2 normally scheduled to work pursuant to the budgeted hours allocated to  
3 the nurse's or health care worker's position by the health care employ-  
4 er; and if no such allocation system exists, some other measure general-  
5 ly used by the health care employer to determine when an employee is  
6 minimally supposed to work, consistent with the collective bargaining

8 an employer to use on-call time as a substitute for mandatory overtime.

9 d. "Health care worker" shall mean personnel employed by or contracted  
10 to work for a health care employer who have an effect upon the delivery  
11 of quality care to patients, including but not limited to unlicensed

43 to protect the public health and the quality of patient care, and shall  
44 not be construed to diminish or waive any rights of any nurse or health  
45 care worker pursuant to any other law, regulation, or collective  
46 bargaining agreement.
