Introduced by M. of A. JACKSON -- read once and referred to the Committee on Education

AN ACT to amend the education law, in relation to the establishment of a comprehensive career readiness program for pre-kindergarten to third grade students

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 305 of the education law is amended by adding a new subdivision 63 to read as follows:

63. The commissioner shall promulgate rules and regulations requiring the implementation of the following programs for pre-kindergarten to third grade students in every school district:

a. A literacy program in which:

(i) all students are assessed annually on their current literacy level and placed into one of the following literacy rate categories:

(1) above current grade level;

(2) current grade level; and

(3) below current grade level;

(ii) annually, two proposed plans are created to assist students who fall within the current grade level and below current grade level literacy rate categories in order to achieve a higher literacy rate, including a list of necessary resources in order to implement such plans.

b. A career readiness program in which:

(i) monthly, students are introduced to different occupations and possible career paths;

(ii) activities include but are not limited to guest speakers, career fairs and visiting approved industry sites; and

(iii) there is an emphasis on the importance of attendance and academic achievement to reach career goals.

c. A financial literacy program in which:

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
