PART C

Section 1. Paragraph 1 of subsection c-1 of section 606 of the tax law, as amended by section 1 of part HH of chapter 56 of the laws of 2023, is amended to read as follows:

(1) [A] For taxable years beginning before January first, two thousand twenty-five, and taxable years beginning on or after January first, two thousand twenty-eight, a resident taxpayer shall be allowed a credit as provided herein equal to the greater of one hundred dollars times the number of qualifying children of the taxpayer or the applicable percentage of the child tax credit allowed the taxpayer under section twenty-

four of the internal revenue code for the same taxable year for each qualifying child. Provided, however, in the case of a taxpayer whose federal adjusted gross income exceeds the applicable threshold amount set forth by section 24(b)(2) of the Internal Revenue Code, the credit shall only be equal to the applicable percentage of the child tax credit allowed the taxpayer under section 24 of the Internal Revenue Code for each qualifying child. For the purposes of this subsection, a qualifying child shall be a child who meets the definition of qualified child under section 24(c) of the internal revenue code. The applicable percentage shall be thirty-three percent. For purposes of this subsection, any reference to section 24 of the Internal Revenue Code shall be a reference to such section as it existed immediately prior to the enactment of Public Law 115-97.

§ 2. Subsection c-1 of section 606 of the tax law is amended by adding a new paragraph (1-a) to read as follows:

(1-a) (A) For taxable years beginning on and after January first, two thousand twenty-five, and before January first, two thousand twenty-six, a resident taxpayer shall be allowed a credit as provided herein, equal to the sum of:

(i) one thousand dollars times the number of qualifying children of the taxpayer aged three or younger, and

(ii) three hundred thirty dollars times the number of qualifying children of the taxpayer who have attained age four and not yet attained age seventeen.

(B) For taxable years beginning on and after January first, two thousand twenty-six, and before January first, two thousand twenty-eight, a resident taxpayer shall be allowed a credit as provided herein, equal to the sum of:

(i) one thousand dollars times the number of qualifying children of the taxpayer aged three or younger, and

(ii) five hundred dollars times the number of qualifying children of the taxpayer who have attained age four and not yet attained age seventeen.

(C) The amount of the credit allowable under subparagraphs (A) and (B) of this paragraph shall be reduced (but not below zero) by sixteen dollars and fifty cents for each one thousand dollars by which the taxpayer's federal adjusted gross income exceeds the threshold amount. For the purposes of this subparagraph, the term "threshold amount" shall mean: (i) one hundred ten thousand dollars in the case of married taxpayers filing jointly; (ii) seventy-five thousand dollars in the case of a taxpayer filing as single, head of household, or qualified surviving spouse; and (iii) fifty-five thousand dollars in the case of a married taxpayer filing a separate return.

(D) For the purposes of this paragraph, a qualifying child shall be an individual who: (i) is a child, sibling, or stepsibling of the taxpayer, or a descendent of any such relative; (ii) has the same principal place of abode as the taxpayer for more than one-half of the taxable year; (iii) has not attained age seventeen; (iv) has not provided over one-half of such individual's own support for the calendar year in which the taxable year of the taxpayer begins; (v) has not filed a joint return (other than only for a claim of refund) with the individual's spouse under section six hundred fifty-one of this article for the taxable year; and (vi) is a citizen or national of the United States, or an individual with an individual taxpayer identification number issued by the internal revenue service.

1 (E) For the purposes of this paragraph, the term "child" shall mean an
2 individual who is the offspring or stepchild of the taxpayer, or an
3 eligible foster child of the taxpayer, or a legally adopted individual
4 of the taxpayer, or an individual who is lawfully placed with the
5 taxpayer for legal adoption by the taxpayer.

6 (F) (i) Except as provided in subparagraph (C) of this paragraph, if
7 an individual may be claimed as a qualifying child by two or more
8 taxpayers for a taxable year, such individual shall be treated as the
9 qualifying child of the taxpayer who is: (I) a parent of the individual,
10 or (II) if subclause (I) does not apply, the taxpayer with the highest
11 federal adjusted gross income for such taxable year.

12 (ii) If the parents claiming any qualifying child do not file a joint
13 return together, such child shall be treated as the qualifying child of:
14 (I) the parent with whom the child resided for the longest period of
15 time during the taxable year, or (II) if the child resides with both
16 parents for the same amount of time during such taxable year, the parent
17 with the highest federal adjusted gross income who files a return pursu-
18 ant to section six hundred fifty-one of this article.

19 (iii) If the parents of an individual may claim such individual as a
20 qualifying child but no parent so claims the individual, such individual
21 may be claimed as the qualifying child of another taxpayer, but only if
22 the federal adjusted gross income of such taxpayer is higher than the
23 highest federal adjusted gross income of any parent of the individual,
24 regardless of a requirement to file a return pursuant to section six
25 hundred fifty-one of this article.

26 § 3. This act shall take effect immediately.

38 Section 1. Subdivision 26 of section 210-B of the tax law, as added by
39 section 17 of part A of chapter 59 of the laws of 2014, paragraphs (a)
40 and (c) as amended by section 2 of part RR of chapter 59 of the laws of
41 2018, subparagraph (i) of paragraph (a) as amended by section 2, subpar-
42 agraph (ii) of paragraph (a) as amended by section 4 and paragraph (a-1)
43 as amended by section 3 of subpart B of part I of chapter 59 of the laws
44 of 2023, paragraph (e) as amended by section 1 of part U of chapter 59
45 of the laws of 2019, paragraph (f) as added by section 2 of part CCC of
46 chapter 59 of the laws of 2021, is amended to read as follows:

47 26. Credit for rehabilitation of historic properties. (a) Application
48 of credit. (i) For taxable years beginning on or after January first,
49 two thousand ten, and before January first, two thousand thirty, a
50 taxpayer, or a transferee of such a taxpayer as described in paragraph
51 (g) of this subdivision, shall be allowed a credit as hereinafter
52 provided, against the tax imposed by this article, in an amount equal to
53 one hundred percent of the amount of credit allowed the taxpayer for the
54 same taxable year with respect to a certified historic structure, and

1 one hundred fifty percent of the amount of credit allowed the taxpayer
2 with respect to a certified historic structure that is a small project,
3 under internal revenue code section 47(c)(3), determined without regard
4 to ratably allocating the credit over a five year period as required by
5 subsection (a) of such section 47, with respect to a certified historic
6 structure located within the state. Provided, however, the credit shall
7 not exceed five million dollars.

8 (ii) For taxable years beginning on or after January first, two thou-
9 sand thirty, a taxpayer, or a transferee of such a taxpayer as described
10 in paragraph (g) of this subdivision, shall be allowed a credit as here-
11 inafter provided, against the tax imposed by this article, in an amount
12 equal to thirty percent of the amount of credit allowed the taxpayer for
13 the same taxable year determined without regard to ratably allocating
14 the credit over a five year period as required by subsection (a) of
15 section 47 of the internal revenue code, with respect to a certified
16 historic structure under subsection (c)(3) of section 47 of the internal
17 revenue code with respect to a certified historic structure located
18 within the state. Provided, however, the credit shall not exceed one
19 hundred thousand dollars.

20 (a-1) If the taxpayer or transferee is a partner in a partnership or a
21 shareholder in a New York S corporation, then the credit caps imposed in
22 paragraph (a) of this subdivision shall be applied at the entity level,
23 so that the aggregate credit allowed to all the partners or shareholders
24 of each such entity in the taxable year does not exceed the credit cap
25 that is applicable in that taxable year.

26 (b) Tax credits allowed pursuant to this subdivision shall be allowed
27 in the taxable year that the qualified rehabilitation is placed in
28 service under section 167 of the federal internal revenue code.

29 (c) If the taxpayer is allowed a credit pursuant to section 47 of the
30 internal revenue code with respect to a qualified rehabilitation that is
31 also the subject of the credit allowed by this subdivision and that
32 credit pursuant to such section 47 is recaptured pursuant to subsection
33 (a) of section 50 of the internal revenue code, a portion of the credit
34 allowed under this subdivision must be added back by the taxpayer or
35 transferee in the same taxable year and in the same proportion as the
36 federal credit.

37 (d) The credit allowed under this subdivision for any taxable year
38 shall not reduce the tax due for such year to less than the amount
39 prescribed in paragraph (d) of subdivision one of section two hundred
40 ten of this article. However, if the amount of the credit allowed under
41 this subdivision for any taxable year reduces the tax to such amount or
42 if the taxpayer otherwise pays tax based on the fixed dollar minimum
43 amount, any amount of credit thus not deductible in such taxable year
44 shall be treated as an overpayment of tax to be recredited or refunded
45 in accordance with the provisions of section one thousand eighty-six of
46 this chapter. Provided, however, the provisions of subsection (c) of
47 section one thousand eighty-eight of this chapter notwithstanding, no
48 interest shall be paid thereon.

49 (e) [~~Except in the case of a qualified rehabilitation project under-~~
50 ~~taken within a state park, state historic site, or other land owned by~~
51 ~~the state, that is under the jurisdiction of the office of parks, recre-~~
52 ~~ation and historic preservation, to]~~ To be eligible for the credit
53 allowable under this subdivision, the rehabilitation project shall be in
54 whole or in part located within a census tract which is identified as
55 being at or below one hundred percent of the state median family income
56 as calculated as of April first of each year using the most recent five

1 year estimate from the American community survey published by the United
2 States Census bureau. If there is a change in the most recent five year
3 estimate, a census tract that qualified for eligibility under this
4 program before information about the change was released will remain
5 eligible for a credit under this subdivision for an additional two
6 calendar years. The eligibility restrictions set forth in this paragraph
7 shall not be applicable if:

8 (i) a qualified rehabilitation project is undertaken within a state
9 park, state historic site, or other land owned by the state, that is
10 under the jurisdiction of the office of parks, recreation and historic
11 preservation; or

12 (ii) a qualified rehabilitation project is undertaken for the
13 provision of affordable housing and the taxpayer has entered into a
14 regulatory agreement with any state or federal agency or authority, or
15 any other government entity that is authorized to engage in the financ-
16 ing, construction or oversight of affordable housing within such enti-
17 ty's jurisdiction, and where such regulatory agreement sets forth
18 affordability requirements applicable for a period of not less than
19 thirty years and that is binding on all successors of the taxpayer.

20 (f) For purposes of this subdivision "small project" means qualified
21 rehabilitation expenditures totaling two million five hundred thousand
22 dollars or less.

23 (g)(i) A taxpayer allowed a credit pursuant to this subdivision may
24 transfer the credit, in whole or in part, to another person or entity,
25 who shall be referred to as the transferee, without regard to how any
26 tax credit authorized pursuant to section forty-seven of the internal
27 revenue code with respect to a qualified rehabilitation project may be
28 allocated and notwithstanding that such other person or entity owns no
29 interest in the qualified rehabilitation project or in an entity with an
30 ownership interest in the qualified rehabilitation project. A transferee
31 may not transfer any credit, or portion thereof, acquired by transfer.

32 (ii) A taxpayer seeking to transfer a credit allowed pursuant to this
33 subdivision must enter into a transfer contract with the transferee. The
34 transfer contract must specify:

35 (A) the building identification numbers for all buildings in the
36 project;

37 (B) the date each building was placed into service;

38 (C) the schedule of years for which the transfer credit may be claimed
39 and the amount of credit previously claimed;

40 (D) the amount of consideration received by the taxpayer for the
41 transfer credit; and

42 (E) the amount of credit being transferred.

43 (iii) No transfer shall be effective unless the taxpayer allowed a
44 credit pursuant to this subdivision and seeking to transfer the credit
45 files a transfer application with the commissioner of parks, recreation
46 and historic preservation prior to the transfer and such transfer appli-
47 cation is approved. The transfer application shall include the name and
48 federal identification numbers of the taxpayer and each proposed trans-
49 feree, the amount of credit proposed to be transferred to each proposed
50 transferee, a copy of the transfer contract, and such other information
51 as the commissioner or the commissioner of parks, recreation and histor-
52 ic preservation may require. The commissioner of parks, recreation and
53 historic preservation shall approve or deny each transfer application
54 and, if an application is denied, shall issue a written determination to
55 the taxpayer. If the transfer is approved, the commissioner of parks,
56 recreation and historic preservation shall issue a transfer approval

certificate that provides the name of the transferor and all transferees, the amount of credit being transferred and such other information as the commissioner of parks, recreation and historic preservation and the commissioner deem necessary. A copy of the transfer approval certificate must be attached to each transferee's tax return. The commissioner of parks, recreation and historic preservation, in consultation with the commissioner, may establish such other procedures and standards deemed necessary for the transferability of credits allowed under this subdivision.

(iv) The commissioner of parks, recreation and historic preservation shall forward copies of all transfer applications and attachments thereto and approval certificates to the commissioner within thirty days after the transfer is approved.

(v) A taxpayer allowed a credit pursuant to section forty-seven of the internal revenue code with respect to a qualified rehabilitation that is also the subject of the credit allowed by this subdivision shall remain solely liable for all obligations and liabilities imposed on the taxpayer with respect to the credit allowed by this subdivision, none of which shall apply to a party to whom the credit has been subsequently transferred.

§ 2. Subsection (oo) of section 606 of the tax law, as amended by chapter 239 of the laws of 2009, paragraph 1 as amended by chapter 472 of the laws of 2010, subparagraph (A) of paragraph 1 as amended by section 1 of subpart B of part I of chapter 59 of the laws of 2023, paragraph 3 as amended by section 1 of part RR of chapter 59 of the laws of 2018, paragraph 4 as amended by section 1 of part F of chapter 59 of the laws of 2013, paragraph 5 as amended by section 2 of part U of chapter 59 of the laws of 2019, paragraph 6 as added by section 1 of part CCC of chapter 59 of the laws of 2021, is amended to read as follows:

(oo) Credit for rehabilitation of historic properties. (1) (A) For taxable years beginning on or after January first, two thousand ten and before January first, two thousand thirty, a taxpayer, or a transferee of such a taxpayer as described in paragraph seven of this subsection, shall be allowed a credit as hereinafter provided, against the tax imposed by this article, in an amount equal to one hundred percent of the amount of credit allowed the taxpayer with respect to a certified historic structure, and one hundred fifty percent of the amount of credit allowed the taxpayer with respect to a certified historic structure that is a small project, under internal revenue code section 47(c)(3), determined without regard to ratably allocating the credit over a five year period as required by subsection (a) of such section 47, with respect to a certified historic structure located within the state. Provided, however, the credit shall not exceed five million dollars. For taxable years beginning on or after January first, two thousand thirty, a taxpayer, or a transferee of such a taxpayer as described in paragraph seven of this subsection, shall be allowed a credit as hereinafter provided, against the tax imposed by this article, in an amount equal to thirty percent of the amount of credit allowed the taxpayer with respect to a certified historic structure under internal revenue code section 47(c)(3), determined without regard to ratably allocating the credit over a five year period as required by subsection (a) of such section 47, with respect to a certified historic structure located within the state; provided, however, the credit shall not exceed one hundred thousand dollars.

