1 activities at the school and up to thirty minutes immediately before and
2 up to thirty minutes immediately after such student activities. In
3 selecting a school speed zone in which to install and operate a photo
4 speed violation monitoring system, the city shall consider criteria
5 including, but not limited to, the speed data, crash history, and the
6 roadway geometry applicable to such school speed zone.

7 2. No photo speed violation monitoring system shall be used in a
8 school speed zone unless (i) on the day it is to be used it has success-
9 fully passed a self-test of its functions; and (ii) it has undergone an
10 annual calibration check performed pursuant to paragraph four of this
11 subdivision. The city shall install signs giving notice that a photo
12 speed violation monitoring system is in use to be mounted on advance
13 warning signs notifying motor vehicle operators of such upcoming school
14 speed zone and/or on speed limit signs applicable within such school
15 speed zone, in conformance with standards established in the MUTCD.

16 3. Operators of photo speed violation monitoring systems shall have
17 completed training in the procedures for setting up, testing, and oper-
18 ating such systems. Each such operator shall complete and sign a daily
19 set-up log for each such system that they operate that (i) states the
20 date and time when, and the location where, the system was set up that
21 day, and (ii) states that such operator successfully performed, and the
22 system passed, the self-tests of such system before producing a recorded
23 image that day. The city shall retain each such daily log until the
24 later of the date on which the photo speed violation monitoring system
25 to which it applies has been permanently removed from use or the final
26 resolution of all cases involving notices of liability issued based on
27 photographs, microphotographs, videotape or other recorded images
28 produced by such system.

29 4. Each photo speed violation monitoring system shall undergo an annu-
30 al calibration check performed by an independent calibration laboratory
31 which shall issue a signed certificate of calibration. The city shall
32 keep each such annual certificate of calibration on file until the final
33 resolution of all cases involving a notice of liability issued during
34 such year which were based on photographs, microphotographs, videotape
35 or other recorded images produced by such photo speed violation monitor-
36 ing system.

37 5. (i) Such demonstration program shall utilize necessary technologies
38 to ensure, to the extent practicable, that photographs, microphoto-
39 graphs, videotape or other recorded images produced by such photo speed
40 violation monitoring systems shall not include images that identify the
41 driver, the passengers, or the contents of the vehicle. Provided,
42 however, that no notice of liability issued pursuant to this section
43 shall be dismissed solely because such a photograph, microphotograph,
44 videotape or other recorded image allows for the identification of the
45 driver, the passengers, or the contents of vehicles where the city shows
46 that it made reasonable efforts to comply with the provisions of this
47 paragraph in such case.

48 (ii) Photographs, microphotographs, videotape or any other recorded
49 image from a photo speed violation monitoring system shall be for the
50 exclusive use of the city for the purpose of the adjudication of liabil-
51 ity imposed pursuant to this section and of the owner receiving a notice
52 of liability pursuant to this section, and shall be destroyed by the
53 city upon the final resolution of the notice of liability to which such
54 photographs, microphotographs, videotape or other recorded images
55 relate, or one year following the date of issuance of such notice of
56 liability, whichever is later. Notwithstanding the provisions of any

other law, rule or regulation to the contrary, photographs, microphotographs, videotape or any other recorded image from a photo speed violation monitoring system shall not be open to the public, nor subject to civil or criminal process or discovery, nor used by any court or administrative or adjudicatory body in any action or proceeding therein except that which is necessary for the adjudication of a notice of liability issued pursuant to this section, and no public entity or employee, officer or agent thereof shall disclose such information, except that such photographs, microphotographs, videotape or any other recorded images from such systems:

(A) shall be available for inspection and copying and use by the motor vehicle owner and operator for so long as such photographs, microphotographs, videotape or other recorded images are required to be maintained or are maintained by such public entity, employee, officer or agent; and

