted into evidence in any administrative or judi-
56 cial proceeding except that the board, its staff, or the members of its

1 committees may begin investigations on the basis of such reports and may
2 use them to develop further information.

3 13. (a) Temporary surrender. The license and registration of a licen-
4 see who may be temporarily incapacitated for the active practice of
5 medicine and whose alleged incapacity has not resulted in harm to a
6 patient may be voluntarily surrendered to the board for professional
7 medical conduct, which may accept and hold such license during the peri-
8 od of such alleged incapacity or the board for professional medical
9 conduct may accept the surrender of such license after agreement to
10 conditions to be met prior to the restoration of the license. The board
11 shall give prompt written notification of such surrender to the division
12 of professional licensing services of the state education department,
13 and to each hospital at which the licensee has privileges. The licensee
14 whose license is so surrendered shall notify all patients and all
15 persons who request medical services that the licensee has temporarily
16 withdrawn from the practice of medicine. The licensure status of each
17 such licensee shall be "inactive" and the licensee shall not be author-
18 ized to practice medicine. The temporary surrender shall not be deemed
19 to be an admission of disability or of professional misconduct, and
20 shall not be used as evidence of a violation of subdivision seven or
21 eight of section [~~sixty-five hundred thirty of the education law~~] two
22 hundred thirty-e of this title unless the licensee practices while the
23 license is "inactive". Any such practice shall constitute a violation of
24 subdivision twelve of section [~~sixty-five hundred thirty of the educa-~~
25 ~~tion law~~] two hundred thirty-e of this title. The surrender of a license
26 under this subdivision shall not bar any disciplinary action except
27 action based solely upon the provisions of subdivision seven or eight of
28 section [~~sixty-five hundred thirty of the education law~~] two hundred
29 thirty-e of this title and where no harm to a patient has resulted, and
30 shall not bar any civil or criminal action or proceeding which might be
31 brought without regard to such surrender. A surrendered license shall be
32 restored upon a showing to the satisfaction of a committee of profes-
33 sional conduct of the state board for professional medical conduct that
34 the licensee is not incapacitated for the active practice of medicine
35 provided, however, that the committee may impose reasonable conditions
36 on the licensee, if it determined that due to the nature and extent of
37 the licensee's former incapacity such conditions are necessary to
38 protect the health of the people. The chairperson of the committee shall
39 issue a restoration order adopting the decision of the committee. Prompt
40 written notification of such restoration shall be given to the division
41 of professional licensing services of the state education department and
42 to all hospitals which were notified of the surrender of the license.

43 (b) Permanent surrender. The license and registration of a licensee
44 who may be permanently incapacitated for the active practice of medi-
45 cine, and whose alleged incapacity has not resulted in harm to a
46 patient, may be voluntarily surrendered to the board for professional
47 medical conduct. The board shall give prompt written notification of
48 such surrender to the division of professional licensing services of the
49 state education department, and to each hospital at which the licensee
50 has privileges. The licensee whose license is so surrendered shall noti-
51 fy all patients and all persons who request medical services that the
52 licensee has permanently withdrawn from the practice of medicine. The
53 permanent surrender shall not be deemed to be an admission of disability
54 [~~of~~] or professional misconduct, and shall not be used as evidence of a
55 violation of subdivision seven or eight of section [~~sixty-five hundred~~
56 ~~thirty of the education law~~] two hundred thirty-e of this title. The

1 surrender shall not bar any civil or criminal action or proceeding which
2 might be brought without regard to such surrender. There shall be no
3 restoration of a license that has been surrendered pursuant to this
4 subdivision.

5 (c) If the committee determines that reasonable cause exists as speci-
6 fied in paragraph (a) of this subdivision and that there is insufficient
7 evidence for the matter to constitute misconduct as defined in sections
8 ~~[sixty-five hundred thirty and section sixty-five hundred thirty-one of~~
9 ~~the education law]~~ two hundred thirty-e, two hundred thirty-f and two
10 hundred thirty-g of this title, the committee may issue an order direct-
11 ing that the licensee's practice of medicine be monitored for a period
12 specified in the order, which shall in no event exceed one year, by a
13 licensee approved by the director, which may include members of county
14 medical societies or district osteopathic societies designated by the
15 commissioner. The licensee responsible for monitoring the licensee shall
16 submit regular reports to the director. If the licensee refuses to coop-
17 erate with the licensee responsible for monitoring or if the monitoring
18 licensee submits a report that the licensee is not practicing medicine
19 with reasonable skill and safety to ~~[his or her]~~ their patients, the
20 committee may refer the matter to the director for further proceedings
21 pursuant to subdivision ten of this section. An order pursuant to this
22 paragraph shall be kept confidential and shall not be subject to discov-
23 ery or subpoena, unless the licensee refuses to comply with the order.