(B) If the taxpayer or transferee is a partner in a partnership or a shareholder of a New York S corporation, then the credit cap imposed in

1 subparagraph (A) of this paragraph shall be applied at the entity level,
2 so that the aggregate credit allowed to all the partners or shareholders
3 of each such entity in the taxable year does not exceed the credit cap
4 that is applicable in that taxable year.

5 (2) Tax credits allowed pursuant to this subsection shall be allowed
6 in the taxable year that the qualified rehabilitation is placed in
7 service under section 167 of the federal internal revenue code.

8 (3) If the taxpayer is allowed a credit pursuant to section 47 of the
9 internal revenue code with respect to a qualified rehabilitation that is
10 also the subject of the credit allowed by this subsection and that cred-
11 it pursuant to such section 47 is recaptured pursuant to subsection (a)
12 of section 50 of the internal revenue code, a portion of the credit
13 allowed under this subsection must be added back by the taxpayer or
14 transferee in the same taxable year and in the same proportion as the
15 federal recapture.

16 (4) If the amount of the credit allowed under this subsection for any
17 taxable year shall exceed the taxpayer's tax for such year, the excess
18 shall be treated as an overpayment of tax to be credited or refunded in
19 accordance with the provisions of section six hundred eighty-six of this
20 article, provided, however, that no interest shall be paid thereon.

21 (5) ~~[Except in the case of a qualified rehabilitation project under-~~
22 ~~taken within a state park, state historic site, or other land owned by~~
23 ~~the state, that is under the jurisdiction of the office of parks, recre-~~
24 ~~ation and historic preservation, to]~~ To be eligible for the credit
25 allowable under this subsection the rehabilitation project shall be in
26 whole or in part located within a census tract which is identified as
27 being at or below one hundred percent of the state median family income
28 as calculated as of April first of each year using the most recent five
29 year estimate from the American community survey published by the United
30 States Census bureau. If there is a change in the most recent five year
31 estimate, a census tract that qualified for eligibility under this
32 program before information about the change was released will remain
33 eligible for a credit under this subsection for an additional two calen-
34 dar years. The eligibility restrictions set forth in this paragraph
35 shall not be applicable if:

36 (A) a qualified rehabilitation project is undertaken within a state
37 park, state historic site, or other land owned by the state, that is
38 under the jurisdiction of the office of parks, recreation and historic
39 preservation; or

40 (B) a qualified rehabilitation project is undertaken for the provision
41 of affordable housing and the taxpayer has entered into a regulatory
42 agreement with any state or federal agency or authority, or any other
43 government entity that is authorized to engage in the financing,
44 construction or oversight of affordable housing within such entity's
45 jurisdiction, and where such regulatory agreement sets forth affordabil-
46 ity requirements applicable for a period of not less than thirty years
47 and that is binding on all successors of the taxpayer.

48 (6) For purposes of this subsection the term "small project" means
49 qualified rehabilitation expenditures totaling two million five hundred
50 thousand dollars or less.

51 (7)(A) A taxpayer allowed a credit pursuant to this subsection may
52 transfer the credit, in whole or in part, to another person or entity,
53 who shall be referred to as the transferee, without regard to how any
54 tax credit authorized pursuant to section forty-seven of the internal
55 revenue code with respect to a qualified rehabilitation project may be
56 allocated and notwithstanding that such other person or entity owns no

1 interest in the qualified rehabilitation project or in an entity with an
2 ownership interest in the qualified rehabilitation project. A transferee
3 may not transfer any credit, or portion thereof, acquired by transfer.

4 (B) A taxpayer seeking to transfer a credit allowed pursuant to this
5 subsection must enter into a transfer contract with the transferee. The
6 transfer contract must specify:

7 (i) the building identification numbers for all buildings in the
8 project;

9 (ii) the date each building was placed into service;

10 (iii) the schedule of years for which the transfer credit may be
11 claimed and the amount of credit previously claimed;

12 (iv) the amount of consideration received by the taxpayer for the
13 transfer credit; and

14 (v) the amount of credit being transferred.

15 (C) No transfer shall be effective unless the taxpayer allowed a cred-
16 it pursuant to this subsection and seeking to transfer the credit files
17 a transfer application with the commissioner of parks, recreation and
18 historic preservation prior to the transfer and such transfer applica-
19 tion is approved. The transfer application shall include the name and
20 federal identification numbers of the taxpayer and each proposed trans-
21 feree, the amount of credit proposed to be transferred to each proposed
22 transferee, a copy of the transfer contract, and such other information
23 as the commissioner or the commissioner of parks, recreation and histor-
24 ic preservation may require. The commissioner of parks, recreation and
25 historic preservation shall approve or deny each transfer application
26 and, if an application is denied, shall issue a written determination to
27 the taxpayer. If the transfer is approved, the commissioner of parks,
28 recreation and historic preservation shall issue a transfer approval
29 certificate that provides the name of the transferor and all transfer-

For taxable years beginning on or after January first, two thousand thirty, a taxpayer, or a transferee of such a taxpayer as described in paragraph seven of this subdivision, shall be allowed a credit as hereinafter provided, against the tax imposed by this article, in an amount equal to thirty percent of the amount of credit allowed the taxpayer with respect to a certified historic structure under internal revenue code section 47(c)(3), determined without regard to ratably allocating the credit over a five year period as required by subsection (a) of such section 47 with respect to a certified historic structure located within the state. (2) Tax credits allowed pursuant to this subsection shall be allowed in the taxable year that the qualified rehabilitation is placed in service under section 167 of the federal internal revenue code.

(3) If the taxpayer is allowed a credit pursuant to section 47 of the internal revenue code with respect to a qualified rehabilitation that is also the subject of the credit allowed by this subdivision and that credit pursuant to such section 47 is recaptured pursuant to subsection (a) of section 50 of the internal revenue code, a portion of the credit allowed under this subdivision in the taxable year the credit was claimed must be added back by the taxpayer or transferee in the same taxable year and in the same proportion as the federal recapture.

(4) The credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the minimum fixed by paragraph four of subdivision (a) of section fifteen hundred two or section fifteen hundred two-a of this article, whichever is applicable. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

(6) For purposes of this subdivision "small project" means qualified rehabilitation expenditures totaling two million five hundred thousand dollars or less.

(7)(A) A taxpayer allowed a credit pursuant to this subdivision may transfer the credit, in whole or in part, to another person or entity, who shall be referred to as the transferee, without regard to how any tax credit authorized pursuant to section forty-seven of the internal revenue code with respect to a qualified rehabilitation project may be allocated and notwithstanding that such other person or entity owns no interest in the qualified rehabilitation project or in an entity with an ownership interest in the qualified rehabilitation project. A transferee may not transfer any credit, or portion thereof, acquired by transfer.

The commissioner of parks, recreation and historic preservation shall approve or deny each transfer application and, if an application is denied, shall issue a written determination to the taxpayer. If the transfer is approved, the commissioner of parks, recreation and historic preservation shall issue a transfer approval certificate that provides the name of the transferor and all transferees, the amount of credit being transferred and such other information as the commissioner of parks, recreation and historic preservation and the commissioner deem necessary. A copy of the transfer approval certificate must be attached to each transferee's tax return. The commissioner of parks, recreation and historic preservation, in consultation with the commissioner, may establish such other procedures and standards deemed necessary for the transferability of credits allowed under this subdivision.

(D) The commissioner of parks, recreation and historic preservation shall forward copies of all transfer applications and attachments thereto and approval certificates to the commissioner within thirty days after the transfer is approved.

(E) A taxpayer allowed a credit pursuant to section forty-seven of the internal revenue code with respect to a qualified rehabilitation that is also the subject of the credit allowed by this subdivision shall remain solely liable for all obligations and liabilities imposed on the taxpayer with respect to the credit allowed by this subdivision, none of which shall apply to a party to whom the credit has been subsequently transferred.

§ 4. This act shall take effect immediately and shall apply to taxable years beginning on and after January 1, 2026.

41 personal income tax benefits pursuant to paragraph forty-eight of
42 subsection (c) of section six hundred twelve of the tax law for up to
43 eight net new jobs. The tax benefits shall be available for a period of
44 five taxable years commencing with the taxable year during which the
45 department issues the certificate of tax benefits to the CATALIST NY
46 small business.

47 2. To be eligible for the tax benefits allocated pursuant to this
48 program, (a) the CATALIST NY small business employees shall be employed

51 shall be engaged in work for the CATALIST NY small business for at least
52 one-half of the taxable year; and (c) the CATALIST NY small business
53 shall be in compliance with the requirements set forth in this article.

54 3. If the certified CATALIST NY small business creates more net new
55 jobs than for which it has been allocated personal income tax benefits,

2 hiring.

3 4. The CATALIST NY small business shall identify to the department,
4 through the submission of a CATALIST Jobs Plan, the titles that shall
5 receive personal income tax benefits pursuant to this section for inclu-

7 small business and such titles shall be included on the certificate of
8 tax benefits provided to such business. CATALIST NY small businesses
9 shall annually identify to the department of taxation and finance, in
10 the form and matter established by such department, the CATALIST NY

13 shall provide a copy of the certificate of tax benefits issued by the
14 department to each such employee.

15 5. For taxable years beginning on or after January first, two thousand
16 twenty-five and before January first, two thousand thirty, the aggregate
17 number of CATALIST NY small business employees allowed the tax benefits
18 under this article in any taxable year shall be four thousand five
19 hundred, the funds for which benefits shall be allotted from the funds
20 available for tax credits under article seventeen of this chapter. Such
21 aggregate number of eligible CATALIST NY small business employees shall
22 be allocated by the department among CATALIST NY small businesses in
23 order of priority based upon the date of certification under this arti-
24 cle.

25 6. No tax benefit shall be allowed for taxable years beginning on or
26 after January first, two thousand thirty-five.

27 § 516. Powers and duties of the commissioner. 1. The commissioner is
28 authorized to accept applications from New York state incubators for
29 designation as "CATALIST NY incubators", to accept nominations by CATAL-
30 IST NY incubators of small businesses for designation as CATALIST NY
31 small businesses, and to issue certificates of tax benefits under this
32 article.

33 2. The commissioner shall promulgate guidelines or regulations estab-
34 lishing a nomination process for small businesses and eligibility crite-
35 ria that will be applied consistent with the provisions of this article,
36 so as not to exceed the annual cap set forth in section five hundred
37 fifteen of this article which, notwithstanding any provisions to the
38 contrary in the state administrative procedure act, may be adopted on an
39 emergency basis.

40 3. The commissioner shall, in consultation with the department of
41 taxation and finance, develop a certificate of tax benefits that shall
42 be issued by the commissioner to eligible CATALIST NY small businesses.
43 Such certificate shall contain such information as required by the
44 department of taxation and finance.

45 4. The commissioner shall solely determine the eligibility of any
46 applicant applying to be a CATALIST NY incubator and designation as a
47 CATALIST NY small business and shall remove any such entities from the
48 program for failing to meet any of the requirements set forth in section
49 five hundred thirteen of this article, or for failing to meet the
50 requirement set forth in subdivision one of section five hundred four-
51 teen of this article.

52 5. The commissioner shall promulgate regulations or guidelines to
53 establish an application process to become certified as a CATALIST NY
54 incubator and shall include in such regulations or guidelines the
55 requirements that all nominated small businesses shall adhere to in
56 order to be considered for the tax benefits under this article.

§ 2. Subsection (c) of section 612 of the tax law is amended by adding a new paragraph 48 to read as follows:

(48) The amount of any wages received during the taxable year by an employee specified in a certificate of tax benefits issued to a CATALIST NY small business pursuant to article thirty of the economic development law, to the extent included in federal adjusted gross income. Notwithstanding any provision of this chapter to the contrary, the commissioner may assist the commissioner of economic development in determining whether a CATALIST NY small business, or an employee of such business, is entitled to such tax benefits pursuant to article thirty of the economic development law, and may utilize and, if necessary, disclose to the commissioner of economic development, information derived from the tax returns of such employee, such business, or related persons of such business and wage reporting information relating to any employees of such business or its related persons.

§ 3. This act shall take effect immediately and shall apply to taxable years beginning on or after January 1, 2025.

PART H

Section 1. This Part enacts into law major components of legislation relating to the excelsior jobs program and the empire state jobs retention program. Each component is wholly contained within a Subpart identified as Subpart A and Subpart B. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes a reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this Part sets forth the general effective date of this Part.

SUBPART A

Section 1. Section 352 of the economic development law is amended by adding a new subdivision 25 to read as follows:

25. "Semiconductor supply chain project" means a project deemed by the commissioner to make products or develop technologies that are primarily aimed at supporting the growth of the semiconductor manufacturing and related equipment and material supplier sector. "Semiconductor supply chain project" shall include, but need not be limited to, semiconductor device manufacturing, producers of component parts, direct input materials and equipment necessary for the manufacture of semiconductor chips, machinery, equipment, and materials necessary for the operational efficiency of semiconductor manufacturing facilities, other such inputs directly supportive of the domestic production of semiconductor chips, and companies engaged in the assembly, testing, packaging and advanced packaging semiconductor value chain. "Semiconductor supply chain project" shall not include a project primarily composed of: (i) machinery, equipment, or materials that are inputs to manufacturing generally, but are not direct inputs to semiconductor manufacturing in specific; (ii) the production of products or development of technologies that would produce only marginal and incremental benefits to the semiconductor manufacturing sector; (iii) projects that would otherwise qualify as a Green CHIPS project as defined in section twenty-four of this section.