(B) (1) shall be furnished when described in a search warrant issued by a court authorized to issue such a search warrant pursuant to article six hundred ninety of the criminal procedure law or a federal court authorized to issue such a search warrant under federal law, where such search warrant states that there is reasonable cause to believe such information constitutes evidence of, or tends to demonstrate that, a misdemeanor or felony offense was committed in this state or another state, or that a particular person participated in the commission of a misdemeanor or felony offense in this state or another state, provided, however, that if such offense was against the laws of another state, the court shall only issue a warrant if the conduct comprising such offense would, if occurring in this state, constitute a misdemeanor or felony against the laws of this state; and

(2) shall be furnished in response to a subpoena duces tecum signed by a judge of competent jurisdiction and issued pursuant to article six hundred ten of the criminal procedure law or a judge or magistrate of a federal court authorized to issue such a subpoena duces tecum under federal law, where the judge finds and the subpoena states that there is reasonable cause to believe such information is relevant and material to the prosecution, or the defense, or the investigation by an authorized law enforcement official, of the alleged commission of a misdemeanor or felony in this state or another state, provided, however, that if such offense was against the laws of another state, such judge or magistrate shall only issue such subpoena if the conduct comprising such offense would, if occurring in this state, constitute a misdemeanor or felony in this state; and

(3) may, if lawfully obtained pursuant to this clause and clause (A) of this subparagraph and otherwise admissible, be used in such criminal action or proceeding.

(b) If the city of Poughkeepsie establishes a demonstration program pursuant to subdivision (a) of this section, the owner of a vehicle shall be liable for a penalty imposed pursuant to this section if such vehicle was used or operated with the permission of the owner, express or implied, within a school speed zone in violation of subdivision (c) or during the times authorized pursuant to subdivision (a) of this section in violation of subdivision (b), (d), (f) or (g) of section eleven hundred eighty of this article, such vehicle was traveling at a speed of more than ten miles per hour above the posted speed limit in effect within such school speed zone, and such violation is evidenced by information obtained from a photo speed violation monitoring system; provided however that no owner of a vehicle shall be liable for a penalty imposed pursuant to this section where the operator of such vehicle

1 has been convicted of the underlying violation of subdivision (b), (c),
2 (d), (f) or (g) of section eleven hundred eighty of this article.

3 (c) For purposes of this section, the following terms shall have the

27 violation shall include at least two date and time stamped images of the
28 rear of the motor vehicle that include the same stationary object near
29 the motor vehicle and shall be available for inspection reasonably in

33 or (g) of section eleven hundred eighty of this article pursuant to a
34 demonstration program established pursuant to this section shall be

47 insurance purposes in the provision of motor vehicle insurance coverage.

48 (g) 1. A notice of liability shall be sent by first class mail to each

55 ordinary course of business shall be prima facie evidence of the facts
56 contained therein.

11 3. The notice of liability shall contain information advising the

16 liability and that a default judgment may be entered thereon.

17 4. The notice of liability shall be prepared and mailed by the city of
18 Poughkeepsie, or by any other entity authorized by the city to prepare
19 and mail such notice of liability.

20 (h) Adjudication of the liability imposed upon owners of this section
21 shall be by the city of Poughkeepsie parking violations bureau.

22 (i) If an owner receives a notice of liability pursuant to this
23 section for any time period during which the vehicle or the number plate

26 liability for a violation of subdivision (b), (c), (d), (f) or (g) of
27 section eleven hundred eighty of this article pursuant to this section
28 that the vehicle or the number plate or plates of such vehicle had been
29 reported to the police as stolen prior to the time the violation
30 occurred and had not been recovered by such time. For purposes of
31 asserting the defense provided by this subdivision, it shall be suffi-

48 identified in the notice of liability at the time of such violation,
49 together with such other additional information contained in the rental,
50 lease or other contract document, as may be reasonably required by such
51 bureau pursuant to regulations that may be promulgated for such purpose.

Notwithstanding any other provision of this section, no owner of a vehicle shall be subject to a monetary fine imposed pursuant to this section if the operator of such vehicle was operating such vehicle without the consent of the owner at the time such operator operated such vehicle in violation of subdivision (b), (c), (d), (f) or (g) of section eleven hundred eighty of this article.
