Subdivisions 1, 3 and 7 of section 2852 of the education law, subdivision 1 as amended by chapter 101 of the laws of 2010, subdivision 3 as added by chapter 4 of the laws of 1998 and subdivision 7 as amended by section 2 of part D-2 of chapter 57 of the laws of 2007, are amended to read as follows:

1. A charter entity shall not act on an application unless the community district education council or the voters of the school district where the charter is located or is proposed to be located has voted on

and certified such charter application and transmitted such certification documentation to such charter entity. A charter entity that receives an application for approval of a charter school which has been certified by the community district education council or the voters of the school district where the charter is located or is proposed to be located shall act on each [~~request~~] charter school application received from a community district education council or a school district prior to July first of a calendar year on or before January first of the succeeding calendar year, and a proposed charter between the applicant and the charter entity resulting from such application shall be executed on or before February first of such succeeding year. Nothing in this subdivision shall be construed to prevent a charter entity from receiving or acting upon an application at any time[~~. This subdivision shall not apply to applications that are submitted pursuant to subdivision nine-a of this section~~]; provided, however, that such application shall have been certified by the community district education council or by the voters of the school district where the charter is located or is proposed to be located.

3. A charter entity is not required to approve a charter and may require an applicant to modify or supplement an application as a condition of approval. Any modification or supplement shall first be certified by the community district education council or by the voters of the school district where the charter is located or is proposed to be located before the charter entity may act on such charter application, pursuant to the provisions established in subdivisions three and four of section twenty-eight hundred fifty-one of this article. An existing private school shall not be eligible to convert to a charter school. In determining whether an application involves the conversion of an existing private school, the charter entity and the board of regents shall consider such factors as: (a) whether the charter school would have the same or substantially the same board of trustees and/or officers as an existing private school; (b) whether a substantial proportion of employees of the charter school would be drawn from such existing private school; (c) whether a substantial portion of the assets and property of such existing private school would be transferred to the charter school; (d) whether the charter school would be located at the same site as such existing private school; (e) upon renewal only, whether such private school closed within one year of establishment of the charter school; and (f) upon renewal only, whether a substantial portion of the charter school's students were drawn from such existing private school.

7. (a) A revision of a charter shall be made only upon the approval of the charter entity and the board of regents in accordance with the provisions of subdivisions five-a and five-b of this section after certification by the community district education council or by the voters of the school district where the charter is located.

(b) When a revision of a charter involves the relocation of a charter school to a different school district, the proposed new school district shall be given [~~at least forty-five days notice~~] by February first of the proposed relocation. In addition, the applicant shall provide an analysis of the community support for such relocation and of the projected programmatic impact and an independent fiscal impact statement of the charter school on the proposed new school district of location and other public and nonpublic schools in the area.

§ 3. This act shall take effect immediately.
