2. There is hereby created in the joint custody of the state comptroller and the commissioner of taxation and finance a fund to be known as the "art education fund".

3. Such fund shall consist of all revenues received by the department of taxation and finance, pursuant to the provisions of section eleven hundred ninety-nine-b of the tax law and all other monies appropriated, credited, or transferred thereto from any other fund or source pursuant

4. (a) One percent of the monies of the fund shall be made available to the council for administrative costs.

(b) The remaining ninety-nine percent of the monies of the fund shall be available to the council to be transferred to one or more regrant administrators for the purpose of providing assistance for art education and art supplies at public schools receiving federal funds pursuant to Title I of the Elementary and Secondary Education Act of nineteen hundred sixty-five, as amended. 5. (a) The council shall select as regrant administrators the twenty-six state community regrant partners. Where an eligible school is not served by a community regrant partner, the council may designate an alternative entity to administer awards in that region. Regional allocations shall be based on each region's proportionate share of pupils enrolled in Title I programs. Award amounts shall be calculated as follows:

(iii) Minimum award adjustments. A rural school shall receive not less than ten thousand dollars. A non-rural school shall receive not less than fifteen thousand dollars.

(iv) Maximum award adjustment. No eligible school shall receive more than twenty thousand dollars.

(v) Normalization. If the total amount of awards calculated pursuant to this subdivision exceeds the amount available for awards, the council shall proportionally adjust the award amounts of schools whose allocations exceed the applicable minimum award until the total equals the amount available for awards.

(vi) Three-year award term. Awards shall be issued for three-year award terms, subject to annual funding availability.

(b) Guidelines issued pursuant to this subdivision shall be limited to administrative procedures necessary to implement the formula set forth in subdivision five of this section and shall not impose application, competitive review, or scoring requirements.

The council shall provide by September first of each year, to the governor, the temporary president of the senate, the speaker of the assembly, the chair of the senate finance committee and the chair of the assembly ways and means committee, a report containing guidelines and amendments established by the state council on the arts and a complete financial statement including, but not limited to, monies allocated, collected, transferred or otherwise paid or credited to the fund. A

projected schedule of disbursements and receipts of the fund for the next fiscal year shall be included in each report. In addition, any amendments to the guidelines shall be provided to the above listed individuals within thirty days of their establishment by the council.

7. No monies shall be payable from this fund, except on the audit and warrant of the comptroller on vouchers certified and submitted by the chair of the council.

§ 3. This act shall take effect on the first of January next succeeding the date on which it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
