Section 1. Section 8-600 of the election law is amended by adding a new subdivision 2-a to read as follows:

**2-a. The designation and location of any portable polling place shall be made no later than fourteen days before an election.**

Such location or locations shall be included as part of the communication plan developed by each board of elections pursuant to subdivision five of this section.**

**(c) Locations for portable polling locations for early voting shall be operational for no fewer than three consecutive days.**

**(d) No portable polling location for early voting established by this subdivision shall replace or otherwise decrease the number of polling places for early voting required by subdivision two of this section.**

**(e) For the purposes of early voting at portable polling locations, any ballots cast at such portable polling locations shall comply with the provisions of subdivision six of this section.**

§ 2. This act shall take effect on the first of January next succeeding the date on which it shall have become a law.