§ 2. Paragraphs (m) and (n) of subdivision 1 of section 353 of the economic development law, as amended by chapter 494 of the laws of 2022, are amended and a new paragraph (o) is added to read as follows:

(m) as a participant operating in one of the industries listed in paragraphs (a) through (k) of this subdivision and operating or sponsoring child care services to its employees as defined in section three hundred fifty-two of this article; ~~or~~

(n) as a Green CHIPS project~~[-]; or~~
(o) as a company operating in one of the industries listed in paragraphs (a) through (k) of this subdivision and engaging in a semiconductor supply chain project as defined in section three hundred fifty-two of this article.

§ 3. Subdivisions 1, 2 and 3 of section 355 of the economic development law, as amended by chapter 494 of the laws of 2022, are amended to read as follows:

1. Excelsior jobs tax credit component. A participant in the excelsior jobs program shall be eligible to claim a credit for each net new job it creates in New York state. In a project that is not a green project, the amount of such credit per job shall be equal to the product of the gross wages paid and up to 6.85 percent. In a green project, or a Green CHIPS project, the amount of such credit per job shall be equal to the product of the gross wages paid and up to 7.5 percent. Provided, however, given the transformational nature of Green CHIPS projects, only the first two hundred thousand dollars of gross wages per job shall be eligible for this credit. The maximum amount of gross wages per job for a Green CHIPS project may be adjusted for inflation at an annual amount determined by the commissioner in a manner substantially similar to the cost of living adjustments calculated by the United States Social Security Administration based on changes in consumer price indices or a rate of four percent per year, whichever is higher. In a semiconductor supply chain project, the amount of such credit per job shall be equal to the product of the gross wages paid and up to seven percent.

2. Excelsior investment tax credit component. A participant in the excelsior jobs program shall be eligible to claim a credit on qualified investments. In a project that is not a green project, the credit shall be equal to two percent of the cost or other basis for federal income tax purposes of the qualified investment. In a green project, the credit shall be equal to five percent of the cost or other basis for federal income tax purposes of the qualified investment. In a project for child care services or a Green CHIPS project, the credit shall be up to five percent of the cost or other basis for federal income tax purposes of the qualified investment in child care services or in the Green CHIPS project as applicable. In a semiconductor supply chain project, the credit shall be up to three percent of the cost or other basis for federal income tax purposes of the qualified investment. A participant may not claim both the excelsior investment tax credit component and the investment tax credit set forth in subdivision one of section two hundred ten-B, subsection (a) of section six hundred six, the former subsection (i) of section fourteen hundred fifty-six, or subdivision (q) of section fifteen hundred eleven of the tax law for the same property in any taxable year, except that a participant may claim both the excelsior investment tax credit component and the investment tax credit for research and development property. In addition, a taxpayer who or which is qualified to claim the excelsior investment tax credit component and is also qualified to claim the brownfield tangible property credit component under section twenty-one of the tax law may claim

either the excelsior investment tax credit component or such tangible property credit component, but not both with regard to a particular piece of property. A credit may not be claimed until a business enterprise has received a certificate of tax credit, provided that qualified investments made on or after the issuance of the certificate of eligibility but before the issuance of the certificate of tax credit to the business enterprise, may be claimed in the first taxable year for which the business enterprise is allowed to claim the credit. Expenses incurred prior to the date the certificate of eligibility is issued are not eligible to be included in the calculation of the credit.

3. Excelsior research and development tax credit component. A participant in the excelsior jobs program shall be eligible to claim a credit equal to fifty percent of the portion of the participant's federal research and development tax credit that relates to the participant's research and development expenditures in New York state during the taxable year; provided however, if not a green project, the excelsior research and development tax credit shall not exceed six percent of the qualified research and development expenditures attributable to activities conducted in New York state, or, if a green project or a Green CHIPS project, the excelsior research and development tax credit shall not exceed eight percent of the research and development expenditures attributable to activities conducted in New York state, or if a semiconductor supply chain project, the excelsior research and development tax credit shall not exceed seven percent of the qualified research and development expenditures attributable to activities conducted in New York state. If the federal research and development credit has expired, then the research and development expenditures relating to the federal research and development credit shall be calculated as if the federal research and development credit structure and definition in effect in two thousand nine were still in effect. Notwithstanding any other provision of this chapter to the contrary, research and development expenditures in this state, including salary or wage expenses for jobs related to research and development activities in this state, may be used as the basis for the excelsior research and development tax credit component and the qualified emerging technology company facilities, operations and training credit under the tax law.

§ 4. Section 359 of the economic development law, as amended by chapter 494 of the laws of 2022, is amended to read as follows:

§ 359. Cap on tax credit. 1. Except with respect to tax credits issued to Green CHIPS projects as articulated in subdivision four of this section, the total amount of tax credits issued by the commissioner for any taxable year may not exceed the limitations set forth in this subdivision. Except with respect to tax credits issued to Green CHIPS projects as articulated in subdivision four of this section, one-half of any amount of tax credits not awarded for a particular taxable year may be used by the commissioner to award tax credits in another taxable year.

Credit components in the aggregate shall not exceed:

 27 hundred fifty-three of this article and seventy-five percent of tax
 28 credits shall be allocated to businesses accepted into the program under

 33 subdivision four of section three hundred fifty-three of this article or
 34 (ii) businesses accepted into the program under subdivision three of
 35 section three hundred fifty-three of this article, the commissioner may
 36 allocate any remaining tax credits to businesses referenced in this
 37 paragraph as needed; provided, however, that under no circumstances may
 38 the aggregate statutory cap for all program years be exceeded. One
 39 hundred percent of the unawarded amounts remaining at the end of two

§ 8. The economic development law is amended by adding a new article 17-A to read as follows:

ARTICLE 17-A

SEMICONDUCTOR RESEARCH AND DEVELOPMENT PROJECT PROGRAM

Section 359-a. Short title.

359-b. Statement of legislative findings and declaration.

359-c. Definitions.

359-d. Eligibility criteria.

1 359-e. Application and approval process.

2 359-f. Powers and duties of the commissioner.

3 359-g. Semiconductor research and development tax credit.

4 § 359-a. Short title. This article shall be known and may be cited as
5 the "semiconductor research and development project act".

6 § 359-b. Statement of legislative findings and declaration. It is
7 hereby found and declared that New York state needs, as a matter of
8 public policy, to create competitive financial incentives to attract
9 large scale semiconductor research and development projects to New York
10 state, and to position New York state to be at the center of cutting
11 edge innovations in the semiconductor industry.

12 § 359-c. Definitions. For the purposes of this article:

13 1. "Certificate of eligibility" means the document issued by the
14 department to an applicant that has completed an application to be
15 admitted into the semiconductor research and development project program
16 and has been accepted into the program by the department. Possession of
17 a certificate of eligibility does not by itself guarantee the eligibil-
18 ity to claim the tax credit.

19 2. "Certificate of tax credit" means the document issued to a partic-
20 ipant by the department, after the department has verified that the
21 participant has met all applicable eligibility criteria in this article.
22 The certificate shall be issued annually if such criteria are satisfied
23 and shall specify the exact amount of the tax credit under this article
24 that a participant may claim and shall specify the taxable year in which
25 such credit may be claimed.

26 3. "Participant" means a business entity that:

27 (a) has completed an application prescribed by the department to be
28 admitted into the program;

29 (b) has been issued a certificate of eligibility by the department;

31 three hundred fifty-nine-d and subdivision two of section three hundred
32 fifty-nine-e of this article; and

33 (d) has been certified as a participant by the commissioner.

34 4. "Preliminary schedule of benefits" means the aggregate amount of
35 the tax credit that a participant in the semiconductor research and
36 development project program may be eligible to receive pursuant to this
37 article. The schedule shall indicate the annual amount of the credit a
38 participant may claim in each of its ten years of eligibility. The
39 preliminary schedule of benefits shall be issued by the department when
40 the department approves the application for admission into the program.

41 5. "Qualified investment" means an investment in tangible property
42 (including a building or a structural component of a building) owned by
43 a business enterprise which:

45 internal revenue code;

46 (b) has a useful life of four years or more;

47 (c) is acquired by purchase as defined in section one hundred seven-
48 ty-nine (d) of the internal revenue code;

49 (d) has a situs in this state; and

50 (e) is placed in service in the state on or after the date the certif-
51 icate of eligibility is issued to the business enterprise.

52 6. "Semiconductor research and development project" means a project
53 for a physical research and development facility, deemed by the commis-
54 sioner as being primarily aimed at supporting research and development
55 within the semiconductor manufacturing and related equipment and materi-
56 al supplier sector. Such project shall incur at least one hundred

1 million dollars in qualified investment in New York state. Such project
2 must lead to the establishment and operation of a research and develop-
3 ment facility separate and apart from new or existing semiconductor or
4 semiconductor supply chain manufacturing facilities.

5 § 359-d. Eligibility criteria. 1. To be a participant in the semicon-
6 ductor research and development project program, a business entity shall
7 operate in New York state and be undertaking a semiconductor research
8 and development project as defined in section three hundred fifty-nine-c
9 of this article.

10 2. A business entity must be in compliance with all worker protection
11 and environmental laws and regulations. In addition, a business entity
12 may not owe past due state taxes or local property taxes unless the
13 business entity is making payments and complying with an approved bind-
14 ing payment agreement entered into with the taxing authority.

15 § 359-e. Application and approval process. 1. A business enterprise
16 must submit a completed application as prescribed by the commissioner.

17 2. As part of such application, each business enterprise must:

18 (a) Agree to allow the department of taxation and finance to share the
19 business enterprise's tax information with the department. However, any
20 information shared as a result of this agreement shall not be available
21 for disclosure or inspection under the state freedom of information law;

22 (b) Agree to allow the department of labor to share its employer

25 inspection under the state freedom of information law;

26 (c) Allow the department and its agents access to any and all books
27 and records the department may require to monitor compliance;

28 (d) Provide to the department, upon request, a plan outlining the
29 schedule for meeting the investment requirements as set forth in subdi-
30 vision six of section three hundred fifty-nine-c of this article. Such
31 plan must include the amount and description of projected qualified
32 investments for which it plans to claim the semiconductor research and
33 development tax credit;

34 (e) Agree to allow the department and the department of taxation and
35 finance to share and exchange information contained in or derived from
36 the applications for admission into the semiconductor research and
37 development project program and the credit claim forms submitted to the
38 department of taxation and finance. However, any information shared as a
39 result of this agreement shall not be available for disclosure or
40 inspection under the state freedom of information law.

41 (f) Certify, under penalty of perjury, that it is in substantial
42 compliance with all environmental, worker protection, and local, state,
43 and federal tax laws.

44 3. After reviewing a business enterprise's completed application and
45 determining that the business enterprise will meet the condition set
46 forth in subdivision six of section three hundred fifty-nine-c of this
47 article, the department may admit the applicant into the program and
48 provide the applicant with a certificate of eligibility and a prelimi-
49 nary schedule of benefits by year based on the applicant's projections
50 as set forth in its application. This preliminary schedule of benefits
51 delineates the maximum possible benefits an applicant may receive.

52 4. In order to become a participant in the program, an applicant must
53 submit evidence that it satisfies the eligibility criteria specified in
54 section three hundred fifty-nine-d of this article and subdivision two
55 of this section in such form as the commissioner may prescribe. After
56 reviewing such evidence and finding it sufficient, the department shall

1 certify the applicant as a participant and issue to that participant a
2 certificate of tax credit for one taxable year. To receive a certificate
3 of tax credit for subsequent taxable years, the participant must submit
4 to the department a performance report demonstrating that the partic-
5 ipant continues to satisfy the eligibility criteria specified in this
6 article.

7 5. A participant may claim tax benefits commencing in the first taxa-
8 ble year that the business enterprise receives a certificate of tax
9 credit. A participant may claim such benefits for the next nine consec-
10 utive taxable years, provided that the participant demonstrates to the
11 department that it continues to satisfy the eligibility criteria speci-
12 fied in section three hundred fifty-nine-d of this article and subdivi-
13 sion two of this section in each of those taxable years.

14 § 359-f. Powers and duties of the commissioner. 1. The commissioner
15 may promulgate regulations establishing an application process and
16 eligibility criteria, that will be applied consistent with the purposes
17 of this article, so as not to exceed the annual cap on tax credits set
18 forth in section three hundred fifty-nine-g of this article which,
19 notwithstanding any provisions to the contrary in the state administra-
20 tive procedure act, may be adopted on an emergency basis.

21 2. The commissioner shall, in consultation with the department of
22 taxation and finance, develop a certificate of tax credit that shall be
23 issued by the commissioner to participants. Participants must include
24 the certificate of tax credit with their tax return to receive any tax
25 benefits under this article.

26 3. The commissioner shall solely determine the eligibility of any
27 applicant applying for entry into the program and shall remove any
28 participant from the program for failing to meet any of the requirements
29 set forth in subdivision six of section three hundred fifty-nine-c of
30 this article and section three hundred fifty-nine-d of this article.

31 § 359-g. Semiconductor research and development tax credit. 1. A
32 participant in the semiconductor research and development project
33 program shall be eligible to claim a credit on qualified investments in
34 semiconductor research and development projects in New York state. The
35 amount of such credit shall be equal to fifteen percent of the cost or
36 other basis for federal income tax purposes of the qualified investment.

39 for Green CHIPS tax credits as provided under subdivision four of
40 section three hundred fifty-nine of this chapter.

41 § 9. Section 210-B of the tax law is amended by adding a new subdivi-
42 sion 61 to read as follows:

43 61. Semiconductor research and development tax credit. (a) Allowance
44 of credit. A taxpayer that has been approved by the commissioner of
45 economic development to participate in the semiconductor research and
46 development program and has been issued a certificate of tax credit
47 pursuant to section three hundred fifty-nine-e of the economic develop-
48 ment law shall be allowed to claim a credit against the tax imposed by
49 this article. The credit shall equal up to fifteen percent of the cost
50 or other basis for federal income tax purposes of the qualified invest-
51 ment and shall be allowable in each taxable year for which the commis-
52 sioner of economic development has issued a certificate of tax credit,
53 for up to ten consecutive taxable years. In no event shall a taxpayer be
54 allowed a credit greater than the amount of credit listed on the certif-
55 icate of tax credit issued by the commissioner of economic development.
56 No cost or expense paid or incurred by the taxpayer that is the basis

1 for this credit shall be the basis for any other tax credit provided by
2 this chapter.

3 (b) Application of credit. The credit allowed under this subdivision
4 for any taxable year may not reduce the tax due for such year to less
5 than the amount prescribed in paragraph (d) of subdivision one of
6 section two hundred ten of this article. However, if the amount of cred-
7 it allowed under this subdivision for any taxable year reduces the tax
8 to such amount, or if the taxpayer otherwise pays tax based on the fixed

53 for this credit shall be the basis for any other tax credit provided by
54 this chapter.