24 § 32. The opening paragraph of section 230-a of the public health law,
25 as added by chapter 606 of the laws of 1991, is amended to read as
26 follows:

27 The penalties which may be imposed by the state board for professional
28 medical conduct on a present or former licensee found guilty of profes-
29 sional misconduct under the definitions and proceedings prescribed in
30 ~~[section]~~ sections two hundred thirty, two hundred thirty-e and two
31 hundred thirty-f of this title ~~[and sections sixty-five hundred thirty~~

38 ing scientifically accepted barrier precautions and infection control
39 practices as standards of professional medical conduct for persons
40 licensed under articles one hundred thirty-one and one hundred thirty-
41 one-B of the education law. The department shall consult with the educa-
42 tion department to ensure that regulatory standards for scientifically
43 acceptable barrier precautions and infection prevention techniques
44 promulgated pursuant to this section are consistent, as far as appropri-
45 ate with such standards adopted by the education department applicable
46 to persons licensed under the education law other than articles one
47 hundred thirty-one and one hundred thirty-one-B of such law.

Further, such inpatient coverage shall not apply financial requirements or treatment limitations, including utilization review requirements, to inpatient ~~[substance-use]~~ substance-related and addictive disorder benefits that are more restrictive than the predominant financial requirements and treatment limitations applied to substantially all medical and surgical benefits covered by the policy.

(B) Coverage provided under this paragraph may be limited to facilities in New York state that are licensed, certified or otherwise authorized by the office of ~~[alcoholism and substance abuse services]~~ addiction services and supports and, in other states, to those which are accredited by the joint commission as alcoholism, addiction, substance abuse, or chemical dependence treatment programs and are similarly

1 licensed, certified or otherwise authorized in the state in which the
2 facility is located.

3 (C) Coverage provided under this paragraph may be subject to annual
4 deductibles and co-insurance as deemed appropriate by the superintendent
5 and that are consistent with those imposed on other benefits within a
6 given policy.

7 (D) This subparagraph shall apply to facilities in this state that are
8 licensed, certified or otherwise authorized by the office of [~~alcoholism~~
9 ~~and substance abuse services~~] addiction services and supports that are
10 participating in the insurer's provider network. Coverage provided under
11 this paragraph shall not be subject to preauthorization. Coverage
12 provided under this paragraph shall also not be subject to concurrent
13 utilization review during the first twenty-eight days of the inpatient

35 of such inpatient treatment. Provided, however, the insurer shall only
36 deny coverage for any portion of the initial twenty-eight day inpatient

38 if such inpatient treatment was contrary to the evidence-based and peer

41 addiction services and supports. An insured shall not have any finan-

9 ment; and restrictions based on geographic location, facility type,
10 provider specialty, and other criteria that limit the scope or duration
11 of benefits for services provided under the policy; and

12 (iv) "[~~substance-use~~] substance-related and addictive disorder" shall

16 practice, such as the international classification of diseases.

17 (G) An insurer shall provide coverage under this paragraph, at a mini-

20 § 5. Paragraph 31 of subsection (i) of section 3216 of the insurance
21 law, as amended by section 6 of subpart A of part BB of chapter 57 of
22 the laws of 2019, subparagraph (B) as amended by section 10 and subpara-

30 Such coverage shall not apply financial requirements or treatment limi-
31 tations to outpatient [~~substance-use~~] substance-related and addictive
32 disorder benefits that are more restrictive than the predominant finan-

34 medical and surgical benefits covered by the policy.

35 (B) Coverage under this paragraph may be limited to facilities in this
36 state that are licensed, certified or otherwise authorized by the office
37 of addiction services and supports to provide outpatient [~~substance-use~~]
38 substance-related and addictive disorder services and crisis stabiliza-

43 otherwise authorized in the state in which the facility is located.

44 (C) Coverage provided under this paragraph may be subject to annual
45 deductibles and co-insurance as deemed appropriate by the superintendent

47 given policy.

