54 school. For each enumerated offense, a second or further violation
55 committed within five years, shall be subject to a civil penalty not to

1 exceed one and one-half times the amount of the previous violation for
2 each such violation.

3 § 5. Subdivision 10 of section 5007 of the education law, as amended
4 by chapter 381 of the laws of 2012, is amended to read as follows:

5 10. Management of the tuition reimbursement account. a. As used in
6 this subdivision, net balance is defined as the actual cash balance of
7 the account as determined by the commissioner on June thirtieth, nine-
8 teen hundred ninety-three and every three months thereafter. For the
9 purpose of calculating the net balance, the commissioner shall not take
10 into consideration any refunds made from the account pursuant to para-
11 graphs d and f of subdivision four of this section for the year imme-
12 diately preceding the date on which the calculation is made.

13 b. In the event that the account has accumulated a net balance in
14 excess of [~~one~~] two million eight hundred thousand dollars, the commis-
15 sioner shall, with the approval of the director of the budget, waive an
16 amount not to exceed the amount due for the next quarterly assessment
17 pursuant to this section and subdivision nine of section five thousand
18 one of this article for schools which have paid sixteen quarters or more
19 of assessments only. In such event, payment of future quarterly assess-
20 ments shall be suspended for schools which have paid sixteen quarters or
21 more of assessments until the net balance of the account falls below
22 [~~one~~] two million three hundred thousand dollars.

23 c. In the event the net balance of the account falls below [~~one~~] two
24 million three hundred thousand dollars, if the quarterly assessment has
25 been suspended for schools which have paid sixteen quarters or more of
26 assessments pursuant to paragraph b of this subdivision, it shall be
27 reinstated for the next quarterly assessment and all subsequent quarter-
28 ly assessments until the account has accumulated a net balance in excess
29 of [~~one~~] two million eight hundred thousand dollars.

30 d. Notwithstanding the provisions of paragraph b of this subdivision,
31 in the event that the balance of the account is in excess of [~~one~~] two
32 million three hundred thousand dollars, all schools licensed after June
33 thirtieth, nineteen hundred ninety-nine shall be required to pay into
34 the account the equivalence of three years of annual assessments over a
35 five year period.

36 e. Notwithstanding the provisions of paragraph b of this subdivision
37 all schools licensed after June thirtieth, nineteen hundred ninety-three
38 and before July first, nineteen hundred ninety-nine will be required to
39 pay into the account the equivalence of three years of annual assess-
40 ments within four years of the effective date of this paragraph. This
41 amount to be assessed shall be determined based upon the school's gross
42 tuition in its first three years of licensure.

43 f. In the event that the balance of the tuition reimbursement account
44 is equal to or in excess of three million dollars, up to five hundred
45 thousand dollars of the amounts assessed to schools in accordance with
46 the provisions of paragraphs d and e of this subdivision shall be appro-
47 riated to the department for the hiring of additional staff to perform
48 regulatory oversight of the schools covered under this article.

49 g. In the event that the balance of the tuition reimbursement account
50 is equal to or in excess of [~~two~~] three million five hundred one
51 dollars, the amounts assessed the schools in accordance with the
52 provisions of paragraphs d and e of this subdivision shall be deposited
53 directly to the proprietary vocational school supervision account.

54 h. The commissioner may annually apportion from the account an amount
55 up to two hundred thousand dollars for the purpose of securing, scanning
56 and otherwise making student records from closed schools available to

1 students who attended such schools. Provided, however, that in no case
2 shall such apportionment cause the account to fall below the balance set
3 forth in paragraph c of this subdivision, nor shall such apportionment
4 cause schools whose quarterly assessments have been suspended to pay
5 additional quarterly assessments.

6 § 6. Subdivision 5 of section 5002 of the education law is amended by
7 adding a new paragraph g to read as follows:

8 g. (1) The commissioner shall require annually, that available data be
9 submitted on the gainful employment outcomes of students for each
10 curriculum, course, or program of any school licensed pursuant to
11 section five thousand one of this article. The commissioner shall be
12 authorized to promulgate rules and regulations that define and detail
13 what shall be required as part of such submission. The submission must,
14 at a minimum include the average amount of student debt a student has
15 incurred through a school's curriculum, course, or program and the aver-
16 age adjusted gross income that students attain three years after the
17 students have completed the curriculum, course, or program.

18 (2) Schools submitting student data pertaining to gainful employment
19 outcomes shall attest to the completeness and accuracy of the informa-
20 tion submitted to the commissioner under penalty for violation of frau-
21 dulent statements or representations to the department as outlined under
22 section five thousand three of this article.

23 (3) For the purpose of this section, a school shall have satisfied the
24 completeness and accuracy of the information submitted if they reported
25 the average adjusted gross income of applicable former students through
26 such school's available access to tax data of such applicable former
27 students. However, if the school does not have available access to tax
28 data of such applicable former students then the school can satisfy the
29 completeness and accuracy of the information submitted requirement by
30 conducting a survey of applicable former students related to their
31 earned income. Such survey shall be done pursuant to regulations and
32 guidance promulgated by the commissioner.

33 § 7. If any clause, sentence, paragraph, or part of this act or the
34 application thereof to any person or circumstances, shall, for any
35 reason, be adjudged by a court of competent jurisdiction to be invalid,
36 such judgment shall not affect, impair, or invalidate the remainder of
37 this act, and the application thereof to other person or circumstances,
38 but shall be confined in its operation to the clause, sentence, para-
39 graph, or part thereof directly involved in the controversy in which
40 such judgment shall have been rendered and to the person or circum-
41 stances involved. It is hereby declared to be the legislative intent
42 that this act would have been adopted had such invalid provisions not
43 been included.

44 § 8. This act shall take effect on the one hundred eightieth day after
45 it shall have become a law. Effective immediately, the addition, amend-
46 ment and/or repeal of any rule or regulation necessary for the implemen-
47 tation of this act on its effective date are authorized to be made and
48 completed on or before such effective date.