55 (2) Application of credit. If the amount of the credit allowed under
56 this subsection for any taxable year exceeds the taxpayer's tax for the

2 credited or refunded in accordance with the provisions of section six
3 hundred eighty-six of this article, provided, however, no interest will
4 be paid thereon.

5 (3) Reporting. The taxpayer shall attach to its tax return its certifi-

14 (4) Credit recapture. If a certificate of eligibility or a certificate

19 of economic development law, the amount of credit described in this
20 subdivision and claimed by the taxpayer prior to that revocation shall
21 be added back to tax in the taxable year in which any such revocation
22 becomes final.

23 § 11. The economic development law is amended by adding a new article
24 28 to read as follows:

25 ARTICLE 28

26 SEMICONDUCTOR MANUFACTURING WORKFORCE TRAINING INCENTIVE PROGRAM

27 Section 501. Definitions.

28 502. Eligibility criteria.

29 503. Application and approval process.

30 504. Powers and duties of the commissioner.

31 505. Recordkeeping requirements.

32 506. Cap on tax credit.

33 § 501. Definitions. As used in this article, the following terms shall
34 have the following meanings:

35 1. "Approved provider" means an entity approved by the commissioner
36 that may provide eligible training to employees of a business entity
37 participating in the semiconductor manufacturing workforce training
38 incentive program. Such criteria shall ensure that any approved provider
39 possesses adequate credentials to provide the training described in an
40 application by a business entity to the commissioner to participate in
41 the semiconductor manufacturing workforce training incentive program.

42 2. "Eligible training" means training provided to an employee hired
43 within twelve months of the business entity applying for this program by
44 the business entity or an approved provider that is:

45 (a) to upgrade, retrain or improve the productivity of employees;

2 value-added products shall be considered manufacturing.

3 4. "Semiconductor manufacturing business" means a business deemed by
4 the commissioner to make products or develop technologies that are
5 primarily aimed at supporting the growth of the semiconductor manufac-
6 turing and related equipment and material supplier sector. This shall

8 producers of component parts, direct input materials and equipment
9 necessary for the manufacture of semiconductor chips, machinery, equip-
10 ment, and materials necessary for the operational efficiency of semicon-
11 ductor manufacturing facilities, other such inputs directly supportive
12 of the domestic production of semiconductor chips, and companies engaged
13 in the assembly, testing, packaging and advanced packaging semiconductor
14 value chain. The "semiconductor and supply chain" tier shall not
15 include a project primarily composed of: (a) machinery, equipment, or
16 materials that are inputs to manufacturing generally, but are not direct
17 inputs to semiconductor manufacturing in specific; or (b) the production
18 of products or development of technologies that would produce only
19 marginal and incremental benefits to the semiconductor manufacturing
20 sector.

21 5. "Wrap around services" means transportation, childcare, case
22 management and other services designed to maximize the economic impact
23 of workforce development training for participants, and to provide the
24 support services necessary to ensure trainees can access training.

32 training or obtaining eligible training from an approved provider; and

33 3. The business entity must be in compliance with all worker
34 protection and environmental laws and regulations. In addition, the

36 taxes.

37 § 503. Application and approval process. 1. A business entity must
38 submit a completed application in such form and with such information as
39 prescribed by the commissioner.

40 2. As part of such application, each business entity must:

41 (a) provide such documentation as the commissioner may require in
42 order for the commissioner to determine that the business entity intends
43 to conduct eligible training or procure eligible training for its
44 employees from an approved provider;

45 (b) agree to allow the department of taxation and finance to share its
46 tax information with the department. However, any information shared as
47 a result of this agreement shall not be available for disclosure or
48 inspection under the state freedom of information law;

49 (c) agree to allow the department of labor to share its tax and

53 (d) allow the department and its agents access to any and all books
54 and records the department may require to monitor compliance; and

55 (e) agree to allow the department and the department of taxation and
56 finance to share and exchange information contained in or derived from

1 the applications for admission into the semiconductor manufacturing
2 workforce training incentive program and the credit claim forms submit-
3 ted to the department of taxation and finance. However, any information
4 shared as a result of this agreement shall not be available for disclo-
5 sure or inspection under the state freedom of information law.

6 3. The commissioner may approve an application from a business entity
7 upon determining that such business entity meets the eligibility crite-
8 ria established in section five hundred two of this article. Following
9 approval by the commissioner of an application by a business entity to
10 participate in the semiconductor manufacturing workforce training incen-
11 tive program, the commissioner shall issue a certificate of tax credit
12 to the business entity upon its demonstrating successful completion of
13 such eligible training to the satisfaction of the commissioner. For
14 eligible training as defined by subdivision two of section five hundred
15 one of this article the amount of the credit shall be equal to seventy-
16 five percent of wages, salaries or other compensation, training costs,
17 and wrap around services, up to a credit of twenty-five thousand dollars
18 per employee receiving eligible training, up to one million dollars per

23 section six hundred six of the tax law.

24 § 504. Powers and duties of the commissioner. 1. The commissioner
25 shall promulgate regulations consistent with the purposes of this arti-
26 cle that, notwithstanding any provisions to the contrary in the state
27 administrative procedure act, may be adopted on an emergency basis. Such
28 regulations shall include, but not be limited to, eligibility criteria
29 for business entities desiring to participate in the semiconductor manu-

33 deems to be appropriate in order to implement the provisions of this
34 article.

35 2. The commissioner shall, in consultation with the department of
36 taxation and finance, develop a certificate of tax credit that shall be
37 issued by the commissioner to participating business entities. Partic-
38 ipants may be required by the commissioner of taxation and finance to
39 include the certificate of tax credit with their tax return to receive
40 any tax benefits under this article.

41 3. The commissioner shall solely determine the eligibility of any
42 applicant applying for entry into the program and shall remove any
43 participant from the program for failing to meet any of the requirements
44 set forth in section five hundred two of this article or for making a
45 material misrepresentation with respect to its participation in the
46 program.

47 § 505. Recordkeeping requirements. Each business entity participating
48 in the program shall maintain all relevant records for the duration of
49 its program participation plus three years.

50 § 506. Cap on tax credit. The total amount of tax credits listed on
51 certificates of tax credit issued by the commissioner for any taxable
52 year may not exceed twenty million dollars, and shall be allotted from

1 62. Semiconductor manufacturing workforce training program tax credit.

2 (a) Allowance of tax credit. A taxpayer that has been approved by the

21 (b) Application of credit. The credit allowed under this subdivision
22 for any taxable year may not reduce the tax due for such year to less
23 than the amount prescribed in paragraph (d) of subdivision one of
24 section two hundred ten of this article. However, if the amount of cred-
25 it allowed under this subdivision for any taxable year reduces the tax
26 to such amount, or if the taxpayer otherwise pays tax based on the fixed
27 dollar minimum amount, any amount of credit thus not deductible in that
28 taxable year will be treated as an overpayment of tax to be credited or
29 refunded in accordance with the provisions of section one thousand

44 article twenty-eight of the economic development law is revoked by such
45 department because the taxpayer does not meet the eligibility require-

47 economic development law, the amount of credit described in this subdi-

9 hundred three of the economic development law. In no event shall a
10 taxpayer be allowed a credit greater than the amount listed on the
11 certificate of tax credit issued by the commissioner of economic devel-

14 ration, the taxpayer shall be allowed its pro rata share of the credit
15 earned by the partnership, limited liability company or S corporation.
16 The credit shall be allowed in the taxable year in which the eligible
17 training is completed. No cost or expense paid or incurred by the
18 taxpayer that is the basis for this credit shall be the basis for any
19 other tax credit provided by this chapter.

20 (2) Application of credit. If the amount of the credit allowed under
21 this subsection for any taxable year exceeds the taxpayer's tax for the
22 taxable year, the excess shall be treated as an overpayment of tax to be
23 credited or refunded in accordance with the provisions of section six
24 hundred eighty-six of this article, provided, however, no interest will
25 be paid thereon.

26 (3) Reporting. The taxpayer shall attach to its tax return its certifi-
27 cate of tax credit issued by the commissioner of economic development
28 pursuant to section five hundred three of the economic development law.

37 article twenty-eight of the economic development law is revoked by such
38 department because the taxpayer does not meet the eligibility require-
39 ment set forth in subdivision three of section five hundred three of the
40 economic development law, the amount of credit described in this
41 subsection and claimed by the taxpayer prior to that revocation shall be
42 added back to tax in the taxable year in which any such revocation
43 becomes final.

44 § 14. This act shall take effect immediately and apply to taxable
45 years beginning on or after January 1, 2025; provided, however, that
46 section five of this act shall take effect December 31, 2028.

SUBPART B

48 Section 1. Section 421 of the economic development law, as added by
49 section 1 of part E of chapter 56 of the laws of 2011, is amended to
50 read as follows:

51 § 421. Statement of legislative findings and declaration. It is hereby
52 found and declared that New York state needs, as a matter of public
53 policy, to create competitive financial incentives to retain [strategic]
54 businesses, including small businesses and jobs that are at risk of

1 leaving the state or closing operations due to the impact on its busi-
2 ness operations of an event leading to an emergency declaration by the
3 governor. The empire state jobs retention program is created to support
4 the retention of the state's ~~[most strategic]~~ businesses, including
5 small businesses in the event of an emergency.

6 This legislation creates a jobs tax credit for each job of a ~~[strate-~~
7 ~~gie]~~ business, including a small business directly impacted by an emer-
8 gency and protects state taxpayers' dollars by ensuring that New York
9 provides tax benefits only to businesses that can demonstrate substan-

18 PART I

19 Section 1. Paragraphs 2 and 5 of subdivision (a) of section 24 of the
20 tax law, paragraph 2 as amended by section 1 and paragraph 5 as amended
21 by section 2 of part D of chapter 59 of the laws of 2023, are amended
22 and a new paragraph 6 is added to read as follows:

23 (2) The amount of the credit shall be the product (or pro rata share
24 of the product, in the case of a member of a partnership) of thirty
25 percent and the qualified production costs paid or incurred in the
26 production of a qualified film, provided that: (i) the qualified
27 production costs (excluding post production costs) paid or incurred
28 which are attributable to the use of tangible property or the perform-
29 ance of services at a qualified film production facility in the
30 production of such qualified film equal or exceed seventy-five percent
31 of the production costs (excluding post production costs) paid or
32 incurred which are attributable to the use of tangible property or the
33 performance of services at any film production facility within and with-
34 out the state in the production of such qualified film, and (ii) except
35 with respect to a qualified independent film production company or
36 pilot, at least ten percent of the total principal photography shooting
37 days spent in the production of such qualified film must be spent at a
38 qualified film production facility. However, if the qualified production
39 costs (excluding post production costs) which are attributable to the
40 use of tangible property or the performance of services at a qualified
41 film production facility in the production of such qualified film is
42 less than three million dollars, then the portion of the qualified
43 production costs attributable to the use of tangible property or the
44 performance of services in the production of such qualified film outside
45 of a qualified film production facility shall be allowed only if the
46 shooting days spent in New York outside of a film production facility in
47 the production of such qualified film equal or exceed seventy-five
48 percent of the total shooting days spent within and without New York
49 outside of a film production facility in the production of such quali-
50 fied film. The credit shall be allowed for the taxable year in which the
51 production of such qualified film is completed. However, in the case of
52 a qualified film that receives funds from additional pool 2, no credit
53 shall be claimed before the later of (1) the taxable year the production
54 of the qualified film is complete, or (2) the taxable year that includes

1 the last day of the allocation year for which the film has been allo-
2 cated credit by the department of economic development. If the amount of
3 the credit is at least one million dollars but less than five million
4 dollars, the credit shall be claimed over a two year period beginning in
5 the first taxable year in which the credit may be claimed and in the
6 next succeeding taxable year, with one-half of the amount of credit
7 allowed being claimed in each year. If the amount of the credit is at
8 least five million dollars, the credit shall be claimed over a three
9 year period beginning in the first taxable year in which the credit may
10 be claimed and in the next two succeeding taxable years, with one-third
11 of the amount of the credit allowed being claimed in each year.
12 Provided, however, in the case of a qualified film for which the credit
13 application was received on or after January first, two thousand twen-
14 ty-five, the credit shall be claimed in the taxable year that includes
15 the last day of the allocation year for which the film has been allo-
16 cated a credit by the department of economic development.

17 (5) For the period two thousand fifteen through two thousand [~~thirty-~~
18 ~~four~~] thirty-six, in addition to the amount of credit established in

21 of a member of a partnership) of ten percent and the wages, salaries or
22 other compensation constituting qualified production costs as defined in
23 paragraph two of subdivision (b) of this section, paid to individuals
24 directly employed by a qualified film production company or a qualified
25 independent film production company for services performed by those
26 individuals in one of the counties specified in this paragraph in
27 connection with a qualified film with a minimum budget of five hundred
28 thousand dollars, and (ii) the product (or pro rata share of the prod-
29 uct, in the case of a member of a partnership) of ten percent and the
30 qualified production costs (excluding wages, salaries or other compen-
31 sation) paid or incurred in the production of a qualified film where the
32 property constituting such qualified production costs was used, and the
33 services constituting such qualified production costs were performed in
34 any of the counties specified in this paragraph in connection with a
35 qualified film with a minimum budget of five hundred thousand dollars
36 where the majority of principal photography shooting days in the
37 production of such film were shot in any of the counties specified in
38 this paragraph. Provided, however, that the aggregate total eligible
39 qualified production costs constituting wages, salaries or other compen-
40 sation, for writers, directors, composers, producers, and performers
41 shall not exceed forty percent of the aggregate sum total of all other
42 qualified production costs. For purposes of the credit, the services
43 must be performed and the property must be used in one or more of the
44 following counties: Albany, Allegany, Broome, Cattaraugus, Cayuga, Chau-
45 tauqua, Chemung, Chenango, Clinton, Columbia, Cortland, Delaware, Dutch-
46 ess, Erie, Essex, Franklin, Fulton, Genesee, Greene, Hamilton, Herkimer,

52 (6) Production plus program. (i) A taxpayer who is a qualified inde-
53 pendent film production company or a qualified film production company
54 engaging in the production of a qualified film that undertakes multiple
55 productions in New York state may be eligible for a tax credit in addi-
56 tion to the credit pursuant to paragraph two of this subdivision.