48 (D) A policy providing coverage for [~~substance-use~~] substance-related
49 and addictive disorder services pursuant to this paragraph shall provide
50 up to twenty outpatient visits per policy or calendar year to an indi-

54 covered by the applicable policy pursuant to this paragraph. The cover-
55 age required by this paragraph shall include treatment as a family

1 member pursuant to such family member's own policy provided such family
2 member:

3 (i) does not exceed the allowable number of family visits provided by
4 the applicable policy pursuant to this paragraph; and

22 designated by the office of [~~alcoholism and substance abuse services~~]
23 addiction services and supports and appropriate to the age of the
24 patient, to ensure that the outpatient treatment is medically necessary
25 for the patient. Any utilization review of the treatment provided under
26 this subparagraph may include a review of all services provided during
27 such outpatient treatment, including all services provided during the
28 first four weeks of continuous treatment, not to exceed twenty-eight
29 visits, of such outpatient treatment. Provided, however, the insurer
30 shall only deny coverage for any portion of the initial four weeks of
31 continuous treatment, not to exceed twenty-eight visits, for outpatient
32 treatment on the basis that such treatment was not medically necessary
33 if such outpatient treatment was contrary to the evidence-based and peer
34 reviewed clinical review tool utilized by the insurer which is desig-
35 nated by the office of [~~alcoholism and substance abuse services~~]
36 addiction services and supports. An insured shall not have any finan-
37 cial obligation to the facility for any treatment under this subpara-
38 graph other than any copayment, coinsurance, or deductible otherwise
39 required under the policy.

40 (F) The criteria for medical necessity determinations under the policy
41 with respect to outpatient [~~substance use~~] substance-related and addic-
42 tive disorder benefits shall be made available by the insurer to any
43 insured, prospective insured, or in-network provider upon request.

44 (G) For purposes of this paragraph:

5 provider specialty, and other criteria that limit the scope or duration
6 of benefits for services provided under the policy; and

7 (iv) [~~"substance-use"~~ "substance-related and addictive disorder"] shall
8 have the meaning set forth in the most recent edition of the diagnostic

12 (H) An insurer shall provide coverage under this paragraph, at a mini-

25 licensed, certified, or otherwise authorized by the office of addiction
26 services and supports for the provision of outpatient, intensive outpa-

29 outpatient treatment provided by such facilities shall be at rates nego-
30 tiated between the insurer and the participating facility, provided that
31 such rates are not less than the rates that would be paid for such
32 treatment pursuant to the medical assistance program under title eleven
33 of article five of the social services law. For the purposes of this
34 subparagraph, the rates that would be paid for such treatment pursuant
35 to the medical assistance program under title eleven of article five of

42 Prior to the submission of premium rate filings and applications, the
43 superintendent shall provide insurers with guidance on factors to
44 consider in calculating the impact of rate changes for the purposes of
45 submitting premium rate filings and applications to the superintendent
46 for the subsequent policy year. To the extent that the rates with an
47 effective date of April first differ from the estimated rates incorpo-

49 such differences in future premium rate filings and applications submit-
50 ted to the superintendent for approval.

(A) Every policy that provides hospital, major medical or similar comprehensive coverage shall provide inpatient coverage for the diagnosis and treatment of ~~[substance-use]~~ substance-related and addictive disorder, including detoxification and rehabilitation services. Such inpatient coverage shall include unlimited medically necessary treatment for ~~[substance-use]~~ substance-related and addictive disorder treatment services provided in residential settings. Further, such inpatient coverage shall not apply financial requirements or treatment limitations, including utilization review requirements, to inpatient ~~[substance-use]~~ substance-related and addictive disorder benefits that are more restrictive than the predominant financial requirements and treatment limitations applied to substantially all medical and surgical benefits covered by the policy.

(B) Coverage provided under this paragraph may be limited to facilities in New York state that are licensed, certified or otherwise authorized by the office of ~~[alcoholism and substance abuse services]~~ addiction services and supports and, in other states, to those which are accredited by the joint commission as alcoholism, addiction, substance abuse or chemical dependence treatment programs and are similarly licensed, certified, or otherwise authorized in the state in which the facility is located.

