The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 § 1. Subdivision 5 of section 13-a of the workers' compensation law,

3 amended to read as follows:  
4 (5) No claim for specialist consultations, surgical operations,  
5 physiotherapeutic or occupational therapy procedures, x-ray examinations  
6 or special diagnostic laboratory tests costing more than one thousand  
7 five hundred dollars shall be valid and enforceable, as against such  
8 employer, unless such special services shall have been authorized by the  
9 employer or by the board, or unless such authorization has been unrea-

11 days from receipt of a request for authorization, or unless such special  
12 services are required in an emergency, provided, however, that the basis  
13 for a denial of such authorization by the employer must be based on a  
14 conflicting second opinion rendered by a physician authorized by the  
15 board. The board, with the approval of the superintendent of financial  
16 services, shall issue and maintain a list of pre-authorized procedures  
17 under this section. Such list of pre-authorized procedures shall be  
18 issued and maintained solely for the purpose of expediting authorization  
19 of treatment of injured workers. Such list of pre-authorized procedures  
20 shall not prohibit varied treatment [~~when the treating provider demon-~~  
21 ~~strates the appropriateness and medical necessity of such~~], nor shall  
22 the list be used as a basis to deny treatment not contained therein.  
23 Requests for varied treatment need only comply with the provisions of  
24 this subdivision.