Production companies that submit at least two initial applications to the empire state film production tax credit program after January first, two thousand twenty-five the sum of which total at least one hundred million dollars in qualified production costs in New York state may be eligible to receive an additional tax credit equal to the product of ten percent and the qualified production costs incurred on all subsequent films or television series applied for.

§ 2. Paragraphs 1, 2 and 7 of subdivision (b) of section 24 of the tax law, paragraph 1 as amended by section 2-a and paragraph 2 as amended by section 3 of part D of chapter 59 of the laws of 2023, paragraph 7 as added by section 9 of part Q of chapter 57 of the laws of 2010, are amended and a new paragraph 11 is added to read as follows:

(1) "Qualified production costs" means production costs only to the extent such costs are attributable to the use of tangible property or the performance of services within the state directly and predominantly in the production (including pre-production and post production) of a qualified film. In the case of an eligible relocated television series, the term "qualified production costs" shall include, in the first season that the eligible relocated television series is produced in New York after relocation, qualified relocation costs. Provided, however, that the aggregate total eligible qualified production costs for producers, writers, directors, performers (other than background actors with no scripted lines), and composers shall not exceed forty percent of the aggregate sum total of all other qualified production costs. Provided, further, that qualified production costs shall not include any payments to a loan-out company for the provision of specific individual personnel, such as artists, crew, actors, producers, or directors, for the performance of services used directly in a production unless the taxpayer has satisfied the withholding requirement pursuant to subdivision (g) of this section.

(2) "Production costs" means any costs for tangible property used and services performed directly and predominantly in the production (including pre-production and post production) of a qualified film. § 3. Paragraph 4 of subdivision (e) of section 24 of the tax law, as amended by section 2 of chapter 606 of the laws of 2023, is amended to read as follows:

(4) Additional pool 2 - The aggregate amount of tax credits allowed in subdivision (a) of this section shall be increased by an additional four hundred twenty million dollars in each year starting in two thousand ten through two thousand twenty-three and seven hundred million dollars in each year starting in two thousand twenty-four through two thousand ~~[thirty-four]~~ thirty-six, provided however, seven million dollars of the annual allocation shall be available for the empire state film post production credit pursuant to section thirty-one of this article in two thousand thirteen and two thousand fourteen, twenty-five million dollars of the annual allocation shall be available for the empire state film post production credit pursuant to section thirty-one of this article in each year starting in two thousand fifteen through two thousand twenty-three, and forty-five million dollars of the annual allocation shall be available for the empire state film post production credit pursuant to section thirty-one of this article in each year starting in two thousand twenty-four through two thousand ~~[thirty-four]~~ thirty-six. 1 starting in two thousand twenty through two thousand [~~thirty-four~~ **thir-**
2 **ty-six**]. This amount shall be allocated by the department of economic
3 development among taxpayers in accordance with subdivision (a) of this
4 section. If the commissioner of economic development determines that the
5 aggregate amount of tax credits available from additional pool 2 for the
6 empire state film production tax credit have been previously allocated,
7 and determines that the pending applications from eligible applicants
8 for the empire state film post production tax credit pursuant to section
9 thirty-one of this article is insufficient to utilize the balance of
10 unallocated empire state film post production tax credits from such
11 pool, the remainder, after such pending applications are considered,
12 shall be made available for allocation in the empire state film tax
13 credit pursuant to this section, subdivision twenty of section two
14 hundred ten-B and subsection (gg) of section six hundred six of this
15 chapter. Also, if the commissioner of economic development determines
16 that the aggregate amount of tax credits available from additional pool
17 2 for the empire state film post production tax credit have been previ-
18 ously allocated, and determines that the pending applications from
19 eligible applicants for the empire state film production tax credit
20 pursuant to this section is insufficient to utilize the balance of unal-
21 located film production tax credits from such pool, then all or part of
22 the remainder, after such pending applications are considered, shall be
23 made available for allocation for the empire state film post production
24 credit pursuant to this section, subdivision thirty-two of section two
25 hundred ten-B and subsection (qq) of section six hundred six of this
26 chapter. The department of economic development must notify taxpayers of
27 their allocation year and include the allocation year on the certificate
28 of tax credit. Taxpayers eligible to claim a credit must report the
29 allocation year directly on their empire state film production credit
30 tax form for each year a credit is claimed and include a copy of the
31 certificate with their tax return. In the case of a qualified film that
32 receives funds from additional pool 2 where the taxpayer filed an
33 initial application before April first, two thousand twenty-three **and**
34 **before January first, two thousand twenty-five**, no empire state film
35 production credit shall be claimed before the later of (1) the taxable
36 year the production of the qualified film is complete, or (2) the taxa-
37 ble year immediately following the allocation year for which the film
38 has been allocated credit by the department of economic development. In
39 the case of a qualified film that receives funds from additional pool 2
40 where the taxpayer filed an initial application on or after April first,
41 two thousand twenty-three **and before January first, two thousand twen-**

43 the later of (1) the taxable year the production of the qualified film
44 is complete, or (2) the taxable year that includes the last day of the
45 allocation year for which the film has been allocated credit by the
46 department of economic development. **In the case of a qualified film for**
47 **which the taxpayer filed an initial application on or after January**
48 **first, two thousand twenty-five, the credit shall be claimed in the**
49 **taxable year that includes the last day of the allocation year for which**
50 **the production of such qualified film has been allocated a credit by the**
51 **department of economic development.**

52 § 4. Paragraph 4 of subdivision (e) of section 24 of the tax law, as
53 amended by section 3 of chapter 606 of the laws of 2023, is amended to
54 read as follows:

55 (4) Additional pool 2 - The aggregate amount of tax credits allowed in
56 subdivision (a) of this section shall be increased by an additional four

1 hundred twenty million dollars in each year starting in two thousand ten
2 through two thousand twenty-three and seven hundred million dollars each
3 year starting in two thousand twenty-four through two thousand [~~thirty-~~
4 ~~four~~] thirty-six, provided however, seven million dollars of the annual

14 twenty-four through two thousand [~~thirty-four~~] thirty-six. This amount
15 shall be allocated by the department of economic development among
16 taxpayers in accordance with subdivision (a) of this section. If the
17 commissioner of economic development determines that the aggregate
18 amount of tax credits available from additional pool 2 for the empire
19 state film production tax credit have been previously allocated, and
20 determines that the pending applications from eligible applicants for
21 the empire state film post production tax credit pursuant to section
22 thirty-one of this article is insufficient to utilize the balance of
23 unallocated empire state film post production tax credits from such
24 pool, the remainder, after such pending applications are considered,
25 shall be made available for allocation in the empire state film tax
26 credit pursuant to this section, subdivision twenty of section two
27 hundred ten-B and subsection (gg) of section six hundred six of this
28 chapter. Also, if the commissioner of economic development determines
29 that the aggregate amount of tax credits available from additional pool
30 2 for the empire state film post production tax credit have been previ-
31 ously allocated, and determines that the pending applications from
32 eligible applicants for the empire state film production tax credit
33 pursuant to this section is insufficient to utilize the balance of unal-
34 located film production tax credits from such pool, then all or part of
35 the remainder, after such pending applications are considered, shall be
36 made available for allocation for the empire state film post production
37 credit pursuant to this section, subdivision thirty-two of section two
38 hundred ten-B and subsection (qq) of section six hundred six of this
39 chapter. The department of economic development must notify taxpayers of
40 their allocation year and include the allocation year on the certificate
41 of tax credit. Taxpayers eligible to claim a credit must report the
42 allocation year directly on their empire state film production credit
43 tax form for each year a credit is claimed and include a copy of the
44 certificate with their tax return. In the case of a qualified film that
45 receives funds from additional pool 2 where the taxpayer filed an
46 initial application before April first, two thousand twenty-three, no
47 empire state film production credit shall be claimed before the later of
48 (1) the taxable year the production of the qualified film is complete,
49 or (2) the taxable year immediately following the allocation year for
50 which the film has been allocated credit by the department of economic
51 development. In the case of a qualified film that receives funds from
52 additional pool 2 where the taxpayer filed an initial application on or
53 after April first, two thousand twenty-three and before January first,
54 two thousand twenty-five, no empire state film production credit shall
55 be claimed before the later of (1) the taxable year the production of
56 the qualified film is complete, or (2) the taxable year that includes

1 the last day of the allocation year for which the film has been allo-
2 cated credit by the department of economic development. Provided, howev-
3 er, in the case of a qualified film for which the credit application was
4 received on or after January first, two thousand twenty-five, the credit
5 shall be claimed in the taxable year that includes the last day of the
6 allocation year for which the film has been allocated a credit by the
7 department of economic development.

8 § 5. Section 24 of the tax law is amended by adding two new subdivi-
9 sions (g) and (h) to read as follows:

10 (g) A taxpayer shall withhold from each payment to a loan-out company
11 an amount equal to six and eighty-five one hundredths (6.85) percent of
12 the payment otherwise due. The amounts withheld shall be deemed to be
13 withholding pursuant to part five of article twenty-two of this chapter,
14 and the taxpayer shall be deemed to have the rights, duties, and respon-
15 sibilities pursuant to such part of an employer of the individuals to
16 whom the loan-out company made payments for services performed in the
17 state. The amounts so withheld shall be allocated to the loan-out compa-
18 ny's employees in proportion to payments made to the loan-out company's
19 employees for services performed in the state. Notwithstanding any
20 other provisions of this chapter, loan-out company nonresident employees
21 performing services in the state shall be considered taxable nonresi-
22 dents and the loan-out company shall be subject to income taxation in
23 the taxable year in which the loan-out company's employees perform
24 services in the state. Such withholding liability shall be subject to
25 penalties and interest in the same manner as the employee withholding
26 taxes imposed by part five of article twenty-two of this chapter.

27 (h) Credit recapture. If a certificate of tax credit issued by the
28 department of economic development pursuant to this section is revoked
29 by such department because the taxpayer does not meet the eligibility
30 requirements of this section, the amount of credit described in this
31 section and claimed by the taxpayer prior to that revocation shall be
32 added back to tax in the taxable year in which any such revocation
33 becomes final.

34 § 6. Paragraphs 3, 5 and 6 of subdivision (a) of section 31 of the
35 tax law, paragraph 3 as amended by section 5 and paragraph 5 as added by
36 section 5-a of part B of chapter 59 of the laws of 2013, and paragraph 6
37 as amended by section 9 of part D of chapter 59 of the laws of 2023, are
38 amended to read as follows:

39 (3) (i) A taxpayer shall not be eligible for the credit established by
40 this section for qualified post production costs, excluding the costs
41 for visual effects and animation, unless the qualified post production
42 costs, excluding the costs for visual effects and animation, at a quali-
43 fied post production facility meet or exceed one million dollars seven-
44 ty-five percent of the total post production costs, excluding the costs
45 for visual effects and animation, paid or incurred in the post
46 production of the qualified film at any post production facility. (ii) A
47 taxpayer shall not be eligible for the credit established by this
48 section for qualified post production costs which are costs for visual
49 effects or animation unless the qualified post production costs for

51 or exceed [~~three million~~] five hundred thousand dollars or [~~twenty~~] ten
52 percent of the total post production costs for visual effects or
53 animation paid or incurred in the post production of a qualified film at
54 any post production facility, whichever is less. (iii) A taxpayer may
55 claim a credit for qualified post production costs excluding the costs
56 for visual effects and animation, and for qualified post production

costs of visual effects and animation, provided that the criteria in subparagraphs (i) and (ii) of this paragraph are both satisfied. The credit shall be allowed for the taxable year in which the production of such qualified film is completed.

(5) If the amount of the credit is at least one million dollars but less than five million dollars, the credit shall be claimed over a two year period beginning in the first taxable year in which the credit may be claimed and in the next succeeding taxable year, with one-half of the amount of credit allowed being claimed in each year. If the amount of the credit is at least five million dollars, the credit shall be claimed over a three year period beginning in the first taxable year in which the credit may be claimed and in the next two succeeding taxable years, with one-third of the amount of the credit allowed being claimed in each year. Provided, however, in the case of a qualified film for which the taxpayer filed an initial application on or after January first, two thousand twenty-five, the credit shall be claimed for the taxable year in which such qualified film is completed.

(6) For the period two thousand fifteen through two thousand [~~thirty-four~~] thirty-six, in addition to the amount of credit established in paragraph two of this subdivision, a taxpayer shall be allowed a credit equal to the product (or pro rata share of the product, in the case of a member of a partnership) of ten percent and the amount of wages or salaries paid to individuals directly employed (excluding those employed as writers, directors, composers, producers and performers, other than background actors with no scripted lines) for services performed by those individuals in one of the counties specified in this paragraph in connection with the post production work on a qualified film with a minimum budget of five hundred thousand dollars at a qualified post production facility in one of the counties listed in this paragraph. For purposes of this additional credit, the services must be performed in one or more of the following counties: Albany, Allegany, Broome, Cattaraugus, Cayuga, Chautauqua, Chemung, Chenango, Clinton, Columbia, Cortland, Delaware, Dutchess, Erie, Essex, Franklin, Fulton, Genesee, Greene, Hamilton, Herkimer, Jefferson, Lewis, Livingston, Madison, Monroe, Montgomery, Niagara, Oneida, Onondaga, Ontario, Orange, Orleans, Oswego, Otsego, Putnam, Rensselaer, Saratoga, Schenectady, Schoharie, Schuyler, Seneca, St. Lawrence, Steuben, Sullivan, Tioga, Tompkins, Ulster, Warren, Washington, Wayne, Wyoming, or Yates.

§ 7. Paragraph 2 of subdivision b of section 31 of the tax law, as added by section 12 of part Q of chapter 57 of the laws of 2010, is amended and a new paragraph 5 is added to read as follows:

(2) "[~~Post~~] Qualified production costs" means production of original content for a qualified film employing traditional, emerging and new workflow techniques used in post-production for picture, sound and music editorial, rerecording and mixing, visual effects, graphic design, [~~original scoring,~~] animation, and musical composition in the state; but shall not include the editing of previously produced content for a qualified film. Provided, however, that the aggregate total eligible post production costs for the wages, salaries or other compensation of writers, directors, performers (other than background actors with no scripted lines), composers, and no more than two producers, shall not exceed forty percent of the aggregate sum total of all other qualified post production costs. Provided, further, that qualified post production costs shall not include any payments to a loan-out company for the provision of specific individual personnel, such as artists, crew, actors, producers, or directors, for the performance of services used

1 directly in a production unless the taxpayer has satisfied the withhold-
2 ing requirement pursuant to subdivision (f) of this section.