(D) This subparagraph shall apply to facilities in this state that are licensed, certified or otherwise authorized by the office of ~~[alcoholism and substance abuse services]~~ addiction services and supports that are participating in the insurer's provider network. Coverage provided under this paragraph shall not be subject to preauthorization. Coverage provided under this paragraph shall also not be subject to concurrent utilization review during the first twenty-eight days of the inpatient admission provided that the facility notifies the insurer of both the admission and the initial treatment plan within two business days of the admission. The facility shall perform daily clinical review of the patient, including periodic consultation with the insurer at or just prior to the fourteenth day of treatment to ensure that the facility is using the evidence-based and peer reviewed clinical review tool utilized by the insurer which is designated by the office of ~~[alcoholism and substance abuse services]~~ addiction services and supports and appropriate to the age of the patient, to ensure that the inpatient treatment is medically necessary for the patient. (C-1) A large group policy that provides coverage under this paragraph shall not impose copayments or coinsurance for outpatient ~~[substance use]~~ substance-related and addictive disorder services that exceeds the copayment or coinsurance imposed for a primary care office visit. Provided that no greater than one such copayment may be imposed for all services provided in a single day by a facility licensed, certified or otherwise authorized by the office of ~~[alcoholism and substance abuse services]~~ addiction services and supports to provide outpatient ~~[substance-use]~~ substance-related and addictive disorder services.

(D) A policy providing coverage for ~~[substance-use]~~ substance-related and addictive disorder services pursuant to this paragraph shall provide up to twenty outpatient visits per policy or calendar year to an individual who identifies ~~[him or herself]~~ themselves as a family member of a person suffering from ~~[substance-use]~~ a substance-related and addictive disorder and who seeks treatment as a family member who is otherwise covered by the applicable policy pursuant to this paragraph. Coverage provided under this paragraph shall not be subject to preauthorization. Coverage provided under this paragraph shall not be subject to concurrent review for the first four weeks of continuous treatment, not to exceed twenty-eight visits, provided the facility notifies the insurer of both the start of treatment and the initial treatment plan within two business days. The facility shall perform clinical assessment of the patient at each visit, including periodic consultation with the insurer at or just prior to the fourteenth day of treatment to ensure that the facility is using the evidence-based and peer reviewed clinical review tool utilized by the insurer which is designated by the office of ~~[alcoholism and substance abuse services]~~ addiction services and supports and appropriate to the age of the patient, to ensure that the outpatient treatment is medically necessary for the patient. Any utilization review of the treatment provided under this subparagraph may include a review of all services provided during such outpatient treatment, including all services provided during the first four weeks of continuous treatment, not to exceed twenty-eight visits, of such outpatient treatment. Provided, however, the insurer shall only deny coverage for any portion of the initial four weeks of

1 continuous treatment, not to exceed twenty-eight visits, for outpatient
2 treatment on the basis that such treatment was not medically necessary
3 if such outpatient treatment was contrary to the evidence-based and peer
4 reviewed clinical review tool utilized by the insurer which is designed
5 by the office of [~~alcoholism and substance abuse services~~]
6 addiction services and supports. An insured shall not have any financial
7 obligation to the facility for any treatment under this subparagraph
8 other than any copayment, coinsurance, or deductible otherwise
9 required under the policy.

10 (F) The criteria for medical necessity determinations under the policy
11 with respect to outpatient [~~substance use~~] substance-related and addic-
12 tive disorder benefits shall be made available by the insurer to any
13 insured, prospective insured, or in-network provider upon request.

14 (G) For purposes of this paragraph:

15 (i) "financial requirement" means deductible, copayments, coinsurance
16 and out-of-pocket expenses;

17 (ii) "predominant" means that a financial requirement or treatment
18 limitation is the most common or frequent of such type of limit or
19 requirement;

20 (iii) "treatment limitation" means limits on the frequency of treatment,
21 number of visits, days of coverage, or other similar limits on the
22 scope or duration of treatment and includes nonquantitative treatment
23 limitations such as: medical management standards limiting or excluding
24 benefits based on medical necessity, or based on whether the treatment
25 is experimental or investigational; formulary design for prescription
26 drugs; network tier design; standards for provider admission to participate
27 in a network, including reimbursement rates; methods for determining usual,
28 customary, and reasonable charges; fail-first or step therapy protocols;
29 exclusions based on failure to complete a course of treatment; and restrictions
30 based on geographic location, facility type, provider specialty, and other
31 criteria that limit the scope or duration of benefits for services provided
32 under the policy; and

33 (iv) [~~"substance use"~~] "substance-related and addictive" disorder shall
34 have the meaning set forth in the most recent edition of the diagnostic
35 and statistical manual of mental disorders or the most recent edition of
36 another generally recognized independent standard of current medical
37 practice such as the international classification of diseases.

