

STATE OF NEW YORK

10624

IN ASSEMBLY

March 13, 2026

Introduced by M. of A. HYNDMAN -- read once and referred to the Committee on Education

AN ACT to require any public school located in a city with a population of one million or more to provide a remote learning option when such public school is located in a county where community transmission of any illness is at a substantial or high level

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Notwithstanding any law, rule, regulation or order to the
2 contrary, any public school located in a city with a population of one
3 million or more shall provide a remote learning option to all primary
4 and secondary students when such public school is located in a county
5 determined by the federal centers for disease control and prevention to
6 have a substantial or high level of community transmission of any
7 illness deemed by the federal centers for disease control and prevention
8 to be an outbreak. Such remote learning option shall remain available
9 until the federal centers for disease control and prevention determines
10 that community transmission in such county is at a low or moderate
11 level.
12 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