3 (5) "Loan-out company" means a personal service corporation or other
4 entity with which a qualified film production company or a qualified
5 independent film production company contracts for the provision of spec-
6 ified individual personnel, such as artists, crew, actors, producers, or
7 directors for the performance of services used directly in a production.
8 "Loan-out company" shall not include entities that contracted with a
9 qualified film production company or a qualified independent film
10 production company to provide goods or ancillary contractor services
11 such as catering, construction, trailers, equipment, or transportation.

12 § 8. Section 31 of the tax law is amended by adding two new subdivi-
13 sions (f) and (g) to read as follows:

14 (f) A taxpayer shall withhold from each payment to a loan-out company
15 an amount equal to 6.85 percent of the payment otherwise due. The
16 amounts withheld shall be deemed to be withholding pursuant to part five
17 of article twenty-two of this chapter, and the taxpayer shall be deemed
18 to have the rights, duties, and responsibilities pursuant to such part
19 of an employer of the individuals to whom the loan-out company made
20 payments for services performed in the state. The amounts so withheld
21 shall be allocated to the loan-out company's employees in proportion to
22 payments made to the loan-out company's employees for services performed
23 in the state. Notwithstanding any other provisions of this chapter,
24 loan-out company nonresident employees performing services in the state
25 shall be considered taxable nonresidents and the loan-out company shall
26 be subject to income taxation in the taxable year in which the loan-out
27 company's employees perform services in the state. Such withholding
28 liability shall be subject to penalties and interest in the same manner
29 as the employee withholding taxes imposed by part five of article twen-
30 ty-two of this chapter.

31 (g) Credit recapture. If a certificate of tax credit issued by the
32 department of economic development pursuant to this section is revoked
33 by such department because the taxpayer does not meet the eligibility
34 requirements of this section, the amount of credit described in this
35 section and claimed by the taxpayer prior to that revocation shall be
36 added back to tax in the taxable year in which any such revocation
37 becomes final.

38 § 9. The tax law is amended by adding a new section 24-d to read as
39 follows:

40 § 24-d. Empire state independent film production credit. (a) (1)
41 Allowance of credit. A taxpayer which is a qualified independent film
42 production company, or which is a sole proprietor of or a member of a
43 partnership which is a qualified independent film production company,
44 and which is subject to tax under articles nine-A or twenty-two of this
45 chapter, shall be allowed a credit against such tax, pursuant to the
46 provisions referenced in subdivision (c) of this section, to be computed
47 as hereinafter provided.

48 (2) (i) The amount of the credit shall be the product (or pro rata
49 share of the product, in the case of a member of a partnership) of thir-
50 ty percent and the qualified production costs paid or incurred in the
51 production of a qualified film, provided that the qualified production
52 costs (excluding post production costs) paid or incurred which are
53 attributable to the use of tangible property or the performance of
54 services at a qualified film production facility in the production of
55 such qualified film equal or exceed seventy-five percent of the
56 production costs (excluding post production costs) paid or incurred

1 which are attributable to the use of tangible property or the perform-
2 ance of services at any film production facility within and without the
3 state in the production of such qualified film. However, if the quali-
4 fied production costs (excluding post production costs) which are
5 attributable to the use of tangible property or the performance of
6 services at a qualified film production facility in the production of
7 such qualified film is less than three million dollars, then the portion
8 of the qualified production costs attributable to the use of tangible
9 property or the performance of services in the production of such quali-
10 fied film outside of a qualified film production facility shall be
11 allowed only if the shooting days spent in New York outside of a film
12 production facility in the production of such qualified film equal or
13 exceed seventy-five percent of the total shooting days spent within and
14 without the state outside of a film production facility in the
15 production of such qualified film. The credit shall be allowed for the
16 taxable year in which the production of such qualified film is
17 completed. A taxpayer shall not be eligible for a tax credit established
18 by this section for the production of more than two qualified films per
19 calendar year.

20 (ii) In addition to the amount of credit established in subparagraph
21 (i) of this paragraph, a taxpayer shall be allowed a credit equal to (A)
22 the product (or pro rata share of the product, in the case of a member
23 of a partnership) of ten percent and the wages, salaries or other
24 compensation constituting qualified production costs as defined in para-
25 graph one of subdivision (b) of this section, paid to individuals
26 directly employed by a qualified independent film production company for
27 services performed by those individuals in one of the counties specified
28 in this subparagraph in connection with a qualified independent film
29 with a minimum budget of five hundred thousand dollars, and (B) the
30 product (or pro rata share of the product, in the case of a member of a
31 partnership) of ten percent and the qualified production costs (exclud-
32 ing wages, salaries or other compensation) paid or incurred in the
33 production of a qualified film where the property constituting such
34 qualified production costs was used, and the services constituting such
35 qualified production costs were performed in any of the counties speci-
36 fied in this subparagraph in connection with a qualified film with a
37 minimum budget of five hundred thousand dollars where the majority of
38 principal photography shooting days in the production of such film
39 were shot in any of the counties specified in this paragraph. Provided,
40 however, that the aggregate total eligible qualified production costs
41 constituting wages, salaries or other compensation, for writers,
42 directors, composers, producers, and performers shall not exceed forty
43 percent of the aggregate sum total of all other qualified production
44 costs. For purposes of the credit, the services must be performed and
45 the property must be used in one or more of the following counties:
46 Albany, Allegany, Broome, Cattaraugus, Cayuga, Chautauqua, Chemung,
47 Chenango, Clinton, Columbia, Cortland, Delaware, Dutchess, Erie, Essex,
48 Franklin, Fulton, Genesee, Greene, Hamilton, Herkimer, Jefferson, Lewis,
49 Livingston, Madison, Monroe, Montgomery, Niagara, Oneida, Onondaga,
50 Ontario, Orange, Orleans, Oswego, Otsego, Putnam, Rensselaer, Saratoga,

52 van, Tioga, Tompkins, Ulster, Warren, Washington, Wayne, Wyoming, or
53 Yates.

54 (3) No qualified production costs used by a taxpayer either as the
55 basis for the allowance of the credit provided for under this section or
56 used in the calculation of the credit provided for under this section

1 shall be used by such taxpayer to claim any other credit allowed pursu-
2 ant to this chapter.

3 (4) Notwithstanding the foregoing provisions of this subdivision, a
4 qualified independent film production company that has applied for cred-
5 it under the provisions of this section, agrees as a condition for the
6 granting of the credit: (i) to include in each qualified film distrib-
7 uted by DVD, or other media for the secondary market, a New York promo-
8 tional video approved by the governor's office of motion picture and
9 television development or to include in the end credits of each quali-
10 fied film "Filmed With the Support of the New York State Governor's
11 Office of Motion Picture and Television Development" and a logo provided
12 by the governor's office of motion picture and television development,
13 and (ii) to certify that it will purchase taxable tangible property and
14 services, defined as qualified production costs pursuant to paragraph
15 one of subdivision (b) of this section, only from companies registered
16 to collect and remit state and local sales and use taxes pursuant to
17 articles twenty-eight and twenty-nine of this chapter.

18 (b) Definitions. As used in this section, the following terms shall
19 have the following meanings:

20 (1) "Qualified production costs" means production costs only to the
21 extent such costs, excluding labor costs, do not exceed sixty million
22 dollars and are attributable to the use of tangible property or the
23 performance of services within the state directly and predominantly in
24 the production (including pre-production and post production) of a qual-
25 ified film. In the case of an eligible relocated television series, the
26 term "qualified production costs" shall include, in the first season
27 that the eligible relocated television series is produced in New York
28 after relocation, qualified relocation costs. Provided, however, that
29 the aggregate total eligible qualified production costs for producers,
30 writers, directors, performers (other than background actors with no
31 scripted lines), and composers shall not exceed forty percent of the
32 aggregate sum total of all other qualified production costs. Provided,
33 further, that qualified production costs shall not include any payments
34 to a loan-out company for the provision of specified individual person-
35 nel, such as artists, crew, actors, producers, or directors, for the
36 performance of services used directly in a production unless the taxpay-
37 er has satisfied the withholding requirement pursuant to subdivision (g)
38 of this section.

39 (2) "Production costs" means any costs for tangible property used and
40 services performed directly and predominantly in the production (includ-
41 ing pre-production and post production) of a qualified film.
42 "Production costs" shall not include costs for a story, script or
43 scenario to be used for a qualified film. "Production costs" generally
44 include writers, directors, composers and performers, technical and crew
45 production costs, such as expenditures for film production facilities,
46 or any part thereof, props, makeup, wardrobe, film processing, camera,
47 sound recording, set construction, lighting, shooting, editing and
48 meals.

49 (3) "Qualified film" means a scripted narrative feature-length film,
50 television film, relocated television series or television series,
51 regardless of the medium by means of which the film or series is created
52 or conveyed. For the purposes of the credit provided by this section
53 only, a "qualified film" whose majority of principal photography shoot-
54 ing days in the production of the qualified film are shot in Westches-
55 ter, Rockland, Nassau, or Suffolk county or any of the five New York
56 City boroughs shall have a minimum budget of one million dollars. A

1 "qualified film", whose majority of principal photography shooting days
2 in the production of the qualified film are shot in any other county of
3 the state than those listed in the preceding sentence shall have a mini-
4 mum budget of two hundred fifty thousand dollars. "Qualified film" shall
5 not include: (i) a television pilot, documentary film, news or current
6 affairs program, interview or talk program, "how-to" (i.e., instruc-
7 tional) film or program, film or program consisting primarily of stock
8 footage, sporting event or sporting program, game show, award ceremony,
9 film or program intended primarily for industrial, corporate or institu-
10 tional end-users, fundraising film or program, daytime drama (i.e.,
11 daytime "soap opera"), commercials, music videos or "reality" program;
12 (ii) a production for which records are required under section 2257 of
13 title 18, United States code, to be maintained with respect to any
14 performer in such production (reporting of books, films, etc. with
15 respect to sexually explicit conduct); or (iii) a television series
16 commonly known as variety entertainment, variety sketch and variety
17 talk, i.e., a program with components of improvisational or scripted
18 content (monologues, sketches, interviews), either exclusively or in
19 combination with other entertainment elements such as musical perform-
20 ances, dancing, cooking, crafts, pranks, stunts, and games and which may
21 be further defined in regulations of the commissioner of economic devel-
22 opment.

23 (4) "Film production facility" shall mean a building and/or complex of
24 buildings and their improvements and associated back-lot facilities in
25 which films are or are intended to be regularly produced and which
26 contain at least one sound stage, provided, however, that an armory
27 owned by the state or city of New York located in the city of New York
28 shall not be considered to be a "film production facility" unless such
29 facility is used by a qualified independent film production company.

30 (5) "Qualified film production facility" shall mean a film production
31 facility in the state, which contains at least one sound stage having a
32 minimum of seven thousand square feet of contiguous production space.

33 (6) "Qualified independent film production company" is a corporation,
34 partnership, limited partnership, or other entity or individual, that or
35 who (i) is principally engaged in the production of a qualified film,
36 (ii) is not publicly traded, and (iii) is not majority owned, fifty-one
37 percent or more, by a company publicly traded on a United States stock
38 exchange.

39 (7) "Relocated television series" shall mean the first two years of a
40 regularly occurring production intended to run in its initial broadcast,
41 regardless of the medium or mode of its distribution, in a series of
42 narrative and/or thematically related episodes, each of which has a
43 running time of at least thirty minutes in length (inclusive of commer-
44 cial advertisement and interstitial programming, if any), which had
45 filmed a minimum of six episodes of the television series outside the
46 state immediately prior to relocating to the state, where the television
47 series had a total minimum budget of at least one million dollars per
48 episode. For the purposes of this definition only, a television series
49 produced by and for media services providers described as streaming
50 services and/or digital platforms (and excluding network/cable) shall
51 mean a regularly occurring production intended to run in its initial
52 release in a series of narrative and/or thematically related episodes,
53 the aggregate length of which is at least seventy-five minutes, although
54 the episodes themselves may vary in duration from the thirty minutes
55 specified for network/cable production.

1 (8) "Qualified relocation costs" means the costs incurred, excluding
2 wages, salaries and other compensation, in the first season that a relo-
3 cated television series relocates to New York, including such costs
4 incurred to transport sets, props and wardrobe to New York and other
5 costs as determined by the department of economic development to the
6 extent such costs do not exceed six million dollars.

7 (9) "Loan-out company" means a personal service corporation or other
8 entity with which a qualified independent film production company or a
9 qualified independent film production company contracts for the
10 provision of specified individual personnel, such as artists, crew,
11 actors, producers, or directors for the performance of services used
12 directly in a production. "Loan-out company" shall not include entities
13 that contracted with a qualified independent film production company or
14 a qualified independent film production company to provide goods or
15 ancillary contractor services such as catering, construction, trailers,
16 equipment, or transportation.

17 (10) If the total amount of allocated credits applied for in any
18 particular year is less than the aggregate amount of tax credits allowed
19 for such year under this section, any unused portion may be carried over
20 and added to the aggregate amount of credits allowed in the next
21 succeeding taxable year or years.

22 (c) Cross-references. For application of the credit provided for in
23 this section, see the following provisions of this chapter:

24 (1) article 9-A: section 210-B: subdivision 20-a.

25 (2) article 22: section 606: subsection (gg-1).

26 (d) Notwithstanding any provision of this chapter, employees and offi-
27 cers of the governor's office of motion picture and television develop-
28 ment and the department shall be allowed and are directed to share and
29 exchange information regarding the credits applied for, allowed, or
30 claimed pursuant to this section and taxpayers who are applying for
31 credits or who are claiming credits, including information contained in
32 or derived from credit claim forms submitted to the department and
33 applications for credit submitted to the governor's office of motion
34 picture and television development.