38 (H) An insurer shall provide coverage under this paragraph, at a minimum,
39 consistent with the federal Paul Wellstone and Pete Domenici Mental
40 Health Parity and Addiction Equity Act of 2008 (29 U.S.C. § 1185a).

41 (I) This subparagraph shall apply to crisis stabilization centers in
42 this state that are licensed pursuant to section 36.01 of the mental
43 hygiene law and participate in the insurer's provider network. Benefits
44 for care in a crisis stabilization center shall not be subject to preauthorization.
45 All treatment provided under this subparagraph may be reviewed retrospectively.
46 Where care is denied retrospectively, an insured shall not have any financial
47 obligation to the facility for any treatment under this subparagraph other than
48 any copayment, coinsurance, or deductible otherwise required under the policy.

50 (J) This subparagraph shall apply to facilities in this state that are
51 licensed, certified, or otherwise authorized by the office of addiction
52 services and supports for the provision of outpatient, intensive outpatient,
53 outpatient rehabilitation and opioid treatment that are participating in the
54 insurer's provider network. Reimbursement for covered outpatient treatment
55 provided by such facilities shall be at rates negotiated between the insurer
56 and the participating facility, provided that

1 such rates are not less than the rates that would be paid for such
2 treatment pursuant to the medical assistance program under title eleven
3 of article five of the social services law. For the purposes of this
4 subparagraph, the rates that would be paid for such treatment pursuant
5 to the medical assistance program under title eleven of article five of
6 the social services law shall be set forth in a fee schedule setting
7 forth the specific fee for each individual service covered by this
8 subparagraph published by the office of addiction services and supports
9 by November first of the preceding calendar year and shall be the rates
10 with an effective date of April first of the preceding year, which shall
11 be established prior to October first of the preceding calendar year.
12 Prior to the submission of premium rate filings and applications, the
13 superintendent shall provide insurers with guidance on factors to
14 consider in calculating the impact of rate changes for the purposes of
15 submitting premium rate filings and applications to the superintendent
16 for the subsequent policy year. To the extent that the rates with an
17 effective date of April first differ from the estimated rates incorpo-
18 rated in premium rate filings and applications, insurers may account for
19 such differences in future premium rate filings and applications submit-
20 ted to the superintendent for approval.

21 § 11. Subparagraph (A) of paragraph 7-a of subsection (1) of section
22 3221 of the insurance law, as amended by section 2 of subpart E of part
23 II of chapter 57 of the laws of 2023, is amended to read as follows:

24 (A) No policy that provides medical, major medical or similar compre-
25 hensive-type small group coverage and provides coverage for prescription
26 drugs for medication for the treatment of a [~~substance-use~~] substance-
27 related and addictive disorder shall require prior authorization for an
28 initial or renewal prescription for the detoxification or maintenance
29 treatment of a [~~substance-use~~] substance-related and addictive disorder,
30 including all buprenorphine products, methadone, long acting injectable
31 naltrexone, or medication for opioid overdose reversal prescribed or
32 dispensed to an insured covered under the policy, including federal food
33 and drug administration-approved over-the-counter opioid overdose
34 reversal medication as prescribed, dispensed or as otherwise authorized
35 under state or federal law, except where otherwise prohibited by law.
36 Every policy that provides medical, major medical or similar comprehen-
37 sive-type large group coverage shall provide coverage for prescription
38 drugs for medication for the treatment of a [~~substance-use~~] substance-
39 related and addictive disorder and shall not require prior authorization
40 for an initial or renewal prescription for the detoxification or mainte-

42 disorder, including all buprenorphine products, methadone, long acting
43 injectable naltrexone, or medication for opioid overdose reversal

46 opioid overdose reversal medication as prescribed, dispensed or as
47 otherwise authorized under state or federal law, except where otherwise
48 prohibited by law.

49 § 12. Subsection (a) of section 3241 of the insurance law, as amended
50 by section 1 of subpart F of part II of chapter 57 of the laws of 2023,
51 is amended to read as follows:

52 (a) (1) An insurer, a corporation organized pursuant to article
53 forty-three of this chapter, a municipal cooperative health benefit plan
54 certified pursuant to article forty-seven of this chapter, or a student

5 covered under the policy or contract. The superintendent shall review
6 the network of health care providers for adequacy at the time of the
7 superintendent's initial approval of a health insurance policy or
8 contract; at least every three years thereafter; and upon application
9 for expansion of any service area associated with the policy or contract
10 in conformance with the standards set forth in subdivision five of
11 section four thousand four hundred three of the public health law. The
12 superintendent shall determine standards for network adequacy for mental
13 health and ~~[substance-use]~~ substance-related and addictive disorder
14 treatment services, including sub-acute care in a residential facility,
15 assertive community treatment services, critical time intervention
16 services and mobile crisis intervention services, in consultation with
17 the commissioner of the office of mental health and the commissioner of
18 the office of addiction services and supports. To the extent that the
19 network has been determined by the commissioner of health to meet the
20 standards set forth in subdivision five of section four thousand four
21 hundred three of the public health law, such network shall be deemed
22 adequate by the superintendent.

23 (2) The superintendent, in consultation with the commissioner of
24 health, the commissioner of the office of mental health, and the commis-

26 regulations setting forth standards for network adequacy for mental

28 treatment services, including sub-acute care in a residential facility,
29 assertive community treatment services, critical time intervention
30 services and mobile crisis intervention services, by December thirty-

32 § 13. Subsection (k) of section 4303 of the insurance law, as amended
33 by section 26 of subpart A of part BB of chapter 57 of the laws of 2019,
34 is amended to read as follows:

35 (k)(1) Every contract that provides hospital, major medical or similar
36 comprehensive coverage shall provide inpatient coverage for the diagno-
37 sis and treatment of ~~[substance-use]~~ substance-related and addictive
38 disorder, including detoxification and rehabilitation services. Such
39 inpatient coverage shall include unlimited medically necessary treatment
40 for ~~[substance-use]~~ substance-related and addictive disorder treatment
41 services provided in residential settings. Further, such inpatient
42 coverage shall not apply financial requirements or treatment limita-
43 tions, including utilization review requirements, to inpatient
44 ~~[substance-use]~~ substance-related and addictive disorder benefits that
45 are more restrictive than the predominant financial requirements and
46 treatment limitations applied to substantially all medical and surgical
47 benefits covered by the contract.

48 (2) Coverage provided under this subsection may be limited to facili-
49 ties in New York state that are licensed, certified or otherwise author-

53 abuse, or chemical dependence treatment programs and are similarly
54 licensed, certified or otherwise authorized in the state in which the
55 facility is located.

(3) Coverage provided under this subsection may be subject to annual deductibles and co-insurance as deemed appropriate by the superintendent and that are consistent with those imposed on other benefits within a given contract.

(4) This paragraph shall apply to facilities in this state that are licensed, certified or otherwise authorized by the office of [~~alcoholism and substance abuse services~~] addiction services and supports that are participating in the corporation's provider network. Coverage provided under this subsection shall not be subject to preauthorization. Coverage provided under this subsection shall also not be subject to concurrent utilization review during the first twenty-eight days of the inpatient admission provided that the facility notifies the corporation of both the admission and the initial treatment plan within two business days of the admission. The facility shall perform daily clinical review of the patient, including periodic consultation with the corporation at or just prior to the fourteenth day of treatment to ensure that the facility is using the evidence-based and peer reviewed clinical review tool utilized by the corporation which is designated by the office of [~~alcoholism and substance abuse services~~] addiction services and supports and appropriate to the age of the patient, to ensure that the inpatient treatment is medically necessary for the patient. Prior to discharge, the facility shall provide the patient and the corporation with a written discharge plan which shall describe arrangements for additional services needed following discharge from the inpatient facility as determined using the evidence-based and peer-reviewed clinical review tool utilized by the corporation which is designated by the office of [~~alcoholism and substance abuse services~~] addiction services and supports. Prior to discharge, the facility shall indicate to the corporation whether services included in the discharge plan are secured or determined to be reasonably available. Any utilization review of treatment provided under this paragraph may include a review of all services provided during such inpatient treatment, including all services provided during the first twenty-eight days of such inpatient treatment. An insured shall not have any financial obligation to the facility for any treatment under this paragraph other than any copayment, coinsurance, or deductible otherwise required under the contract.

(5) The criteria for medical necessity determinations under the contract with respect to inpatient [~~substance use~~] substance-related and addictive disorder benefits shall be made available by the corporation to any insured, prospective insured or in-network provider upon request.