35 (e) Allocation of credit. The aggregate amount of tax credits allowed
36 under this section, subdivision twenty-a of section two hundred ten and
37 subsection (gg-1) of section six hundred six of this chapter in any
38 calendar year shall be (1) twenty million dollars for qualified films
39 with a budget of less than ten million dollars of qualified production;
40 and (2) eighty million dollars for qualified films with a budget of ten
41 million dollars or more of qualified production costs. There shall be at
42 least two application periods each year; such aggregate amount of cred-
43 its shall be allocated by the governor's office for motion picture and
44 television development among taxpayers in order of priority based upon
45 the date of filing of an application for allocation of the independent
46 film production credit with such office within each application period.
47 If the commissioner of economic development determines that the aggre-
48 gate amount of tax credits available for an application period under
49 paragraph one of this subdivision have been previously allocated, and
50 determines that the pending applications from eligible applicants for
51 the other application period in such calendar year is insufficient to
52 utilize the balance of unallocated tax credits for such period, then
53 such commissioner may allocate to productions eligible under such para-
54 graph any credits that remain unallocated for such period pursuant to
55 paragraph two of this subdivision. Provided, however, the total amount
56 of allocated credits applied in any calendar year shall not exceed the

1 aggregate amount of tax credits allowed for such year under this
2 section.

3 (f) (1) The commissioner of economic development shall reduce by one-
4 half of one percent the amount of credit allowed to a taxpayer and this
5 reduced amount shall be reported on a certificate of tax credit issued
6 pursuant to this section and the regulations promulgated by the commis-
7 sioner of economic development to implement this credit program.

8 (2) By January thirty-first of each year, the commissioner of economic
9 development shall report to the comptroller the total amount of such
10 reductions of tax credit during the immediately preceding calendar year.
11 On or before March thirty-first of each year, the comptroller shall
12 transfer without appropriations from the general fund to the empire
13 state entertainment diversity job training development fund established
14 under section ninety-seven-ff of the state finance law an amount equal
15 to the total amount of such reductions reported by the commissioner of
16 economic development for the immediately preceding calendar year.

17 (g) A taxpayer shall withhold from each payment to a loan-out company
18 an amount equal to 6.85 percent of the payment otherwise due. The
19 amounts withheld shall be deemed to be withholding pursuant to part five
20 of article twenty-two of this chapter, and the taxpayer shall be deemed
21 to have the rights, duties, and responsibilities pursuant to such part
22 of an employer of the individuals to whom the loan-out company made
23 payments for services performed in the state. The amounts so withheld
24 shall be allocated to the loan-out company's employees in proportion to
25 payments made to the loan-out company's employees for services performed
26 in the state. Notwithstanding any other provisions of this chapter,
27 loan-out company nonresident employees performing services in the state
28 shall be considered taxable nonresidents and the loan-out company shall
29 be subject to income taxation in the taxable year in which the loan-out
30 company's employees perform services in the state. Such withholding
31 liability shall be subject to penalties and interest in the same manner
32 as the employee withholding taxes imposed by part five of article twen-
33 ty-two of this chapter.

34 (h) Credit recapture. If a certificate of tax credit issued by the
35 department of economic development pursuant to this section is revoked
36 by such department because the taxpayer does not meet the eligibility
37 requirements of this section, the amount of credit described in this
38 section and claimed by the taxpayer prior to that revocation shall be
39 added back to tax in the taxable year in which any such revocation
40 becomes final.

41 § 10. Section 210-B of the tax law is amended by adding a new subdivi-
42 sion 20-a to read as follows:

43 20-a. Empire state independent film production credit. (a) Allowance
44 of credit. A taxpayer who is eligible pursuant to section twenty-four-d
45 of this chapter shall be allowed a credit to be computed as provided in
46 such section twenty-four-d against the tax imposed by this article.

47 (b) Application of credit. The credit allowed under this subdivision
48 for any taxable year shall not reduce the tax due for such year to less
49 than the fixed dollar minimum amount prescribed in paragraph (d) of
50 subdivision one of section two hundred ten of this article. Provided,
51 however, that if the amount of the credit allowable under this subdivi-
52 sion for any taxable year reduces the tax to such amount or if the
53 taxpayer otherwise pays tax based on the fixed dollar minimum amount,
54 the excess shall be treated as an overpayment of tax to be credited or
55 refunded in accordance with the provisions of section one thousand
56 eighty-six of this chapter. Provided, however, the provisions of

subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

§ 11. Section 606 of the tax law is amended by adding a new subsection (gg-1) to read as follows:

(gg-1) Empire state independent film production credit. (1) Allowance of credit. A taxpayer who is eligible pursuant to section twenty-four-d of this chapter shall be allowed a credit to be computed as provided in such section twenty-four-d against the tax imposed by this article.

(2) Application of credit. If the amount of the credit allowable under this subsection for any taxable year exceeds the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded as provided in section six hundred eighty-six of this article, provided, however, that no interest shall be paid thereon.

§ 12. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (lii) to read as follows:

(lii) Empire state film production credit under subsection (gg-1)

Amount of credit for qualified production costs in production of a qualified film under subdivision twenty-a of section two hundred ten-B

50 PART 0

51 Section 1. Paragraph (b-1) of subdivision 3 of section 425 of the real
52 property tax law, as amended by section 1 of part RR of chapter 59 of
53 the laws of 2019, is amended to read as follows:

(b-1) Income. For final assessment rolls to be used for the levy of taxes for the two thousand eleven-two thousand twelve through two thousand eighteen-two thousand nineteen school years, the parcel's affiliated income may be no greater than five hundred thousand dollars, as determined by the commissioner pursuant to subdivision fourteen of this section or section one hundred seventy-one-u of the tax law, in order to be eligible for the basic exemption authorized by this section. Beginning with the two thousand nineteen-two thousand twenty school year, for purposes of the exemption authorized by this section, the parcel's affiliated income may be no greater than two hundred fifty thousand dollars, as so determined. As used herein, the term "affiliated income" shall mean the combined income of all of the owners of the parcel who resided primarily thereon on the applicable taxable status date, and of any owners' spouses residing primarily thereon. For exemptions on final assessment rolls to be used for the levy of taxes for the two thousand eleven-two thousand twelve school year, affiliated income shall be determined based upon the parties' incomes for the income tax year ending in two thousand nine. In each subsequent school year, the applicable income tax year shall be advanced by one year. The term "income" as used herein shall have the same meaning as in subdivision four of this section, and the provisions of clause (B) of subparagraph (ii) of paragraph (b) of subdivision four of this section shall be equally applicable to the basic exemption.

§ 2. Paragraph (a) of subdivision 4 of section 425 of the real property tax law, as amended by section 4 of part A of chapter 405 of the laws of 1999 and subparagraph (i) as amended by section 2 of part E of chapter 83 of the laws of 2002, is amended to read as follows:

(a) Age. (i) ~~[All]~~ At least one of the owners who resides primarily on the property must be ~~[at least]~~ sixty-five years of age or older as of the date specified herein~~[, or in the case of property owned by husband and wife or by siblings, one of the owners must be at least sixty-five years of age as of that date and the property must serve as the primary residence of that owner]~~. For the two thousand--two thousand one school year, eligibility for the exemption shall be based upon age as of December thirty-first, two thousand. For each subsequent school year, the applicable date shall be advanced by one year.

(ii) ~~[The term "siblings" as used herein shall have the same meaning as set forth in section four hundred sixty seven of this article.~~

~~(iii)]~~ In the case of property owned by ~~[husband and wife, one of whom]~~ a married couple, if only one of the spouses is sixty-five years of age or over, the exemption, once granted, shall not be rescinded solely because of the death of the older spouse so long as the surviving spouse is at least sixty-two years of age as of the date specified in this paragraph.

§ 3. The opening paragraph of subparagraph (i) of paragraph (b) of subdivision 4 of section 425 of the real property tax law, as amended by section 3 of part E of chapter 83 of the laws of 2002, is amended to read as follows:

The combined income of all of the owners who primarily reside on the property, and of any owners' spouses primarily residing on the ~~[premises]~~ property, may not exceed the applicable income standard specified herein.

§ 4. Subparagraph (ii) of paragraph (b) of subdivision 4 of section 425 of the real property tax law, as amended by section 1 of part B of chapter 59 of the laws of 2018, is amended to read as follows:

(ii) The term "income" as used herein shall mean the "adjusted gross income" for federal income tax purposes as reported on the applicant's federal or state income tax return for the applicable income tax year, subject to any subsequent amendments or revisions, reduced by distributions, to the extent included in federal adjusted gross income, received from an individual retirement account and an individual retirement annuity; provided that if no such return was filed for the applicable income tax year, "income" shall mean the ~~[adjusted gross income]~~ amount that would have been so reported if such a return had been filed. Provided further, that ~~[effective]~~:

(A) Effective with exemption applications for final assessment rolls to be completed in two thousand nineteen, where an income-eligibility determination is wholly or partly based upon the income of one or more individuals who did not file a return for the applicable income tax year, then in order for the application to be considered complete, each such individual must file a statement with the department showing the source or sources of ~~[his or her]~~ such individual's income for that income tax year, and the amount or amounts thereof, that would have been reported on such a return if one had been filed. Such statement shall be filed at such time, and in such form and manner, as may be prescribed by the department, and shall be subject to the secrecy provisions of the tax law to the same extent that a personal income tax return would be. The department shall make such forms and instructions available for the filing of such statements. The local assessor shall upon the request of a taxpayer assist such taxpayer in the filing of the statement with the department.

(B) Notwithstanding the foregoing provisions of this subparagraph, where property is owned solely by a person or persons who received the exemption for three consecutive years without having filed returns for the applicable income tax years, but who demonstrated their eligibility for the exemption to the commissioner's satisfaction by filing statements pursuant to clause (A) of this subparagraph, such person or persons shall be presumed to satisfy the applicable income-eligibility requirements each year thereafter and shall not be required to continue to file such statements in the absence of a specific request therefor from the commissioner. Nothing contained herein shall be construed to prevent the commissioner from denying an exemption pursuant to this section when the commissioner determines that a property owner has a source of income that renders that owner ineligible for that exemption.

§ 5. Clauses (C) and (D) of subparagraph (iv) of paragraph (b) of subdivision 4 of section 425 of the real property tax law are REPEALED and a new clause (C) is added to read as follows:

(C) When the commissioner determines that property is ineligible for a STAR exemption, notice of such determination and an opportunity for review thereof shall be provided in the manner set forth in subdivision four-b of this section.

§ 6. Section 425 of the real property tax law is amended by adding a new subdivision 4-b to read as follows:

4-b. Authority of the commissioner in relation to eligibility determinations. (a) (i) Notwithstanding any provision of this section to the contrary, it shall be the responsibility of the commissioner to determine eligibility for the basic and enhanced STAR exemptions authorized by this section, in consultation with local assessors as necessary.

(ii) The commissioner's eligibility determinations shall be based upon data the commissioner has obtained from local assessment rolls, personal income tax returns, the STAR registration program, the STAR income

1 verification program and such other data sources as may be available to
2 the commissioner.

3 (iii) The process followed by the commissioner to verify eligibility
4 for the basic and enhanced STAR exemptions shall be the same, except to
5 the extent that differences are required by law.

6 (b) If the commissioner should determine that a parcel that has a
7 basic STAR exemption is eligible for an enhanced STAR exemption, the
8 commissioner shall so notify the assessor. The assessor shall thereupon
9 grant the parcel an enhanced STAR exemption without requesting a new
10 application from the owner.

11 (c) If the commissioner determines that property is not eligible for a
12 STAR exemption it has been receiving, the provisions of this subdivision
13 shall be applicable.

14 (i) The commissioner shall provide the property owners with notice and
15 an opportunity to show the commissioner that the property is eligible to
16 receive the exemption. If the owners fail to respond to such notice
17 within forty-five days from the mailing thereof, or if their response
18 does not show to the commissioner's satisfaction that the property is
19 eligible for the exemption, the commissioner shall direct the assessor
20 or other person having custody or control of the assessment roll or tax
21 roll to remove or deny the exemption, and to correct the roll according-
22 ly. Such a directive shall be binding upon the assessor or other person
23 having custody or control of the assessment roll or tax roll, and shall
24 be implemented by such person without the need for further documentation
25 or approval.

26 (ii) Neither an assessor nor a board of assessment review has the
27 authority to consider an objection to the removal or denial of an
28 exemption pursuant to this subdivision, nor may such an action be
29 reviewed in a proceeding to review an assessment pursuant to title one
30 or one-A of article seven of this chapter. Such an action may only be
31 challenged before the department of taxation and finance. If a taxpayer
32 is dissatisfied with the department's final determination, the taxpayer
33 may appeal that determination to the state board of real property tax
34 services in a form and manner to be prescribed by the commissioner. Such
35 appeal shall be filed within forty-five days from the issuance of the
36 department's final determination. If dissatisfied with the state board
37 of real property tax services' determination, the taxpayer may seek
38 judicial review thereof pursuant to article seventy-eight of the civil
39 practice law and rules. The taxpayer shall otherwise have no right to
40 challenge such final determination in a court action, administrative
41 proceeding or any other form of legal recourse against the commissioner,
42 the department of taxation and finance, the state board of real property
43 tax services, the assessor or other person having custody or control of
44 the assessment roll or tax roll regarding such action.

45 § 7. The section heading of section 171-u of the tax law, as added by
46 section 2 of part FF of chapter 57 of the laws of 2010, is amended to

56 section 606 of the tax law, subparagraph (B) as amended by section 10 of

1 part B of chapter 59 of the laws of 2018 and subparagraph (E) as amended
2 by section 2 of part H of chapter 59 of the laws of 2017, are amended to
3 read as follows:

4 (B) (i) "Affiliated income" shall mean ~~[for purposes of the basic STAR~~
5 ~~credit,]~~ the combined income of all of the owners of the parcel who
6 resided primarily thereon as of ~~December thirty-first]~~ July first of
7 the taxable year, and of any owners' spouses residing primarily thereon
8 as of such date~~[, and for purposes of the enhanced STAR credit, the~~
9 ~~combined income of all of the owners of the parcel as of December thir-~~
10 ~~ty-first of the taxable year, and of any owners' spouses residing prima-~~
11 ~~rily thereon as of such date; provided that for both purposes]; provided~~
12 that the income to be so combined shall be the "adjusted gross income"
13 for the taxable year as reported for federal income tax purposes, or
14 that would be reported as adjusted gross income if a federal income tax
15 return were required to be filed, reduced by distributions, to the
16 extent included in federal adjusted gross income, received from an indi-
17 vidual retirement account and an individual retirement annuity.