(D) [~~substance-use~~] "substance-related and addictive disorder" shall have the meaning set forth in the most recent edition of the diagnostic and statistical manual of mental disorders or the most recent edition of another generally recognized independent standard of current medical practice such as the international classification of diseases.

(7) A corporation shall provide coverage under this subsection, at a minimum, consistent with the federal Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act of 2008 (29 U.S.C. § 1185a).

Such coverage shall not apply financial requirements or treatment limitations to outpatient [~~substance-use~~] substance-related and addictive disorder benefits that are more restrictive than the predominant financial requirements and treatment limitations applied to substantially all medical and surgical benefits covered by the contract.

(2) Coverage under this subsection may be limited to facilities in this state that are licensed, certified or otherwise authorized by the office of addiction services and supports to provide outpatient [~~substance-use~~] substance-related and addictive disorder services and crisis stabilization centers licensed pursuant to section 36.01 of the mental hygiene law, and, in other states, to those which are accredited by the joint commission as alcoholism, addiction or chemical dependence substance abuse treatment programs and are similarly licensed, certified or otherwise authorized in the state in which the facility is located.

(3-a) A contract that provides large group coverage under this subsection shall not impose copayments or coinsurance for outpatient [~~substance-use~~] substance-related and addictive disorder services that exceed the copayment or coinsurance imposed for a primary care office visit. Provided that no greater than one such copayment may be imposed for all services provided in a single day by a facility licensed, certified or otherwise authorized by the office of [~~alcoholism and substance~~]

3 (4) A contract providing coverage for [~~substance use~~] substance-relat-

10 subsection. The coverage required by this subsection shall include
11 treatment as a family member pursuant to such family member's own
12 contract provided such family member:

13 (A) does not exceed the allowable number of family visits provided by
14 the applicable contract pursuant to this subsection; and

15 (B) is otherwise entitled to coverage pursuant to this subsection and

18 licensed, certified or otherwise authorized by the office of [~~alcoholism~~
19 ~~and substance abuse services~~] addiction services and supports for the
20 provision of outpatient, intensive outpatient, outpatient rehabilitation
21 and opioid treatment that are participating in the corporation's provid-

34 patient, to ensure that the outpatient treatment is medically necessary
35 for the patient. Any utilization review of the treatment provided under
36 this paragraph may include a review of all services provided during such
37 outpatient treatment, including all services provided during the first
38 four weeks of continuous treatment, not to exceed twenty-eight visits,
39 of such outpatient treatment. Provided, however, the corporation shall
40 only deny coverage for any portion of the initial four weeks of contin-
41 uous treatment, not to exceed twenty-eight visits, for outpatient treat-
42 ment on the basis that such treatment was not medically necessary if
43 such outpatient treatment was contrary to the evidence-based and peer
44 reviewed clinical review tool utilized by the corporation which is
45 designated by the office of [~~alcoholism and substance abuse services~~]
46 addiction services and supports. A subscriber shall not have any finan-
47 cial obligation to the facility for any treatment under this paragraph
48 other than any copayment, coinsurance, or deductible otherwise required
49 under the contract.

50 (6) The criteria for medical necessity determinations under the
51 contract with respect to outpatient [~~substance use~~] substance-related
52 and addictive disorder benefits shall be made available by the corpo-
53 ration to any insured, prospective insured, or in-network provider upon
54 request.

55 (7) For purposes of this subsection:

1 (A) "financial requirement" means deductible, copayments, coinsurance
2 and out-of-pocket expenses;

3 (B) "predominant" means that a financial requirement or treatment
4 limitation is the most common or frequent of such type of limit or
5 requirement.

6 (C) "treatment limitation" means limits on the frequency of treatment,
7 number of visits, days of coverage, or other similar limits on the scope

38 licensed, certified, or otherwise authorized by the office of addiction

42 outpatient treatment provided by such facilities shall be at rates nego-
43 tiated between the corporation and the participating facility, provided
44 that such rates are not less than the rates that would be paid for such
45 treatment pursuant to the medical assistance program under title eleven
46 of article five of the social services law. For the purposes of this
47 paragraph, the rates that would be paid for such treatment pursuant to
48 the medical assistance program under title eleven of article five of the
49 social services law shall be set forth in a fee schedule setting forth
50 the specific fee for each individual service covered by this paragraph
51 published by the office of addiction services and supports by November
52 first of the preceding calendar year and shall be the rates with an
53 effective date of April first of the preceding year, which shall be