18 (ii) For taxable years beginning on and after January first, two thou-
19 sand nineteen, where an income-eligibility determination is wholly or
20 partly based upon the income of one or more individuals who did not file
21 a return pursuant to section six hundred fifty-one of this article for
22 the applicable income tax year, then in order to be eligible for the
23 credit authorized by this subsection, each such individual must file a
24 statement with the department showing the source or sources of ~~[his or~~
25 ~~her]~~ such individual's income for that income tax year, and the amount
26 or amounts thereof, that would have been reported on such a return if
27 one had been filed. Such statement shall be filed at such time, and in
28 such form and manner, as may be prescribed by the department, and shall
29 be subject to the provisions of section six hundred ninety-seven of this
30 article to the same extent that a return would be. The department shall
31 make such forms and instructions available for the filing of such state-
32 ments. The local assessor shall upon the request of a taxpayer assist
33 such taxpayer in the filing of the statement with the department.
34 ~~[Provided further, that if the qualified taxpayer was an owner of the~~
35 ~~property during the taxable year but did not own it on December thirty-~~
36 ~~first of the taxable year, then the determination as to whether the~~
37 ~~income of an individual should be included in "affiliated income" shall~~
38 ~~be based upon the ownership and/or residency status of that individual~~
39 ~~as of the first day of the month during which the qualified taxpayer~~
40 ~~ceased to be an owner of the property, rather than as of December thir-~~
41 ~~ty-first of the taxable year.]~~

42 (iii) Notwithstanding the foregoing provisions of this subparagraph,
43 where property is owned solely by a person or persons who received the
44 credit for three consecutive years without having filed returns for the
45 applicable income tax years, but who demonstrated their eligibility for
46 the credit to the commissioner's satisfaction by filing statements
47 pursuant to clause (ii) of this subparagraph, such person or persons
48 shall be presumed to satisfy the applicable income-eligibility require-
49 ments each year thereafter and shall not be required to continue to file
50 such statements in the absence of a specific request therefor from the
51 commissioner. Nothing contained herein shall be construed to prevent the
52 commissioner from denying a credit pursuant to this subsection when the
53 commissioner determines that a property owner has a source of income
54 that renders that owner temporarily or permanently ineligible for that
55 credit.

(E) "Qualifying taxes" means the school district taxes that were or are to be levied upon the taxpayer's primary residence for the associated fiscal year [~~that were actually paid by the taxpayer during the taxable year~~]; or, in the case of a city school district that is subject to article fifty-two of the education law, the combined city and school district taxes that were or are to be levied upon the taxpayer's primary residence for the associated fiscal year [~~that were actually paid by the taxpayer during the taxable year~~]. 35 (2) For the partnership adjustments described in paragraph two of
36 subsection (c) of this section, the impacted partnership must:

37 (A) report the sum of the following amounts attributable to each of
38 its direct partners and indirect partners as follows:

39 (i) for partners subject to tax pursuant to articles nine-a or thir-
40 ty-three of this chapter in the reviewed year, other than tiered part-
41 ners, the partner's distributive share of gross income or gain, appor-
42 tioned to New York using a percentage using the apportionment rules
43 described in article nine-A of this chapter;

44 (ii) for a partner subject to tax pursuant to this article that is
45 treated as a nonresident pursuant to paragraph two of subsection (b) of
46 section six hundred five of this article in the reviewed year, other
47 than a tiered partner, the partner's distributive share of gross income
48 or gain allocated to New York using the allocation rules described in
49 this article;

50 (iii) for a partner subject to tax pursuant to this article that is
51 treated as a resident pursuant to paragraph one of subsection (b) of
52 section six hundred five of this article in the reviewed year, other
53 than a tiered partner, the partner's federal distributive share of gross
54 income or gain; and

55 (iv) for a partner subject to tax pursuant to article thirty of this
56 chapter that is treated as a resident pursuant to subsection (a) of

1 section thirteen hundred five of this chapter in the reviewed year,
2 other than tiered partners, the partner's federal distributive share of
3 gross income or gain.

4 (B) For purposes of computing the distributive share of gross income
5 or gain attributable to tiered partners, the partnership shall compute
6 the distributive share of each indirect partner that itself is not a
7 tiered partner, based on the rules in subparagraph (A) of paragraph two
8 of this subsection. Provided, however, if the impacted partnership lacks
9 the necessary information to compute the distributive share of:

10 (i) one or more indirect partners taxable under articles nine-A and
11 thirty-three of this chapter, such indirect partner or partners must
12 allocate one hundred percent of such taxpayer's distributive share of
13 the adjustment to the state.

14 (ii) one or more indirect partners taxable under this article, such
15 indirect partner or partners must be treated as a resident pursuant to
16 subsection (a) of section thirteen hundred five of this chapter.

17 (C) The impacted partnership shall compute tax due by computing the
18 sum of:

19 (i) the cumulative distributive share of all direct and indirect part-
20 ners as computed under clauses (i), (ii), (iii), and (iv) of subpara-
21 graph (A) of paragraph (2) of subsection (d) of this section, multiplied
22 by the highest tax rate imposed under section six hundred one of this
23 article for the reviewed year, and

24 (ii) the cumulative distributive share of all direct and indirect
25 partners as computed under clause (iv) of subparagraph (A) of paragraph
26 two of this subsection, multiplied by the highest rate imposed under
27 section thirteen hundred four of this chapter for the reviewed year.

28 (D) The partnership shall be required to remit any additional amount
29 of tax due, plus any penalty and interest computed under this article
30 based on the due date of the originally filed return of the reviewed
31 year.

32 (3) The impacted partnership must inform each direct and indirect
33 partner of partnership adjustments described in paragraph three of
34 subsection (c) of this section in the manner required by the commission-
35 er.

36 (e) Statute of limitations for assessments of additional New York
37 state tax, interest, and penalties arising from adjustments to federal
38 taxable income.

39 (1) If the impacted partnership files a report within the period spec-
40 ified in subsection (c) of this section, the commissioner may assess an
41 impacted partnership additional tax, interest, and penalties arising
42 from final federal adjustments or administrative adjustment requests
43 pursuant to the provisions of section six hundred eighty-three of this
44 article.

45 (2) If an impacted partnership fails to file a report as required in
46 subsection (c) of this section, the commissioner may assess the impacted
47 partnership additional tax, interest, and penalties arising from final
48 federal adjustments or administrative adjustment requests pursuant to
49 the provisions of section six hundred eighty-one of this article.

50 (f) Nothing in this section shall prevent the commissioner from
51 assessing direct or indirect partners for any taxes due, using the best
52 information available, in the event that an impacted partnership fails
53 to timely report or remit any report or additional taxes due required by
54 this section for any reason.

§ 5. Subsection (e) of section 681 of the tax law, as amended by chapter 381 of the laws of 1975, paragraph 1 as amended by chapter 28 of the laws of 1987, is amended as follows:

(e) Exceptions where federal changes, corrections or disallowances are not reported.---

(1) If the taxpayer or employer fails to comply with section six hundred fifty-nine or section six hundred fifty-nine-a, instead of the mode and time of assessment provided for in subsection (b) of this section, the [~~tax-commission~~] commissioner may assess a deficiency based upon such federal change, correction or disallowance by mailing to the taxpayer a notice of additional tax due specifying the amount of the deficiency, and such deficiency, together with the interest, additions to tax and penalties stated in such notice, shall be deemed assessed on the date such notice is mailed unless within thirty days after the mailing of such notice a report of the federal change, correction or disallowance or an amended return, where such return was required by section six hundred fifty-nine or section six hundred fifty-nine-a, is filed accompanied by a statement showing wherein such federal determination and such notice of additional tax due are erroneous.

(2) Such notice shall not be considered as a notice of deficiency for the purposes of this section, subsection (f) of section six hundred eighty-seven (limiting credits or refunds after petition to the [~~tax-commission~~] division of tax appeals), or subsection (b) of section six hundred eighty-nine (authorizing the filing of a petition with the [~~tax-commission~~] division of tax appeals based on a notice of deficiency), nor shall such assessment or the collection thereof be prohibited by the provisions of subsection (c).

(3) If [~~a husband and wife~~] spouses are jointly liable for tax, a notice of additional tax due may be a single joint notice, except that if the [~~tax-commission~~] commissioner has been notified by either spouse that separate residences have been established, then, in lieu of the joint notice, a duplicate original of the joint notice shall be mailed to each spouse at [~~his or her~~] their last known address in or out of this state. If the taxpayer is deceased or under a legal disability, a notice of additional tax due may be mailed to [~~his~~] their last known address in or out of this state, unless the [~~tax-commission~~] commissioner has received notice of the existence of a fiduciary relationship with respect to the taxpayer.

§ 6. Subsection (a) of section 682 of the tax law, as amended by section 3 of part F of chapter 60 of the laws of 2004, is amended to read as follows:

(a) Assessment date.--The amount of tax which a return shows to be due, or the amount of tax which a return would have shown to be due but for a mathematical or clerical error, shall be deemed to be assessed on the date of filing of the return (including any amended return showing an increase of tax). In the case of a return properly filed without computation of tax, the tax computed by the commissioner shall be deemed to be assessed on the date on which payment is due. If a notice of deficiency has been mailed, the amount of the deficiency shall be deemed to be assessed on the date specified in subsection (b) of section six hundred eighty-one if no petition to the division of tax appeals is filed, or if a petition is filed, then upon the date when a determination or decision rendered in the division of tax appeals establishing the amount of the deficiency becomes final. If an amended return or report filed pursuant to section six hundred fifty-nine or six hundred fifty-nine-a concedes the accuracy of a federal change or correction,

any deficiency in tax under this article resulting therefrom shall be deemed to be assessed on the date of filing such report or amended return, and such assessment shall be timely notwithstanding section six hundred eighty-three. If a notice of additional tax due, as prescribed in subsection (e) of section six hundred eighty-one, has been mailed, the amount of the deficiency shall be deemed to be assessed on the date specified in such subsection unless within thirty days after the mailing of such notice a report of the federal change or correction or an amended return, where such return was required by section six hundred fifty-nine or six hundred fifty-nine-a, is filed accompanied by a statement showing wherein such federal determination and such notice of additional tax due are erroneous. Any amount paid as a tax or in respect of a tax, other than amounts withheld at the source or paid as estimated income tax, shall be deemed to be assessed upon the date of receipt of payment, notwithstanding any other provisions.

§ 7. Paragraphs 1, 2 and 3 of subsection (c) of section 683 of the tax law, as added by chapter 1011 of 1962, paragraph 1 as amended by chapter 526 of the laws of 1973, subparagraph (C) of paragraph 1 and paragraph 3 as amended by chapter 28 of the laws of 1987, are amended as follows:

(1) Assessment at any time.--The tax may be assessed at any time if--
(A) no return is filed,
(B) a false or fraudulent return is filed with intent to evade tax, or
(C) the taxpayer or employer fails to comply with section six hundred fifty-nine or six hundred fifty-nine-a.

(2) Extension by agreement.--Where, before the expiration of the time prescribed in this section for the assessment of tax, both the ~~tax~~ commissioner and the taxpayer have consented in writing to its assessment after such time, the tax may be assessed at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

(3) Report of federal changes, corrections or disallowances.--If the taxpayer or employer complies with section six hundred fifty-nine or six hundred fifty-nine-a, the assessment (if not deemed to have been made upon the filing of the report or amended return) may be made at any time within two years after such report or amended return was filed. The amount of such assessment of tax shall not exceed the amount of the increase in New York tax attributable to such federal change or correction. The provisions of this paragraph shall not affect the time within which or the amount for which an assessment may otherwise be made.

§ 8. Paragraph 2 of subsection (h) of section 685 of the tax law, as amended by section 5 of part I of chapter 59 of the laws of 2014, is amended as follows:

(2) If any partnership, S corporation, or trust required to file a return or report under subsection (c) or subsection (f) of section six hundred fifty-eight or under section six hundred fifty-nine or six hundred fifty-nine-a of this article for any taxable year fails to file such return or report at the time prescribed therefor (determined with regard to any extension of time for filing), or files a return or report which fails to show the information required under such subsection (c) ~~of~~ or files a return or report which fails to show the information required under subsection (d) of section six hundred fifty-nine-a of this article, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall, upon notice and demand by the

1 commissioner and in the same manner as tax, be paid by the partnership
2 or S corporation a penalty for each month (or fraction thereof) during
3 which such failure continues (but not to exceed five months). The amount
4 of such penalty for any month is the product of fifty dollars, multi-
5 plied by the number of partners in the partnership or shareholders in
6 the S corporation during any part of the taxable year who were subject
7 to tax under this article during any part of such taxable year, except
8 that, in the case of a trust, the penalty shall be equal to one hundred
9 fifty dollars a month up to a maximum of fifteen hundred dollars per
10 taxable year.

11 § 9. Subsection (c) of section 687 of the tax law, as amended by chap-
12 ter 61 of the laws of 1989, is amended to read as follows:

13 (c) Notice of federal change or correction.--A claim for credit or
14 refund of any overpayment of tax attributable to a federal change or
15 correction required to be reported pursuant to section six hundred
16 fifty-nine or by a partner of a partnership required to report a federal
17 change or correction pursuant to section six hundred fifty-nine-a shall
18 be filed by the taxpayer within two years from the time the notice of
19 such change or correction or such amended return was required to be
20 filed with the commissioner of taxation and finance. If the report or
21 amended return required by section six hundred fifty-nine or six hundred
22 fifty-nine-a is not filed within the ninety day period therein speci-
23 fied, no interest shall be payable on any claim for credit or refund of
24 the overpayment attributable to the federal change or correction. The
25 amount of such credit or refund shall not exceed the amount of the
26 reduction in tax attributable to such federal change, correction or
27 items amended on the taxpayer's amended federal income tax return. This
28 subsection shall not affect the time within which or the amount for
29 which a claim for credit or refund may be filed apart from this
30 subsection.

31 § 10. Subsection (g) of section 688 of the tax law, as amended by
32 chapter 61 of the laws of 1989, is amended to read as follows:

33 (g) Cross-reference.--For provision with respect to interest after

35 fifty-nine or six hundred fifty-nine-a, see subsection (c) of section
36 six hundred eighty-seven.

37 § 11. Subsection (a) of section 1312 of the tax law, as amended by

39 read as follows:

3 force and effect as if those provisions had been incorporated in full
4 into this article, and had expressly referred to the tax imposed pursu-

6 provision of this article. Whenever there is joint collection of state
7 and city personal income taxes, it shall be deemed that such collections
8 shall represent proportionately the applicable state and city personal
9 income taxes in determining the amount to be remitted to the city.

10 § 12. Paragraph 1 of subdivision (e) of section 1515 of the tax law,
